

# Project Purpose and Need

**PROJECT PURPOSE**

- ✓ Improve US 380 to current freeway design standards
- ✓ Increase capacity to reduce congestion
- ✓ Increase mobility and connectivity
- ✓ Improve safety through a multimodal corridor

**CORRIDOR NEED**

- ✗ US 380 does not meet current freeway design standards
- ✗ Does not meet current and future traffic volumes
- ✗ Does not have continuous bike and pedestrian connectivity
- ✗ Is congested with reduced mobility
