

Documentation of Public Meeting

Project Location

Dallas County

Interstate 345 (I-345)

CSJ: 0092-14-094

Project Limits

I-30 to Woodall Rogers Freeway (SPUR 366)

Meeting Date, Time, and Location

Monday, Dec. 2, 2019

6:00 pm. to 8:00 p.m.

St. Philip's School and Community Center

1600 Pennsylvania Avenue

Dallas, Texas 75215

Translation Services

No services available but presented documents were available in English and Spanish

Presenters

Ms. Ceason Clemens, P.E.

Elected Officials in Attendance

Jaime Resendez – City of Dallas, Councilmember, District 5

Damarcus Offord – Representative of Congresswoman Eddie Bernice Johnson, District 30

Kelvin Bass, Representative of Senator Royce West, District 23

Senator Royce West – Texas State Senator, District 23

Total Number of Attendees (approx.):

205

Total Number of Commenters

89

Contents

Comment/Response Matrix	67

Comment Number	Commenter Name	Source	Date Received	Comment Topic	Response
1	Nick Killian	Electronic Survey	12/2/2019	Q: What best describes your interest in I-345? A: Commuter/traveler to downtown Dallas, Commuter/traveler through Downtown Dallas, Walk/bike under 345	Comment noted.
				Q: How often do you use I-345? A: Monthly	Comment noted.
				Q: When do you use I-345? A: Midday, Afternoon Rush, Evening, Late Night	Comment noted.
				Q: Why are you using I-345? A: Travel to/from recreation activities, Travel to/from entertainment	Comment noted.
				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: I-30, I-35E, I-635 (LBJ Freeway), Loop 12, Woodall Rodgers Freeway (Spur 366), Transit/Other transportation mode, Local Streets, Alternative - Commerce St., Main St.	Comment noted.
				Q: What mode of transportation do you use? A: Carpool with others, Public transit (rail, bus), Bicycle, Walk, Ride services (Uber, Lyft, taxi, etc.), Scooter	Comment noted.
				Q: Please identify your areas of concern on the map. A: Bike/Ped Issues: difficult to access Cedar Woods and Fair Park from each other. Bike/Ped Issues: limited crossings underneath this section. Bike/Ped Issues: stark end to development of Deep Ellum and downtown due to barrier of structure. Design Issue: ramp to Woodall rogers enters on left when most people are trying to exit within the next 1/2 mile to downtown or uptown or Klyde Warren. Design Issue: severe merging issues for I30 ramps drivers often go across 3 lanes to reach I30 W ramp, Safety Issue: the whole elevated section has severe curves with limited sight distance	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: The highway serves as a major barrier for development in and near Downtown and Deep Ellum. The land could also be used for development in a dense area with high land values.	Comment noted.
				Q: If improvements are made, what are your priorities for I-345? A: Removal of the freeway and conversion into a surface street with improved connection and integration into the surrounding urban grid. Bike, pedestrian, and public transportation in the core should be prioritized over the speeds of suburban commuters who use the road 10 times a week and drive right past most of the city.	Comment noted.
Q: What alternatives do you suggest for I-345 A: A surface level street or avenue with strong connections to the urban grid. A priority on slowing cars that are traveling in the city and improving safety for drivers, pedestrians, and bicyclists.	Comment noted.				

Comment Number	Commenter Name	Source	Date Received	Comment Topic	Response
				Q: I am interested because I am a A: Local Resident	Comment noted.
				Q: Please provide contact information to stay informed A: Nick Killian, [REDACTED]	Comment noted.
				Q: Do you have other comments? A: No response provided	No response provided.
				Q: Zip Code A: 75032	Comment noted.
				Q: How did you hear about this survey? A: Email	Comment noted.
2	Anonymous	Electronic Survey	12/2/2019	Q: What best describes your interest in I-345? A: Commuter/traveler to downtown Dallas, Commuter/traveler through Downtown Dallas, I am a lifelong Dallas resident and property owner	Comment noted.
				Q: How often do you use I-345? A: Daily	Comment noted.
				Q: When do you use I-345? A: Morning Rush Hour, Afternoon Rush, Evening	Comment noted.
				Q: Why are you using I-345? A: Travel to and from work, Travel to/from entertainment, My travel for business-related matters requires I	Comment noted.
				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: I do not use an alternate route	Comment noted.
				Q: What mode of transportation do you use? A: Drive my car, My mode of transportation is by car. The existing	Comment noted.
				Q: Please identify your areas of concern on the map. A: No response provided	No response provided.
				Q: Do you have concerns with the existing configuration of I-345? A: No. I do not support the tearing down of I-345. I travel on I-345 on my way to and from North Dallas. Disrupting the daily travel of more than 200,000 daily commuters from I-345 to city streets is not in the best interest of taxpaying citizens who live in Southern Dallas. Residents of South Dallas and Pleasant Grove have to travel I-345 to North Dallas to go to work.	Comment noted.
				Q: If improvements are made, what are your priorities for I-345? A: Improvements imply sustainability of the existing structure. This is preferable to tearing I-345 down. The first priority is to maintain a feasible thoroughfare for residents traveling from the Southern sector of Dallas to destinations North. Reworking of traffic will add to travel delays and congested traffic.	Comment noted.

Comment Number	Commenter Name	Source	Date Received	Comment Topic	Response
				Q: What alternatives do you suggest for I-345 A: There don't appear to be any logical alternatives. Tearing I-345 is illogical.	Comment noted.
				Q: I am interested because I am a A: Local Resident	Comment noted.
				Q: Please provide contact information to stay informed A: No response provided	No response provided.
				Q: Do you have other comments? A: I am a lifelong Dallas resident and property owner in both South and North Dallas. I do not support the tearing down of I-345. I travel on I-345 on my way to and from North Dallas. Disrupting the daily travel of more than 200,000 daily commuters from I-345 to city streets is not in the best interest of taxpaying citizens who live in Southern Dallas. Residents of South Dallas and Pleasant Grove have to travel I-345 to North Dallas to go to work. Disregarding the voices of Southern Dallas residents, who need to travel I-345, repeats the 1970s mindset when no one listened to working-class citizens. What is the environmental impact of diverting more than 200,000 cars daily to the City of Dallas streets?	Comment noted.
				Q: Zip Code A: 75215	Comment noted.
				Q: How did you hear about this survey? A: Message Board	Comment noted.
3	Anonymous	Electronic Survey	12/2/2019	Q: What best describes your interest in I-345? A: Reside Near I-345, Walk/bike under 345	Comment noted.
				Q: How often do you use I-345? A: Weekly	Comment noted.
				Q: When do you use I-345? A: Midday, Evening	Comment noted.
				Q: Why are you using I-345? A: Travel to/from recreation activities	Comment noted.
				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: I do not use an alternate route	Comment noted.
				Q: What mode of transportation do you use? A: Public transit (rail, bus), Bicycle, Walk	Comment noted.
				Q: Please identify your areas of concern on the map. A: Bike/Ped Issues: extremely difficult to walk underneath safely. Cars merge off of 345 extremely quickly and the sidewalk is minimal at best	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: No response provided	No response provided.

Comment Number	Commenter Name	Source	Date Received	Comment Topic	Response
				Q: If improvements are made, what are your priorities for I-345? A: Walkability through the pass. A tunnel or removing 345 would likely fix both.	Comment noted.
				Q: What alternatives do you suggest for I-345 A: A tunnel or compromise similar to Klyde Warren	Comment noted.
				Q: I am interested because I am a A: Business Owner	Comment noted.
				Q: Please provide contact information to stay informed A: No response provided	No response provided.
				Q: Do you have other comments? A: No response provided	No response provided.
				Q: Zip Code A: 75201	Comment noted.
				Q: How did you hear about this survey? A: Public Meeting	Comment noted.
4		Electronic Survey	12/2/2019	Q: What best describes your interest in I-345? A: Commuter/traveler to downtown Dallas, Commuter/traveler through Downtown Dallas	Comment noted.
				Q: How often do you use I-345? A: Weekly	Comment noted.
				Q: When do you use I-345? A: Morning Rush Hour, Midday, Afternoon Rush, Evening	Comment noted.
				Q: Why are you using I-345? A: Travel to/from recreation activities, Travel to/from entertainment	Comment noted.
				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: Local Streets, Good Latimer Expy., Ross Ave., 366	Comment noted.
				Q: What mode of transportation do you use? A: Drive my car	Comment noted.
				Q: Please identify your areas of concern on the map. A: Design Issue: driving onto 345 from 175 and then 45 I have to merge left then merge back right in heavy traffic to exit Bryan street	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: No response provided	No response provided.
				Q: If improvements are made, what are your priorities for I-345? A: Improvements should consider how to best allow traffic to enter and exit with out radical lane changes that are difficult in heavy traffic.	Comment noted.
				Q: What alternatives do you suggest for I-345 A: No response provided	No response provided.
				Q: I am interested because I am a A: Other	Comment noted.

Comment Number	Commenter Name	Source	Date Received	Comment Topic	Response
				Q: Please provide contact information to stay informed A: [REDACTED]	Comment noted.
				Q: Do you have other comments? A: No response provided	No response provided.
				Q: Zip Code A: 75235	Comment noted.
				Q: How did you hear about this survey? A: Email	Comment noted.
5	Nick Thorn	Electronic Survey	12/2/2019	Q: What best describes your interest in I-345? A: Reside Near I-345, Commuter/traveler through Downtown Dallas, Architect in Dallas concerned about the future of	Comment noted.
				Q: How often do you use I-345? A: Monthly	Comment noted.
				Q: When do you use I-345? A: Midday, Evening, Other	Comment noted.
				Q: Why are you using I-345? A: Travel to/from recreation activities, Travel to/from entertainment	Comment noted.
				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: I-30, I-35E, Loop 12, Woodall Rodgers Freeway (Spur 366), Local Streets, Cesar Chavez, N Pearl, Commerce, Canton, Good Latimer	Comment noted.
				Q: What mode of transportation do you use? A: Drive my car	Comment noted.
				Q: Please identify your areas of concern on the map. A: Bike/Ped Issues: The pedestrian and bike connections between the Arts District and Deep Ellum along Good Latimer/Routh are basically non-existent and rather unsafe. Design Issue: From Northbound 45, it is virtually impossible to access Deep Ellum. Design Issue: Headed southbound on 345 from Woodall Rodgers it is impossible to directly access the Deep Ellum neighborhood. Design Issue: Northbound 45 to Eastbound 30 ramp is unsafe. Design Issue: The exits/entrances at Elm/Main/Commerce prioritize downtown traffic and make it virtually impossible to access Deep Ellum. Intersection Issue: The intersection of Good Latimer/Central (exit from 345 southbound) and the DART tracks is incredibly confusing and inefficient.	Comment noted.

Comment Number	Commenter Name	Source	Date Received	Comment Topic	Response
				<p>Q: Do you have concerns with the existing configuration of I-345? A: Yes. The highway prioritizes regional commuter traffic and makes local driving nearly impossible. All of the exits are pointed towards downtown and access to other nearby neighborhoods is incredibly difficult. The existing street grid became a mangled mess of spaghetti when 345 was introduced. Only recently did significant development occur near the elevated highway. For too long, the road has been surrounded by parking lots.</p>	Comment noted.
				<p>Q: If improvements are made, what are your priorities for I-345? A: If the elevated freeway must remain, the</p>	Comment noted.
				<p>Q: What alternatives do you suggest for I-345 A: I strongly support removing I-345 altogether, building a network of local boulevards, and opening up hundreds of acres of land for new development. For far too long, this road has been an ugly scar on the east edge of downtown. It is a symbol of Dallas and TxDOT prioritizing regional desires instead of local benefits. If I-345 is removed, I hope that Dallas City Council and the State of Texas can write language to prevent future generations from rebuilding this elevated highway. Dallas must follow the example set by other metropolitan areas from around the country and remove this highway.</p>	Comment noted.
				<p>Q: I am interested because I am a A: Local Resident</p>	Comment noted.
				<p>Q: Please provide contact information to stay informed A: [Redacted] Twitter [Redacted]</p>	Comment noted.
				<p>Q: Do you have other comments? A: No response provided</p>	No response provided.
				<p>Q: Zip Code A: 75223</p>	Comment noted.
				<p>Q: How did you hear about this survey? A: TxDOT Social Media</p>	Comment noted.
6	Anonymous	Electronic Survey	12/2/2019	<p>Q: What best describes your interest in I-345? A: Potential business or property owner near I-345, Walk/bike under 345</p>	Comment noted.
				<p>Q: How often do you use I-345? A: Weekly</p>	Comment noted.
				<p>Q: When do you use I-345? A: Other</p>	Comment noted.
				<p>Q: Why are you using I-345? A: Travel to/from entertainment</p>	Comment noted.
				<p>Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: I-35E, Woodall Rodgers Freeway (Spur 366)</p>	Comment noted.

8		Electronic Survey	12/2/2019	Q: What best describes your interest in I-345? A: Commuter/traveler through Downtown Dallas	Comment noted.
				Q: How often do you use I-345? A: A few times a year	Comment noted.
				Q: When do you use I-345? A: Morning Rush Hour, Afternoon Rush	Comment noted.
				Q: Why are you using I-345? A: travel to visit family	Comment noted.
				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: I do not use an alternate route	Comment noted.
				Q: What mode of transportation do you use? A: Drive my car	Comment noted.
				Q: Please identify your areas of concern on the map. A: Design Issue: Hire designers with taste. Yes, I know it's a highway project, but even highway projects can be well designed. DO NOT LET ENGINEERS MAKE AESTHETIC DECISION!!!! Traffic Issue: I am aware that the potential removal of the existing I-345 will cause traffic problems, and that some traffic problems will exist as a result of its removal, but I am prepared to deal with that. Easy for me to say, and I may regret it, but prioritize street life and walking... not cars/trucks.	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: Primary concern is that if something is done it will be poorly designed, and will be as much of a scar on our city as the existing I-345. Secondary concern is traffic, but I'll deal with that somehow.	Comment noted.

Comment Number	Commenter Name	Source	Date Received	Comment Topic	Response
				Q: If improvements are made, what are your priorities for I-345? A: Design quality... you need more than technical capability. You need designers who care about design quality -- urban planners, landscape architects, lighting designers -- NOT *ARTISTS*, especially not the kind of artist TxDOT typically hires.	Comment noted.
				Q: What alternatives do you suggest for I-345 A: I don't know enough about what is planned to offer alternatives.	Comment noted.
				Q: I am interested because I am a A: Other	Comment noted.
				Q: Please provide contact information to stay informed A: [REDACTED]	Comment noted.
				Q: Do you have other comments? A: I appreciate the work TxDOT does, but in all honesty I cannot recall a single example of a good aesthetic design decision made by TxDOT. For instance... this survey. Please do some soul searching, and look outside your experience.	Comment noted.
				Q: Zip Code A: 75225	Comment noted.
				Q: How did you hear about this survey? A: Newspaper/TV Story	Comment noted.
9	Anonymous	Electronic Survey	12/2/2019	Q: What best describes your interest in I-345? A: Commuter/traveler to downtown Dallas	Comment noted.

				Q: How did you hear about this survey? A: Other Social Media Posting	Comment noted.
11	[REDACTED]	Electronic Survey	12/2/2019	Q: What best describes your interest in I-345? A: Reside Near I-345, Walk/bike under 345	Comment noted.

Comment Number	Commenter Name	Source	Date Received	Comment Topic	Response
				Q: How often do you use I-345? A: A few times a year	Comment noted.
				Q: When do you use I-345? A: Evening	Comment noted.
				Q: Why are you using I-345? A: Travel to/from recreation activities	Comment noted.
				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: Woodall Rodgers Freeway (Spur 366), Local Streets, Live Oak, Ross	Comment noted.
				Q: What mode of transportation do you use? A: Drive my car, Walk, Ride services (Uber, Lyft, taxi, etc.)	Comment noted.
				Q: Please identify your areas of concern on the map. A: Bike/Ped Issues: walking under I-345 is dangerous at night due to poor lighting, inadequate sidewalks and speeding cars, Intersection Issue: off ramp dumps right into pedestrian right of way, making pedestrians scramble across	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: Yes, it is a pointless freeway that has bisected downtown and deep ellum, to the detriment of downtown.	Comment noted.
				Q: If improvements are made, what are your priorities for I-345? A: Removing it and allowing the land below to be developed using an approved city-mandated vision for the street.	Comment noted.
				Q: What alternatives do you suggest for I-345 A: parks, apartments (badly needed), condo towers (also badly needed in downtown at a price point below \$1,000,000, businesses, retail.	Comment noted.
				Q: I am interested because I am a A: Local Resident	Comment noted.
				Q: Please provide contact information to stay informed A: [REDACTED]	Comment noted.
				Q: Do you have other comments? A: No response provided	No response provided.
				Q: Zip Code A: 75201	Comment noted.

				Q: Why are you using I-345? A: Travel to/from recreation activities, Travel to/from entertainment	Comment noted.
				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: I do not use an alternate route	Comment noted.
				Q: What mode of transportation do you use? A: Drive my car, Bicycle, Ride services (Uber, Lyft, taxi, etc.)	Comment noted.
				Q: Please identify your areas of concern on the map. A: Bike/Ped Issues: Would love for a more pedestrian friendly area, all the ramps make it prime real estate for crime.	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: There's too many on/off ramps currently which cause red to always be around that area on google maps. If you can't make better interchanges then limit the on/off ramps. Please.	Comment noted.
				Q: If improvements are made, what are your priorities for I-345? A: Less ramps to provide more eyes visible to witness crime. More pedestrian/bike friendly.	Comment noted.
				Q: What alternatives do you suggest for I-345 A: Below grade, similar to 75. More green areas.	Comment noted.
				Q: I am interested because I am a A: Commuter	Comment noted.
				Q: Please provide contact information to stay informed A: [REDACTED]	Comment noted.
				Q: Do you have other comments? A: No response provided	No response provided.
				Q: Zip Code A: 75206	Comment noted.

				Q: When do you use I-345? A: Evening	Comment noted.
				Q: Why are you using I-345? A: Travel to/from recreation activities	Comment noted.
				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: Transit/Other transportation mode	Comment noted.
				Q: What mode of transportation do you use? A: Public transit (rail, bus), Bicycle, Walk	Comment noted.
				Q: Please identify your areas of concern on the map. A: Bike/Ped Issues: No way to cross under I-345 here. Bike/Ped Issues: Very difficult to walk under I-345 here. Design Issue: I-345 should never have been designed in the first place. Design Issue: When crossing east under I-345 at Ross you're forced to enter the service road to get back on Ross and horribly it's inconvenient. Safety Issue: Drivers speed up here and cross the bike lane to get on the highway putting all cyclists in danger. Traffic Issue: Traffic is always backed up from drivers getting on I-345 from Woodall Rodgers to the point of blocking the lane that takes you to Hwy 75 N.	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: No response provided	No response provided.
				Q: If improvements are made, what are your priorities for I-345? A: No response provided	No response provided.
				Q: What alternatives do you suggest for I-345 A: The only alternative for I-345 is it needs to be removed and its traffic be redirected to Northwest Hwy or I-635. Good Latimer and Cesar Chavez can be converted to surface boulevards with protected and separated bus lanes and bike lanes flanked with mixed use developments and parks and carry any residual personal motor vehicle traffic that still chooses to drive through downtown. The Jevons Paradox was proven with the construction of I-345 in that traffic has only gotten worse. The Braess' Paradox will be proven with its removal.	Comment noted.

				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: I-30, Woodall Rodgers Freeway (Spur 366)	Comment noted.
				Q: What mode of transportation do you use? A: Drive my car	Comment noted.
				Q: Please identify your areas of concern on the map. A: Safety Issue: Trying to go south here scary.	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: There are some areas that are major safety issues, attempting to hit 30 going south is one of those. Generally speaking something like the Hwy 75 set up would change the overall neighborhood aesthetic and cultivate a sense of community with deep ellum and east downtown.	Comment noted.
				Q: If improvements are made, what are your priorities for I-345? A: safety and future volume are my main priorities, but i do believe that the impact on changing the way the interstate divides deep ellum from Dallas would be huge.	Comment noted.
				Q: What alternatives do you suggest for I-345 A: No response provided	No response provided.

				Q: Please identify your areas of concern on the map. A: Safety Issue: crossing over on ramp to exit at live oak going southbound	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: Yes, the road currently separates two major areas of Dallas and provides a mental and physical barrier to downtown and deep ellum. I work 100 yards west of 345 and even though it is only a 10 minute walk to deep ellum it mentally feels further because of the highway.	Comment noted.
				Q: If improvements are made, what are your priorities for I-345? A: improve the walkability between downtown and deep ellum, provide development opportunities for land where 345 used to exist, and create a sense of contentedness.	Comment noted.
				Q: What alternatives do you suggest for I-345 A: Complete demolition of, and the installation of boulevard style roads, or go below grade.	Comment noted.
				Q: I am interested because I am a A: Local Resident	Comment noted.

				Q: What mode of transportation do you use? A: Drive my car	Comment noted.
				Q: Please identify your areas of concern on the map. A: Comments: No issues, I like it the way it is.	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: If removed, it would concentrate traffic on the few alternate choices to move between north and south Dallas. It should remain to help with traffic flow.	Comment noted.
				Q: If improvements are made, what are your priorities for I-345? A: Improved signage and lane markings.	Comment noted.
				Q: What alternatives do you suggest for I-345 A: None, leave it there.	Comment noted.
				Q: I am interested because I am a A: Commuter	Comment noted.
				Q: Please provide contact information to stay informed A: No response provided	No response provided.
				Q: Do you have other comments? A: No response provided	No response provided.
				Q: Zip Code A: No response provided	No response provided.

32	Anonymous	Electronic Survey	12/2/2019	Q: What best describes your interest in I-345? A: Commuter/traveler to downtown Dallas, Commuter/traveler through Downtown Dallas, Property Owner Near I-345, Potential business or property owner near I-345, Walk/bike under 345	Comment noted.
				Q: How often do you use I-345? A: Weekly	Comment noted.
				Q: When do you use I-345? A: Morning Rush Hour, Midday, Afternoon Rush, Evening	Comment noted.
				Q: Why are you using I-345? A: Travel to and from work, Travel to/from recreation activities	Comment noted.
				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: Local Streets, Ross, Live Oak, Gaston, Columbia/Main, Canton, Good Latimer	Comment noted.
				Q: What mode of transportation do you use? A: Drive my car, Walk, Ride services (Uber, Lyft, taxi, etc.)	Comment noted.
				Q: Please identify your areas of concern on the map. A: Bike/Ped Issues: No Sidewalk Connection. Bike/Ped Issues: Poor Sidewalk Connection. Safety Issue: Cars moving too fast on/off ramp.	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: Yes I don't like an elevated, limited access freeway being so close to dense urban areas. It interrupts the grid and hampers development opportunities.	Comment noted.
				Q: If improvements are made, what are your priorities for I-345? A: Reconnecting fractured streets, walk/bike improvements, development sites	Comment noted.
				Q: What alternatives do you suggest for I-345 A: A total demolition with improved north-south at grade marquee boulevards to handle local and regional traffic more efficiently	Comment noted.
				Q: I am interested because I am a A: No response provided	No response provided.

				Q: What mode of transportation do you use? A: Public transit (rail, bus), Bicycle, Walk	Comment noted.
				Q: Please identify your areas of concern on the map. A: Comments: LOTS of empty space here!! Instead of wasting tax payer money to tear this down, recreation areas (basketball courts, skatepark, tennis courts, handball courts), or additional parking could be built here for a fraction of the cost.	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: None	Comment noted.
				Q: If improvements are made, what are your priorities for I-345? A: Utilize this empty space for recreational areas and parking. It would be a serious waste of taxpayer money and a major inconvenience to commuters to tear this down to build another costly deck park like Klyde Warren... Also, Uptown is a much different neighborhood than Deep Ellum	Comment noted.

				Q: What mode of transportation do you use? A: Drive my car	Comment noted.
				Q: Please identify your areas of concern on the map. A: Bike/Ped Issues: I have friends that live off of Bryan St east of I-345 who cannot walk to their work building on Bryan St west of I-345 Design Issue: When travelling South on US 75 it can be difficult to make it over two lanes to exit to Live Oak.	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: I think it can be improved but I'm not sure the best way how. There are short weaves between ramps and I'm concerned about the cost to the taxpayers of maintaining the existing structure.	Comment noted.
				Q: If improvements are made, what are your priorities for I-345? A: Improve safety (weaving distance), help the city streets be more bike and pedestrian friendly	Comment noted.
				Q: What alternatives do you suggest for I-345 A: Remove the highway or depress it into a canyon	Comment noted.

				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: Transit/Other transportation mode, Local Streets, There are too many alternate streets to list.	Comment noted.
				Q: What mode of transportation do you use? A: Public transit (rail, bus), Walk	Comment noted.
				Q: Please identify your areas of concern on the map. A: Bike/Ped Issues: Walking under and around 345, aside from the pollution created by the traffic, is an unpleasant experience. Design Issue: Highways through major urban centers are terrible urban design. Intersection Issue: 345 has absolutely destroyed the street grid, making travel more dangerous and tedious for drivers and pedestrians alike.	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: Yes, it creates an undue burden on the city by creating a barrier between neighborhoods and making travel for pedestrians dangerous.	Comment noted.
				Q: If improvements are made, what are your priorities for I-345? A: Don't improve it. Remove it.	Comment noted.
				Q: What alternatives do you suggest for I-345 A: Remove it. Countless studies have shown the benefits of highway removal in dense urban areas. Those same studies show that traffic, the boogeyman that DOTs help create, will vanish. This has happened time and again. It will happen with the ~180k cars on 345 too. It's time for Dallas and TxDOT to enter the 21st century and embrace good urban design. 345 is a relic of the past and that's where it should remain. It's time to remove it.	Comment noted.

Comment Number	Commenter Name	Source	Date Received	Comment Topic	Response
				<p>Q: Please identify your areas of concern on the map. A: Design Issue: See comment on Traffic Issue for getting onto IH 30 EB/WB. Design Issue: See comment on Traffic Issue for Woodall Rodgers. Intersection Issue: Needs to be easier to get from Ross to get onto service road and enter highway. Intersection Issue: Trying to get onto service road and/or to get onto highway from any of the downtown streets is complicated due to traffic and/or the routing of the street. Traffic Issue: Trying to get onto IH 30 EB or WB is a nightmare. Especially WB. Traffic Issue: Trying to get onto Woodall Rodgers is a nightmare. Always a major backup on US 75/IH 345 regardless of day/time.</p>	Comment noted.
				<p>Q: Do you have concerns with the existing configuration of I-345? A: IH 345 diverts traffic from the area in downtown and on the east side of downtown which takes potential business out of the area and keeps the area from being more resident friendly. Making 345 a major boulevard would help to bring new economy into the area as well as residents.</p>	Comment noted.
				<p>Q: If improvements are made, what are your priorities for I-345? A: Improving the area for economy and residents.</p>	Comment noted.
				<p>Q: What alternatives do you suggest for I-345 A: Making it a major boulevard. Cities like Boston and Seattle have done this with highways, Dallas could do it too.</p>	Comment noted.
				<p>Q: I am interested because I am a A: Local Resident</p>	Comment noted.
				<p>Q: Please provide contact information to stay informed A: No response provided</p>	No response provided.
				<p>Q: Do you have other comments? A: No response provided</p>	No response provided.

				<p>Q: How often do you use I-345? A: Daily</p>	Comment noted.

Comment Number	Commenter Name	Source	Date Received	Comment Topic	Response
				Q: When do you use I-345? A: Morning Rush Hour, Evening	Comment noted.
				Q: Why are you using I-345? A: Travel to and from work, Travel to/from recreation activities, Travel to/from entertainment	Comment noted.
				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: I-635 (LBJ Freeway), Local Streets, Good Latimer	Comment noted.
				Q: What mode of transportation do you use? A: Drive my car	Comment noted.
				Q: Please identify your areas of concern on the map. A: Comments: I am worried well connected, well funded real estate interests will prevail in removing I 345 without a suitable replacement highway, cutting off the southern sector to jobs and entertainment north of downtown. Traffic Issue: Old exits to Lamar and MLK closed, no easy outlet to side streets to work around long backups. New exit to Lamar and MLK is always backup into NB 45 during rush hour. The backup is often well past the trinity bridge.	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: Yes. It seems overwhelmed with current traffic and could be tied into other arteries better. Morning backups often stretch back almost to loop 12.	Comment noted.
				Q: If improvements are made, what are your priorities for I-345? A: Replace with a canyon or tunnel style freeway that is better connected to other freeways and easier to maintain.	Comment noted.
				Q: What alternatives do you suggest for I-345 A: Tear down and replace with a canyon style freeway that better handles the traffic volume.	Comment noted.
				Q: I am interested because I am a A: Commuter	Comment noted.
				Q: Please provide contact information to stay informed A: [REDACTED]	Comment noted.
				Q: Do you have other comments? A: I'm please you are having these public forums.	Comment noted.

				Q: When do you use I-345? A: Other	Comment noted.
				Q: Why are you using I-345? A: Travel to/from recreation activities, Travel to/from entertainment	Comment noted.
				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: I-30, I-35E, Local Streets	Comment noted.
				Q: What mode of transportation do you use? A: Drive my car	Comment noted.
				Q: Please identify your areas of concern on the map. A: Comments: By deconstructing I-345 we can connect Downtown and Deep Ellum/East Dallas, two critical neighborhoods now divided by an imposing concrete elevated highway. Joining these neighborhoods will create new residential and commercial nodes that will bring people and jobs to the core of the city. This is a visionary plan that will have meaningful and positive change to the residents of South Dallas.	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: Yes, it is an imposing concrete barrier separating Downtown and Deep Ellum/East Dallas, two vibrant neighborhoods that joined together could spur dynamic and positive change	Comment noted.
				Q: If improvements are made, what are your priorities for I-345? A: Deconstruct to a grade level configuration joining Downtown and Deep Ellum/East Dallas.	Comment noted.
				Q: What alternatives do you suggest for I-345 A: Deconstruct to a grade level configuration, connecting Downtown and Deep Ellum/East Dallas	Comment noted.
				Q: I am interested because I am a A: Business Owner	Comment noted.

				<p>Q: What mode of transportation do you use? A: Drive my car</p>	<p>Comment noted.</p>
				<p>Q: Please identify your areas of concern on the map. A: Bike/Ped Issues: Sidewalks under 345 are practically non-existent. Lighting is also non-existent - essentially deterring pedestrians from walking from the CBD to Deep Ellum, despite the close proximity. Comments: I hate that the land connecting the Eastern CBD and Deep Ellum is so poorly utilized. It's essentially a no-man's land that is a homeless hangout, empty buildings, etc. If we took out 345, this would completely reverse and we would see thriving businesses and a walkable district. Safety Issue: This stretch of Main Street is quite dangerous for pedestrians - as cars barrel down off the exit of 345 into downtown. Traffic Issue: Traffic entering downtown gets backed up in the morning hours as cars get dumped off of 345 onto Elm Street.</p>	<p>Comment noted.</p>
				<p>Q: Do you have concerns with the existing configuration of I-345? A: 345 is essentially a short cut or cut through that isn't necessary for the City of Dallas' traffic management and is placing cars at a higher importance than businesses, pedestrians, bike lanes, etc.</p>	<p>Comment noted.</p>
				<p>Q: If improvements are made, what are your priorities for I-345? A: I would like to see I-345 torn down. If it isn't torn down, PLEASE add in safely features like lighting, signage, and sidewalks for pedestrians. As Deep Ellum continues to grow, businesses will start utilizing downtown parking garages as parking solutions, and it's ridiculous that there isn't proper lighting there. Think downtown Austin and the amount of pedestrians that move through their entertainment districts at night - at least I-35 is lit with proper sidewalks.</p>	<p>Comment noted.</p>

Comment Number	Commenter Name	Source	Date Received	Comment Topic	Response
				<p>Q: What alternatives do you suggest for I-345 A: I would like to see I-345 torn down - for traffic to dissipate and find other routes, and to alleviate the heavy traffic on other routes in and out of the City. I-75 is extremely congested - I believe by removing I-345, that situation will be helped.</p> <p>I would also love to see John Carpenter park utilized better - as well as the rest of the land surrounding 345. This could be a thriving area connecting CBD and Deep Ellum! John Carpenter park could install basketball, soccer, and tennis courts as amenities to all the residents in downtown and DE. The removal of I-345 would bring positive changes to Dallas residents and employees.</p>	Comment noted.
				<p>Q: I am interested because I am a A: Local Resident</p>	Comment noted.

				<p>Q: Please identify your areas of concern on the map. A: Bike/Ped Issues: Very scary riding bikes or other devices past this off ramp</p>	Comment noted.

Comment Number	Commenter Name	Source	Date Received	Comment Topic	Response
				<p>Q: Do you have concerns with the existing configuration of I-345? A: I'm worried Dallas' new urbanism will tear down this highway in favor of stitching together downtown and deep Ellum. These are two already thriving areas of Dallas. And at this point, these neighborhoods are not racially divided as they are both gentrified. Yes I love the idea of making Dallas a pedestrian, bike and public transit friendly place but we have a very long way to go til that day. The unfortunate truth in Dallas is car is king. And if we replaced 345 with the mixed use development and parkway, we'd have one very congested zone that alienates anyone from the north or south. The central and most interesting area in Dallas would be exclusive to its immediate residents. If we're really so concerned about stitching the neighborhoods, put some green areas underneath, improve sidewalks and lighting and for heaven sake's put a skatepark under that freeway because we still don't have a good one. Dallas needs to change the way we get around and link neighborhoods but tearing down 345 will not help this.</p>	Comment noted.
				<p>Q: If improvements are made, what are your priorities for I-345? A: Improving traffic to 30 but making the areas underneath the highway well lit and safe to travel on foot. Forget a deck park, make an under the deck park. This is a perfect place for that long on the to do list skatepark.</p>	Comment noted.
				<p>Q: What alternatives do you suggest for I-345 A: Burying the highway underground</p>	Comment noted.
				<p>Q: I am interested because I am a A: Local Resident</p>	Comment noted.
				<p>Q: Please provide contact information to stay informed A: [REDACTED]</p>	Comment noted.

				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: I-35E, Woodall Rodgers Freeway (Spur 366), Local Streets	Comment noted.
				Q: What mode of transportation do you use? A: Drive my car, Ride services (Uber, Lyft, taxi, etc.)	Comment noted.
				Q: Please identify your areas of concern on the map. A: Design Issue: The design of 345 kills the neighborhoods immediately east of downtown.	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: Yes. On a scale from 1 to 10, my level of concern is 10. Fundamentally, my concern is that the elevated highway has meaningfully negative effects on livability/safety in the adjacent neighborhoods. I appreciate this feasibility study's inclusion of public comment, but I'm very concerned that major constituents (NTCOG and DART) aren't aligned with the interests of the constituents most directly affected by the highway. COG and DART want to pull people to the suburbs at our expense. I would like for their misalignment of interest to be reflected in the final decision by TXDOT by giving more weight to the community.	TxDOT will consider the comments from individuals and is working with DART and the North Central Texas Council of Governments to determine the best approach for any proposed improvements to I-345.
				Q: If improvements are made, what are your priorities for I-345? A: Best case scenario: Get rid of the highway. Next best scenario: Bury it and put parks over it with few entrances/exits.	Comment noted.
				Q: What alternatives do you suggest for I-345 A: See prior answer. Get rid of it if at all possible but at least bury it and open up space for parks like Klyde Warren Park.	Comment noted.
				Q: I am interested because I am a A: No response provided	No response provided.

				Q: Why are you using I-345? A: Work-related (freight, etc.), Travel to/from recreation activities, Travel to/from entertainment	Comment noted.
				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: Loop 12, Woodall Rodgers Freeway (Spur 366), Local Streets	Comment noted.
				Q: What mode of transportation do you use? A: Drive my car	Comment noted.
				Q: Please identify your areas of concern on the map. A: Traffic Issue: light is confusing off 345 and Colonial	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: Exits near 175 are really short; difficult for entrance and exit ramps at Pennsylvania and Pine and Hatcher. Lamar street is a complete "mess" has been for approximately 3 years; not sure what the timeline will be but the movement seems extremely SLOW!!! Should give information on the timeline.	Comment noted. US Highway 175 is not a part of the I-345 Feasibility Study. Your comments will be provided to the appropriate project manager at TxDOT.
				Q: If improvements are made, what are your priorities for I-345? A: smoother transitions on and off... still need to keep exits for Pennsylvania and Martin Luther king versus just one exit for Lamar.	Comment noted. Your comments will be provided to the appropriate project manager at TxDOT.
				Q: What alternatives do you suggest for I-345 A: Service roads are not the answer because they would be so close to the homes and businesses along side I-345	Comment noted.
				Q: I am interested because I am a A: Local Resident	Comment noted.
				Q: Please provide contact information to stay informed A: TDot Highway Message Board	Comment noted.

				Q: What mode of transportation do you use? A: Drive my car	Comment noted.
				Q: Please identify your areas of concern on the map. A: Comments: The highway is not well kept at all. Traffic Issue: Not enough lanes, Traffic Issue: Not enough lanes, too congested	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: Yes, it cannot accommodate today's volume of traffic. There needs to be more lanes and the exit ramps need to have more than one lane that doesn't merge once the connection is made to the adjoining highway.	Comment noted.
				Q: If improvements are made, what are your priorities for I-345? A: More lanes on regular interstate and all exit ramps	Comment noted.
				Q: What alternatives do you suggest for I-345 A: More lanes, it needs to be widened and the connections need to be designed better.	Comment noted.
				Q: I am interested because I am a A: Commuter	Comment noted.
				Q: Please provide contact information to stay informed A: No response provided	No response provided.

				Q: Why are you using I-345? A: Travel to and from work, Travel to/from recreation activities, Travel to/from entertainment	Comment noted.
				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: I do not use an alternate route	Comment noted.
				Q: What mode of transportation do you use? A: Drive my car	Comment noted.
				Q: Please identify your areas of concern on the map. A: Comments: Your goal it to restitch neighborhoods racially cut off while not pissing off drivers. The only way is to bury 345 and cover it. Once Fair Park develops, in/out traffic will increase making the tear-down option particularly stupid. Design Issue: Bury it and cover it with park. Most expensive option but also the best. Anything else is just dumb.	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: It's a racially dividing roadway that connects two interstate roads with hundreds of thousands of cars per day. Dismantling the existing road and sending traffic through side-streets is the height of idiocy. Bury it and cover it with usable space - park or building (if Hudson Yards can do it, so can we - minus the billionaire playground).	Comment noted.
				Q: If improvements are made, what are your priorities for I-345? A: All or nothing. Don't putz around and be half-assed.	Comment noted.
				Q: What alternatives do you suggest for I-345 A: As I've types multiple times in this survey, bury it and cover it. End of story.	Comment noted.
				Q: I am interested because I am a A: Other	Comment noted.
				Q: Please provide contact information to stay informed A: [REDACTED]	Comment noted.

				Q: Why are you using I-345? A: Travel to and from work, travel to/from school, Travel to/from recreation activities, Travel to/from entertainment	Comment noted.
				Q: When I-345 is experiencing delays, which alternate route(s) do you use? A: I do not use an alternate route	Comment noted.
				Q: What mode of transportation do you use? A: Drive my car	Comment noted.
				Q: Please identify your areas of concern on the map. A: Design Issue: This is the only route north that is a direct route to my job and family that lives north. Why would I want to see it gone for a pedestrian friendly area of town I will most likely not be welcomed in?	Comment noted.
				Q: Do you have concerns with the existing configuration of I-345? A: I am fine with developing the area under it, but why is this such a concern now. I am a resident of this area for 35 years, and before that my parents lived here, and before that my grandparents lived here. We have been in this area for over 90 years and it went undeveloped. Now you want to change it to accommodate people, that will cut off the people in this areas only feasible way north? Loop 12, 20, 635 and Woodall Rogers are not options. I am insulted that you would think this was an option!	TxDOT regularly reviews its existing infrastructure to ensure it is still meeting the needs of the traveling public. As part of this proactive review process, TxDOT is facilitating this feasibility study to determine long term plans for I-345. This study incorporates stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors. A decision has not been made and TxDOT will review feasible options as it looks to determine the future of the roadway.
				Q: If improvements are made, what are your priorities for I-345? A: More lanes, it is congested and crowded coming and going but you want to tear it down....it does not make sense.	Comment noted.
				Q: What alternatives do you suggest for I-345 A: I have no alternatives.	Comment noted.
				Q: I am interested because I am a A: Local Resident	Comment noted.

63	Tom Shafer	Written Comment	12/2/2019	I am a commuter, using I-345 daily, although I always called it "elevated 45." Over the last 15 years, congestion on 345 has gotten much worse, partly owing to good economy, but also due to growth and changing patterns of commuting.	Comment noted.
				I would like to see 345 improved to handle tie in to the other freeways better. It is a vital link for those of us who live in South Dallas and south of Dallas. I really dislike the "tear it down and don't replace" option! It is not realistic and would only cut off the southern sector from jobs north of Dallas while snarling rush hour traffic even worse than it currently is. The best option for all stakeholders, in my opinion, is to rebuild 345 as a canyon highway. It improves traffic flow, living quality of residents and development opportunities	Comment noted. A decision regarding long term plans for I-345 has not been made. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors. TxDOT has a process that must be followed when determining whether or not a road should be decommissioned, and a feasibility study must be performed.
64	Colbey Walker	Written Comment	12/2/2019	I-345 needs to be removed. Eliminating the unnecessary artificial barrier between downtown and Deep Ellum/East Dallas will open up countless opportunities for local residents and city visitors to travel safely via any number of modes of transportation between and within neighborhoods that are now unnaturally segregated. In addition, opening up 240 acres of land to public gathering spaces and businesses will be the development we seek. Make our city more walkable and more livable - remove I-345.	Comment noted.
65	Thomas J. Wattley	Written Comment	12/2/2019	Please keep me updated on all events and planning sessions.	Comment noted. Your information has been added to the project mailing list.
66	John Botefulur	Written Comment	12/2/2019	Please remove I-345 and re connect Deep Ellum, Downtown and E. Dallas. Discarding commuter traffic through Downtown/dense areas should be the goal of TxDOT.	Comment noted.
67	Hansel vonQuenzer	Written Comment	12/2/2019	Do not tear down I-345 unless there will be an underground freeway, then every alternative will be a slower commute.	Comment noted. A decision regarding long term plans for I-345 has not been made. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors. TxDOT has a process that must be followed when determining whether or not a road should be decommissioned, and a feasibility study must be performed.

68	Emiko Fitzgerald	Written Comment	12/2/2019	The city center of Dallas is growing and the economic development is unprecedented. Please look at the options that allows the land where I-345 sits to be developed and make the area more accessible. DFW has a robust highway system, there has to be another way the doesn't slice downtown in half. The embarcadero freeway division was successful in San Francisco area as a case study.	Comment noted. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors.
69	Fred Welsh	Written Comment	12/2/2019	I vote for removal because it allows Dallas to growth south and east and brings neighborhoods together. Traffic from trucks can be re-routed.	Comment noted.
70	Kiran Talluri	Written Comment	12/2/2019	<ol style="list-style-type: none"> 1. I, as a local resident, prefer pre construct and elevate w/ ramp mod. 2. I'd prefer (at least) one ramp into downtown and one not having a highway 3. This is racist and classist. You (TxDOT) are making my commute life harder if you remove the highway. 	Comment noted. A decision regarding the long term plans for I-345 has not been made. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors.
71	Andrew Barnes	Written Comment	12/2/2019	I strongly advocate for the complete removal of I-345. If complete removal is absolutely not possible, then a tunnel for through-traffic should be explored.	Comment noted.
72	Brian Chapman	Written Comment	12/2/2019	I would like to see, if possible, a number of residence who reside in southern Dallas who use I-345 as part of their daily commute. I use I-345 frequently as part of my daily commute. I believe that if there are a significant # of residence from the southern sector (zip codes 75215, 75217, 75216, 75203, and 75241) who use I-345, then removing I-345 would make commuting to North Dallas more difficult and cause more congestion in our side streets in south and east Dallas, along with the Deep Ellum neighborhood (which could not handle more traffic).	Comment noted. The feasibility study will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors. The traffic data will include information on traffic volumes and patterns. This information will be available at subsequent public meetings and in the final study report.
73	Terry Smith	Written Comment	12/2/2019	I am interested in the loop 9 project and would like to be informed of any meeting.	Comment noted. Your information has been provided to the Loop 9 project manager for addition to their mailing list.

Comment Number	Commenter Name	Source	Date Received	Comment Topic	Response
74	Margaret Rogers	Written Comment	12/2/2019	I am opposed to the removal of 345. It would be detrimental to mobility for the entire city*. Proponents of its removal will say it will development in Deep Ellum and "east" downtown. I live in Deep Ellum and development doesn't need help!	Comment noted. A decision regarding the long term plans for I-345 has not been made. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors. TxDOT has a process that must be followed when determining whether or not a road should be decommissioned, and a feasibility study must be performed.
				*Re-routing 100,000+ cars daily to the west side of downtown to get through/past downtown is ridiculous. If your traffic counts are complete, please release that data to the public.	Comment noted. Traffic data will be presented in subsequent public meetings and the final study report.
75	Scott Harris	Written Comment	12/2/2019	Please leave as is. Emergency fire and ambulance need it to get to other parts of the Central Business District and Uptown.	Comment noted. A decision regarding the long term plans for I-345 has not been made. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors. TxDOT has a process that must be followed when determining whether or not a road should be decommissioned, and a feasibility study must be performed.
76	Howard Sanders	Written Comment	12/2/2019	Howard Sanders Please add me to your email and mailing list	Comment noted. Your information has been added to the project mailing list.
77	Jannina Johnson	Written Comment	12/2/2019	I am truly disgusted at TxDOT for making this an option. For people in this area, this is our only route north and it is poorly maintained at that. I understand progress, I have lived all over the US and this city. I own property in 3 North Texas counties, but I live here. To see my only to and from my day job demolished would be a major hardship. I have to go north to buy food, how will I do that I have to go north to the doctor, how will I do that? I know I am not the only person who depends on I-345 to do daily tasks. Please do not demolish it.	Comment noted. TxDOT regularly reviews its existing infrastructure to ensure it is still meeting the needs of the traveling public. As part of this proactive review process, TxDOT is facilitating a feasibility study to determine long term plans for I-345. A decision regarding the long term plans for I-345 has not been made. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors. TxDOT has a process that must be followed when determining whether or not a road should be decommissioned, and a feasibility study must be performed.
78	Alex More	Written Comment	12/2/2019	I worry that removal would create too much of a traffic burden around downtown, particularly for people who commute from South Dallas. Reconstruction and a below grade freeway both seem fine, just depends on cost and time. I live near downtown and work downtown. I drive I-345 several times each week. Removal would inconvenience me both by taking away a route I use and by pushing more traffic onto the already overburdened routes I also use.	Comment noted. A decision regarding the long term plans for I-345 has not been made. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors. TxDOT has a process that must be followed when determining whether or not a road should be decommissioned, and a feasibility study must be performed.

79	CeCe More	Written Comment	12/2/2019	I think that reconstruct and elevate or below grade freeway are the best options given so far. Another deck park type solution would also be ok.	Comment noted.
				The most important thing is to maintain highway access between 75, 45, and 30. I think there should be at least one ramp into downtown and one into Deep Ellum also.	Comment noted.
				Removal would push more traffic to 35 which already has issues and give people no other alternative going south other than side roads to a certain point which are already busy and slow. No one wants to have to exit the highway to drive on surface streets a couple of miles then get back on the highway. It doesn't make sense and is inefficient.	Comment noted. A decision regarding the long term plans for I-345 has not been made. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors. TxDOT has a process that must be followed when determining whether or not a road should be decommissioned, and a feasibility study must be performed.
80	Terry Flowers	Written Comment	12/2/2019	Removal should not be an option express lane options should be provided. The traffic count for people living south of downtown who use I-45 to get to work in North Dallas is already extremely high. Nothing should be done to make it less convenient for people to get to work. In fact there needs to be an overhead express lane added on top of I-345. A tunneled express lane should be considered for under I-345.	Comment noted. A decision regarding the long term plans for I-345 has not been made. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors.
				The community already battled to get the north and south bound MLK/Pennsylvania Ave exit approved and funded. That work needs to be executed as funded.	Comment noted. The referenced project is part of the SM Wright project. Your comment will be provided to the TxDOT SM Wright project manager.
				Plans for this needs to anticipate the population explosion 20 yrs forward which will be south. The current removal model adversely impacts accessibility to South Dallas Fair Park. The future holds increased development in the south but while there will be more people living in the south the majority of jobs are in the north. Going around downtown increase the drive time of southern residents. Removal of I-345 will impact employment in cities south of Dallas communities and Arlington.	Comment noted. The feasibility study will also consider stakeholder and public input; engineering analysis; traffic analysis; right of way requirements; existing and planned developments; cost and economic impact; other planning efforts; natural and cultural resources; land use and park land; water resources and flood plains; hazardous materials; and social and community impacts. TxDOT has a process that must be followed when determining whether or not a road should be decommissioned, and a feasibility study must be performed.

81	Adam Social	Written Comment	12/2/2019	This road needs to be demolished ASAP. It is destroying the livability of the city and region. Even the slight delay of car drivers commute should not impact the final decision of this project. Demolish it now and SAVE DALLAS!	Comment noted. A decision regarding the long term plans for I-345 has not been made. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors. TxDOT has a process that must be followed when determining whether or not a road should be decommissioned, and a feasibility study must be performed.
82	Lettie Clark	Written Comment	12/2/2019	I am concerned about how traffic will be re-routed. I am concerned about MLK and Lamar exit being removed. It (I-45) is already congested.	Comment noted. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors.
83	Stephen McKeown	Written Comment	12/2/2019	I strongly urge that I-345 be preserved not removed. It is a vitally important link between the north and south halves of our city, and is important to the quality of life of Dallasites in a way that no amount of downtown condo and office buildings could make up for. We are not NYC or San Francisco, and the frequently cited examples of freeway tearouts elsewhere are not analogous.	Comment noted. A decision regarding the long term plans for I-345 has not been made. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors. TxDOT has a process that must be followed when determining whether or not a road should be decommissioned, and a feasibility study must be performed.
				For our community please study the traffic impacts and impacts on lives before removing this. Keeping it our burying it with at least the same capacity are far preferable, thank you.	Comment noted. A decision regarding the long term plans for I-345 has not been made. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors.
84	Jaime Resendez	Written Comment	12/2/2019	I suggest exploring ways that impacted communities can benefit financially. For example, if I-345 is removed and the land under the highway is developed, some of the money collected in taxes should be used to benefit South Dallas, Oak Cliff, and Southeast Dallas.	Comment noted.
				I also suggest reaching out to Latino/Spanish-speaking community to get its input since that community will also be impacted. There should be translators at these community meetings.	Comment noted. We placed meeting information in the Al Dia news publication, sent information to RHCA, the Hispanic Chamber of Commerce, and had several members available at the public meetings to translate meeting information as needed. We will ensure that the nametags of Spanish speaking staff are prominently marked to show that they are bilingual. We also give those an opportunity to request translation services prior to meetings. Please let us know if there are other groups that you recommend we send information to.

				<p>Best option would be to keep expand/enhance the Freeway or potentially move it below surface level like Woodall Rogers but then build more parks and green space which is lacking in central downtown Dallas. Thanks.</p>	<p>Comment noted.</p>
85	Pat O'Connell	Email Comment	12/2/2019	<p>Dallas has JUST finally created a seamless connection between I-35 and I-30 west after being one of the last cities in the modern world to force highway traffic onto surface streets to make the connection. It was embarrassing and profoundly annoying.</p> <p>Over the past 20 years, the city spent millions and drivers have endured decades of construction traffic on Central Expressway, only to have the city now consider breaking the existing seamless link between I-45 and that beautifully upgraded Central Expressway. The current link, I-345, may not flush drivers into traffic lights and whatever bait those developers want to benefit from, but it does give developers and business owners both north and south of that link access to millions of customers they will LOSE if 345 becomes a surface link. You might as well close Highland Park and North Park mall.</p> <p>Folks coming up from south of I-30 will never go there. They'll take I-35 for north-south access, or will go east to LBJ or west on I-20 for restaurants and shopping. Folks traveling south to Texas A&M, Houston or Galveston from north of downtown Dallas will DESPISE you every time they make the trip...both ways.</p> <p>Folks coming up I-45 to visit friends and family in Plano, Richardson and the exploding suburbs of Allen and McKinney will also despise you for adding 10-15 painful minutes to their trip for a short link that currently takes less two minutes. And anybody passing through Dallas on Central to I-45 will remember Dallas as a horse-and-buggy, throwback city once again. Is that really the image you want Dallas to project? PLEASE KEEP I-345 as a high-speed, limited-access link between I-45 and Central Expressway. Whether you repair it, replace it, run it below grade, or reduce the number of exits, just keep the seamless, high-speed link</p>	<p>I am confirming receipt of your e-mail regarding the I-345 feasibility study. TxDOT really appreciates your input regarding the project.</p> <p>We hope that you will be able to attend the upcoming public meetings to discuss the project in more detail, but if you cannot, I would like to point you towards the following web address: https://i-345dallas.metroquest.com/</p> <p>There is a live survey located here where TxDOT is looking to gather information from the public.</p> <p>Comment noted: A decision regarding long term plans for I-345 has not been made. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors. TxDOT has a process that must be followed when determining whether or not a road should be decommissioned, and a feasibility study must be performed.</p>

86	Jackson Hurst	Email Comment	11/15/2019	Hi i would like to sign up for study updates and be added to the mailing list for the I-345 Feasibility Study from I-30 to Woodall Rodgers Freeway in Dallas County, Texas.	Comment noted. Your information has been added to the project mailing list.
87	Jim Rogers	Verbal Comment	12/2/2019	Jim Rogers . They've done -- they just finished doing over 300 new traffic counts, and I wish they would go ahead and release those. That's the comment. 88	Hearing attendee 1	Verbal Comment	12/2/2019	1: Whatever you do, do not interrupt the Green Line service, please, because I'm a big fan of -- I work at Bell Helicopter, and I get to take the train the whole way. And if that stopped, that would make me very sad, especially for however many years this would take. So I'm up for whatever option does not stop me from getting to take the Green Line. That would be fantastic, and that's my comment.	Comment noted. TxDOT is working closely with DART to coordinate projects affecting downtown Dallas.
89	Lorraine and Grier Raggio	Verbal Comment	12/2/2019	<p>We're married, so, Mr. and Ms. Lorraine and Grier Raggio, R-A-G-G-I-O. GRIER RAGGIO: We live at [REDACTED] and we look down every night, there's a line of red lights --</p> <p>MS. LORAINNE RAGGIO: It doesn't move.</p> <p>MR. GRIER RAGGIO: -- stopped, and there's line of white lights coming north also stopped. I mean, it's just jammed for a long time.</p> <p>MS. LORAINNE RAGGIO: And when I'm coming from the north, the traffic, as I'm headed toward 345, is unbelievable. I don't know how the streets could accommodate if the highway is taken down. I think they should either take the money and invest in mass transportation -- we're from New York City and if you want a city that works, you need mass transportation -- or sink the highway and just put some green, you know, a park over it, like Klyde Warren Park Park. But I don't know what you do with the traffic in the meantime.</p>	<p>Comment noted.</p>
				MR. GRIER RAGGIO: Right. Well, one thing, if you just leave the -- just leave the above-ground thing there and if you could at the same time just dig underneath, so that you'd be adding, in effect, four or six lanes, because unless --	Comment noted.

Comment Number	Commenter Name	Source	Date Received	Comment Topic	Response
				MS. LORAINNE RAGGIO: How are people going to get to work? You know, that's another very big question. These people that would be left with -- dealing with traffic on the streets with traffic lights, it would be a nightmare. I feel badly for people who have to travel south and those from south traveling north, they need that strip.	Comment noted.
				MR. GRIER RAGGIO: Every night I look out and I'm so glad that I'm not having to commute, and I have no reason to be on 345. But if it weren't there, they're just going through the streets, it would be the worst. So 345 is really important.	Comment noted.
90	Grady Browning	Verbal Comment	12/2/2019	My name Grady Browning, B-R-O-W-N-I-N-G. Okay. My comment is, why are they not taking into consideration the people that live in the Fair Park District? That's my comment. Take into consideration us, we're not just black, we're Hispanic, we're white, we're Asian-American, Indians. We all live in this area. Understand? Think about us. We're the ones that are going to have to deal with the traffic. They don't have to deal with the traffic, we do.	Comment noted. A decision regarding long term plans for I-345 has not been made. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors. TxDOT has a process that must be followed when determining whether or not a road should be decommissioned, and a feasibility study must be performed.

I just wanted to say that I think this freeway, I-345, is a very important connector for the community. I am very opposed to seeing it removed. I think it would tear North and South Dallas apart in a terrible way.	Comment noted. A decision regarding long term plans for I-345 has not been made. The feasibility study will assess several conceptual alternatives for I-345 and will incorporate stakeholder input, traffic data, current and future development plans, environmental impacts, and other factors. TxDOT has a process that must be followed when determining whether or not a road should be decommissioned, and a feasibility study must be performed.
				I hope that this study will take into account -- as it sounds like they already have to a degree -- the traffic that uses -- the local traffic that's using that freeway and where they're going and the effect that it would have on other roads and other people if that road were gone. And I think if those things are looked at, it would seem to be a very important -- more important to the community than whatever development might take its place.	Comment noted. The I-345 study will incorporate traffic counts, use and patterns as a part of the feasibility study.

				They asked for occupation. I'm a professor. I don't have any vested financial interests. Thank you.	Comment noted.
92	Zac Thompson	Email Comment	11/29/2019	<p>I am a lifelong Dallas resident and property owner in both South and North Dallas. I do not support the tearing down of I-345. I travel on I-345 on my way to and from North Dallas. Disrupting the daily travel of more than 200,000 daily commuters from I-345 to city streets is not in the best interest of taxpaying citizens who live in Southern Dallas. Residents of South Dallas and Pleasant Grove have to travel I-345 to North Dallas to go to work. Disregarding the voices of Southern Dallas residents, who need to travel I-345, repeats the 1970s mindset when no one listened to working-class citizens.</p> <p>What is the environmental impact of diverting more than 200,000 cars daily to the City of Dallas streets? If my schedule permits, I will try to make upcoming public meetings. Please include my written comments in the public meeting documentation. I have copied Texas State Sen. Royce West on this email. Please confirm receipt of my e-mail.</p>	<p>I am confirming receipt of your e-mail regarding the I-345 feasibility study. TxDOT really appreciates your input regarding the project.</p> <p>We hope that you will be able to attend the upcoming public meetings to discuss the project in more detail, but if you cannot, I would like to point you towards the following web address: https://i-345dallas.metroquest.com/</p> <p>There is a live survey located here where TxDOT is looking to gather information from the public.</p>
		Verbal Comment	12/2/2019	Zac, Z-A-C, Thompson, T-H-O-M-P-S-O-N. [REDACTED]. No build. That's it. I'm keeping it real. We don't want nothing. No build.	Comment noted.
93	Patricia Ridgley	Written Comment	12/2/2019	I witness each day the 1000's of citizens which travel from SOUTHERN Dallas, as well as from Hutchins, Ennis, Waxahachie, on I-45, on the way to or through downtown Dallas, + on their way to work. NOTICE OF PUBLIC MEETINGS

**Proposed Improvements to Interstate 345 (I-345)
from I-30 to Woodall Rodgers Freeway (Spur 366)
Dallas County, Texas
CSJ: 0092-14-094**

The Texas Department of Transportation (TxDOT) is conducting a feasibility study for improvements to I-345 from I-30 to Woodall Rodgers Freeway in Dallas County, a distance of 1.4 miles. TxDOT will conduct three public meetings to discuss and receive public comments on the feasibility study. All three meetings will present the same information and will be held in an open house format with one formal presentation at 7:00 p.m. The meeting scheduled for December 5 will have three presentation times: noon, 4:30 p.m. and 7:00 p.m. Representatives from TxDOT and project consultants will be available to answer questions about the feasibility study and process. The meeting dates, times, and locations are listed below.

Monday, Dec. 2, 2019

6:00 pm. to 8:00 p.m.
Presentation at 7:00 p.m.
St. Philip's School and
Community Center
1600 Pennsylvania Avenue
Dallas, Texas 75215
Served by DART bus route 002

Tuesday, Dec. 3, 2019

6:00 pm. to 8:00 p.m.
Presentation at 7:00 p.m.
CityPlace Conference Center
Lakewood Room, First Floor
2711 N. Haskell Avenue
Dallas, Texas 75204
**Served by DART red, blue and orange
rail lines to CityPlace/Uptown Station
and bus routes 036, 409, 521**

Thursday, Dec. 5, 2019

10:00 a.m. to 8:00 p.m.
Presentations at noon,
4:30 p.m., and 7:00 p.m.
Sheraton Dallas Hotel
Dallas Ballroom, First Floor
400 N. Olive Street
Dallas, Texas 75201
**Served by DART red, blue, green and
orange rail lines to the Pearl Street
Station and bus routes 024, 036,
084**

Please note, complimentary parking in the Sheraton Hotel parking garage and the CityPlace Conference Center parking garage C will be provided for meeting attendees. Attendees should bring their parking ticket into the meeting for validation. Validation will be provided for self-parking only.

The purpose of the I-345 feasibility study is to develop and analyze conceptual alternatives for I-345. Attendees will be able to learn about the study process and provide input on the future of I-345.

Maps showing the study location as well as study approach information will be available for viewing at the public meetings. The public meeting notice and venue map will be available online at www.keepitmovingdallas.com or under the Hearings and Meetings Schedule at www.txdot.gov. This and other public information will be on file and available for public inspection at the TxDOT Dallas District Office located at 4777 East Highway 80, Mesquite, Texas 75150.

All interested persons are invited to attend the public meeting. Written comments from the public are requested and will be accepted for a period of 15 calendar days following the meeting. Written comments may be submitted either in person at the public meetings; by mail to the TxDOT Dallas District Office, ATTN: Mr. Travis Campbell, P.E., TxDOT Project Manager, 4777 E. Highway 80, Mesquite, Texas 75150-6643; or via email at 345study@txdot.gov. **Written comments must be postmarked by Friday, December 20, 2019 to be included in the public meeting documentation.**

The public meeting will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs, such as the need for an interpreter, are encouraged to contact the TxDOT Dallas District Public Information Office at (214) 320-4480. Requests should be made at least two days prior to the meeting. Every reasonable effort will be made to accommodate these needs. If you have any general questions or concerns regarding the proposed project or the meeting, please contact Mr. Travis Campbell, P.E., at (214) 320-6100 or via email at 345study@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.

AVISO DE REUNIONES PUBLICAS

**Mejoras Propuestas a la Carretera Interestatal 345 (I-345)
desde la I-30 hasta la Carretera Woodall Rodgers (Spur 366)
Condado de Dallas, Texas
CSJ: 0092-14-094**

El Departamento de Transporte de Texas (TxDOT, por sus siglas en inglés) está haciendo un estudio de viabilidad para mejorar I-345 desde I-30 hasta la autopista Woodall Rodgers en el condado de Dallas, una distancia de 1.4 millas. **TxDOT llevará a cabo tres reuniones públicas para discutir y recibir comentarios del público sobre el estudio de viabilidad. Las tres reuniones presentarán la misma información y se llevarán a cabo en un formato de casa abierta con una presentación formal a las 7:00 p.m. La reunión programada para el 5 de diciembre tendrá tres horarios de presentación: al mediodía, a las 4:30 p.m. y las 7:00 p.m.** Representantes de TxDOT y consultores del proyecto estarán disponibles para responder las preguntas sobre el estudio de viabilidad y sobre el proceso. Las fechas, horarios y localidades de las reuniones son:

Lunes, 2 de diciembre del 2019

De 6:00 p.m. a 8:00 p.m.
Presentación a las 7:00 p.m.
Escuela y Centro Comunitario St.
Philip's
1600 Pennsylvania Avenue
Dallas, Texas 75215
**Servido por la ruta de autobús de
DART 002**

Martes, 3 de diciembre del 2019

De 6:00 p.m. a 8:00 p.m.
Presentación a las 7:00 p.m.
Lakewood Room del Centro de
Conferencias de CityPlace, 1er Piso
2711 N. Haskell Avenue Dallas,
Texas 75204
**Servido por las líneas roja, azul y
anaranjada de DART a la estación
CityPlace/Uptown y rutas de autobús
036, 409, 521**

Jueves, 5 de diciembre del 2019

De 10:00 a.m. a las 8:00 p.m.
Presentación al mediodía, a las
4:30 p.m., y a las 7:00 p.m.
Dallas Ballroom del hotel Sheraton
Dallas, 1er Piso
400 N. Olive Street Dallas, Texas
75201
**Servido por las líneas DART roja,
azul, verde y anaranjada a la
estación de Pearl Street y rutas de
autobús 024, 036, 084**

Tenga en cuenta que se proporcionará estacionamiento de cortesía a los asistentes a la reunión en los garajes del hotel Sheraton y del centro de conferencias de CityPlace. Los asistentes deben traer su boleto de estacionamiento a la reunión para su validación. La validación se proporcionará solo para parqueo de autoservicio.

El propósito del estudio de viabilidad de I-345 es el de desarrollar y analizar alternativas conceptuales para I-345. Los asistentes aprenderán sobre el proceso del estudio y podrán dar su opinión sobre el futuro de I-345.

Mapas de la ubicación del proyecto además de la información del enfoque del estudio estarán disponibles para inspección durante las reuniones públicas. El aviso de la reunión pública y el mapa de la ubicación de las reuniones estarán disponibles en el sitio web: www.keepitmovingdallas.com o bajo 'Hearings and Meetings Schedule' en www.txdot.gov. Esta y otra información estará disponibles para inspección pública en la oficina del distrito de TxDOT Dallas en el 4777 E. Highway 80, Mesquite, Texas 75150.

Todas las personas interesadas están invitadas a asistir a la reunión pública. Se solicitan los comentarios escritos del público sobre el proyecto los cuales pueden ser entregados durante un periodo de 15 días después de la reunión pública. Los comentarios escritos puedan ser entregados durante la reunión, enviados por correo al TxDOT Dallas District Office, ATTN: Mr. Travis Campbell, P.E., jefe del proyecto de TxDOT, 4777 E. US Highway 80, Mesquite, Texas 75150, o por correo electrónico a 345study@TxDOT.gov. **Los comentarios escritos deben ser sellados por el correo postal a no más tardar el viernes, 20 de diciembre del 2019 para ser incluidos en la documentación de la reunión pública.**

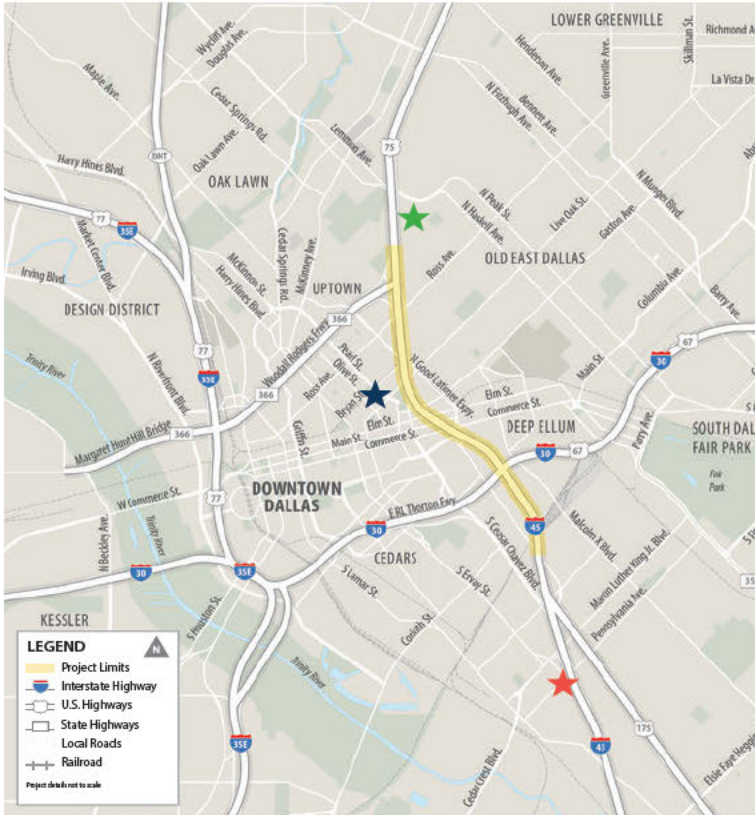

La reunión pública se llevará a cabo en inglés. Las personas interesadas en asistir a la reunión que tengan necesidades especiales de comunicación o acomodación, como la necesidad de un intérprete, deben llamar a la oficina de información pública del distrito de Dallas de TxDOT al (214) 320-4480. Las solicitudes se deben hacer por lo menos con dos días hábiles de anticipación a la reunión. TxDOT hará todo esfuerzo razonable para acomodar estas necesidades. Si usted tiene preguntas generales o inquietudes sobre el proyecto propuesto, se puede poner en contacto con Mr. Travis Campbell, P.E., jefe del proyecto del TxDOT, al teléfono (214) 320-6100 o por correo electrónico a 345study@TxDOT.gov.

La revisión ambiental, consultas, y otras acciones requeridas por las leyes ambientales federales aplicables para este proyecto están siendo o han sido, llevadas a cabo por TxDOT bajo las reglas del Acta 23 U.S.C 327 y un Memorando de entendimiento fechado el 16 de diciembre, 2014 y ejecutado por la FHWA y el TxDOT.

Join TxDOT for a series of public meetings to discuss the future of I-345!

MEETING LOCATIONS

SCOUTING AWARDS

Eagle Scout is the highest rank in the Boy Scouts of America and the Gold Award is the highest honor given to the Girl Scouts of the United States. Both of these awards require Scouts to complete community service projects and other requirements. These youths have earned the honor.

Regina Romero-Garza

Troop: 8567

School: John Paul II High School
Parents: Ignacio Romero and Silvia Garza de Romero of Plano

Project: Regina's monthlong campaign educated youth at her high school about breast cancer and the importance of early detection.

Keaton Cheves

Troop: 125

School: Shelton School

Parents: Brad and Angela Cheves of Dallas

Project: Keaton led a group of volunteers in renovating the patient waiting area for Christ's Family Clinic. The clinic serves those without access to health care at Preston Road Church of Christ.

Elleigh Rutz

Troop: 7457

School: North Lamar High School
Parents: Seth and Tera Rutz of Arthur City
Project: Elleigh's

project encouraged physical activity. She designed and built a kids' mud run and gave a presentation on the importance of exercise.

Peter Egenes

Troop: 80

School: Highland Park High School
Parents: Matt and Dianne Egenes of Dallas

Project: Peter refurbished an equipment cart for the Highlander Band. He replaced the base, painted it with school logos and attached a new hitching mechanism.

Christine Schlehuber

Troop: 857

School: Highland Park High School
Parents: Samuel and Susan Schlehuber of Dallas

Project: Christine's project addressed how students who are ostracized may turn to violence. She created a program that emphasized treating everyone equally.

Noah Morrison

Troop: 815

School: Trinity Christian Academy
Parents: John and Rita Morrison of Garland
Project: Noah

built six three-tier wooden organizational shelving units for use in a greenhouse at Oak Hill Academy.

Gold Award information is submitted by the Girl Scouts organization. Eagle Scout information comes from readers. Send news about Eagle Scout recipients to scouts@ahbelo.com. Please include the student's name, age and birth date, troop number, school and grade, a brief description of the project, parents' names, a mailing address, day and evening phone numbers, and a photo.

anniversaries

Taylor 60th Anniversary

Gary and Delores Ann Taylor celebrated their 60th wedding anniversary on November 7, 2019. They were married on November 7, 1959 at Kiestwood Baptist Church in Dallas, Texas by Dr. D.D. Sumrall.

NOTICE OF PUBLIC MEETINGS

Proposed Improvements to Interstate 345 (I-345) from I-30 to Woodall Rodgers Freeway (Spur 366)
Dallas County, Texas
CSJ: 0092-14-094

The Texas Department of Transportation (TxDOT) is conducting a feasibility study for improvements to I-345 from I-30 to Woodall Rodgers Freeway in Dallas County, a distance of 1.4 miles. TxDOT will conduct three public meetings to discuss and receive public comments on the feasibility study. All three meetings will present the same information and will be held in an open house format with one formal presentation at 7:00 p.m. The meeting scheduled for December 5 will have three presentation times: noon, 4:30 p.m. and 7:00 p.m. Representatives from TxDOT and project consultants will be available to answer questions about the feasibility study and process. The meeting dates, times, and locations are listed below.

Monday, Dec. 2, 2019

6:00 pm. to 8:00 p.m.
Presentation at 7:00 p.m.
St. Philip's School and Community Center
1600 Pennsylvania Avenue
Dallas, Texas 75215

Served by DART bus route 002

Tuesday, Dec. 3, 2019

6:00 pm. to 8:00 p.m.
Presentation at 7:00 p.m.
CityPlace Conference Center
Lakewood Room, First Floor
2711 N. Haskell Avenue
Dallas, Texas 75204

Served by DART red, blue and orange rail lines to CityPlace/Uptown Station and bus routes 036, 409, 521

Thursday, Dec. 5, 2019

10:00 a.m. to 8:00 p.m.
Presentations at noon, 4:30 p.m., and 7:00 p.m.
Sheraton Dallas Hotel
Dallas Ballroom, First Floor
400 N. Olive Street
Dallas, Texas 75201

Served by DART red, blue, green and orange rail lines to the Pearl Street Station and bus routes 024, 036, 084

Please note, complimentary parking in the Sheraton Hotel parking garage and the CityPlace Conference Center parking garage C will be provided for meeting attendees. Attendees should bring their parking ticket into the meeting for validation. Validation will be provided for self-parking only.

The purpose of the I-345 feasibility study is to develop and analyze conceptual alternatives for I-345. Attendees will be able to learn about the study process and provide input on the future of I-345.

Maps showing the study location as well as study approach information will be available for viewing at the public meetings. The public meeting notice and venue map will be available online at www.Keepitmovingdallas.com or under the Hearings and Meetings Schedule at www.txdot.gov. This and other public information will be on file and available for public inspection at the TxDOT Dallas District Office located at 4777 East Highway 80, Mesquite, Texas 75150.

All interested persons are invited to attend the public meeting. Written comments from the public are requested and will be accepted for a period of 15 calendar days following the meeting. Written comments may be submitted either in person at the public meetings; by mail to the TxDOT Dallas District Office, ATTN: Mr. Travis Campbell, P.E., TxDOT Project Manager, 4777 E. Highway 80, Mesquite, Texas 75150-6643; or via email at 345study@txdot.gov. **Written comments must be postmarked by Friday, December 20, 2019 to be included in the public meeting documentation.**

The public meeting will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs, such as the need for an interpreter, are encouraged to contact the TxDOT Dallas District Public Information Office at (214) 320-4480. Requests should be made at least two days prior to the meeting. Every reasonable effort will be made to accommodate these needs. If you have any general questions or concerns regarding the proposed project or the meeting, please contact Mr. Travis Campbell, P.E., at (214) 320-6100 or via email at 345study@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.

LOCALES

RONALD MARTÍNEZ/GETTY IMAGES

Anticipan impacto en construcción de viviendas y en la renta de apartamentos debido a las consecuencias del tornado de octubre.

¿Cómo afectará el tornado el mercado de viviendas?

Por **STEVE BROWN/DMN**

Más de tres semanas después de que varios tornados azotaron algunos sectores de Dallas, todavía es muy pronto para evaluar su impacto en el mercado de bienes raíces local.

La tormenta del 20 de octubre destruyó o dañó miles de casas en una franja que se extendió desde el noroeste de Dallas hasta Richardson y Garland.

Los mercados de bienes raíces de Houston y el sur de Texas se vieron bastante

afectados por los últimos huracanes e inundaciones.

Los daños causados por la tormenta en el área de Dallas no fueron tan extensos, pero de cualquier forma dejarán secuelas.

Los analistas locales creen que la tormenta en Dallas hará aumentar la actividad en construcción de vivienda, venta de inmuebles y renta de apartamentos, solo que no saben en qué medida.

“Mucha de esa gente va a tener que buscar dónde vivir mientras reconstruyen su casa”, dijo Paige Shipp de la firma de análisis

de vivienda MetroStudy.

“Los más afluentes podrían decidir mejor comprar. Se presume que habrá una baja en inventario de vivienda a corto plazo en el rango de \$500,000 a \$1 millón, y mucha gente en ese rango de precios no quiere rentar”.

Los agentes de bienes raíces creen que los residentes cuyas casas quedaron destruidas o sufrieron fuertes daños podrían preferir vender y cambiarse a otra parte que esperar el largo y complicado proceso de reconstruir.

“Yo creo que muchos van a decidir mejor comprar una casa nueva cuando vean el dinero que recibirán de la aseguradora”, estimó David Nichols de Allie Beth Allman & Associates.

“Tengo una clienta que dice que compró esa casa en North Dallas por el patio que tenía y todos esos árboles, que ya no están. Ahora quiere cambiarse”.

Las compañías de construcción van a aprovechar la súbita disponibilidad de nuevos terrenos en sectores exclusivos de North Dallas si los dueños deciden no reconstruir sus casas.

“En Houston, mucha gente vendió sus propiedades por lo que vale el terreno”, dijo el agente Barry Hoffer de Ebby Halliday Realtors.

“Los constructores que andan buscando viviendas demolidas en Preston Hollow y North Dallas podrían encontrar una abundancia de terrenos”.

La reconstrucción de cuadras enteras de casas destruidas tensará el mercado de construcción local, que ya de por sí sufre una escasez de mano de obra y un aumento de los costos de construcción.

Un carga manejable

Pero Phil Crone, presidente de la Dallas Builders Association, dijo que el número de casas que tienen que ser remplazadas después de la tormenta es una carga manejable en un mercado que construye casi 80,000 casas y apartamentos al año.

“Visto en su totalidad, no creo que la situación laboral empeore más de lo que ya está”, dijo Crone.

“Las principales problemas se darán cuando las ciudades traten de obtener los permisos y aprobación para las demoliciones. Estamos en un mercado laboral difícil, y las cosas son caras. Me preocupa que algunos propietarios no tengan seguro”.

Los agentes inmobiliarios dicen que ha habido un repunte de gente que quiere rentar casas en algunos puntos de North Dallas.

Después de la tormenta en Houston, hubo un marcado incremento en la renta de apartamentos.

“En Houston el impacto fue gigante”, pero duró poco, comentó Greg Willett, economista en jefe de RealPage, de Richardson.

“Aquí podría haber un pequeño aumento en el alquiler de apartamentos”.

Pero no será nada como lo que vivieron las comunidades del sur de Texas, dijo Willett.

IMELDA GARCÍA/AL DÍA

Beatriz Muñoz (sosteniendo los papeles) busca adoptar y migrar a Leonardo, el hijo que tuvo su exesposo, quien falleció el 1 de noviembre.

Familia de FW quiere adoptar a niño en México

Por **IMELDA GARCÍA/AL DÍA**

Una familia de Fort Worth quiere adoptar a un niño de dos años antes de un inevitable desenlace. Beatriz Muñoz y sus cuatro hijos quieren recibir a Leonardo, un pequeño que está en la Ciudad de México y cuya madre está cerca de la muerte.

Leonardo es hijo de David Campos, quien fue esposo de Muñoz durante casi 30 años, y murió en México de un paro cardíaco el 1 de noviembre.

A pesar de que Muñoz y Campos se divorciaron hace cuatro años, ahora ella quiere adoptar al hijo de su ex esposo y traerlo Estados Unidos.

“Fuimos al funeral de David y mis hijos conocieron a su medio hermanito. Ahora lo queremos traer (...); mis hijos quieren que lo adoptemos y pidamos su residencia”, dijo Muñoz.

“Vamos a hacer un *fundraising* para ‘Bring Leo Home’ o, como siempre, vamos a vender tamales para poder traérmolo”, dijo Patricia Muñoz, hermana de Beatriz.

Un accidente cambió su vida

La historia de Muñoz y Campos comenzó hace 33 años, cuando se conocieron en la Ciudad de México.

“Me enamoré y me lo traje; nos casamos y aquí formamos nuestra familia”, dijo Muñoz, residente de Fort Worth.

Juntos tuvieron cuatro hijos: Karen (31), Da-

vid Morgan (29), Jenny (28) y Melanie (10).

El día a día de la familia era habitual, hasta que hace seis años Campos fue atropellado. Su vida nunca volvió a ser normal.

“Nunca lo pudo superar. A causa del accidente desarrolló una adicción a los opioides”, según Beatriz Muñoz.

Con la adicción, llegó la violencia al matrimonio. Muñoz y Campos comenzaron a tener problemas. Un día llegaron a su límite.

“Fue tanta droga y alcohol y desgraciadamente no aguanté, le tuve que llamar a la policía y lo deportaron”, aseguró.

Dos años después de haber sido deportado a México, Campos tuvo a Leonardo, su hijo más pequeño. Pero, el 1 de noviembre, Campos, de 53 años, falleció en la Ciudad de México, víctima de un paro cardíaco.

Hasta allá viajaron sus cuatro hijos y Muñoz, su ex esposa. Allí conocieron a Leonardo.

“La mamá del niño me pidió que lo cuidáramos, porque se va a quedar sin nadie”, dijo Beatriz.

Isabel Pérez, la mamá de Leonardo, fue desahuciada hace unos meses por un fallo renal. Ella y su hijo viven con su madre, una mujer mayor que también tiene problemas de salud.

Consultado sobre el caso, el abogado Allan Wernick dijo que podría resolverse en un año, pues los trámites no son complicados.

“Es necesario tener una agencia de adopción que visite la casa, los padres adoptivos necesitan tener un examen de salud, y después puede hacer todo el proceso”, dijo Wernick.

AVISO DE REUNIONES PÚBLICAS

Mejoras Propuestas a la Carretera Interestatal 345 (I-345) desde la I-30 hasta la Carretera Woodall Rodgers (Spur 366) Condado de Dallas, Texas CSJ: 0092-14-094

El Departamento de Transporte de Texas (TxDOT, por sus siglas en inglés) está haciendo un estudio de viabilidad para mejorar I-345 desde I-30 hasta la autopista Woodall Rodgers en el condado de Dallas, una distancia de 1.4 millas. TxDOT llevará a cabo tres reuniones públicas para discutir y recibir comentarios del público sobre el estudio de viabilidad. Las tres reuniones presentarán la misma información y se llevarán a cabo en un formato de casa abierta con una presentación formal a las 7:00 p.m. La reunión programada para el 5 de diciembre tendrá tres horarios de presentación: al mediodía, a las 4:30 p.m. y las 7:00 p.m. Representantes de TxDOT y consultores del proyecto estarán disponibles para responder las preguntas sobre el estudio de viabilidad y sobre el proceso. Las fechas, horarios y localidades de las reuniones son:

Lunes, 2 de diciembre del 2019	Martes, 3 de diciembre del 2019	Jueves, 5 de diciembre del 2019
De 6:00 p.m. a 8:00 p.m. Presentación a las 7:00 p.m. Escuela y Centro Comunitario St. Philip's 1600 Pennsylvania Avenue Dallas, Texas 75215 Servido por la ruta de autobús de DART 002	De 6:00 p.m. a 8:00 p.m. Presentación a las 7:00 p.m. Lakewood Room del Centro de Conferencias de CityPlace, 1er Piso 2711 N. Haskell Avenue Dallas, Texas 75204 Servido por las líneas roja, azul y anaranjada de DART a la estación CityPlace/Uptown y rutas de autobús 036, 409, 521	De 10:00 a.m. a las 8:00 p.m. Presentación al mediodía, a las 4:30 p.m., y a las 7:00 p.m. Dallas Ballroom del hotel Sheraton Dallas, 1er Piso 400 N. Olive Street Dallas, Texas 75201 Servido por las líneas DART roja, azul, verde y anaranjada a la estación de Pearl Street y rutas de autobús 024, 036, 084

Tenga en cuenta que se proporcionará estacionamiento de cortesía a los asistentes a la reunión en los garajes del hotel Sheraton y del centro de conferencias de CityPlace. Los asistentes deben traer su boleto de estacionamiento a la reunión para su validación. La validación se proporcionará solo para parqueo de autoservicio.

El propósito del estudio de viabilidad de I-345 es el de desarrollar y analizar alternativas conceptuales para I-345. Los asistentes aprenderán sobre el proceso del estudio y podrán dar su opinión sobre el futuro de I-345.

Mapas de la ubicación del proyecto además de la información del enfoque del estudio estarán disponibles para inspección durante las reuniones públicas. El aviso de la reunión pública y el mapa de la ubicación de las reuniones estarán disponibles en el sitio web: www.keepitmovingdallas.com o bajo ‘Hearings and Meetings Schedule’ en www.txdot.gov. Esta y otra información estará disponible para inspección pública en la oficina del distrito de TxDOT Dallas en el 4777 E. Highway 80, Mesquite, Texas 75150.

Todas las personas interesadas están invitadas a asistir a la reunión pública. Se solicitan los comentarios escritos del público sobre el proyecto los cuales pueden ser entregados durante un periodo de 15 días después de la reunión pública. Los comentarios escritos pueden ser entregados durante la reunión, enviados por correo al TxDOT Dallas District Office, ATTN: Mr. Travis Campbell, P.E., jefe del proyecto de TxDOT, 4777 E. US Highway 80, Mesquite, Texas 75150, o por correo electrónico a 345study@txdot.gov. Los comentarios escritos deben ser sellados por el correo postal a no más tardar el viernes, 20 de diciembre del 2019 para ser incluidos en la documentación de la reunión pública.

La reunión pública se llevará a cabo en inglés. Las personas interesadas en asistir a la reunión que tengan necesidades especiales de comunicación o acomodación, como la necesidad de un intérprete, deben llamar a la oficina de información pública del distrito de Dallas de TxDOT al (214) 320-4480. Las solicitudes se deben hacer por lo menos con dos días hábiles de anticipación a la reunión. TxDOT hará todo esfuerzo razonable para acomodar estas necesidades. Si usted tiene preguntas generales o inquietudes sobre el proyecto propuesto, se puede poner en contacto con Mr. Travis Campbell, P.E., jefe del proyecto del TxDOT, al teléfono (214) 320-6100 o por correo electrónico a 345study@txdot.gov.

La revisión ambiental, consultas, y otras acciones requeridas por las leyes ambientales federales aplicables para este proyecto están siendo o han sido, llevadas a cabo por TxDOT bajo las reglas del Acta 23 U.S.C 327 y un Memorando de entendimiento fechado el 16 de diciembre, 2014 y ejecutado por la FHWA y el TxDOT.

Roland Parrish's

STUDENT ATHLETE of the WEEK NATIONAL

Lisa Willis is the First Female Coach in New York Knicks' History

Sandra Nabweteme

Age: 18
Grade: Senior
Sport / Position: Soccer / Forward
School/ Team: Southwestern Oklahoma State University / Bulldogs

By Dallas Weekly Staff

"Football" season may be coming to a close for some of us... but this week, we're talking about the most internationally recognized sport, Soccer! There are very few sports that have both a fall and a spring season, and soccer is at the top of that list. Hailing from Kampala, Uganda is soccer phenom Sandra Nabweteme of Southwestern Oklahoma State University. This past week, Nabweteme was honored as 2019's MVP after guiding SWOSU to their win at the Great American Conference Women's Soccer Championship Tournament against Oklahoma Baptist. Concurrently, she became GAC's all-time leader in goals. Which does not seem too challenging to her, considering she scored the 1st goal of each match for SWOSU during the tournament.

Sandra Nabweteme has been a dominant force in the NCAA soccer league since the begin-

ning of her collegiate career. Standing at just 5'3, Nabweteme was named a Second Team All American, a Second Team All-Central Region and GAC Freshman of the Year. Sophomore year, Sandra was again named Second Team All-Central Region by both USC (United Soccer Coaches) and D2CCA (Division II Conference Commissioners Assoc.) and First Team All GAC selection. Nabweteme currently holds the NCAA No 2 rank for both Goals (78) and Points (191) and was unanimously voted as 2019's Offensive Player of the Year.

More than likely, we will see Sandra continue to break records and dominate the soccer game at a professional level. Surpassing her own records seems to be effortless for the Ugandan, and we can't wait to see what else she has in store for us to see. For this reason, the Dallas Weekly is honored to name Sandra Nabweteme as our Student Athlete of the Week.

Lisa Camille Willis is a retired athlete who in September 2019 officially became the first woman ever to become an assistant coach for the Westchester Knicks - a G League team franchise of the NBA's New York Knicks.

Before becoming a retired athlete, Willis reached great levels of success during her playing career. She won a basketball scholarship to UCLA, and went on to become an all-time 3-point shooter and a leader in steals during her college career. During her time at UCLA, from 2002-2006, she accumulated 1,677 points.

Afterwards, she went on to win PAC12 Defensive Player of the Year, PAC12 Tournament MVP, and even won a gold medal playing for the USA women's basketball team. In 2006, she was the 5th overall pick in the WNBA, and

went on to become a 3-point leader for the Los Angeles Sparks, New York Liberty and the Sacramento Monarchs.

Sadly, her playing career ended in 2010 after she tore 3 or the 4 ligaments in her knee. But her career as an NBA coach has just begun!

Willis finds extreme beauty, passion, and significance in the leadership skills she has gained from the game of basketball. She says the biggest leadership skill she's gained from being an elite athlete is resilience; so she always talks about it.

NOTICE OF PUBLIC MEETINGS

Proposed Improvements to Interstate 345 (I-345) from I-30 to Woodall Rodgers Freeway (Spur 366)
Dallas County, Texas
CSJ: 0092-14-094

The Texas Department of Transportation (TxDOT) is conducting a feasibility study for improvements to I-345 from I-30 to Woodall Rodgers Freeway in Dallas County, a distance of 1.4 miles. TxDOT will conduct three public meetings to discuss and receive public comments on the feasibility study. All three meetings will present the same information and will be held in an open house format with one formal presentation at 7:00 p.m. The meeting scheduled for December 5 will have three presentation times: noon, 4:30 p.m. and 7:00 p.m. Representatives from TxDOT and project consultants will be available to answer questions about the feasibility study and process. The meeting dates, times, and locations are listed below.

Monday, Dec. 2, 2019

6:00 pm. to 8:00 p.m.
Presentation at 7:00 p.m.
St. Philip's School and Community Center
1600 Pennsylvania Avenue
Dallas, Texas 75215
Served by DART bus route 002

Tuesday, Dec. 3, 2019

6:00 pm. to 8:00 p.m.
Presentation at 7:00 p.m.
CityPlace Conference Center
Lakewood Room, First Floor
2711 N. Haskell Avenue
Dallas, Texas 75204
Served by DART red, blue and orange rail lines to CityPlace/Uptown Station and bus routes 036, 409, 521

Thursday, Dec. 5, 2019

10:00 a.m. to 8:00 p.m.
Presentations at noon, 4:30 p.m., and 7:00 p.m.
Sheraton Dallas Hotel
Dallas Ballroom, First Floor
400 N. Olive Street
Dallas, Texas 75201
Served by DART red, blue, green and orange rail lines to the Pearl Street Station and bus routes 024, 036, 084

Please note, complimentary parking in the Sheraton Hotel parking garage and the CityPlace Conference Center parking garage C will be provided for meeting attendees. Attendees should bring their parking ticket into the meeting for validation. Validation will be provided for self-parking only.

The purpose of the I-345 feasibility study is to develop and analyze conceptual alternatives for I-345. Attendees will be able to learn about the study process and provide input on the future of I-345.

Maps showing the study location as well as study approach information will be available for viewing at the public meetings. The public meeting notice and venue map will be available online at www.keepitmovingdallas.com or under the Hearings and Meetings Schedule at www.txdot.gov. This and other public information will be on file and available for public inspection at the TxDOT Dallas District Office located at 4777 East Highway 80, Mesquite, Texas 75150.

All interested persons are invited to attend the public meeting. Written comments from the public are requested and will be accepted for a period of 15 calendar days following the meeting. Written comments may be submitted either in person at the public meetings; by mail to the TxDOT Dallas District Office, ATTN: Mr. Travis Campbell, P.E., TxDOT Project Manager, 4777 E. Highway 80, Mesquite, Texas 75150-6643; or via email at 345study@txdot.gov. **Written comments must be postmarked by Friday, December 20, 2019 to be included in the public meeting documentation.**

The public meeting will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs, such as the need for an interpreter, are encouraged to contact the TxDOT Dallas District Public Information Office at (214) 320-4480. Requests should be made at least two days prior to the meeting. Every reasonable effort will be made to accommodate these needs. If you have any general questions or concerns regarding the proposed project or the meeting, please contact Mr. Travis Campbell, P.E., at (214) 320-6100 or via email at 345study@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.

I-345 Feasibility Study From I-30 to Woodall Rodgers Freeway (Spur 366) - Public Meeting

Monday, December 02, 2019

CSJ: 0092-14-094

Purpose

The Texas Department of Transportation (TxDOT) is facilitating a feasibility study of I-345. This study is just the beginning of a process that will help TxDOT determine the best way to address the needs of the roadway and the traveling public as they plan for current and future development. The purpose of the I-345 feasibility study is to develop and analyze conceptual alternatives for I-345. Attendees will be able to learn about the study process and provide input on the future of I-345.

Description

Interstate 345 (I-345) is located on the east side of Downtown Dallas and carries traffic between I-30, US 75/I-45 and Woodall Rodgers Freeway (Spur 366). More than 180,000 vehicles use the approximately 1.4-mile roadway every day.

Special Accommodations

TxDOT makes every reasonable effort to accommodate the needs of the public. The open house and hearing will be conducted in English. If you have a special communication accommodation or need for an interpreter, a request can be made. If you have a disability and need assistance, special arrangements can also be made to accommodate most needs. Please call the TxDOT Dallas District Public Information Office at (214) 320-4480 at least two working days prior to the meeting. Please be aware that advance notice is requested as some accommodations may require time for TxDOT to arrange.

MOU NEPA Assignment

The environmental review, consultation and other actions required by applicable federal environmental laws for this project are being, or have been carried-out by TxDOT pursuant to 23 U.S.C 327 and a Memorandum of Understanding dated December 16, 2014, and executed by the Federal Highway Administration and TxDOT.

Where:

St. Philip's School and Community Center

PUBLIC MEETING SERIES SCHEDULED FOR I-345 FEASIBILITY STUDY IN DALLAS COUNTY

Nov. 26, 2019

DALLAS – The Texas Department of Transportation (TxDOT) is conducting a **feasibility study** for **improvements to Interstate 345 (I-345)** from I-30 to Woodall Rodgers Freeway (Spur 366) in Dallas County, a distance of 1.4 miles. TxDOT will conduct **three public meetings to discuss and receive public comments on the feasibility study**. The meeting dates, times and locations are listed below:

Monday, Dec. 2, 6 p.m. to 8 p.m.

- Presentation at 7 p.m.
- St. Philip's School and Community Center
1600 Pennsylvania Avenue, Dallas, TX 75215

Tuesday, Dec. 3, 6 p.m. to 8 p.m.

- Presentation at 7 p.m.
- CityPlace Conference Center, Lakewood Room, first floor
2711 N. Haskell Avenue, Dallas, TX 75204

Thursday, Dec. 10 a.m. to 8 p.m.

- Presentations at noon, 4:30 p.m. and 7 p.m.
- Sheraton Dallas Hotel, Dallas Ballroom, first floor
400 N. Olive Street, Dallas, TX 75201

The purpose of the I-345 feasibility study is to develop and analyze conceptual alternatives for I-345. Attendees will be able to learn about the study process and provide input on the future of I-345.

All three meetings will present the same information and will be held in an open house format with one formal presentation at 7 p.m. The meeting scheduled for Dec. 5 will have three presentation times: noon, 4:30 p.m. and 7 p.m. Representatives from TxDOT and project consultants will be available to answer questions about the feasibility study and process.

Complimentary parking in the Sheraton Hotel parking garage and the CityPlace Conference Center parking garage will be provided for meeting attendees. Attendees should bring their ticket into the meeting for validation. Validation will be provided for self-parking only.

Please see the attached fliers for more information.

For media inquiries, contact TxDOT Public Information Officer Laura Weaver at laura.weaver@txdot.gov or 214-320-4404.

TxDOT PUBLIC HEARING

DECEMBER 2, 2019 - 7:00 P.M.

ST. PHILIPS EPISCOPAL SCHOOL & COMMUNITY CENTER

1600 PENNSYLVANIA AVENUE

DALLAS, TEXAS 75215

1 MR. JIM ROGERS: Jim Rogers.

2 They've done -- they just finished doing
3 over 300 new traffic counts, and I wish they would go
4 ahead and release those.

5 That's the comment. Thank you.

6 (End of comment.)

7 HEARING ATTENDEE NO. 1: Whatever you do,
8 do not interrupt the Green Line service, please, because
9 I'm a big fan of -- I work at Bell Helicopter, and I get
10 to take the train the whole way. And if that stopped,
11 that would make me very sad, especially for however many
12 years this would take. So I'm up for whatever option
13 does not stop me from getting to take the Green Line.
14 That would be fantastic, and that's my comment.

15 (End of comment.)

16 MS. LORAINNE RAGGIO: We're married, so
17 Mr. and Ms. Lorainne and Grier Raggio, R-A-G-G-I-O.

18 We know how busy that section is, and I
19 truly believe the streets cannot accommodate that kind
20 of traffic. We'll have gridlock because every night
21 that strip is bumper to bumper.

22 MR. GRIER RAGGIO: We live at One Arts
23 Plaza and we look down every night, there's a line of
24 red lights --

25 MS. LORAINNE RAGGIO: It doesn't move.

1 MR. GRIER RAGGIO: -- stopped, and there's
2 line of white lights coming north also stopped. I mean,
3 it's just jammed for a long time.

4 MS. LORAINNE RAGGIO: And when I'm coming
5 from the north, the traffic, as I'm headed toward 345,
6 is unbelievable. I don't know how the streets could
7 accommodate if the highway is taken down.

8 I think they should either take the money
9 and invest in mass transportation -- we're from New York
10 City and if you want a city that works, you need mass
11 transportation -- or sink the highway and just put some
12 green, you know, a park over it, like Klyde Warren Park
13 Park. But I don't know what you do with the traffic in
14 the meantime.

15 MR. GRIER RAGGIO: Right. Well, one thing,
16 if you just leave the -- just leave the above-ground
17 thing there and if you could at the same time just dig
18 underneath, so that you'd be adding, in effect, four or
19 six lanes, because unless --

20 MS. LORAINNE RAGGIO: How are people going
21 to get to work? You know, that's another very big
22 question. These people that would be left with --
23 dealing with traffic on the streets with traffic lights,
24 it would be a nightmare. I feel badly for people who
25 have to travel south and those from south traveling

1 north, they need that strip.

2 MR. GRIER RAGGIO: Every night I look out
3 and I'm so glad that I'm not having to commute, and I
4 have no reason to be on 345. But if it weren't there,
5 they're just going through the streets, it would be the
6 worst. So 345 is really important.

7 (End of comment.)

8 MR. ZAC THOMPSON: Zac, Z-A-C, Thompson,
9 T-H-O-M-P-S-O-N. [REDACTED]

10 [REDACTED]

11 No build. That's it. I'm keeping it real.
12 We don't want nothing. No build.

13 (End of comment.)

14 MR. GRADY BROWNING: My name
15 Grady Browning, B-R-O-W-N-I-N-G.

16 Okay. My comment is, why are they not
17 taking into consideration the people that live in the
18 Fair Park District? That's my comment. Take into
19 consideration us, we're not just black, we're Hispanic,
20 we're white, we're Asian-American, Indians. We all live
21 in this area. Understand? Think about us. We're the
22 ones that are going to have to deal with the traffic.
23 They don't have to deal with the traffic, we do.

24 (End of comment.)

25 MR. STEPHEN MCKEOWN: Stephen with a P-H,

1 McKeown, M-C-K-E-O-W-N. And my address is [REDACTED]

2 [REDACTED]
3 I just wanted to say that I think this
4 freeway, I-345, is a very important connector for the
5 community. I am very opposed to seeing it removed. I
6 think it would tear North and South Dallas apart in a
7 terrible way.

8 I hope that this study will take into
9 account -- as it sounds like they already have to a
10 degree -- the traffic that uses -- the local traffic
11 that's using that freeway and where they're going and
12 the effect that it would have on other roads and other
13 people if that road were gone.

14 And I think if those things are looked at,
15 it would seem to be a very important -- more important
16 to the community than whatever development might take
17 its place.

18 They asked for occupation. I'm a
19 professor. I don't have any vested financial interests.
20 Thank you.

21 (End of comment.)

PUBLIC MEETING COMMENT FORM
Interstate 345 (I-345)
From I-30 to Woodall Rodgers Freeway (Spur 366)
Dallas County, Texas
CSJ: 0092-14-094

Monday, December 2, 2019
6:00 PM to 8:00 PM

The Texas Department of Transportation is seeking your comments on the proposed project. All written comments are welcome. **All written comments must be postmarked by December 20, 2019.**

Please Print

I am a commuter, using I-345 daily, although I always called it "elevated 45". Over the ~~past~~ 15 years, congestion on 345 has gotten much worse, partly owing to to good economy, but also due to growth and changing patterns of commuting. I would like to see 345 improved to handle tie in to the other freeways better. It is a vital link for those of us who live in South Dallas and South of Dallas. I really dislike the "tear it down + don't replace" option! It is not realistic and would only cut off the southern sector from jobs north of Dallas while snarling rush hour traffic even worse than it currently is. The best option for all stakeholders, in my opinion, is to rebuild 345 as a canyon highway. It improves traffic flow, living quality of residents + development opportunities.

Per Texas Transportation Code, §201.811(a)(5)): check each of the following boxes that apply to you:

I-345 NEEDS TO BE REMOVED. ELIMINATING THE UNNECESSARY ARTIFICIAL BARRIER BETWEEN DOWNTOWN AND DEEP ELEM/EAST DALLAS WILL OPEN UP COUNTLESS OPPORTUNITIES FOR LOCAL RESIDENTS AND CITY VISITORS TO TRAVEL SAFELY VIA ANY NUMBER OF MODES OF TRANSPORTATION BETWEEN AND WITHIN NEIGHBORHOODS THAT ARE NOW UNNATURALLY SEGREGATED. IN ADDITION, OPENING UP 240 ACRES OF LAND TO PUBLIC GATHERING SPACES AND BUSINESSES WILL BE THE DEVELOPMENT WE SEEK. MAKE OUR CITY MORE WALKABLE AND MORE LIVEABLE - REMOVE I-345.

Do NOT tear down I-345.
Unless there will be an underground freeway, then
every alternative @ will be a slower commute.

The city center of Dallas is growing and the economic development is unprecedented. Please look at the options that allows the land where I-345 sits to be developed + make the area more accessible. DFW has a robust highway system, there has to be another way that doesn't slice downtown in half.

The Embarcadero freeway diversion was successful in the San Francisco area as a case study.

I strongly advocate for the complete removal of I-345.
If complete removal is absolutely not possible, then a tunnel for
through-traffic should be explored.

Per Texas Transportation Code, §201.811(a)(5)): check each of the following boxes that apply to you:

- I am employed by TxDOT
- I do business with TxDOT
- I could benefit monetarily from the project or other item about which I am commenting

I would like to see, if possible, a number of residence who reside in southern Dallas who use I-345 as part of their daily commute. I use I-345 frequently, as part of my daily commute. I believe that if there are a significant # of residence from the southern sector (zip codes 75215, 75217, 75218, 75203 & 75241) who use I-345, then removing I-345 would make commuting to north Dallas more difficult and cause more congestion in our side streets in south-east Dallas, along with the Deep Ellum neighborhood (which could not handle ~~the~~ ^{more} traffic).

Per Texas Transportation Code, §201.811(a)(5)): check each of the following boxes that apply to you:

I am opposed to the removal of 345. It would be detrimental to mobility for the entire city.* Proponents of its removal say it will help development in Deep Ellum & "east" downtown. I live in Deep Ellum, and development ~~is~~ doesn't need help!

* Re-routing 100,000+ cars^{daily} to the west side of downtown to get through/past downtown is ridiculous. If your traffic counts are complete, please release that data to the public.

I am truly disgusted at TxDOT for making this an option. For people in this area, this is our only route north & it's poorly maintained at that. I understand progress, I have lived all over the US & this city. I own property in 3 North Texas counties, but I live here. To see my only way to & from my day job demolished would be a major hardship. I have to go north to buy food, how will I do that? I have to go north to the doctor, how will I do that? I know I am not the only person who depends on I-345 to do daily tasks. Please do not demolish it.

I worry that removal would create too much of a traffic burden around downtown, particularly for people who commute from South Dallas. Reconstruction and a below grade freeway both seem fine, ~~however~~ just depends on cost and time. ~~But~~ I live near downtown, and work downtown. I drive on I-345 several times each week. ~~The~~ Removal would inconvenience me both by taking away a route I use and by pushing more traffic onto the already overburdened routes I also use.

Per Texas Transportation Code, §201.811(a)(5): check each of the following boxes that apply to you:

I think that reconstruct & elevate or below grade freeway are the best options given so far. Another deck-park type solution would also be ok. The most important thing is to maintain highway access between 75, 45, + 30. I think there should be at least one ramp into downtown and one into Deep Ellum also. Removal would push more traffic to 35 which already has issues and give people no other alternative going south other than side roads to a certain point which are already busy + slow. No one wants to have to exit the highway to drive on surface streets a couple of miles then get back on the highway. It doesn't make sense and is inefficient.

Removal should not be an option express lane options should be provided

Please Print

The traffic count for people living south of downtown who use I 45 to get to work in north Dallas is already extremely high. Nothing should be done to make it less convenient for people to get to work. In fact there needs to be an overhead express lane added on top of I 345.

A tunneled express lane should be considered for under I 345

The community already battled to get the north-south bound MLK/Pennsylvania Ave. exit approved and funded. That work needs to be executed as funded

Plans for this needs to anticipate the population explosion 20 yrs forward

The current Removal model adversely impacts accessibility to south Dallas Fair park which will be south

The future holds increased development in the south but while there will be more people living in the south the majority of jobs are in the north. Going around downtown increase the drive time

I strongly urge that I-345 be preserved, not removed. It is a vitally important link between the north and south halves of our city, and is important to the quality of life of Dallasites in a way that no amount of downtown ~~and~~ condos and office buildings could make up for.

We are not NYC or San Francisco, and the frequently cited examples of freeway tears elsewhere are not analogous. ~~It~~

For our community, please study the traffic impacts and impacts on lives before removing this. Keeping it or burying it with at least the same capacity are far preferable. Thank you.

I suggest exploring ways that impacted communities can benefit financially. For example, if I-345 is removed & the land under the highway is developed, ~~the~~ some of the money collected in taxes ^{should} be used to benefit South Dallas, Oak Cliff, & Southeast Dallas.

I also suggest reaching out to the Latino/Spanish-speaking community to get its input since that community will also be impacted. There should be translators at these community meetings.

Subject: Don't return Dallas to horse and buggy

This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dallas has JUST finally created a seamless connection between I-35 and I-30 west after being one of the last cities in the modern world to force highway traffic onto surface streets to make the connection. It was embarrassing and profoundly annoying.

Over the past 20 years, the city spent millions and drivers have endured decades of construction traffic on Central Expressway, only to have the city now consider breaking the existing seamless link between I-45 and

that beautifully upgraded Central Expressway.

The current link, I-345, may not flush drivers into traffic lights and whatever bait those developers want to benefit from, but it does give developers and business owners both north and south of that link access to millions of customers they will LOSE if 345 becomes a surface link.

You might as well close Highland Park and North Park mall. Folks coming up from south of I-30 will never go there. They'll take I-35 for north-south access, or will go east to LBJ or west on I-20 for restaurants and shopping.

Folks traveling south to Texas A&M, Houston or Galveston from north of downtown Dallas will DESPISE you every time they make the trip...both ways.

Folks coming up I-45 to visit friends and family in Plano, Richardson and the exploding suburbs of Allen and McKinney will also despise you for adding 10-15 painful minutes to their trip for a short link that currently takes less two minutes.

And anybody passing through Dallas on Central to I-45 will remember Dallas as a horse-and-buggy, throwback city once again. Is that really the image you want Dallas to project?

PLEASE KEEP I-345 as a high-speed, limited-access link between I-45 and Central Expressway. Whether you repair it, replace it, run it below grade, or reduce the number of exits, just keep the seamless, high-speed link.

Thank you.

[REDACTED] I-345

This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

I am a lifelong Dallas resident and property owner in both South and North

Dallas. I do not support the tearing down of I-345. I travel on I-345 on my way to and from North Dallas. Disrupting the daily travel of more than 200,000 daily commuters from I-345 to city streets is not in the best interest of taxpaying citizens who live in Southern Dallas. Residents of South Dallas and Pleasant Grove have to travel I-345 to North Dallas to go to work. Disregarding the voices of Southern Dallas residents, who need to travel I-345, repeats the 1970s mindset when no one listened to working-class citizens. What is the environmental impact of diverting more than 200,000 cars daily to the City of Dallas streets? If my schedule permits, I will try to make upcoming public meetings. Please include my written comments in the public meeting documentation. I have copied Texas State Sen. Royce West on this email. Please confirm receipt of my e-mail.

Sincerely
Zac Thompson

Developing the Scenarios

Between 2014 and 2016, the Dallas CityMAP Assessment Plan (CityMAP) gathered public input about the future of downtown Dallas to assess challenges, opportunities, and potential solutions for the city's aging interstate corridors and adjacent neighborhoods.

CityMAP developed scenarios based on high-level planning. CityMAP was the “Art of the Possible”, and the current study will delve into these scenarios and refine them based on engineering and current design criteria.

Study**

What data are we using?

Stakeholder and public input

Origin-Destination data

Peak period intersection traffic counts

24-hour mainlane counts

24-hour ramp/frontage road counts

Historical daily TxDOT count data

Roadside detector device speeds and volumes

North Central Texas Council of Governments (NCTCOG) regional travel demand model

Current signal timing plans

Roadway geometric data

National Performance Management Research Data Set (NPMRDS) travel time and speed data

Field travel times

2013-2017 crash data from Texas Crash Records Information System (CRIS)

DART transit operations data

List of committed transportation improvement projects

How are we using the data?

Develop traffic models for operational analysis

Calibrate traffic models to replicate existing traffic operations

Calculate crash rates

Determine who uses I-345

Develop traffic and safety report

Interstate 345 Feasibility Study

Understanding Travel Patterns Using Origin Destination Data

HOW ARE WE USING THE DATA

The key to understanding the implications of changes to the capacity, travel speed and connections to I 345 in Downtown Dallas is understanding the travel patterns of current and future users of the roadway.

Where are users of I-345 coming from and traveling to? How does this change over the course of a day?

ABOUT THE DATA

Historically, origin-destination data has been gathered through manual observations which are expensive and affected by time period and geography. Newer origin-destination data sources use anonymized smartphone and in-vehicle navigation systems to track actual travel routes as well as origins and destinations.

As many as ten travel data collection methods were considered to evaluate the I-345 feasibility study. Ultimately, origin-destination data sourced from smartphones and in-vehicle navigation systems was collected to conduct the travel analysis during weekday and weekend morning, evening and daytime periods of each 24-hour period.

LEVEL OF CONFIDENCE

All potential travel data sources have limitations, including sample size, representativeness of the sample, travel modes included, scale of geographic coverage. To fully understand travel behavior in the study area, the data was compared to various benchmark datasets including Bluetooth data, National Travel Survey Data, North Central Texas Council of Governments (NCTCOG) regional data, and collected vehicle counts) to produce a level of confidence in the data. The origin-destination data used in the I-345 feasibility study reflects a 95 percent confidence level with a margin of error of 2 percent.

KEY QUESTIONS THE DATA WILL ANSWER

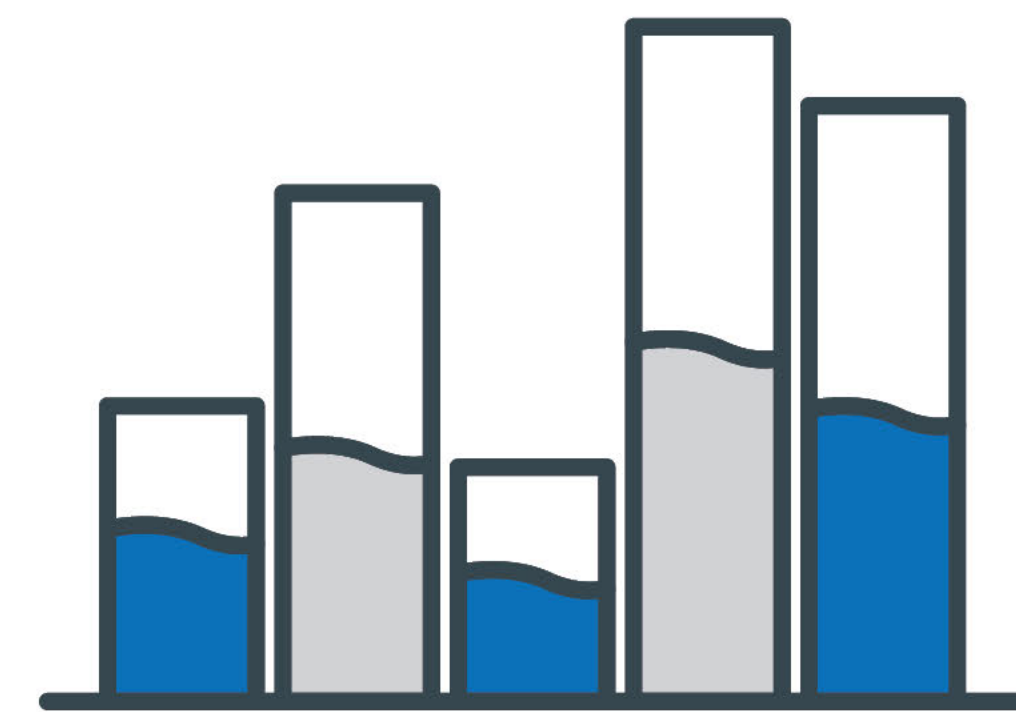

REGIONAL ORIGIN-DESTINATION FLOWS

- What are the key travel patterns of the region?
- How much of the trip activity is from commuters outside of the study loop?
- How many are traveling from Downtown Dallas where are they coming from or going to?

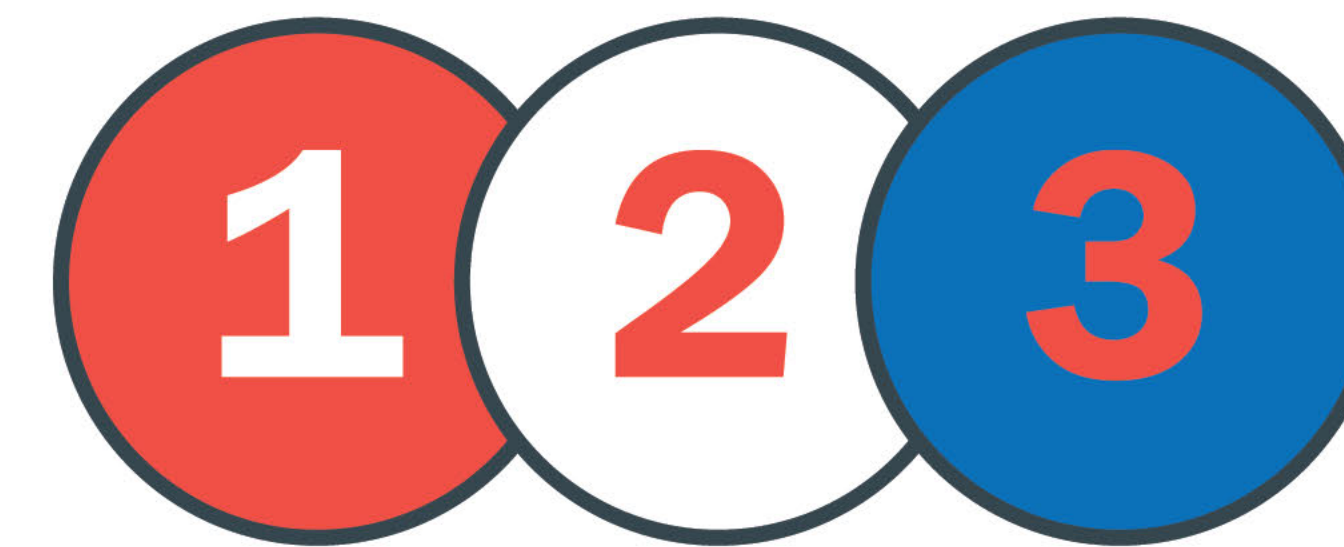

I 345 SEGMENT ORIGIN-DESTINATION FLOWS

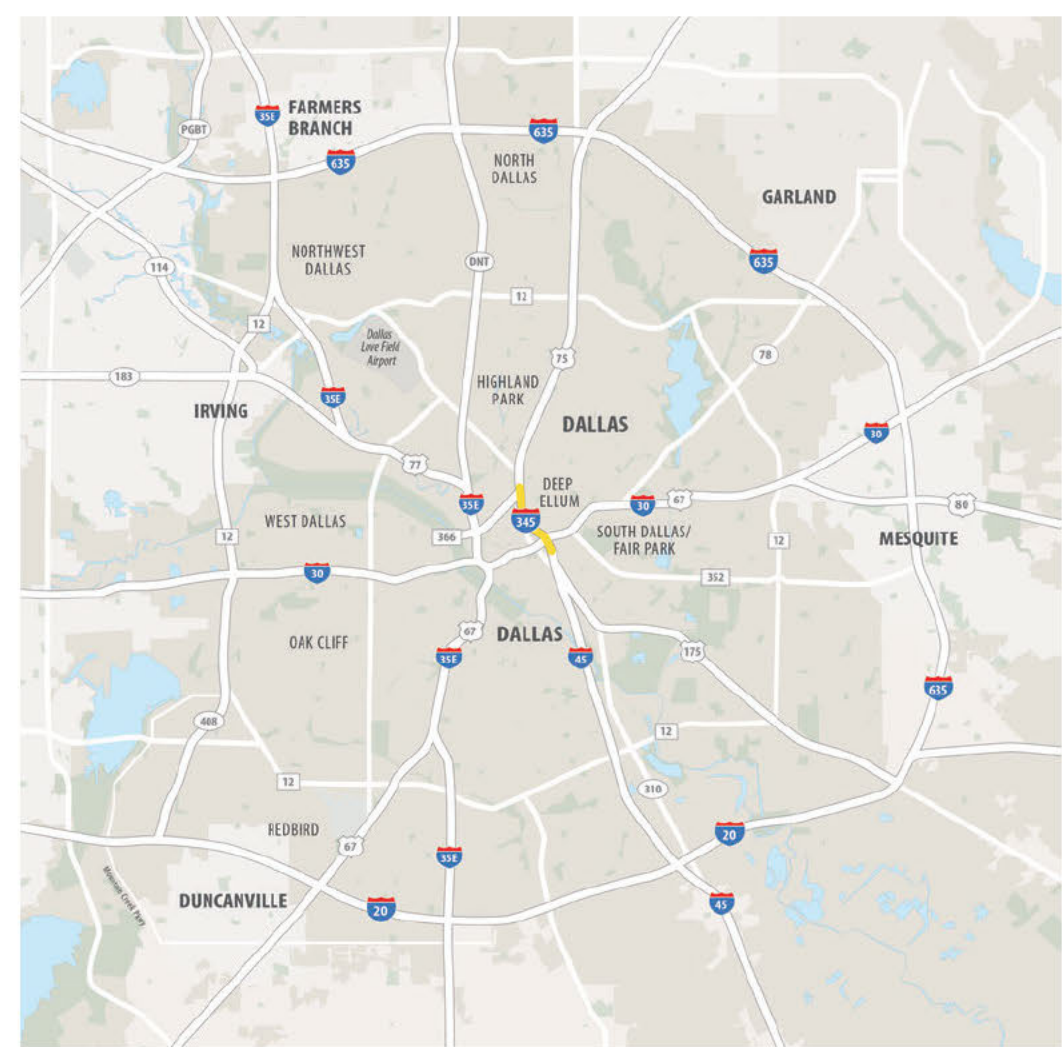

- What are the common travel patterns of current users of I-345?
- How many users of I-345 are going to or from Downtown Dallas?
- How many users of I-345 originate from outside the study loop or are destined to outside the study loop?

Now, how much do you know about I-345?

Now that you have attended the public meeting, how would you rate your knowledge of I-345? Take a dot and place it near the ranking that best describes your knowledge of the roadway and the project.

Interstate 345 (I-345) Feasibility Study Survey

The Texas Department of Transportation (TxDOT) is conducting a feasibility study on Interstate 345 (I-345) in Dallas County. TxDOT will consider feedback from the public as it develops potential alternatives for I-345. Please take a moment to tell us what you think and help us better understand issues that are important to you. We appreciate your valuable input!

What best describes your interest in I-345? Select all that apply.

- Reside near I-345
- Commuter/traveler to downtown Dallas
- Commuter/traveler through downtown Dallas
- Business owner near I-345
- Property owner near I-345
- Potential business owner or property owner near I-345
- Walk/bike under I-345
- Other, please list: _____

How often do you use I-345?

- Daily
- Weekly
- Monthly
- A few times a year
- Never

When do you use I-345? Select all applicable time frames.

- Morning rush hour (6 a.m. – 9 a.m.)
- Midday (11 a.m. – 1 p.m.)
- Afternoon rush hour (3 p.m. – 6 p.m.)
- Evening (6 p.m. – 9 p.m.)
- Late night (11 p.m. – 3 a.m.)
- Other _____

Why are you using I-345? Select all that apply.

- Travel to/from work
- Travel to/from school
- Work-related travel (freight, etc.)
- Travel to/from recreational activities
- Travel to/from entertainment
- Other, please list _____

If I-345 is experiencing delays, which alternate route(s) do you use?

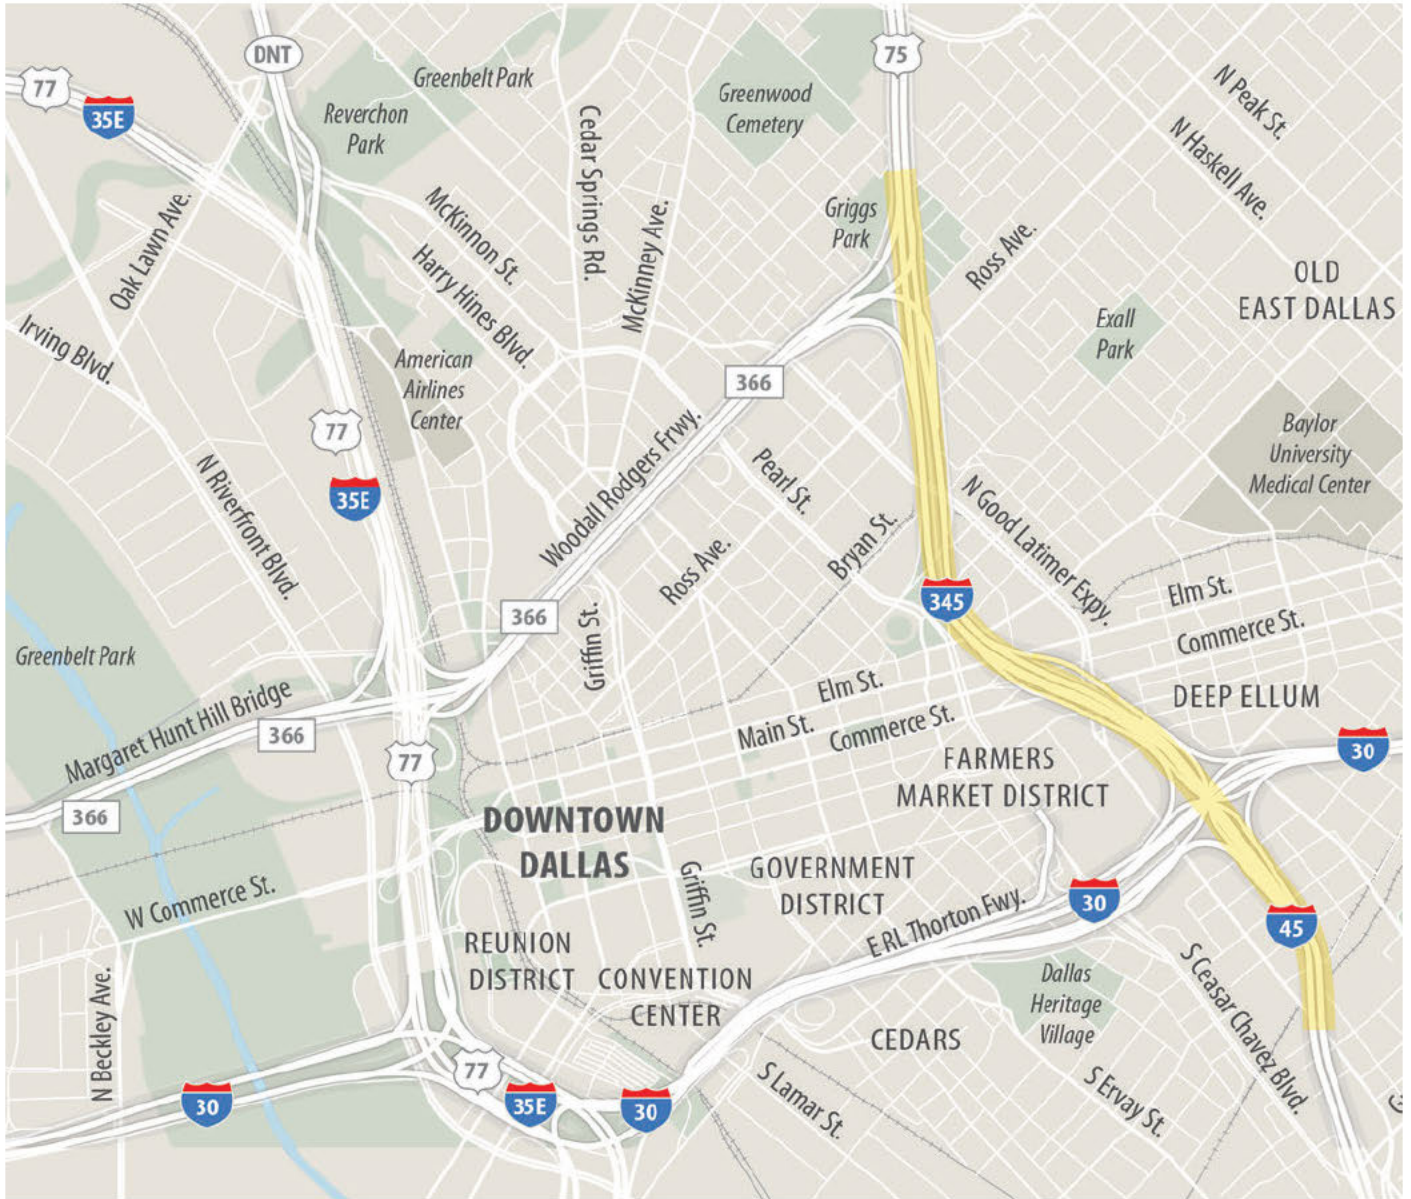

- I do not use an alternate route
- I-30
- I-35E
- I-635 (LBJ Freeway)
- Loop 12
- Woodall Rodgers Freeway (Spur 366)
- Transit/other transportation mode
- Local streets (Please list the streets used) _____

What mode of transportation do you use most?

- Drive my car
- Carpool with others
- Public transit (rail/bus)
- Bicycle
- Walk
- Ride services (Uber, Lyft, taxi, etc.)
- Scooter
- Other, please list: _____

Draw the symbols below to show issues or areas of concern regarding I-345.

-  Safety Issue
-  Traffic Issue
-  Bike/Ped Issue
-  Design Issue
-  Intersection Issue

Do you have other comments? _____

Do you have concerns with the existing configuration of I-345? _____

If improvements are made, what are your priorities for I-345? _____

What alternatives do you suggest for I-345? _____

Thank you for your input so far! Please answer a few optional questions. This helps us understand your input better. Your private information will be kept private.

FORMAL PRESENTATION
BY
MS. CEASON CLEMENS, P.E.

CEASON CLEMENS, P.E., Public Meeting Officer

SLIDE 1 – Title Slide

Good evening ladies and gentlemen. Please be seated and we will begin the formal presentation. My name is **CEASON CLEMENS** and I'm the Deputy District Engineer with the Texas Department of Transportation. Thank you for taking time to be with us and for your interest in the **Interstate 345 Feasibility Study**, which studies **I-345** from its interchange with **I-30** to the interchange with **Woodall Rodgers Freeway, also known as Spur 366**.

As you arrived, you were given the opportunity to register your attendance for this meeting at the sign-in table, which allows us to record your participation. You are also invited to make any written comments you may have about the feasibility study using the comment forms provided. There is also a court reporter present to take your verbal comments.

We also have a survey that we would like for you to complete. You can complete here at the computer bank at station 6, on your mobile device or on your computer. We also have paper versions of the survey available that you can complete and mail back to the TxDOT Dallas District. The return address is provided on the survey.

SLIDE 2 – Table of Contents

This open house meeting is being held by TxDOT to provide you with information about the I-345 Feasibility Study and to get your input regarding long term plans for the roadway.

I will begin with an overview of the feasibility study, recap milestones in the project's history and conclude with an outline of next steps.

SLIDE 3 – Project Overview

TxDOT regularly reviews its existing infrastructure to ensure that it is meeting the needs of the traveling public. I-345 is approximately 1.4 miles long and is located within the City of Dallas in Dallas County. The bridges will reach their service life span within the next 25 years.

Because of this, TxDOT is embarking on a feasibility study that will gather stakeholder input, analyze traffic data, evaluate current and future economic development and land uses, study environmental impacts, and will consider many other factors to develop conceptual alternatives for I-345.

Currently, there is no funding available for this project. It takes time to get a project from conception to construction. Therefore, TxDOT is working proactively to develop a plan so that when funding becomes available, we are ready to move forward.

SLIDE 4 – Project Overview – Feasibility Study Location Map

I-345 is located on the eastern side of Downtown Dallas between I-30 and Woodall Rodgers Freeway. The road carries approximately 180,000 vehicles each day. The feasibility study limits are from the I-30 interchange to the interchange with Woodall Rodgers Freeway, also known as Spur 366.

SLIDE 5 – Project Overview – Project Approach

The project team will use a four-phase approach to complete the study: **Define, Develop, Refine, and Deliver**. The project is now in the **define** phase. During this phase, we are hosting public meetings to gain public input, gathering and reviewing traffic data, evaluating economic development and land uses, studying environmental impacts, and collecting data for many factors that will be considered when developing the technically preferred alternative. During the next phase, **develop**, we will assess feedback received from stakeholders to begin developing conceptual alternatives; host another series of public meetings where we will preview the alternatives; present the traffic analyses; and conduct a second survey.

We will then move into the **refine** phase, where we will take your feedback from the second series of public meetings and survey, traffic data and analyses and other information to further refine the conceptual alternatives. And finally, we will **deliver** the study report and a preliminary schematic layout.

SLIDE 6 – Project Overview – Significant Adjacent Projects

The **I-345 feasibility study** is one of many important projects in the region and they are all connected components of a system servicing the North Texas area. As we are planning these projects, we are looking at how these individual pieces affect the greater system.

These projects include:

- The recently completed Horseshoe project- I-30 / I-35E interchange
- SM Wright Freeway Phase 1 (US 175), which is currently under construction
- Lowest Stemmons - I-35E from I-30 to the Dallas North Tollway, which is currently under construction
- The Mill Creek/Peaks Branch/State-Thomas Drainage Relief Tunnel, also under construction
- SM Wright Freeway Phase 2, which is going to construction spring 2020.
- The Canyon- I-30 from I-35E to I-45, which is under study and fully funded
- DART's proposed D2 line, which is in the study phase, and
- I-30 from I-45 to I-635, which is also under study.

SLIDE 7 – Project Overview – Project History

Planning for I-345 goes back to 1952, when the need for the road was identified. The original intent of I-345 was to provide a connection from I-45 and I-20 to US 75.

Construction began in 1968 and it was fully opened to traffic in 1973.

The 1.4-mile roadway was elevated in order to maintain the connectivity of the city street grid. At the time, the design was considered innovative because of the unique placement of the columns to maintain the continuity of city streets.

SLIDE 8 – Project Overview – Project History

In 2012, TxDOT conducted a feasibility study to evaluate nine alternatives to improve the structural condition of the bridges, reduce maintenance costs and reduce the frequency of maintenance and preservation activities. As part of this feasibility study, stakeholder and public meetings were held in November and December 2012. Based on the recommendations of that study, repairs to the bridge to extend its service life began in 2014.

SLIDE 9 – Dallas CityMAP

In 2014, TxDOT began a study to review the major interstates surrounding and entering Downtown Dallas. The Dallas City Center Master Assessment Process or Dallas CityMAP showed us the “art of the possible.”

CityMAP developed potential scenarios based on high-level planning. The I-345 study we’re undertaking now will delve deeper into the conceptual scenarios developed during CityMAP, refining them to conceptual alternatives based on engineering and current design criteria and evaluating the environmental impacts of each conceptual alternative.

Dallas CityMAP developed four alternatives for I-345:

- no build
- below grade freeway

- removal, and
- modify existing ramping

New alternatives developed during the current feasibility study will also be reviewed.

We looked at several corridors during CityMAP and the impacts any changes would make on other roadways. The following slides will illustrate the scenarios developed for I-345.

SLIDE 10 – Dallas CityMAP Scenarios – No Build

The first scenario was the no build option. Under the no build scenario, I-345 and the city street grid would remain in their current configuration.

SLIDE 11 – Dallas CityMAP Scenarios – Below Grade Freeway

The second scenario, below grade freeway, would see I-345 reconstructed as a below grade freeway.

SLIDE 12 – Dallas CityMAP Scenarios – Removal

The third scenario completely removes I-345 and modifies the interstate interchanges and the city street grid. These changes would provide surface street connections between the termination of I-45 and Downtown Dallas and US 75 in order to carry the traffic displaced from I-45 and I-345.

SLIDE 13 – Dallas CityMAP Scenarios Elevate with Ramp Modifications

In the fourth scenario, the existing elevated freeway structures would remain and the ramping along the freeway would be modified to free up potential surplus ROW and allow for development opportunities.

SLIDE 14 – Other Feasible Alternatives

As TxDOT goes through this current feasibility study we want to look at other alternatives.

What did we miss? What else should we be looking at? This meeting gives you the opportunity to weigh in on these questions. The best way to provide that input is to complete the survey and/or leave a comment.

SLIDE 15 – Project Development Process

This slide provides an overview of the project development process. Transportation planning can be a long process. Typical project development follows these seven basics steps:

- identify the need
- complete a feasibility study
- preliminary design schematic
- environmental study and documentation
- final design
- right of way acquisition, and finally
- construction

We are currently at the feasibility study stage and want to be ready with a plan once funding becomes available.

SLIDE 16 – Feasibility Study

Many of you may be wondering “what is a feasibility study and what does it entail?” During a feasibility study, we look at many things, including but not limited to:

- stakeholder and public input

- engineering analysis
- traffic analysis
- right of way requirements
- existing and planned developments
- cost and economic impact
- other planning efforts
- natural and cultural resources
- land use and parkland
- water resources and flood plains
- hazardous materials, and
- social and community impacts

All of these items will be reviewed during this feasibility study.

SLIDE 17 –Study and Project Goals and Objectives

As we work through the study process, we will have several goals and objectives in mind:

- work with you, our stakeholders, to have an inclusive, transparent and collaborative public involvement process;
- review recommendations from previous studies;
- provide the best solution that maintains safety, mobility and operability;
- incorporate TxDOT and community goals, and finally
- work toward technically preferred alternative

SLIDE 18 – Public/Agency Outreach and Involvement

TxDOT intends to have a collaborative public involvement process. As a stakeholder in this project, you will be able to:

- participate in surveys to gauge your priorities and use of I-345
- attend public meetings, like the one tonight/today, to receive updates and provide input
- access project information from www.345study.com
- join our mailing list for project updates, and
- access this presentation at www.345study.com following the meeting.

The study team will also meet with elected and public officials as well as key stakeholders during the study process.

SLIDE 19 – Next Steps

After the comment period ends, we will review all comments and surveys to begin developing conceptual alternatives.

At the next series of public meetings you will be asked to give input on the developed alternatives.

A final report will be issued once a technically feasible solution is determined.

SLIDE 20– Next Steps

Finally, we ask that you leave your feedback. Your comments and responses to the survey are valuable and will help us move the study forward.

The public comment period for this first series of public meetings ends **Friday, December 20, 2019**. Following this meeting, all comments and questions received during the comment period for this public meeting will be fully considered and responses will be prepared in the project record.

SLIDE 21 – Contact Information

Representatives from TxDOT staff and consultants will remain in the room to continue to provide you with information and answer your questions. Again, I invite you to provide written comments tonight, or meet with the court reporter to make a verbal comment. For those of you who do not want to provide your comments tonight, your written statements will be equally accepted until **Friday, December 20**.

For those of you who wish to submit written comments tonight, comment boxes are located at the comment tables.

Questions and comments may also be mailed to Mr. Travis Campbell, P. E., at the TxDOT Dallas District Office, 4777 East Highway 80 in Mesquite, Texas 75150-6643 or emailed to 345study@txdot.gov.

SLIDE 22 – “Thank You for Your Interest” – Presentation Concluded

We sincerely appreciate your attendance and interest in the I-345 Feasibility Study. Your questions, comments and concerns will receive careful consideration.

Thank you very much. This concludes our formal presentation. Have a good evening.
