1	Tommy Lovell	1/8/21	Email	Just wanted to follow up on our proposed map modifications since we never heard anything back, but we just received the attached virtual meeting notification about changes to the route. Were these changes acceptable? Please advise.	Ms. Edra Brashear, P.E., the previous TxDOT Project Manager responded to Tommy Lovell via email on January 12, 2021 with the following, “Our team believes we have adjusted the alignment from the recommended alignment presented in the feasibility study (April 2020) to address the City of Farmersville and property owner comments discussed at the October 19 meeting. We will present the revised alignment at the Jan 28 virtual public meeting. At that time, any additional comments will be welcome within the 15-day comment period. This is the first of two public meetings planned, followed by a public hearing prior to the alignment being finalized to proceed with the next phase of project development (plans, specifications and estimates (PS&E) targeted to be complete prior to 2026 letting).”
2	Pam L Dickey	1/17/21	Email	<p>Ms Brashear per our conversation on Friday, 1-15-21, please include all vital info on the property (.5 acres) listed below.</p> <p>2630 West Audie Murphy Parkway Farmersville, Texas 75442</p> <p>Appreciate your time Pam L Dickey</p>	<p>Ms. Edra Brashear, P.E., the previous TxDOT Project Manager responded to Pam Dickey via email on January 20, 2021 with the following, “We are still in the early stages of the preliminary design and alternative designs are still being looked upon. Based on our current design, right-of-way may be required of your property at 2630 West Audie Murphy Parkway, see below (in red). Please note, we are still in the preliminary phase as we get closer to a definite design TxDOT will reach out to you on details of impact to your property. Starting Thursday, Jan 28, 2020, the project website will be up to review the project and make comments. The website is US 380 from CR 560 to CR 699 (Hunt County Line) Keep It Moving Dallas. If you have any additional questions. Feel free to contact me.”</p> 
3	Traci Gardner	1/25/21	Email	<p>Thank you very much for taking my call. Can you please provide me with information on TXDOT 380 Thoroughfare description of where the road will widen as well as Collin County Outerloop Information.</p> <p>Thank you very much in advance.</p>	Ms. Edra Brashear, P.E., the previous TxDOT Project Manager responded to Traci Gardner via email on January 25, 2021 with the following, “Ms. Gardner, I have received your email from Mohammad Khoshkar about the US 380 Farmersville improvements. I am the project manager for the TxDOT US 380 Farmersville preliminary engineering/ environmental project. For more information about the project we are hosting an online virtual public meeting starting this Thursday evening which will include general information about the project. This is not a live meeting but is designed as a self-paced website including a PowerPoint presentation about the project and timeline. Please see the public notice attached for further details. If you have any further questions, feel free to contact me. Have a great day.”

4	Tommy Lovell	1/28/21	Email	<p>Please give me a call tomorrow on my cell phone when you have a second. Maybe there was some misunderstanding but based on the update now you are encroaching even more on our land that has been in the family over 125 years. I wanted to go southwest if anything not northeast taking more of our land. Now you have made the triangle bigger between the pipeline and proposed road which is the last thing we wanted. This has created more damages for us. Please see the attached map.</p> <p>This is the exact reason I was hoping we would discuss my recommended changes before this was presented but I never heard a word. I look forward to hearing from you tomorrow.</p> <div><div>Environmental Constraints Map</div></div>	<p>Ms. Edra Brashear, P.E., the previous TxDOT Project Manager responded to Tommy Lovell via email on January 29, 2021 with the following, “<i>We appreciate your comments and feedback as it is an important part of the development of the US 380 Farmersville project. Below please find the information we can provide regarding your areas of concern:</i></p> <p><i>Concerns: Maybe there was some misunderstanding but based on the update now you are encroaching even more on our land that has been in the family over 125 years. I wanted to go southwest if anything not northeast taking more of our land. Now you have made the triangle bigger between the pipeline and proposed road which is the last thing we wanted. This has created more damages for us.</i></p> <p><i>Response: I would like to have the design team to review your property and analyze the impacts. You provided a map circling your property, but I would like more details to determine we are discussing the same property. I am guessing at the location but is your property shown in purple, see below. If not, can you provide either the address, property ID, or legal description.</i></p> <p><i>Once the designers have reviewed your property, I would like to set up a virtual conference call to discuss. Will you be available to meet next week Wednesday, Feb 3 – Friday, Feb 5?”</i></p> <p>A virtual meeting was held with Mr. Lovell on February 3, 2021 to further understand and discuss concerns with the preliminary proposed alignment shown at the January 2021 virtual public meeting. The team is currently evaluating alternative alignments taking into consideration Mr. Lovell’s comments, design criteria and safety of the revised proposed alignment. The team will follow up with Mr. Lovell by Summer 2021 to review proposed changes in advance of the next public meeting, tentative for Fall 2021.</p>
5	AJ Sanchez	1/28/2021	Survey Monkey	We don’t want this bypass	Comment noted.

6	Karen Haynes	1/28/2021	Email	I have property near highway 380 where I think the highway proposal will come near my property. When will property owners find out if this proposal effects our property? Thank you for your time.	<p>Ms. Edra Brashear, P.E., the previous TxDOT Project Manager responded to Karen Haynes via email on January 29, 2021 with the following, “<i>We appreciate your comments and feedback as it is an important part of the development of the US 380 Farmersville project. Below please find the information we can provide regarding your areas of concern:</i></p> <p><i>Question: When will property owners find out if this proposal effects our property?</i></p> <p><i>Response: Based on our current design, your property at 520 Locust Street will not be impacted by the relocation of US 380, see below. The existing US 380 from 560 to the Hunt County line will remain intact while the improvement will be diverted south. We are currently in the preliminary engineering & environmental phase. The final preliminary engineering design is expected by Fall 2022. This would be the time property owners would know they are being effected.”</i></p> 
7	Traci Gardner	1/28/21	Email	<p>Could you please provide me with a detailed map showing the exact location of how this impacts my land. (21 Acre Parcel).</p> <p>Thank you in advance. I did go to the virtual meeting but the maps are still unclear to me.</p> <p>Have a great evening.</p> <p>Traci Gardner</p>	<p>Mr. Liang Ding, P.E., the current TxDOT Project Manager responded to Traci Gardner via email on April 6, 2021 with the following, “<i>We appreciate your interest in the US 380 Farmersville project. TxDOT would like to follow up with a virtual meeting to discuss your property. While ROW impacts are not proposed, access from US 380 to parcel 2144 Audie Murphy Parkway will be revised. TxDOT would like to discuss your plans to understand if any revisions need to be considered for the proposed project. If you have any traffic studies regarding the planned development, our team would appreciate if you could share it with us. Please keep in mind the US 380 Farmersville project is preliminary and subject to change based on TxDOT coordination, review and public input.</i>”</p>

8	Tommy Lovell	1/29/21	Email	<p>No the outlined purple property is not ours but that is where the road should have been moved down in a southwestern direction. That land is landlocked and covered in junk. Here is a link to CCAD with our property https://www.collincad.org/propertysearch?prop=2678524</p> <p>Also I've attached a map specific to our property and concerns. Yes, I should be free next week.</p> 	<p>Comment noted.</p> <p>A virtual stakeholder meeting was held with Mr. Lovell on Feb. 3, 2021 to further discuss his comments and requested revisions.</p>
9	Tommy Lovell	1/29/21	Email	<p>We wanted it moved down in a southwestern direction due to the blue line which is a NTMWD pipeline. This leaves us an undevelopable triangle.</p> 	<p>Comment noted.</p> <p>A virtual stakeholder meeting was held with Mr. Lovell on Feb. 3, 2021 to further discuss his comments and requested revisions.</p>

10	Michael Biggs	1/29/2021	Email	<p>I follow the process very carefully, so I am very aware that everything is subject to change even after the concrete is literally poured. The information presented as part of the presentation for the public meeting had a timeline saying the expected date for the contracts to be let for that project would be fall 2027. That is different from the expected date that was just listed in the 2021 version of the UTP. It lists Aug 2024 as the expected let date. Here is the link to that...</p> <p>https://ftp.txdot.gov/pub/txdot-info/dal/maps-project/planned/collin-planned.pdf</p> <p>Of course no funding has been set aside so it is an understatement to even say these dates are "subject to change". BUT... can you tell me if the AUG 2024 or the Fall 2027 is more up to date?</p>	<p>Ms. Edra Brashear, P.E., the previous TxDOT Project Manager responded to Michael Biggs via email on February 4, 2021 with the following, <i>"We appreciate your comments and feedback as it is an important part of the development of the US 380 Farmersville project. Below please find the information we can provide regarding your areas of concern:</i></p> <p><i>Concerns: BUT... can you tell me if the AUG 2024 or the Fall 2027 is more up to date?</i></p> <p><i>Response: Currently the project is schedule to let Fall 2027. This is subject to change. Unfortunately, I can't provide you a solid answer at this time but as the project progress we will have a better understanding."</i></p>
11	Jackson Hurst	1/31/2021	Survey Monkey	The aspect that I love about the US 380 Improvements in Farmersville Project is that US 380 will be widened from 2 lanes to a freeway with ramps and 3 lanes for a total of 6 lanes. The conversion of US 380 to a freeway will bring increased economic activity to the south of Farmersville, Texas.	Comment noted.
12	Roya Khademi	2/3/2021	Email	We (Rya S. Khademi) got your letter and have watched the video and looked over the maps/information. One big/huge problem is we can not locate/situate our Land on your feasibility/proposed map!!? This is urgent because we need to make our comments accordingly by/before February 12. Please, kindly email us an sketch showing our property location on your proposed alignment/map ASAP please.	<p>Ms. Edra Brashear, P.E., the previous TxDOT Project Manager responded to Roya Khademi via email on February 3, 2021 with the following, <i>"If you have comments after Feb 12th, feel free to forward it to me. Can you provide me your address and I will send you an exhibit specifically showing your property in relation to the US 380 project?"</i></p> <p><i>See comment 14 below for the exhibit.</i></p>
13	Roya Khademi	2/3/2021	Email	This is just an open/raw land we own , we have no idea about Addreses ? We live in south Texas. Your people/data base that identified our name and address to generate the letter you sent us can and should be able to locate it for you .. Please 🙏	Ms. Edra Brashear, P.E., the previous TxDOT Project Manager responded to Roya Khademi via email on February 4, 2021 with the following, <i>"I do not show we sent a letter for the US 380 project under the name Roya Khademi. Would it be possible you can send me an image of your letter?"</i>
14	Roya Khademi	2/4/2021	Email	<p><i>Follow up response to previous comment (11):</i> Sure, please see attached snapshot. The way you have addressed us is :</p> <p>Khademi , Roya S. 5715 N. 1ST LN. McAllen, TX. 78504</p>	<p>Ms. Edra Brashear, P.E., the previous TxDOT Project Manager responded to Roya Khademi via email on February 4, 2021 with the following, <i>"I believe I found your property, see area shown in the red circle. It appears some right-of-way may be requested on your property. We are still at the preliminary phase of the project and we are not for certain CR 560 will be extended south of US 380."</i></p> 

Comment Number	Commenter Name	Date Received	Source	Comment	Response
15	Roya Khademi	2/4/2021	Email	Yes, it makes sense, that should be it. Wow !! That will further mess up our less than 4 AC (for our retirement fund !) land! Last time/several years ago you all(TXDOT) damaged our land by raising/building the 380 improvements at a higher elevation and leaving us in lower than original condition ! And now even looks like will get worse!!! see we are at the beginning of the project, but what is that light garish highlighted designation along our 380 frontage just west of your starting point ?	Ms. Edra Brashear, P.E., the previous TxDOT Project Manager responded to Roya Khademi via email on February 5, 2021 with the following, <i>“the highlighted areas represent the right-of-way area.”</i>
16	Jackson Hurst	2/4/2021	Email	Hi i would like to sign up for project updates and be added to the mailing list for the US 380 from CR 650 to Hunt County Line Project. My mailing address is 4216 Cornell Crossing, Kennesaw, Georgia 30144.	<p>Ms. Edra Brashear, P.E., the previous TxDOT Project Manager responded to Jackson Hurst via email on February 4, 2021 with the following, <i>“We do not have a project update email distribution list. For information about the project, please review the website at http://www.keepitmovingdallas.com/US380Farmersville. This site will be available to view until Jan 28.</i></p> <p><i>If you are a property owner within the area, please provide me the property address or the Collin County Appraisal District Property ID from the site https://www.collincad.org/maps/gis of your property. I am may be able to add you to the mailing list from the public involvement group, but I would need to know your property location.”</i></p> <p>Mr. Hurst has been added to the mailing list and will receive future project notifications.</p>
17	Chris Roland	2/4/2021	Email	<p>Regarding the expansion of 380 in farmersville:</p> <p>-with a let date of 2027, when will the state begin acquiring land?</p> <p>-when will this proposed route be approved, and what are the chances of it being approved or not?</p> <p>Regarding the expansion of 380 in farmersville:</p> <p>-with a let date of 2027, when will the state begin acquiring land?</p> <p>-when will this proposed route be approved, and what are the chances of it being approved or not?</p>	<p>Ms. Edra Brashear, P.E., the previous TxDOT Project Manager responded to Chris Roland via email on February 5, 2021 with the following, <i>“We appreciate your comments and feedback as it is an important part of the development of the US 380 Farmersville project. Below please find the information we can provide regarding your areas of concern:</i></p> <p><i>-with a let date of 2027, when will the state begin acquiring land?</i> <i>TXDOT RESPONSE: Right-of-way process (Land acquisition) will be Spring 2022.</i></p> <p><i>-when will this proposed route be approved, and what are the chances of it being approved or not?</i> <i>TXDOT RESPONSE: The final approval for the project will occur during the design phase. The design phase is tentatively scheduled for Winter 2022 – Winter 2024.</i></p> <p><i>Please note, all dated are subject to change.”</i></p>
18	Mickey Douglas	2/4/2021	Phone Call	Ms. Douglas left a voice mail message on Ms. Edra Brashear’s phone asking for additional information about the project and how it is impacting her property.	<p>Ms. Edra Brashear, P.E., the previous TxDOT Project Manager responded to Mickey Douglas via email on February 4, 2021 with the following, <i>“This is a follow up to our conversation on today. Below is the link to the virtual public meeting. The website will be up till next Friday, February 12th. You are free to leave comments on the website. I also included the youtube video of the presentation.</i></p> <p><i>Virtual Public Meeting Link</i> Virtual Public Meeting for US 380 Improvements in Farmersville Keep It Moving Dallas</p> <p><i>You Tube Video Presentation</i> Virtual Public Meeting – US 380 south of Farmersville from CR 560 to CR 699/Hunt County Line - YouTube</p> <p><i>Also, I have circled what I believe is your property in question.”</i></p>

19	Michael Biggs	2/4/2021	Email	Thanks. I follow the RTC meetings fairly closely. We will all certainly know more when people start finding money to pay for it.	Comment noted.
20	Roya Khademi	2/5/2021	Email	The Additional/New ROW to be taken? Also, Edra the comments I made below will enter as my part of public comments? Or do I need to repeat them somewhere else? Roya	Ms. Edra Brashear, P.E., the previous TxDOT Project Manager responded to Roya Khademi via email on February 5, 2021 with the following, <i>“your comments will be included in the public comments. There is no need to repeat your comments.”</i>
21	Dana Dickey-Cruz and Bobby M. Dickey	2/5/2021	Email	My concern with the current proposed design of the realignment of US 380 from CR560 to CR699 is that it appears the projected project will take the entire .5 acres my Father's homestead at 2636 Audie Murphy Pkwy., Farmersville, Texas. The previous correspondence, we received stated no residential or non residential structures are anticipated to be displaced and this isn't the case with the most current proposal. This property has been in our family since 1958 and this is very concerning to us.	Comment noted. Mr. Liang Ding, P.E., the current TxDOT Project Manager responded to Dana Dickey-Cruz and Bobby M. Dickey via email on April 6, 2021 with the following, <i>“Currently TxDOT is working on revisions to the proposed alternative displayed at the public meeting based on input received during the comment period. The US 380 Farmersville segment is also coordinating with the adjacent project near CR 560 where the projects overlap. The impacts shown on the schematic to your parcel at 2636 Audie Murphy Pkwy are likely to change. TxDOT will evaluate alternatives to minimize or avoid impacts to the parcel if feasible. The current plan is to update the schematic this Summer to have a second public meeting in the Fall 2021.”</i>

**Notice
Virtual Public Meeting
US 380
From CR 560 to CR 699
CSJ-0135-05-028
Collin County, Texas**

The Texas Department of Transportation ("TxDOT") is proposing a new location realignment of the United States Highway (US) 380 roadway from County Road (CR) 560 to CR 699 (Hunt County Line) south of Farmersville, in Collin County, Texas. This notice advises the public that TxDOT will be conducting an on-line virtual public meeting on the proposed project. The virtual meeting will be held on Thursday, Jan. 28, 2021 beginning at 6 p.m. The virtual public meeting will consist of a pre-recorded video presentation explaining the proposed project, which includes both audio and video components, along with other exhibits and materials for your review. **The virtual public meeting materials will be posted to the project website <http://www.keepitmovingdallas.com/US380Farmersville> on Thursday, Jan. 28, 2021 and will remain available online through the comment period deadline of Friday, Feb. 12, 2021.** If you do not have internet access, you may call (214) 320-6651 between 8 a.m. to 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process. Comments may be provided online, by mail, email, or voicemail as explained below. **Please note that the materials will not be available until Jan. 28, 2021.**

The proposed project includes the construction of a new location realignment for US 380 from CR 560 to CR 699 (Hunt County Line), south of the City of Farmersville, in Collin County for a distance of approximately 8.5 miles. The existing US 380 roadway includes four 12-foot wide lanes, a 16-foot wide two-way left turn lane, limited sidewalks and no bicycle accommodations and an existing right-of-way varying from 120 to 180 feet wide. The existing US 380 roadway would remain. The new location facility would be constructed as a six-lane divided facility with 12-foot lanes and 10-foot shoulders with additional auxiliary lanes as needed. The proposed project would also include continuous, one-way frontage roads with 12-foot lanes and a 10-foot shared use path on both sides of the roadway.

Although additional right-of-way would be required, no residential or non-residential structures are anticipated to be displaced at this time. Information concerning services and benefits available to affected property owners and information about the tentative schedule for right-of-way acquisition and construction can be obtained from the TxDOT district office by visiting the project website.

The proposed project could involve construction in floodplain and wetlands. Once the schematic design is developed further, environmental analysis will be conducted to identify and assess impacts.

Maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are available online at the project website.

The virtual public meeting will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting, please contact Patrick Clarke, Public Involvement Officer, at (214) 320-4483 no later than 4 p.m., Thursday, Jan. 21, 2021. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Dallas District Office, Attention Edra Brashear, P.E., 4777 E. Highway 80, Mesquite, TX 75150. Written comments may also be submitted by email to edra.brashear@txdot.gov. Verbal comments will also be accepted by calling (833) 933-0431 and leaving a voicemail. All comments must be received on or before Friday, Feb. 12, 2021.

If you have any general questions or concerns regarding the proposed project or the virtual meeting, please contact Edra Brashear, P.E., TxDOT Project Manager, at (214) 320-6651 or by email at edra.brashear@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

BID NOTICES

INVITATION TO BID

Sealed bids will be received by D.R. Horton - Texas LTD. on behalf of Collin County Municipal Utility District CR 412, at the office of JBI Partners, Inc., 2121 Midway Road., Suite 300, Carrollton, Texas 75006 until **9:30 a.m., January 21, 2021**, at which time all bids will be publicly opened and read for the construction of the project:

D.R. Horton - Texas, LTD. acting on behalf of Collin County Municipal Utility District CR 412

For the construction of Earthwork Improvements to serve

Oxford Place, Phase 1 City of McKinney ETJ Collin County, Texas JBI Project No. HOE315

A mandatory Pre-Bid Conference will be held on **January 14, 2021, at 9:30 a.m.**, at the office of JBI Partners, Inc., 2121 Midway Road., Suite 300, Carrollton, Texas

75006. All COVID-19 protocols for face coverings and social distancing will be enforced. Bids submitted by parties not attending the **mandatory** Pre-Bid Conference will not be accepted or opened.

Project scope shall include the Earthwork Improvements, approximately 156,980 CY of unclassified excavation, per NCTCOG and Owner's Geotechnical Engineer's specifications to serve 160 lots on approximately 44 acres. The project is located South and West of the intersection of CR 412 & CR 409 in City of McKinney ETJ, Collin County, Texas.

The above-described construction will be performed in accordance with plans and specifications and any addenda thereto which may be issued prior to the opening of bids. Plans, specifications and bid documents may be viewed and downloaded free of charge or hard copies purchased on the CivCastUSA Website (www.CivCastUSA.com). Call or e-mail Jesus Ramirez, P.E., at (972) 738-6178 ([jramirez@jbipart-](mailto:jramirez@jbipart-ners.com)

ners.com) if you have difficulty accessing the website.

Each Bid must be accompanied by a Certified or Cashier's Check, from a responsible bank in the State of Texas, or a Bid Bond, issued by a surety legally authorized to do business in the State of Texas, equal to five percent (5%) of the total bid amount. Make the Cashier's Check, Certified Check or Bid Bond payable to the Owner. The Owner reserves the right to reject any or all bids or to accept any bid deemed advantageous to it and waive informalities in bidding. All bids received after the above-designated closing time will be returned unopened.

PUBLIC SALES

Sec. 59.042

PROCEDURE FOR SEIZURE AND SALE

(a) A lessor who wishes to enforce a contractual landlord's lien by seizing and selling or otherwise disposing of the property to which it is attached must deliver written notice of the claim to the tenant.

(b) If the tenant fails to satisfy the claim before the 15th day after the day that the notice is delivered, the lessor must publish or post notices advertising the sale as provided by this subchapter.

(c) If notice is by publication, the lessor may not sell the property until the 15th day after the day that the first notice is published. If notice is by posting, the lessor may sell the property after the 10th day after the day that the notices are posted.

SEC. 59.044

NOTICE OF SALE

(a) The notice advertising the sale must contain:

- (1) a general description of the property;
- (2) a statement that the property is being sold to satisfy a landlord's lien;
- (3) the tenant's name;
- (4) the address of the self-service storage facility; and
- (5) the time, place, and terms of the sale.

The lessor must publish the notice once in each of two consecutive weeks in a newspaper of general circulation in the county in which the self-service storage facility is located.

Pursuant to Chapter 59, Texas property code, **Advantage Storage**, which is located at **6720 Parkwood Blvd., Plano Texas** will hold a public auction of property being sold to satisfy a landlord's lien online at www.StorageTreasures.com. The auction will end at or around **12:00 PM on FEBRUARY 5, 2021**. Property will be sold to the highest bidder. Deposit for removal and cleanup will be required. Seller reserves the right to withdraw property from sale. Property being sold includes contents in spaces of following tenants, with brief description of contents in each space.

Name of Tenant as appears on lease & general description of contents:
DIAMOND RODDY- Unit

appears to contain Boxes, Luggage, Tubs, Shoe Boxes, Boots, Crutches, Foot Brace, Luggage, Backpack, Clothes, Decorative Pillows and other Miscellaneous Items

Tenants may redeem their goods for full payment in cash only up to time of auction. Call Advantage Storage, 6720 Parkwood Blvd., Plano, Texas. 972-378-4066.

1/12, 1/19

NOTICE OF PUBLIC SALE

To satisfy a landlord's lien, PS Orange Co. Inc. will sell at public lien sale on January 27, 2021, the personal property in the below-listed units, which may include but are not limited to: household and personal items, office and other equipment. The public sale of these items will begin at 09:30 AM and continue until all units are sold. Lien sale to be held at the online auction website, www.storagetreasures.com, where indicated. For online lien sales, bids will be accepted until 2 hours after the time of the sale specified.

The city has spent countless thousands of dollars triaging Tenison Glen Golf Course against White Rock Creek's flooding and erosion damage.

SHARON GRIGSBY

Access a critical need, too

Continued from Page 1B

Thursday for a master plan that reimagines Samuell Grand-Tenison and its erosion-eaten Glen golf course.

If the plan passes, the Glen will be redesigned into a 9-hole course and, by summer, community conversations will begin on how best to transform the rest of that space, which includes White Rock Creek, into a nature preserve.

Re-creating the east side of the park, just beyond the Kansas City Southern railroad tracks, coincides nicely with the upcoming construction of the Trinity Forest Spine Trail, part of which will run just outside the park's boundary and form a crucial connection with the overall Loop trail around Dallas.

All of these plans sound fabulous, but they mustn't squeeze out the basics — side-

walks, trails and safe pedestrian crossings — that Samuell Grand-Tenison has lacked for too long.

Park Department director John Jenkins told me that he also has heard "loud and clear" that at the same time work begins on the golf course and nature preserve, "we need to address access and connectivity."

"We need to solve the problems with the neighbors in the surrounding areas being more able to easily get to the park," Jenkins said. "And once there, have better trails and side-walks through it to connect all the amenities."

Mesa Design, which began the master plan work in April 2019, held two in-person meetings — one with stakeholders and the other with community members — before COVID-19 forced the remaining meetings onto Zoom. That input and

feedback from surveys drove the design work.

The master plan — Samuell Grand's first since 1945 — isn't perfect. The amount of detail and length of the \$74 million wish list are overwhelming and the priorities in the phasing plans are, at times, as clear as mud. Much of the funding would require multiple bond elections or private dollars.

Keep in mind that this is a guiding vision for the next 20 or 30 years, not a specific to-do list. That's why I'm focusing today on the items that will happen soonest — and those I believe are the most important to improve safety and access.

The Samuell Grand-Tenison network is a gem of green space: rolling hills, majestic live oaks and wildlife galore.

The parks serve up a hodgepodge of amenities: Golfers are

Notice Virtual Public Meeting US 380 From CR 560 to CR 699 CSJ:0135-05-028 Collin County, Texas

The Texas Department of Transportation ("TxDOT") is proposing a new location realignment of the United States Highway (US) 380 roadway from County Road (CR) 560 to CR 699 (Hunt County Line) south of Farmersville, in Collin County, Texas. This notice advises the public that TxDOT will be conducting an on-line virtual public meeting on the proposed project. The virtual meeting will be held on Thursday, Jan. 28, 2021 beginning at 6 p.m. The virtual public meeting will consist of a pre-recorded video presentation explaining the proposed project, which includes both audio and video components, along with other exhibits and materials for your review. **The virtual public meeting materials will be posted to the project website <http://www.keepitmovingdallas.com/US380Farmersville> on Thursday, Jan. 28, 2021 and will remain available online through the comment period deadline of Friday, Feb. 12, 2021.** If you do not have internet access, you may call (214) 320-6651 between 8 a.m. to 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process. Comments may be provided online, by mail, email, or voicemail as explained below. **Please note that the materials will not be available until Jan. 28, 2021.**

The proposed project includes the construction of a new location realignment for US 380 from CR 560 to CR 699 (Hunt County Line), south of the City of Farmersville, in Collin County for a distance of approximately 8.5 miles. The existing US 380 roadway includes four 12-foot wide lanes, a 16-foot wide two-way left turn lane, limited sidewalks and no bicycle accommodations and an existing right-of-way varying from 120 to 180 feet wide. The existing US 380 roadway would remain. The new location facility would be constructed as a six-lane divided facility with 12-foot lanes and 10-foot shoulders with additional auxiliary lanes as needed. The proposed project would also include continuous, one-way frontage roads with 12-foot lanes and a 10-foot shared use path on both sides of the roadway.

Although additional right-of-way would be required, no residential or non-residential structures are anticipated to be displaced at this time. Information concerning services and benefits available to affected property owners and information about the tentative schedule for right-of-way acquisition and construction can be obtained from the TxDOT district office by visiting the project website.

The proposed project could involve construction in floodplain and wetlands. Once the schematic design is developed further, environmental analysis will be conducted to identify and assess impacts.

Maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are available online at the project website.

The virtual public meeting will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting, please contact Patrick Clarke, Public Involvement Officer, at (214) 320-4483 no later than 4 p.m., Thursday, Jan. 21, 2021. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Dallas District Office, Attention Edra Brashear, P.E., 4777 E. Highway 80, Mesquite, TX 75150. Written comments may also be submitted by email to edra.brashear@txdot.gov. Verbal comments will also be accepted by calling (833) 933-0431 and leaving a voicemail. All comments must be received on or before **Friday, Feb. 12, 2021.**

If you have any general questions or concerns regarding the proposed project or the virtual meeting, please contact Edra Brashear, P.E., TxDOT Project Manager, at (214) 320-6651 or by email at edra.brashear@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

TEXAS

ELIZABETH CONLEY/ AP

El nuevo líder de la legislatura texana, Dade Phelan, rodeado por Dan Patrick (izq.) y Greg Abbott.

Los desafíos en 2021 de la Legislatura estatal

Se espera un año muy tumultoso con una agenda complicada

Por ROBERT T. GARRETT y JAMES BARRAGÁN/DMN

Austin — Su partido sobrevivió a las elecciones de 2020. Ahora el gobernador Greg Abbott y el vicegobernador Dan Patrick tratan de adelantarse a la pandemia y posicionarse para buscar la reelección a un tercer periodo el año próximo.

Pero primero tendrán que maniobrar una sesión legislativa en una Legislatura de Texas bajo control republicano que empezó el martes y que se realizará en medio de la emergencia de salud pública más grande en un siglo.

Para Abbott —quien puede tener ambiciones presidenciales— y Patrick —quien encabeza el Senado—, la incertidumbre de cómo podrán los legisladores desempeñar su labor social más intensa, congregados y midiéndose unos a otros en la capital durante 140 días, abre una ventana de oportunidad.

No se sabe cuántos temas podrán abordar.

Tampoco se sabe cómo los republicanos texanos podrán escudarse de las recriminaciones mutuas que se esperan luego de la impugnación del presidente Donald Trump a los resultados de la elección.

Brandon Rottinghaus, politólogo de la Universidad de Houston, resumió 2021 en tres palabras: “Gran flujo político”.

“Tenemos un nuevo presidente de la Cámara, y hay un considerable número de legisladores nuevos”, explicó.

“Hay un presupuesto ajustado, un demócrata en la Casa Blanca y un gobernador que podría postularse para presidente. Si a eso le añadimos la redistribución, tenemos la receta para una sesión muy tumultuosa”.

Los Tres Grandes

Abbott y Patrick pueden preparar la mesa para lanzar sus campañas de reelección con una muestra de liderazgo fuerte.

La Cámara también estrena presidente: Dade Phelan, un republicano de Beaumont en su cuarto periodo de servicio.

En 2019, Abbott y el presidente saliente de la Cámara, Dennis Bonnen, republicano por Angleton, con frecuencia formaron un frente común contra Patrick y el Senado en disputas como si dar

aumentos de salario meritorios a los maestros.

Además, Abbott estaba empecinado en aumentar el impuesto sobre la venta, y con el ingreso adicional compensar los recortes al impuesto predial escolar.

El canje impositivo falló. Aun así, los “Tres Grandes” lograron llegar a acuerdos en financiamiento escolar e impuesto a la propiedad, con tal de evitar extender la sesión.

Durante los seis años que lleva Abbott de gobernador, él y los líderes del Partido Republicano han evitado las sesiones especiales.

Eso ha sido motivo de orgullo para Abbott, un exjefe y procurador general que nunca formó parte de la Legislatura.

Este año, dice Rottinghaus, cada uno de los Tres Grandes enfrenta restricciones institucionales e intrapartido que podrían resultar en un producto legislativo menos conservador de lo que quisieran los republicanos de línea dura.

“Dan Patrick probablemente va a tener que cambiar algunas reglas del Senado para lograr lo que quiere. Aparte, tiene que mantener a los republicanos alineados, lo cual no está garantizado”, dijo Rottinghaus.

“Ciertamente Dade Phelan... tiene una mayoría, pero es una mayoría tentativa, porque en temas clave, podríamos ver a algunos republicanos deslindarse y no respaldar un enfoque más conservador, porque les preocupan las reacciones de las tendencias nacionales que hacen ver a los republicanos menos propensos a tratar asuntos elementales”.

“Y Greg Abbott, dada la atención nacional a su ascen-

diente política, tiene que pensar cuidadosamente su posición dentro del partido”, dijo Rottinghaus.

“No puede ser muy cercano a Trump, pero tampoco se puede ser muy lejano. Por eso creo que los Tres Grandes están lidiando con esas divisorias internas que no les dejan muy claro cómo proceder”.

Presupuesto

Lo que hace seis meses se perfilaba como una tarea histórica terrible —redactar un pre-

LYNDA M. GONZÁLEZ/DMN

Carteles piden distanciamiento social dentro de la cámara del Capitolio de Texas, el 6 de enero de 2021.

supuesto estatal para dos años, el único proyecto de ley que se debe aprobar sin falta en cada sesión legislativa—, ahora simplemente parece una pesada tarea.

En julio, el contralor general Glenn Hegar dijo que la pandemia de coronavirus y la caída del petróleo probablemente anularían un saldo final de \$2,900 millones que esperaba para el fondo de ingresos generales del actual ciclo bienal, y que en su lugar dejaría un déficit de \$4,600 millones.

Aquella era una oscilación de casi \$8,000 millones, y los líderes republicanos ordenaron recortar el gasto, lo que implicó eliminar 4,000 puestos, muchos de ellos vacantes, con un ahorro de alrededor de \$1,000 millones.

Pero para el otoño el temor a la inminente tarea de redactar un presupuesto había amainado un poco cuando los texanos se agolparon a hacer sus compras en línea y llegó la ayuda federal, grandes porciones de la cual el gobierno del estado acaparó, en vez de entregarla a las escuelas y localidades.

La economía de Texas podría levantarse más pronto de lo que esperaba, pero en vista de que la pandemia no cede, es difícil saberlo.

Para mantener los actuales

servicios, el estado necesita unos \$5,000 millones más de lo que percibe en impuestos.

Los demócratas y activistas liberales quieren tomar una gran parte del fondo de contingencias de \$8,800 millones.

Otros quieren también que la Legislatura aumente el gravamen a la gasolina, revierta los recortes al impuesto a las franquicias comerciales y reduzca los pagarés futuros del estado a las escuelas dejando expirar las rebajas de impuestos de las que disfrutaron las grandes empresas bajo el “Capítulo 313”.

Dichas facilidades, que un grupo de análisis liberal catalogó como “colosal regalo”, expirarán en 2022 a menos que los legisladores las renueven.

Pero líderes republicanos y algunos grupos empresariales se resistirán a las ideas para generar ingresos, y en cambio urgen a los legisladores a evitar los aumentos de impuestos, recortar servicios y utilizar toda suerte de artimañas contables.

Ese fue su proceder, después de tomar el control de la Legislatura en 2003, cuando tuvieron enfrente un descubierto de entre \$10,000 millones y \$15,000 millones; y una vez más en 2011, cuando tenían que cerrar un boquete de \$27,000 millones.

Aviso Reunión Pública Virtual US 380

Desde CR 560 hasta CR 699
CSJ:0135-05-028
Condado de Collin, Texas

El Departamento de Transporte de Texas (TxDOT por sus siglas en inglés) propone una nueva alineación para la carretera estatal de los Estados Unidos (US por sus siglas en inglés) 380 desde la carretera del condado (CR por sus siglas en inglés) 560 a CR 699 (línea del condado de Hunt) al sur de Farmersville, en el condado de Collin, Texas. Este aviso informa al público que TxDOT llevará a cabo una reunión pública virtual en línea sobre el proyecto propuesto. La reunión pública virtual se llevará a cabo el jueves 28 de enero del 2021 a las 6 p.m. La reunión pública virtual consistirá de una presentación en video pregrabada explicando el proyecto propuesto, e incluye componentes de audio y video, además de otras ilustraciones y materiales para su revisión. **Los materiales de la reunión pública virtual se publicarán en línea en el sitio web del proyecto <http://www.keepitmovingdallas.com/US380Farmersville> el jueves 28 de enero del 2021 y estarán disponibles en línea hasta la fecha límite del periodo de comentarios, el cual termina el viernes 12 de febrero del 2021.** Si no tiene acceso al Internet, puede llamar de lunes a viernes al (214) 320-6651 entre las 8 a.m. y las 5 p.m. para hacer preguntas sobre el proyecto y obtener acceso a los materiales del proyecto durante el proceso de desarrollo del proyecto. Los comentarios se pueden enviar por correo, correo electrónico o correo de voz como se explica a continuación. **Tenga en cuenta que los materiales no estarán disponibles hasta el 28 de enero del 2021.**

El proyecto propuesto incluye la construcción de una nueva alineación para US 380 desde CR 560 hasta CR 699 (línea del condado de Hunt), al sur de la ciudad de Farmersville, en el condado de Collin, una distancia aproximada de 8.5 millas. La carretera US 380 existente incluye cuatro carriles de 12 pies de ancho, un carril de giro a la izquierda de dos vías de 16 pies de ancho, con aceras limitadas y sin acomodación para bicicletas dentro de un derecho de paso existente que varía de 120 a 180 pies de ancho. La carretera US 380 existente permanecerá en su lugar actual. La nueva carretera estaría dividida y se construiría con seis carriles de 12 pies de ancho y bordes de 10 pies de ancho con carriles auxiliares adicionales según sea necesario. El proyecto propuesto también incluiría carpetas de servicio continuos de una sola vía con carriles de 12 pies de ancho y un camino de uso compartido de 10 pies de ancho en ambos lados de la carretera.

Aunque se requeriría derecho de paso adicional, no se anticipa el desplazamiento de estructuras residenciales o no residenciales en este momento. Información sobre los servicios y beneficios disponibles a aquellos propietarios afectados e información tentativa sobre la cronología de adquisición del derecho de paso y la construcción se puede obtener del distrito de TxDOT a través del sitio web del proyecto.

El proyecto propuesto podría resultar en la construcción dentro de llanuras aluviales y humedales. Una vez que el diseño esquemático se desarrolle, se llevará a cabo un análisis ambiental para identificar y evaluar impactos.

Los mapas e ilustraciones de la ubicación y el diseño del proyecto, cronología tentativa de construcción y otra información sobre el proyecto propuesto estarán disponibles en el sitio web del proyecto.

La reunión pública virtual se llevará a cabo en inglés. Si necesita un intérprete o traductor de documentos porque inglés no es su idioma principal o tiene dificultad para comunicarse eficazmente en inglés, se le proporcionará uno. Si tiene una discapacidad y necesita ayuda, se pueden hacer arreglos especiales para satisfacer la mayoría de las necesidades. Si necesita servicios de interpretación o traducción o si es una persona con una discapacidad que requiere una adaptación para asistir y participar en la reunión pública virtual, comuníquese con Patrick Clarke, oficial de información pública, al (214) 320-4483 a más tardar a las 4 p.m., jueves 21 de enero del 2021. Por favor tenga en cuenta que se solicita notificación con anticipación ya que algunas adaptaciones pueden requerir tiempo para que TxDOT haga los arreglos necesarios.

Se solicitan comentarios escritos del público con respecto al proyecto propuesto, los cuales se pueden enviar por correo a la oficina del distrito de TxDOT de Dallas, atención: Edra Brashear, P.E., 4777 E. Highway 80, Mesquite, TX 75150. Los comentarios por escritos también pueden ser enviados por correo electrónico a edra.brashear@txdot.gov. También se aceptarán comentarios verbales llamando al (833) 933-0431 y dejando un mensaje de voz. Todos los comentarios deben ser recibidos a no más tardar el **viernes 12 de febrero del 2021.**

Si tiene alguna pregunta o inquietud general sobre el proyecto propuesto o la reunión pública virtual, comuníquese con Edra Brashear, P.E., jefe del proyecto de TxDOT, al (214) 320-6651 o por correo electrónico a edra.brashear@txdot.gov.

La revisión ambiental, la consulta y otras acciones requeridas por las leyes ambientales federales aplicables para este proyecto están siendo o han sido realizadas por TxDOT en conformidad con 23 U.S.C. 327 y un Memorandum de Entendimiento con fecha del 9 de diciembre del 2019, y ejecutado por FHWA y TxDOT.

DN-1783708-01

TEXAS DEPARTMENT OF TRANSPORTATION DISTRITO DE DALLAS. AVISO QUE OFRECE LA OPORTUNIDAD DE UNA AUDIENCIA PÚBLICA

Proyectos y programas del Distrito que afectan el uso de bicicletas en el Sistema Estatal de Carreteras

De acuerdo con el Código Administrativo de Texas - Título 43, Parte 1, Capítulo 25, Subcapítulo D, Regla 25.55 (b), el Texas Department of Transportation (TxDOT) – El Distrito de Dallas está brindando la oportunidad de una audiencia pública sobre los programas y políticas de transporte del distrito que afectan el uso de bicicletas en el sistema estatal de carreteras.

El propósito de este aviso es permitir a cualquier persona la oportunidad de solicitar, por escrito, que se realice una audiencia pública para proporcionar información sobre los planes, políticas y programas de bicicletas para el Distrito de TxDOT Dallas. El distrito elaborará una lista de correo sobre este tema y las personas y grupos interesados podrán enviar una solicitud para ser agregados a la lista.

Todas las personas interesadas pueden solicitar una audiencia pública presentando una solicitud por escrito, por correo, al TxDOT del Distrito Dallas - Desarrollo De Proyectos Avanzados, en 4777 East Highway 80, Mesquite, Texas 75150-6643, Attn: Melissa Meyer. Todas las solicitudes escritas deben ser matasellos el lunes 25 de enero de 2021 o antes de lo anterior, para ser incluidas como parte del registro oficial de solicitud de audiencia pública. Para obtener información adicional, comuníquese con la Sra. Meyer al (214) 319-3506 o envíele un correo electrónico a Melissa.Meyer@txdot.gov. En caso de que se solicite una audiencia pública, se programará una y se publicarán avisos indicando la fecha y el lugar de la audiencia.

(Notary Public)

January is National Slavery and Human Trafficking Month

continued from 1A

the crime of human trafficking. In addition, he has signed nine pieces of bipartisan legislation combat trafficking, both domestically and internationally, and in Oct. 2020, he released his National Action Plan to Combat Human Trafficking.

In Texas, Governor Greg Abbott and Attorney General Ken Paxton have worked to introduce legislation to combat trafficking, now perceived to be the fastest growing crime in the state.

In an effort to educate the public and government officials, Paxton’s office developed the training video, Be the One Prevention in the Fight Against Human Trafficking. The website states the film uses “actual cases prosecuted in Texas to educate viewers about the realities of this heinous crime and equip them with the tools to recognize red flags and respond appropriately.”

In June 2019, Abbott signed five bills that will aid human trafficking and sex assault victims. One in particular, HB 1590, created the Sexual Assault Survivors’ Task Force in the Governor’s Of-

fice. The task force will advise the state attorney general’s office on rules regarding evidence in sexual assault cases and advise the Texas Commission on Law Enforcement on improving training for officers handling those cases.

On the other hand, two other important bills, House Bill 1771 and House Bill 3078, were vetoed by Abbott in 2019 that would have offered further protections for trafficking victims. HB 1771, if passed, would have prohibited prostituted minors from being arrested or going to juvenile court and HB 3078 would have allowed the establishment of a separate clemency panel to review cases of jailed abuse survivors and sex-trafficking victims.

According to the U.S Department of Defense, the number of individuals involved in trafficking situations has doubled in five years; from 5,713 in 2015 to 11,500 in 2019.

The Department of Homeland Security instituted the Blue Campaign in 2010, a national public awareness campaign that offers multiple resources and partnerships “in an effort to protect vic-

tims and bring traffickers to justice,” states dhs.gov. In January 2020, DHS partnered with American Airlines to provide human trafficking awareness to its nearly 60,000 employees so they could learn how to recognize the indicators of trafficking and what they can do to report it.

In North Texas, C7 Human Trafficking Coalition, formerly known as the North Texas Coalition Against Human Trafficking, is a coalition of 45 agencies that have banded together to push back against this terrible crime. The group includes nonprofits such as 4theONE that assist victims of human trafficking in a variety of ways.

Ozment, who is also the C7 chair, said the coalition covers seven counties in North Texas.

“The main group meets in Denton and we have a chapter in Sherman Dennison now,” he said.

Education for adults and children is the key in bringing awareness to this crime. In Texas, C7 and its nonprofits offer schools, churches, and organizations training and tools for parents and children as well as hotel and restaurant employees and law enforcement officials.

Experts say human traffickers are some of the most violent offenders in Texas. If you suspect someone is in danger, don’t approach them yourself. Instead, contact law enforcement and allow them to respond. Report signs of human trafficking to the National Human Trafficking Hotline by calling (888-373-7888) or texting (Be-Free)233733.

Bates, Hawkins, McClure earn fire department awards

continued from 1A

“Community policing is a big thing,” Olvera said. “I just try to do my best to do my job the right way. Farmersville is a small community and I often pull people over I know.” Olvera added that “any opportunity I have to do something extra, well, I am always willing.”

Public service runs in the family, Olvera noted, explaining that she is the mother of five sons and two daughters, and that three of her sons have served in the U.S. Navy; one of her sons is currently deployed overseas, she said.

“I am very proud of these individuals who were selected this year,” said Fire Chief Kim Morris. “These individuals were not selected by me but rather by the volunteer officers of our department.”

Morris said a combination of traits sets them apart, including their “dedication to

Justin Bates
Firefighter of the Year

the fire service, the leadership qualities they exhibit and the help they deliver to their fellow firefighters.”

Justin Bates runs a Farmersville machine shop with his father when he is not answering calls for the fire department.

“I have lived in Farmersville my entire life,” Bates said, adding that he was “surprised, I guess” to be honored by his fire department peers.

Morris described Bates as a “fantastic individual.”

“He shows up to the most calls,” he said. “He lives and works in town and his efforts are invaluable to the department. I have grown to trust him greatly.”

Nathan Hawkins has plenty of firefighting experience that might belie his relative youth of just 24 years of age. He works full time for the Van Alstyne Fire De-

Nathan Hawkins
First Responder of the Year

partment. He lives in Wylie, but said he comes to Farmersville – in addition to answering calls – to train and to spend time in the living quarters.

“This award is very important to me,” Hawkins said, “and I am very honored to have received it.”

Bowen McClure “comes from good stock,” said Morris of the FFD Rookie of the Year. “His dad is a police officer in Garland,” Morris said, adding that McClure has demonstrated an eagerness to learn about fighting fires and becoming a good first responder.”

McClure, who said he is completing his first year as a volunteer firefighter, said he still has “a lot to learn about being a firefighter.” When he is not answering calls for the fire department, McClure works for Tractor Supply and is a U.S. Marine Corps reservist.

Rookie of the Year

How to recognize a victim

- Burns/scars
- Malnourished or hungry
- Varied stages of bruising
- Branding or tattoos, such as \$, a barcode, or “Daddy”
- Signs of alcohol/drug addiction
- Withdrawn, depressed and fearful
- Inappropriately dressed for the season
- Inconsistent stories
- Frequent or unexplained absences

Notice Virtual Public Meeting US 380 From CR 560 to CR 699 CSJ:0135-05-028 Collin County, Texas

The Texas Department of Transportation (“TxDOT”) is proposing a new location realignment of the United States Highway (US) 380 roadway from County Road (CR) 560 to CR 699 (Hunt County Line) south of Farmersville, in Collin County, Texas. This notice advises the public that TxDOT will be conducting an on-line virtual public meeting on the proposed project. The virtual meeting will be held on Thursday, Jan. 28, 2021 beginning at 6 p.m. The virtual public meeting will consist of a pre-recorded video presentation explaining the proposed project, which includes both audio and video components, along with other exhibits and materials for your review. **The virtual public meeting materials will be posted to the project website <http://www.keepitmovingdallas.com/> US380Farmersville on Thursday, Jan. 28, 2021 and will remain available online through the comment period deadline of Friday, Feb. 12, 2021.** If you do not have internet access, you may call (214) 320-6651 between 8 a.m. to 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process. Comments may be provided online, by mail, email, or voicemail as explained below. **Please note that the materials will not be available until Jan. 28, 2021.**

The proposed project includes the construction of a new location realignment for US 380 from CR 560 to CR 699 (Hunt County Line), south of the City of Farmersville, in Collin County for a distance of approximately 8.5 miles. The existing US 380 roadway includes four 12-foot wide lanes, a 16-foot wide two-way left turn lane, limited sidewalks and no bicycle accommodations and an existing right-of-way varying from 120 to 180 feet wide. The existing US 380 roadway would remain. The new location facility would be constructed as a six-lane divided facility with 12-foot lanes and 10-foot shoulders with additional auxiliary lanes as needed. The proposed project would also include continuous, one-way frontage roads with 12-foot lanes and a 10-foot shared use path on both sides of the roadway.

Although additional right-of-way would be required, no residential or non-residential structures are anticipated to be displaced at this time. Information concerning services and benefits available to affected property owners and information about the tentative schedule for right-of-way acquisition and construction can be obtained from the TxDOT district office by visiting the project website. The proposed project could involve construction in floodplain and wetlands. Once the schematic design is developed further, environmental analysis will be conducted to identify and assess impacts.

Maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are available online at the project website. The virtual public meeting will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting, please contact Patrick Clarke, Public Involvement Officer, at (214) 320-4483 no later than 4 p.m., Thursday, Jan. 21, 2021. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange. Written comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Dallas District Office, Attention Edra Brashear, P.E., 4777 E. Highway 80, Mesquite, TX 75150. Written comments may also be submitted by email to edra.brashear@txdot.gov. Verbal comments will also be accepted by calling (833) 933-0431 and leaving a voicemail. All comments must be received on or before **Friday, Feb. 12, 2021.**

If you have any general questions or concerns regarding the proposed project or the virtual meeting, please contact Edra Brashear, P.E., TxDOT Project Manager, at (214) 320-6651 or by email at edra.brashear@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

STATE OF TEXAS
COUNTY OF COLLIN

Before me, the undersigned authority, on this day personally appeared Chad Engbrock, publisher of C&S Media, dba *The Farmersville Times* a newspaper regularly published in Collin County, Texas and having general circulation in Collin County, Texas, and being in compliance with Section 2051.044, Texas Government Code (a); (1), (2), (3) and (4), who being by me duly sworn, deposed and says that the foregoing attached:

HNTB Corporation
Legal Notice – Virtual Public Meeting
US 380 From CR 560 to CR 699
CSJ:0135-05-028
was published in said newspaper on the following date(s), to-wit:
January 14, 2021

Chad Engbrock, Publisher

Subscribed and sworn before me on this, the 14th day of January, 2021 to certify which witness my hand and seal of office.

Notary Public in and for
The State of Texas

My commission expires 08/12/2024.

Contents B — Notices Provided

The notice was mailed to 66 elected/public officials and stakeholders and 597 adjacent property owners on January 4, 2021 from the project's mailing list. The notice was emailed to 24 elected officials and 60 Drive380 subscribers from the feasibility study with a Farmersville mailing address.

**Notice
Virtual Public Meeting
US 380
From CR 560 to CR 699
CSJ:0135-05-028
Collin County, Texas**

The Texas Department of Transportation ("TxDOT") is proposing a new location realignment of the United States Highway (US) 380 roadway from County Road (CR) 560 to CR 699 (Hunt County Line) south of Farmersville, in Collin County, Texas. This notice advises the public that TxDOT will be conducting an on-line virtual public meeting on the proposed project. The virtual meeting will be held on Thursday, Jan. 28, 2021 beginning at 6 p.m. The virtual public meeting will consist of a pre-recorded video presentation explaining the proposed project, which includes both audio and video components, along with other exhibits and materials for your review. **The virtual public meeting materials will be posted to the project website <http://www.keepitmovingdallas.com/US380Farmersville> on Thursday, Jan. 28, 2021 and will remain available online through the comment period deadline of Friday, Feb. 12, 2021.** If you do not have internet access, you may call (214) 320-6651 between 8 a.m. to 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process. Comments may be provided online, by mail, email, or voicemail as explained below. **Please note that the materials will not be available until Jan. 28, 2021.**

The proposed project includes the construction of a new location realignment for US 380 from CR 560 to CR 699 (Hunt County Line), south of the City of Farmersville, in Collin County for a distance of approximately 8.5 miles. The existing US 380 roadway includes four 12-foot wide lanes, a 16-foot wide two-way left turn lane, limited sidewalks and no bicycle accommodations and an existing right-of-way varying from 120 to 180 feet wide. The existing US 380 roadway would remain. The new location facility would be constructed as a six-lane divided facility with 12-foot lanes and 10-foot shoulders with additional auxiliary lanes as needed. The proposed project would also include continuous, one-way frontage roads with 12-foot lanes and a 10-foot shared use path on both sides of the roadway.

Although additional right-of-way would be required, no residential or non-residential structures are anticipated to be displaced at this time. Information concerning services and benefits available to affected property owners and information about the tentative schedule for right-of-way acquisition and construction can be obtained from the TxDOT district office by visiting the project website.

The proposed project could involve construction in floodplain and wetlands. Once the schematic design is developed further, environmental analysis will be conducted to identify and assess impacts.

Maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are available online at the project website.

The virtual public meeting will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting, please contact Patrick Clarke, Public Involvement Officer, at (214) 320-4483 no later than 4 p.m., Thursday, Jan. 21, 2021. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Dallas District Office, Attention Edra Brashear, P.E., 4777 E. Highway 80, Mesquite, TX 75150. Written comments may also be submitted by email to edra.brashear@txdot.gov. Verbal comments will also be accepted by calling (833) 933-0431 and leaving a voicemail. All comments must be received on or before **Friday, Feb. 12, 2021**.

If you have any general questions or concerns regarding the proposed project or the virtual meeting, please contact Edra Brashear, P.E., TxDOT Project Manager, at (214) 320-6651 or by email at edra.brashear@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

**Aviso
Reunión Pública Virtual
US 380
Desde CR 560 hasta CR 699
CSJ:0135-05-028
Condado de Collin, Texas**

El Departamento de Transporte de Texas (TxDOT por sus siglas en inglés) propone una nueva alineación para la carretera estatal de los Estados Unidos (US por sus siglas en inglés) 380 desde la carretera del condado (CR por sus siglas en inglés) 560 a CR 699 (línea del condado de Hunt) al sur de Farmersville, en el condado de Collin, Texas. Este aviso informa al público que TxDOT llevará a cabo una reunión pública virtual en línea sobre el proyecto propuesto. La reunión pública virtual se llevará a cabo el jueves 28 de enero del 2021 a las 6 p.m. La reunión pública virtual consistirá de una presentación en video pregrabada explicando el proyecto propuesto, e incluye componentes de audio y video, además de otras ilustraciones y materiales para su revisión. **Los materiales de la reunión pública virtual se publicarán en línea en el sitio web del proyecto <http://www.keepitmovingdallas.com/US380Farmersville> el jueves 28 de enero del 2021 y estarán disponibles en línea hasta la fecha límite del período de comentarios, el cual termina el viernes 12 de febrero del 2021.** Si no tiene acceso al Internet, puede llamar de lunes a viernes al (214) 320-6651 entre las 8 a.m. y las 5 p.m. para hacer preguntas sobre el proyecto y obtener acceso a los materiales del proyecto durante el proceso de desarrollo del proyecto. Los comentarios se pueden enviar por correo, correo electrónico o correo de voz como se explica a continuación. **Tenga en cuenta que los materiales no estarán disponibles hasta el 28 de enero del 2021.**

El proyecto propuesto incluye la construcción de una nueva alineación para US 380 desde CR 560 hasta CR 699 (línea del condado de Hunt), al sur de la ciudad de Farmersville, en el condado de Collin, una distancia aproximada de 8.5 millas. La carretera US 380 existente incluye cuatro carriles de 12 pies de ancho, un carril de giro a la izquierda de dos vías de 16 pies de ancho, con aceras limitadas y sin acomodación para bicicletas dentro de un derecho de paso existente que varía de 120 a 180 pies de ancho. La carretera US 380 existente permanecería en su lugar actual. La nueva carretera estaría dividida y se construiría con seis carriles de 12 pies de ancho y bordes de 10 pies de ancho con carriles auxiliares adicionales según sea necesario. El proyecto propuesto también incluiría carretas de servicio continuos de una sola vía con carriles de 12 pies de ancho y un camino de uso compartido de 10 pies de ancho en ambos lados de la carretera.

Aunque se requeriría derecho de paso adicional, no se anticipa el desplazamiento de estructuras residenciales o no residenciales en este momento. Información sobre los servicios y beneficios disponibles a aquellos propietarios afectados e información tentativa sobre la cronología de adquisición del derecho de paso y la construcción se puede obtener del distrito de TxDOT a través del sitio web del proyecto.

El proyecto propuesto podría resultar en la construcción dentro de llanuras aluviales y humedales. Una vez que el diseño esquemático se desarrolle, se llevará a cabo un análisis ambiental para identificar y evaluar impactos.

Los mapas e ilustraciones de la ubicación y el diseño del proyecto, cronología tentativa de construcción y otra información sobre el proyecto propuesto estarán disponibles en el sitio web del proyecto.

La reunión pública virtual se llevará a cabo en inglés. Si necesita un intérprete o traductor de documentos porque inglés no es su idioma principal o tiene dificultad para comunicarse eficazmente en inglés, se le proporcionará uno. Si tiene una discapacidad y necesita ayuda, se pueden hacer arreglos especiales para satisfacer la mayoría de las necesidades. Si necesita servicios de interpretación o traducción o si es una persona con una discapacidad que requiere una adaptación para asistir y participar en la reunión pública virtual, comuníquese con Patrick Clarke, oficial de información pública, al (214) 320-4483 a más tardar a las 4 p.m., jueves 21 de enero del 2021. Por favor tenga en cuenta que se solicita notificación con anticipación ya que algunas adaptaciones pueden requerir tiempo para que TxDOT haga los arreglos necesarios.

Se solicitan comentarios escritos del público con respecto al proyecto propuesto, los cuales se pueden enviar por correo a la oficina del distrito de TxDOT de Dallas, atención: Edra Brashear, P.E., 4777 E. Highway 80, Mesquite, TX 75150. Los comentarios por escritos también pueden ser enviados por correo electrónico a edra.brashear@txdot.gov. También se aceptarán comentarios verbales llamando al (833) 933-0431 y dejando un mensaje de voz. Todos los comentarios deben ser recibidos a no más tardar el **viernes 12 de febrero del 2021**.

Si tiene alguna pregunta o inquietud general sobre el proyecto propuesto o la reunión pública virtual, comuníquese con Edra Brashear, P.E., jefe del proyecto de TxDOT, al (214) 320-6651 o por correo electrónico a edra.brashear@txdot.gov.

La revisión ambiental, la consulta y otras acciones requeridas por las leyes ambientales federales aplicables para este proyecto están siendo o han sido realizadas por TxDOT en conformidad con 23 U.S.C. 327 y un Memorándum de Entendimiento con fecha del 9 de diciembre del 2019, y ejecutado por FHWA y TxDOT.

Virtual Public Meeting - US 380 from CR 560 to Hunt County Line

Texas Department of Transportation > Inside TxDOT > Get Involved
> About Public Hearings, Meetings and Notices > Hearings, Meetings and Notices Schedule

Where:	The virtual public meeting will be posted beginning Jan. 28, 2021.
When:	The virtual public meeting will be held on Thursday, Jan. 28, 2021 beginning at 6 pm and will be available through Friday, Feb. 12, 2021. All comments must be received on or before Friday, Feb. 12., 2021.
Purpose:	The purpose of the virtual public meeting is to present information on a proposed new location realignment of US 380 south of the city of Farmersville in Collin County and solicit public comments. Attendees will be able to learn about the proposed project and provide input. The virtual public meeting will consist of a pre-recorded video presentation explaining the proposed project, which includes both audio and video components, along with other exhibits and materials for review. Comments may be provided online, or by mail, email, or voicemail as described in the notice and on the virtual public meeting website.
Description:	<p>The proposed project includes the construction of a new location realignment for US 380 from CR 560 to CR 699 (Hunt County Line), south of the city of Farmersville, in Collin County for a distance of approximately 8.5 miles. The new location facility would be constructed as a six-lane divided facility with 12-foot lanes and 10-foot shoulders with additional auxiliary lanes as needed. The proposed project would also include continuous, one-way frontage roads with 12-foot lanes and a 10-foot shared use path on both sides of the roadway.</p> <p>Additional right-of-way would be required but no residential or non-residential structures are anticipated to be displaced at this time.</p>
Special Accommodations:	The virtual public meeting will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting, please contact Patrick Clarke, TxDOT Public Information Officer.

TxDOT Dallas District, at (214) 320-4483 no later than 4 p.m., on Jan. 21, 2021. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Memorandum of Understanding:

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated Dec. 9, 2019, and executed by the Federal Highway Administration and TxDOT.

**Notice
Virtual Public Meeting US 380
From CR 560 to CR 699 CSJ:0135-
05-028
Collin County, Texas**

The Texas Department of Transportation ("TxDOT") is proposing a new location realignment of the United States Highway (US) 380 roadway from County Road (CR) 560 to CR 699 (Hunt County Line) south of Farmersville, in Collin County, Texas. This notice advises the public that TxDOT will be conducting an on-line virtual public meeting on the proposed project. The virtual meeting will be held on Thursday, Jan. 28, 2021 beginning at 6 p.m. The virtual public meeting will consist of a pre-recorded video presentation explaining the proposed project, which includes both audio and video components, along with other exhibits and materials for your review. **The virtual public meeting materials will be posted to the project website <http://www.keepitmovingdallas.com/US380Farmersville> on Thursday, Jan. 28, 2021 and will remain available online through the comment period deadline of Friday, Feb. 12, 2021.** If you do not have internet access, you may call (214) 320-6651 between 8 a.m. to 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process.

Comments may be provided online, by mail, email, or voicemail as explained below. **Please note that the materials will not be available until Jan. 28, 2021.**

The proposed project includes the construction of a new location realignment for US 380 from CR 560 to CR 699 (Hunt County Line), south of the City of Farmersville, in Collin County for a distance of approximately 8.5 miles. The existing US 380 roadway includes four 12-foot wide lanes, a 16-foot wide two-way left turn lane, limited sidewalks and no bicycle accommodations and an existing right-of-way varying from 120 to 180 feet wide. The existing US 380 roadway would remain. The new location facility would be constructed as a six-lane divided facility with 12-foot lanes and 10-foot shoulders with additional auxiliary lanes as needed. The proposed project would also include continuous, one-way frontage roads with 12-foot lanes and a 10-foot shared use path on both sides of the roadway.

Although additional right-of-way would be required, no residential or non-residential structures are anticipated to be displaced at this time. Information concerning services and benefits available to affected property owners and information about the tentative schedule for right-of-way acquisition and construction can be obtained from the TxDOT district office by visiting the project website.

The proposed project could involve construction in floodplain and wetlands. Once the schematic design is developed further, environmental analysis will be conducted to identify and assess impacts.

Maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are available online at the project website.

The virtual public meeting will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting, please contact Patrick Clarke, Public Involvement Officer, at (214) 320-4483 no later than 4 p.m., Thursday, Jan. 21, 2021. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Dallas District Office, Attention Edra Brashear, P.E., 4777 E. Highway 80, Mesquite, TX 75150. Written comments may also be submitted by email to edra.brashear@txdot.gov. Verbal comments will also be accepted by calling (833) 933-0431 and leaving a voicemail. All comments must be received on or before **Friday, Feb. 12, 2021**.

If you have any general questions or concerns regarding the proposed project or the virtual meeting, please contact Edra Brashear, P.E., TxDOT Project Manager, at (214) 320-6651 or by email at edra.brashear@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

Notice of Virtual Public Meeting for US 380, Collin County from CR 560 to Hunt County Line

Thursday, January 28, 2021

CSJ: 0135-05-028

Where:

The virtual public meeting will be posted to: www.keepitmovingdallas.com/US380Farmersville

When:

The virtual public meeting will be held on Thursday, January 28, 2021 beginning at 6 pm and will be available through Friday, February 12, 2021. All comments must be received on or before Friday, February 12.

****Please Note:** This is not a live event. The presentation is a prerecorded video that can be viewed at your convenience.

Purpose:

The purpose of the virtual public meeting is to present information on a proposed new location realignment of US 380 south of the City of Farmersville in Collin County and solicit public comments. Attendees will be able to learn about the proposed project and provide input. The virtual public meeting will consist of a pre-recorded video presentation explaining the proposed project, which includes both audio and video components, along with other exhibits and materials for review. Comments may be provided online, or by mail, email, or voicemail as described in the notice and on the virtual public meeting website.

Description:

The proposed project includes the construction of a new location realignment for US 380 from CR 560 to CR 699 (Hunt County Line), south of the City of Farmersville, in Collin County for a distance of approximately 8.5 miles. The new location facility would be constructed as a six-lane divided facility with 12-foot lanes and 10-foot shoulders with additional auxiliary lanes as needed. The proposed project would also include continuous, one-way frontage roads with 12-foot lanes and a 10-foot shared use path on both sides of the roadway.

Additional right-of-way would be required but no residential or non-residential structures are anticipated to be displaced at this time.

Special Accommodations:

Special accommodations: The virtual public meeting will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting, please contact Patrick Clarke, TxDOT Public Information Officer, TxDOT Dallas District, at (214) 320-4483 no later than 4 p.m., on January 21, 2021. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Memorandum of Understanding:

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

Edra,

Just wanted to follow up on our proposed map modifications since we never heard anything back but we just received the attached virtual meeting notification about changes to the route. Were these changes acceptable? Please advise.

Thank you,

Good Morning Mohammad:

Thank you very much for taking my call. Can you please provide me with information on TXDOT 380 Thoroughfare description of where the road will widen as well as Collin County Outerloop Information.

Thank you very much in advance.

Importance: High

Edra,

Please give me a call tomorrow on my cell phone when you have a second. Maybe there was some misunderstanding but based on the update now you are encroaching even more on our land that has been in the family over 125 years. I wanted to go southwest if anything not northeast taking more of our land. Now you have made the triangle bigger between the pipeline and proposed road which is the last thing we wanted. This has created more damages for us. Please see the attached map.

This is the exact reason I was hoping we would discuss my recommended changes before this was presented but I never heard a word. I look forward to hearing from you tomorrow.

Dear Mr. Brashear:

I have property near highway 380 where I think the highway proposal will come near my property. When will property owners find out if this proposal effects our property? Thank you for your time.

Good Evening:

Could you please provide me with a detailed map showing the exact location of how this impacts my land. (21 Acre Parcel).

Thank you in advance. I did go to the virtual meeting but the maps are still unclear to me.

Have a great evening.

No the outlined purple property is not ours but that is where the road should have been moved down in a southwestern direction. That land is landlocked and covered in junk. Here is a link to CCAD with our property <https://www.collincad.org/propertysearch?prop=2678524>

Also I've attached a map specific to our property and concerns. Yes I should be free next week.

Thank you,

We wanted it moved down in a southwestern direction due to the blue line which is a NTMWD pipeline. This leaves us an undevelopable triangle.

Subject: Question about US 380 in Farmersville.
Date: Friday, January 29, 2021 3:23:07 PM

This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

I follow the process very carefully, so I am very aware that everything is subject to change even after the concrete is literally poured. The information presented as part of the presentation for the public meeting had a timeline saying the expected date for the contracts to be let for that project would be fall 2027.

That is different from the expected date that was just listed in the 2021 version of the UTP. It lists Aug 2024 as the expected let date. Here is the link to that...

<https://ftp.txdot.gov/pub/txdot-info/dal/maps-project/planned/collin-planned.pdf>

Of course no funding has been set aside so it is an understatement to even say these dates are "subject to change".

BUT... can you tell me if the AUG 2024 or the Fall 2027 is more up to date?

Thanks

Michael Biggs

Good afternoon dear Edra Brashear ,

We(Roya S. Khademi) got your letter and have watched the video and looked over the maps/information .

One big/huge problem is we can not locate/situate our Land on your feasibility/proposed map !!?
This is urgent because we need to make our comments accordingly by/before February 12 .
Please , kindly email us an sketch showing our property location on your proposed alignment/map ASAP please .

Many thanks

Roya S. Khademi

Edra ,

Yes , it makes sense, that should be it .

Wow !! That will further mess up our less than 4 AC (for our retirement fund !) land !

Last time/several years ago you all(TXDOT) damaged our land by raising/building the 380 improvements at a higher elevation and leaving us in lower than original condition ! And now even looks like will get worse !!

I see we are at the beginning of the project, but what is that light garish highlighted designation along our 380 frontage just west of your starting point ?

Thanks Edra

Edra,

Regarding the expansion of 380 in farmersville:

-with a let date of 2027, when will the state begin acquiring land?

-when will this proposed route be approved, and what are the chances of it being approved or not?

Thanks,
Chris Roland

Virtual Public Meeting Comment Form

US 380

From CR 560 to CR 699 (Hunt County Line)

CSJ: 0135-05-028

Collin County, Texas

Thursday, January 28, 2021

The Texas Department of Transportation is seeking your feedback on the proposed project. All written comments are welcome. All written comments must be received or postmarked by Friday, February 12, 2021 to be included in the official public meeting record. Written comments can also be emailed to edra.brashear@txdot.gov

COMMENTS (PLEASE PRINT):

My concern with the current proposed design of the realignment of US 380 from CR560 to CR699 is that it appears the projected project will take the entire .5 acres my Father's homestead at 2636 Audie Murphy Pwky., Farmersville, Texas. The previous correspondence, we received stated no residential or non residential structures are anticipated to be displaced and this isn't the case with the most current proposal. This property has been in our family since 1958 and this is very concerning to us.

In accordance with Texas Transportation Code, §201.811(a)(5): Check all that apply to you:

- ☐ I am employed by TxDOT
- ☐ I do business with TxDOT
- ☐ I could benefit monetarily from the project or other item about which I am commenting

#	RESPONSES	DATE
1	The aspect that I love about the US 380 Improvements in Farmersville Project is that US 380 will be widened from 2 lanes to a freeway with ramps and 3 lanes for a total of 6 lanes. The conversion of US 380 to a freeway will bring increased economic activity to the south of Farmersville, Texas.	1/31/2021 3:36 PM

Virtual Public Meeting for US 380 Improvements in Farmersville

United States Highway (US) 380
From County Road (CR) 560 to CR 699 (Hunt County Line), Collin County, Texas
CSJ: 0135-05-028

January 28, 2021

This virtual meeting begins on Thursday, January 28, 2021 at 6 p.m. and will remain available online through the comment period deadline of Friday, February 12, 2021. During this time, please view the video presentation and other information provided on this site to learn about the project and provide your comments.

Virtual Public Meeting in Response to Public Health

TxDOT changed the in-person public meeting to a virtual format only, in response to the COVID-19 outbreak.

The virtual public meeting and TxDOT website will provide the same information as an in-person meeting would have provided.

Share Facts About COVID-19

Know the facts about coronavirus disease 2019 (COVID-19) and help stop the spread of rumors.

FACT 1 Diseases can make anyone sick regardless of their race or ethnicity.

Fear and anxiety about COVID-19 can cause people to avoid or reject others even though they are not at risk for spreading the virus.

FACT 2 For most people, the immediate risk of becoming seriously ill from the virus that causes COVID-19 is thought to be low.

Older adults and people of any age with underlying health conditions, such as diabetes, lung diseases, or heart diseases, are at greater risk of severe illness from COVID-19.

FACT 3 Someone who has completed quarantine or has been released from isolation does not pose a risk of infection to other people.

For up-to-date information, visit CDC's coronavirus disease 2019 web page.

FACT 4 There are simple things you can do to help keep yourself and others healthy.

- Wash your hands often with soap and water for at least 20 seconds, especially after blowing your nose, coughing, or sneezing, going to the bathroom, and before eating or preparing food.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.

FACT 5 You can help stop COVID-19 by knowing the signs and symptoms:

- Fever
- Cough
- Shortness of breath

Seek medical advice if you:

- Develop symptoms

AND

- Have been in close contact with a person known to have COVID-19 or if you live in or have recently been in an area with ongoing spread of COVID-19.

US 380 Virtual Public Meeting CSJ 0135-05-028

[Presentation Slides](#)
[Presentation Script](#)

PROJECT DESCRIPTION AND EXHIBITS

You may click on any of the project exhibits below to view them at full size.

The proposed project includes the construction of a new location realignment for US 380 from CR 560 to CR 699 (Hunt County Line), south of the City of Farmersville, in Collin County for a distance of approximately 8.5 miles.

The existing US 380 roadway includes four 12-foot wide lanes, a 16-foot wide two-way left turn lane, limited sidewalks and no bicycle accommodations and an existing right-of-way varying from 120 to 180 feet wide. The existing US 380 roadway would remain.

The new location facility would be constructed as a four-lane divided facility with 12-foot lanes and 10-foot shoulders with additional auxiliary lanes as needed. The proposed project would also include two continuous, one-way frontage roads with 12-foot lanes and a 10-foot shared use path on both sides of the roadway. The proposed project is located south of the City of Farmersville, in Collin County.

The proposed new location alignment recommended by the feasibility study was slightly adjusted based on stakeholder meetings held in late 2020. The figure below shows the alignment recommended by the feasibility study in magenta, and the new proposed new location alignment in yellow. The project design will be further refined as the study progresses.

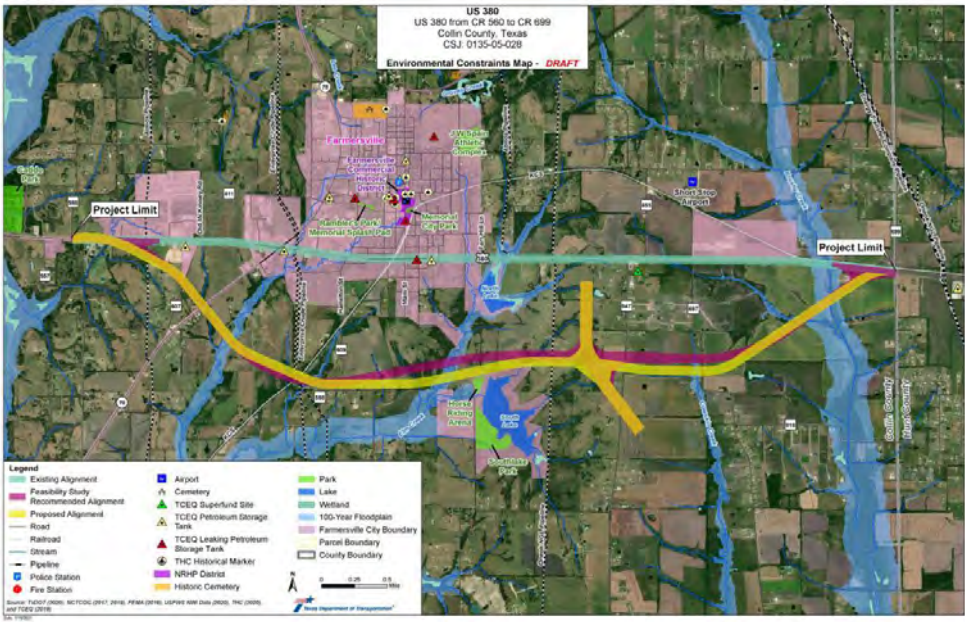

Click the links below to view the preliminary alternative for the US 380 Project.

- Schematic Roll 1: From CR 560 to Old Josephine Rd.
- Schematic Roll 2: From Old Josephine Rd. CR 699 (Hunt County Line)

National Environmental Policy Act (NEPA) Assignment
to the Texas Department of Transportation

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

La revisión ambiental, consultas y otras acciones requeridas por las leyes ambientales federales aplicables para este proyecto están siendo o han sido, llevado a cabo por TxDOT -en virtud de 23 U.S.C. 327 y un Memorando de Entendimiento fechado el 9 de diciembre del 2019, y ejecutado por la FHWA y TxDOT.

RIGHT-OF-WAY (ROW) INFORMATION

Approximately 300-320 acres of new right-of-way would be required for this project. Potential displacements include three residences and one commercial structure.

Information about the process for state purchase of ROW and relocation assistance may be found in the following pamphlets:

- Relocation Assistance: [ENGLISH](#)
- Relocation Assistance: [SPANISH](#)
- State Purchase of ROW: [ENGLISH](#)

US 380 PROJECT LIMITS:

From CR 560 to CR 699 (Hunt County Line)

PROJECT LENGTH:

Approx. 8.5 miles

US 380 Virtual Public Meeting CSJ:0135-05-028

The proposed US 380 Project would construct a new location realignment of US 380 to the south of the City of Farmersville from CR 560 to CR 699 (Hunt County Line).

The project would include:

- Six 12-foot main lanes that includes an as needed additional auxiliary lane
- Continuous, one-way frontage roads with 12-foot lanes
- 10-foot shared use path on both sides of the roadway

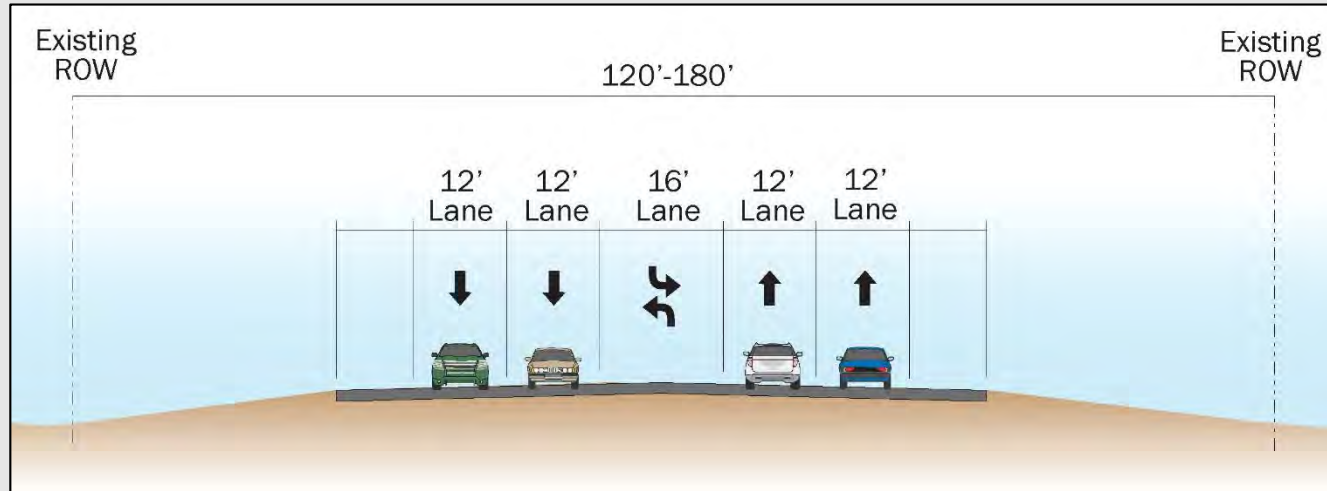

Project Need:

- Inadequate capacity to meet future increase in traffic demand
- Facility does not meet current design standards

Project Purpose:

- Improve mobility
- Meet anticipated increase in traffic demand
- Comply with current roadway design standards

CR 560 to Old McKinney Road & Farr Hill Lane to CR 699 (Hunt County Line)

Old McKinney Road to Farr Hill Lane

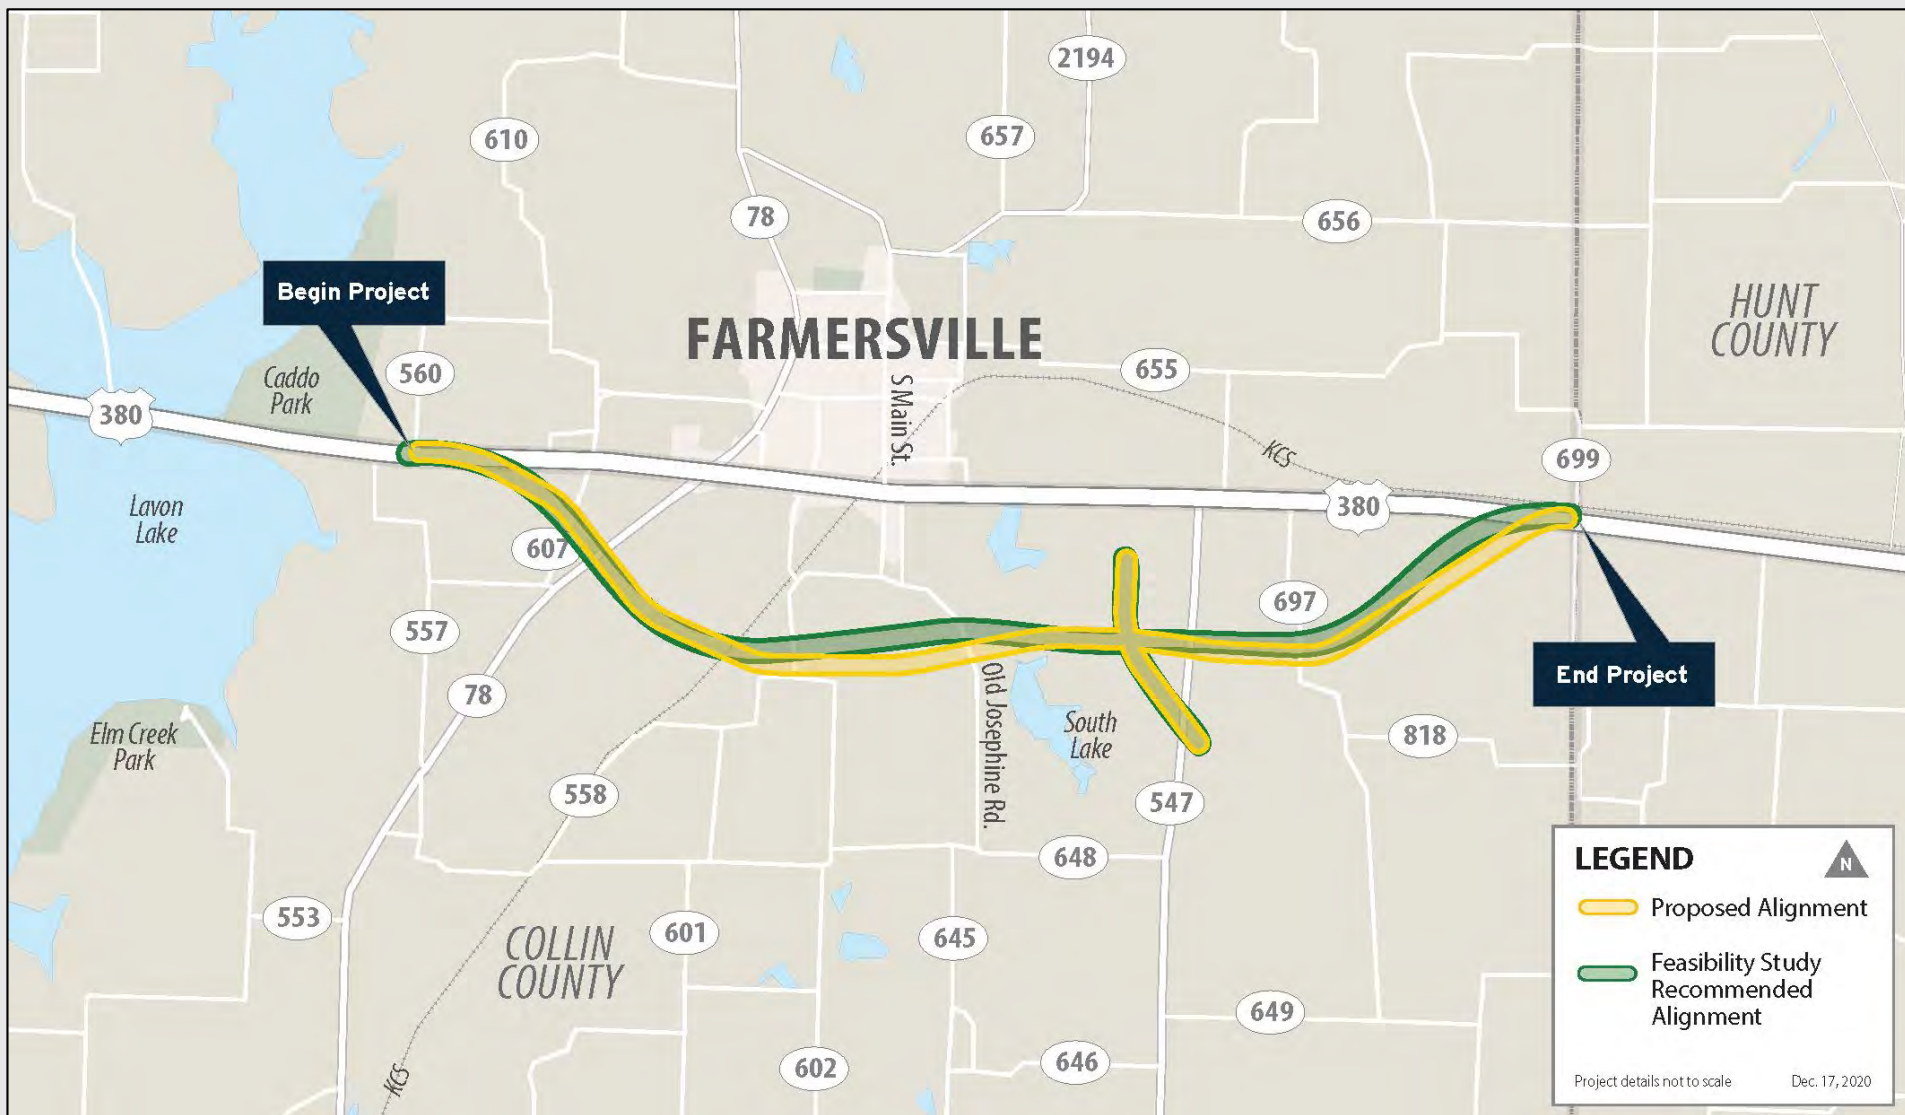

CR 560 to CR 699 (Hunt County Line)

- Six 12-foot main lanes that includes an as needed additional auxiliary lane
- Continuous, one-way frontage roads with 12-foot lanes
- 10-foot shared use path on both sides of the roadway
- Project goal will be to minimize impacts to ROW

Proposed Realignment

Anticipated Let Date

Fall 2024

Estimated Total Project Cost

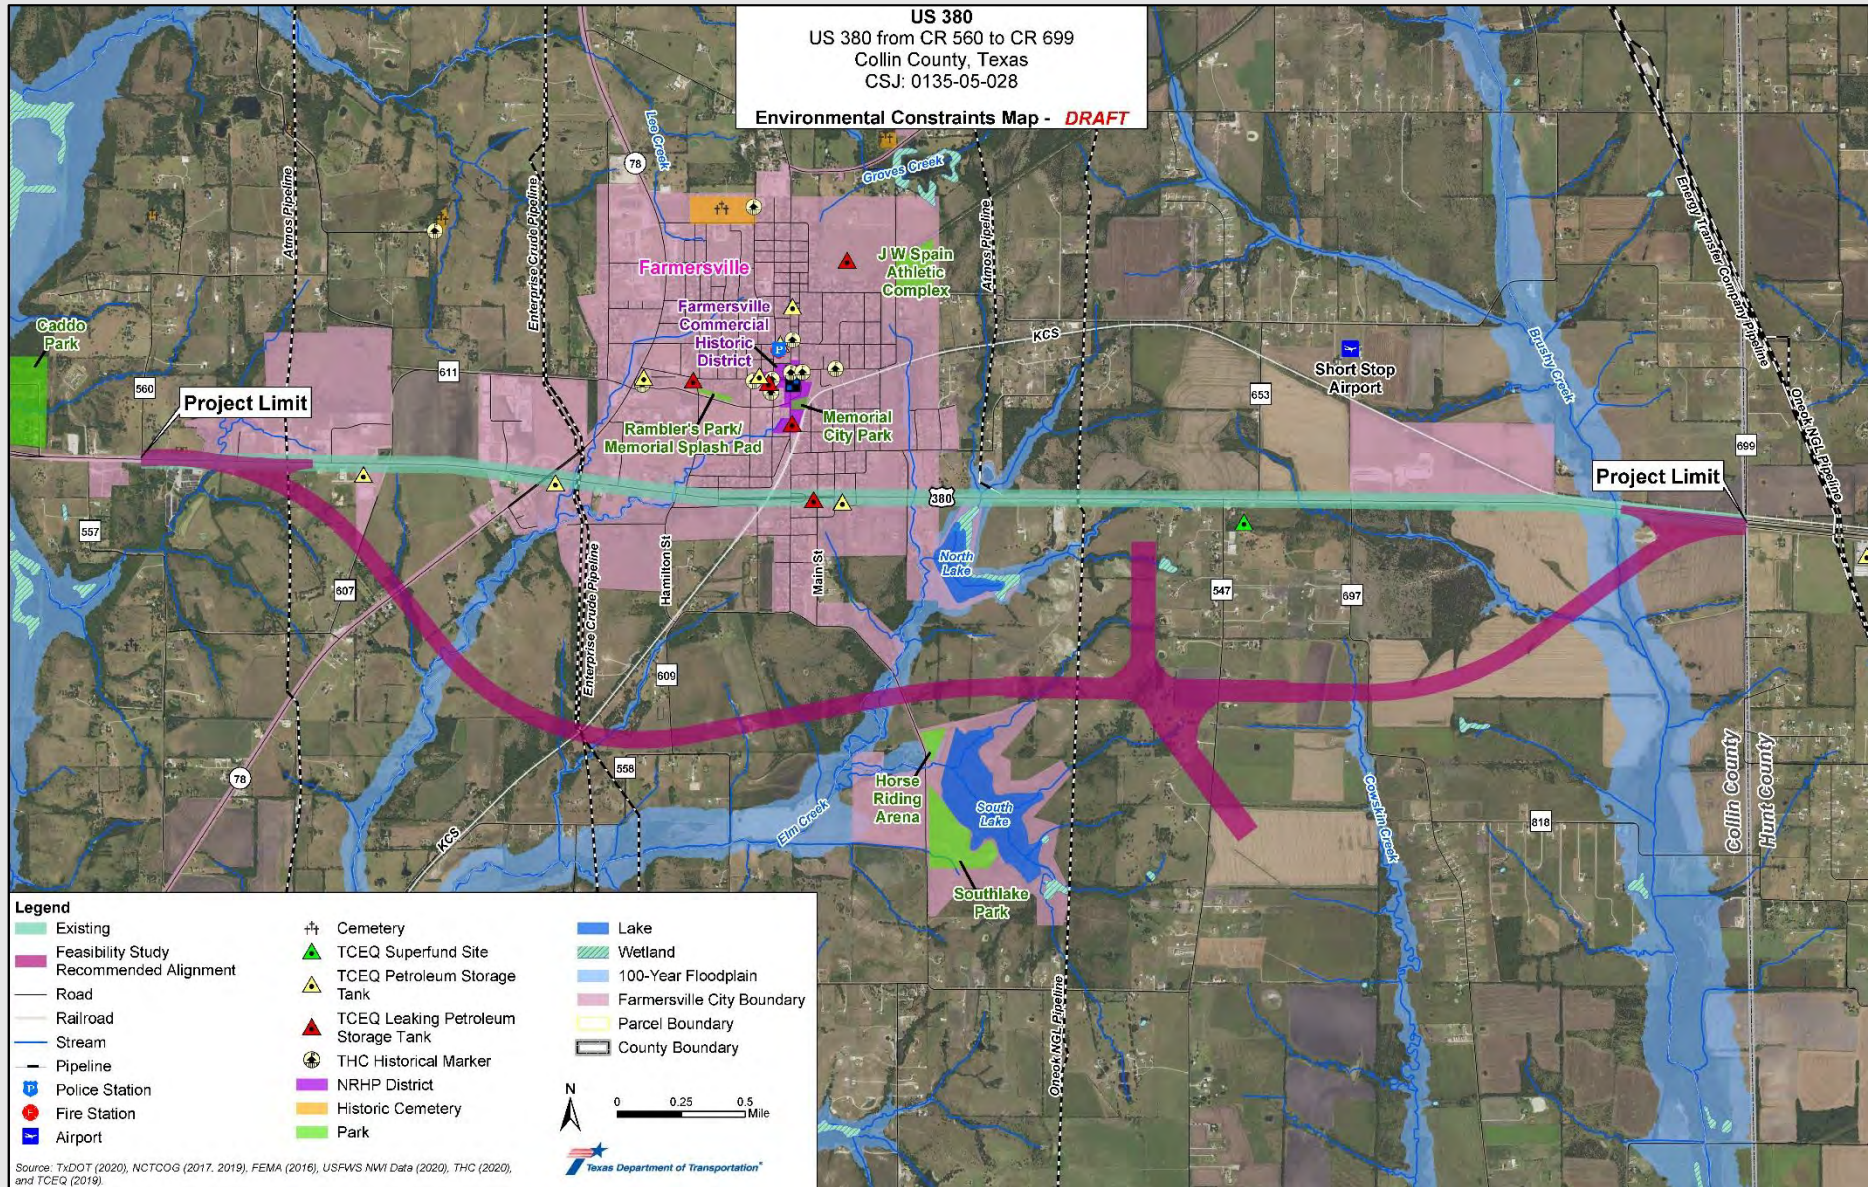

\$400-450 Million

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

La revisión ambiental, consultas y otras acciones requeridas por las leyes ambientales federales aplicables para este proyecto están siendo o han sido, llevado a cabo por TxDOT -en virtud de 23 U.S.C. 327 y un Memorando de Entendimiento fechado el 9 de diciembre del 2019, y ejecutado por la FHWA y TxDOT.

Environmental Constraints Map

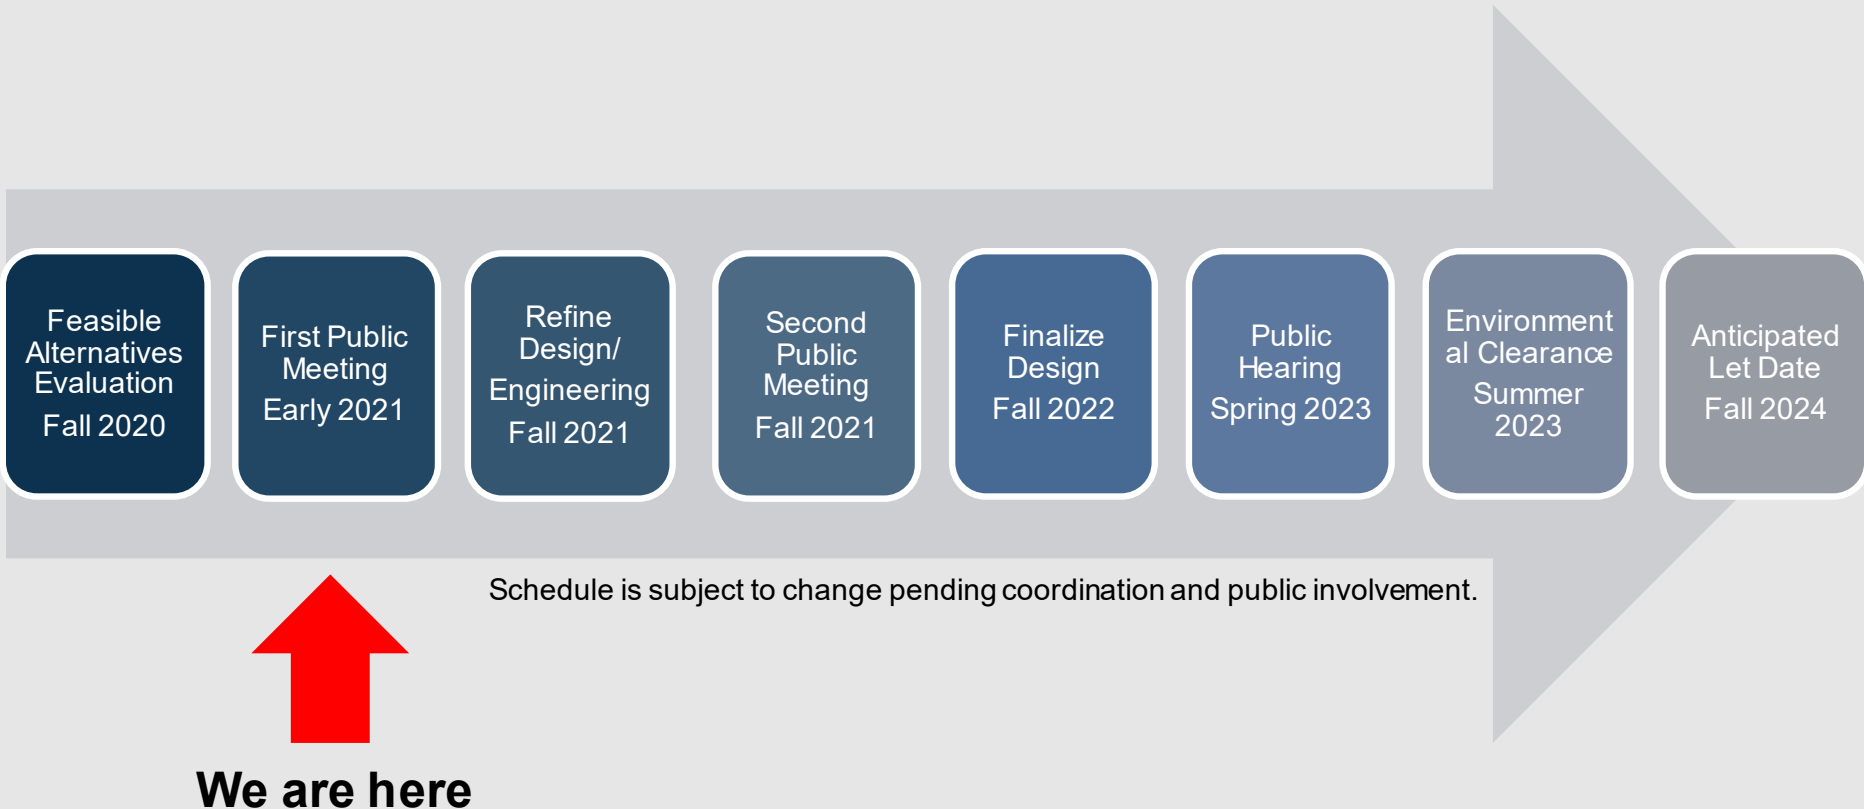

Proposed Right-of-Way (ROW)

- Approximately 300-320 acres of new right-of-way would be required for this project.
- Potential displacements include three residences and one commercial structure.
- All ROW acquisition would be completed in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended.

The public comment period for the proposed project ends on Friday, February 12, 2021.

Please submit your comments regarding the design modifications presented in this Virtual Public Meeting by using any of the four methods below by our deadline, **February 12, 2021**.

US 380 from CR 560 to CR 699 (Hunt County Line)

CSJ: 0135-05-028

Virtual Public Meeting Script

SLIDE 1 – Welcome Slide

Hello and welcome to the US 380 virtual public meeting. We appreciate your interest in the US 380 Project and thank each of you for your participation.

Please note, you can pause this presentation at any point to allow more time to view the slides.

SLIDE 2 – Virtual Public Meeting Response to Public Health

Given the unique circumstances of the COVID-19 outbreak, along with our commitment to protecting our public health during this pandemic, the Texas Department of Transportation is conducting virtual public meetings until further notice to avoid in-person contact. At this time, the virtual format is being held in lieu of an in-person public meeting.

This presentation will cover the same information that the Dallas District would have shared at the in-person public meeting. However, the comment process will be different. Details on how to submit a comment and how to have your questions addressed will be covered later in this presentation. All project information can be found on the project website at www.keepitmovingdallas.com/US380Farmersville.

SLIDE 3 – Virtual Public Meeting Purpose

This virtual public meeting has been convened by TxDOT and is being held to receive and consider comments from the public regarding the US 380 Project.

You may have attended previous public meetings conducted by TxDOT. However, for the benefit of those who have never attended one, I will explain why and how the Department conducts a public meeting.

A public meeting has four essential purposes:

1. To inform the public of the status of planning efforts on the project and to present the recommendations based on studies performed to date.
2. To describe the project to the public including known potential project impacts to the human and natural environment.

US 380 from CR 560 to CR 699 (Hunt County Line) CSJ: 0135-05-028 Virtual Public Meeting Script

3. To provide the public an opportunity to view information and express their ideas and concerns at this stage in the planning process while the ability to respond to comments is still flexible and before location and design decisions are finalized.
4. And finally, to develop a record of public views and participation to accompany recommendations for subsequent decisions.

This virtual public meeting is being held in compliance with both federal and state laws. Documentation of this meeting will be made available for the official record.

SLIDE 4 – How to Submit Your Comments

Following this virtual public meeting, the Department will proceed with the preparation of the environmental documentation. Your comments will be addressed in this document and will be given full consideration in the preparation of the recommendations and design for the US 380 Project.

Comments will be accepted in several ways. You may fill out an online comment form, submit a written comment via email to Edra.Brashear@txdot.gov, submit a written comment via US mail to the TxDOT Dallas District Office, Attention Edra Brashear, P.E., 4777 E. Highway 80, Mesquite, TX 75150, or leave a verbal comment via voicemail at (833) 933-0431.

Comments must be received or postmarked within 15 days of the meeting date, which is February 12, 2021, to be part of the official virtual public meeting record.

Questions on this project may be directed to the TxDOT Project Manager, Edra Brashear, P.E. at Edra.brashear@txdot.gov.

SLIDE 5 – Viewing Design Schematic and Project Information

I will now explain the design aspects of the US 380 Project. The design schematic and other project information for the US 380 Project may be viewed at www.keepitmovingdallas.com/US380Farmersville. The information on this website is the same information being presented in this presentation.

US 380 from CR 560 to CR 699 (Hunt County Line) CSJ: 0135-05-028 Virtual Public Meeting Script

SLIDE 6 – Project Location

The project limits extend approximately 8.5 miles along US 380 between County Road 560 and County Road 699, or the Hunt County Line, in Collin County. The proposed project is located just south of the City of Farmersville. The magenta alignment on the map is the recommended alignment from the feasibility study that was concluded in Spring 2020.

SLIDE 7 – Project History

In June 2017, TxDOT began working with Collin County and regional leaders on the US 380 feasibility study in Collin County to identify a recommended corridor and appropriate roadway type. The objective of the feasibility study was to perform a needs assessment and analyze potential roadway options that could include improving the existing US 380 alignment or utilizing new alignments. A feasibility study is one planning tool that TxDOT uses when a project is in the very early stages of development. It helps determine if the project should move on to more advanced phases of project development such as more in-depth environmental analysis, public involvement, schematic design and right of way mapping. This type of study is done to identify high level or critical elements of engineering, impacts to stakeholders and the public, and the economic feasibility of potential new roadways or improvements to existing roadways. The feasibility study was concluded in Spring 2020. The green alignment on the map is the recommended alignment from the feasibility study that was concluded in Spring 2020.

SLIDE 8 – Project Details

TxDOT is proposing to construct a new location realignment of US 380 to the south of the City of Farmersville from County Road 560 to County Road 699 (or the Hunt County Line). The project would include construction of a six-lane divided facility with 12-foot lanes that includes an as-needed additional auxiliary lane and 10-foot shoulders. The proposed project would also include two continuous, one-way frontage roads with 12-foot lanes and a 10-foot shared use path on both sides of the roadway. The proposed new alignment location will be discussed and graphically illustrated later in this presentation.

SLIDE 9 – Project Purpose and Need

The proposed project is needed to meet future increase in traffic demands stemming from projected population growth and the existing facility does not meet current design standards. The purpose of the

US 380 from CR 560 to CR 699 (Hunt County Line)

CSJ: 0135-05-028

Virtual Public Meeting Script

project is to improve mobility, to provide a facility that will accommodate future traffic demand and to comply with current roadway design standards.

SLIDE 10 – Existing Roadway Typical Sections

The sections between CR 560 and Old McKinney Road and Farr Hill Lane and CR 699 (or the Hunt County Line) includes four 12-foot wide lanes, a 16-foot wide two-way left turn lane, limited sidewalks, no bicycle accommodations, and an existing right-of-way varying from 120 to 180 feet wide. The section between Old McKinney Road and Farr Hill Lane, includes four 12-foot wide lanes, a 16-foot wide two-way left turn lane, limited sidewalks, no bicycle accommodations, and an existing right-of-way varying from 120 to 150 feet wide.

SLIDE 11 – Proposed Roadway Typical Section

The new location facility would be constructed as a six-lane divided facility with 12-foot lanes that includes an as-needed additional auxiliary lane and 10-foot shoulders. The proposed project would also include continuous, one-way frontage roads with 12-foot lanes and a 10-foot shared use path on both sides of the roadway. The project goal will be to minimize impacts to right of way.

SLIDE 12 – Proposed Roadway Realignment

This figure illustrates the proposed new location realignment in yellow and the alignment that was recommended by the feasibility study in magenta. The proposed new location alignment was slightly adjusted based on stakeholder meetings held in late 2020. The project design will be further refined per public input received at this public meeting and future public involvement meetings.

SLIDE 13 – Projected Cost and Schedule

The US 380 Project's anticipated Let Date is Fall 2024 and would take approximately 3 years to construct. "Letting" is when TxDOT notifies the construction community that a project is ready to be bid on. Construction on a project begins after the letting process is complete. The total estimated project cost for the project is approximately \$450 million. The project is currently unfunded.

This concludes the project information and design portion of the presentation. The next few slides will provide an overview of the environmental evaluation for the proposed US 380 Project.

US 380 from CR 560 to CR 699 (Hunt County Line) CSJ: 0135-05-028 Virtual Public Meeting Script

SLIDE 14 – National Environmental Policy Act (NEPA) Assignment to the Texas Department of Transportation

Prior to December 16, 2014, the Federal Highway Administration, or FHWA, reviewed and approved documents prepared under the National Environmental Policy Act, known as NEPA; however, on December 16, 2014 the Texas Department of Transportation assumed responsibility from FHWA through a Memorandum of Understanding to review and approve certain assigned NEPA environmental documents.

This Memorandum of Understanding between TxDOT and FHWA was updated on December 9, 2019. The review and approval process apply to this project.

Environmental studies are being conducted for the proposed US 380 Project to support an environmental clearance in accordance with NEPA. These environmental analyses are necessary to identify, avoid, and minimize effects to the Human and Natural Environments.

The technical environmental documentation will be approved for further processing by TxDOT and would be coordinated with other public agencies. Notices for this public meeting were advertised in *The Dallas Morning News*, *Al Día*, *Collin County Commercial Record*, and the *Farmersville Times*, on the TxDOT.gov website under “Hearings and Meetings Schedule” and on www.keepitmovingdallas.com under “Public Hearings and Meetings.” The TxDOT Public Information Office also prepared a news media release to advertise the public meeting. The TxDOT roadway design schematics are available on the project website at www.keepitmovingdallas.com.

SLIDE 15 – Environmental Constraints Map

The project Environmental Constraints Map is used to help planners and engineers determine the least impactful method to fulfill the Purpose of the project. The full map can be viewed on the project website. In the case of US 380, some of the major known constraints include approximately 16 water crossings, potential wetland crossings (pending field verification), a KCS railroad crossing, and six crossings of the 100-year floodplain. Environmental studies for this project are ongoing.

US 380 from CR 560 to CR 699 (Hunt County Line) CSJ: 0135-05-028 Virtual Public Meeting Script

SLIDE 16 – Environmental Review – Right-of-Way

Approximately 300-320 acres of new right-of-way would be required for this project. Potential displacements include three residences and one commercial structure.

All right-of-way acquisition would be completed in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended. Brochures titled “The Purchase of Right of Way,” and “Relocation Assistance,” are available on the project website. These materials contain detailed information to inform you of your rights and to provide information about the TxDOT right-of-way acquisition process.

SLIDE 17 – Project Timeline

The public comment period for the proposed project ends on Friday, February 12, 2021. Following this virtual public meeting, the project design will be refined per public input, environmental studies will be developed, and additional public involvement including a public hearing will be held. If there are no major issues from the environmental analysis that cannot be addressed in a reasonable time frame, final environmental clearance is expected in Summer 2023.

The project has an anticipated Let Date of Fall 2024. Construction will begin once the project is let.

SLIDE 18 – We Request Your Feedback

As mentioned earlier, comments will be accepted in four ways, which are outlined here. All comments will be fully considered and responded to in the project record and made part of the final environmental document for this proposed project. This document will then be made available for public review online at www.keepitmovingdallas.com/US380Farmersville.

All statements, comments and questions will be given careful consideration before final design features are determined. As a reminder, all comments must be received or postmarked by February 12, 2021 to be included in the official public meeting documentation.

US 380 from CR 560 to CR 699 (Hunt County Line) CSJ: 0135-05-028 Virtual Public Meeting Script

SLIDE 19 – “Thank You”

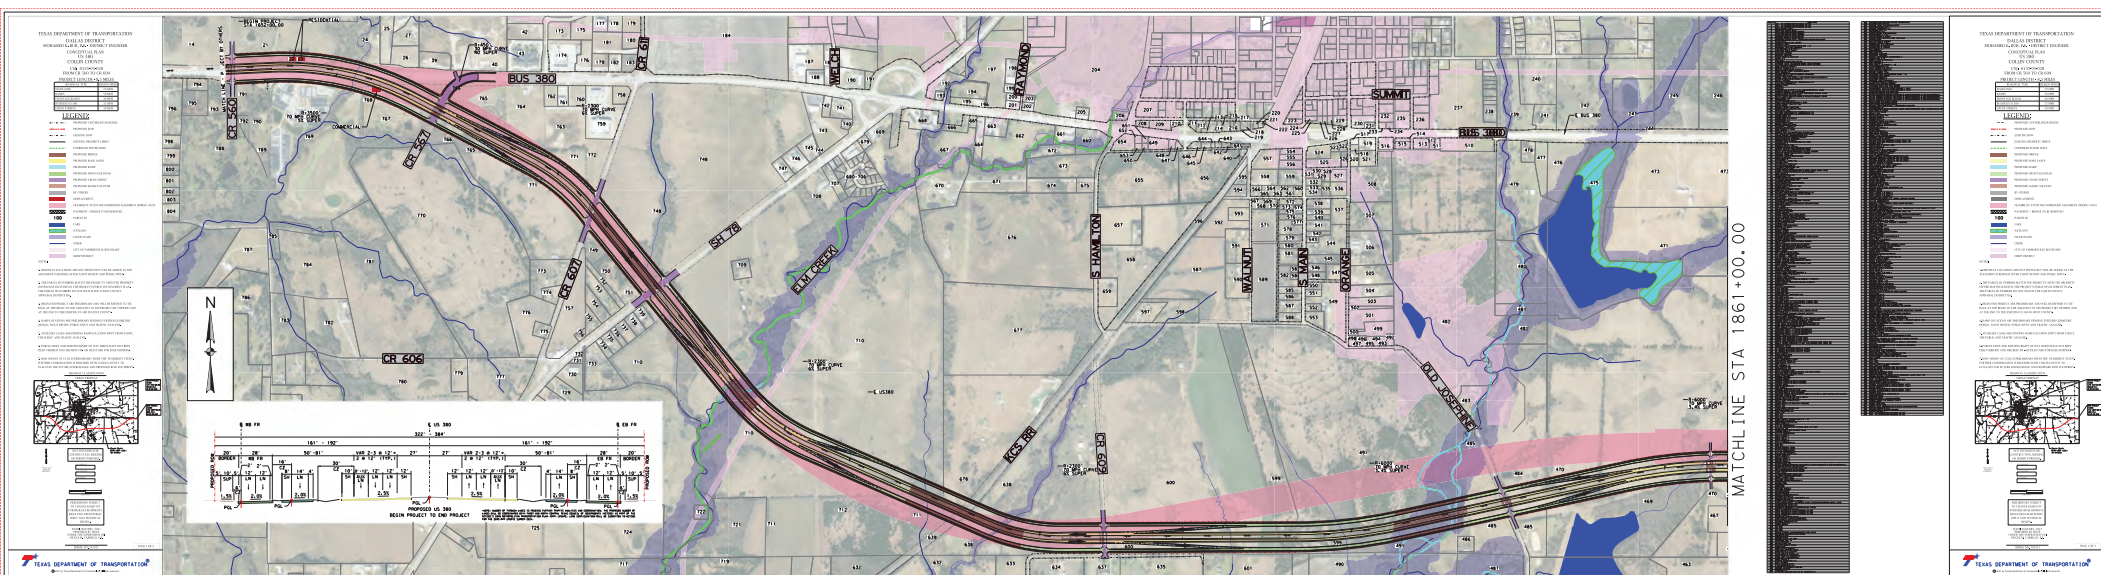

We sincerely appreciate your participation and interest concerning the proposed design of the US 380 Project. Your questions, comments, and concerns will receive careful consideration.

Thank you, this concludes the presentation.

RIGHT-OF-WAY (ROW) INFORMATION

The proposed project would require new ROW. The amount of new ROW needed is still being determined. It is likely that relocations and displacements could result.

Information about the process for state purchase of ROW and relocation assistance may be found in the following pamphlets:

Relocation Assistance: [ENGLISH](#) or [SPANISH](#)

State Purchase of ROW: [ENGLISH](#) or [SPANISH](#)

Section VI: Right of Appeal	28
Section VII: Civil Rights	29

Introduction

The development of highways or other public transportation services needed to serve and improve our way of life require the use of land. This, in turn, means that some persons may be required to move to another location. Your Texas Department of Transportation (TxDOT) is aware of the cost and inconvenience associated with having to move from a home, business or farm. In order to assist those who are required to move, TxDOT provides, through its relocation assistance program, payments and services to aid in movement to a new location.

This brochure provides information about available relocation services and payments:

- Section I is for people displaced from a residence.
- Section II is for displaced businesses, farms and nonprofit organizations.
- Section III is for advertising signs.
- Section IV is about relocation assistance services.
- Section V is how to claim a relocation payment.
- Section VI is information on a person's right to appeal TxDOT's determination regarding the amount of a relocation payment or the entitlement to a relocation payment.

If you are required to move as the result of the acquisition of property for a TxDOT project, a relocation assistance counselor will contact you. The counselor will be able to answer your specific questions and provide additional information. **To ensure maximum relocation benefits you must discuss any proposed move with the relocation assistance counselor so that a definite understanding of eligibility requirements can be reached.**

Special Note

It is not possible to cover the needs and questions of each person. This brochure is for general information purposes only; it is not a document of law, rule or regulation.

Qualification for Assistance

Relocation assistance is available to individuals, families, businesses, farmers, ranchers and nonprofit organizations lawfully present in the United States who are displaced as a result of a state highway or transportation project. This assistance applies to tenants as well as owners occupying the real property needed for the project.

Advance Notice

Each displaced person will be given sufficient time to plan for an orderly, timely and efficient move. This applies not only to residential occupants but to all properties where an occupant has to move to a new location or move his property to a new location. To the greatest extent practicable, no person lawfully occupying real property will be required to move from that site without at least a 90-day written notice.

Caution

To assure eligibility and prompt payment of your relocation benefits, **you must** provide your TxDOT relocation assistance counselor advance notice of the approximate date of the planned move and a list of the items to be moved so that a TxDOT representative may inspect the personal property at the displacement and replacement sites and monitor the move. **An occupant who moves prior to the date negotiations are initiated for acquisition of the property will not be eligible for any relocation payment unless he or she receives a written notice of advanced relocation eligibility before he or she moves from the property.**

Some Important Definitions

Acquiring Agency - The “acquiring agency” or “agency” may be the Texas Department of Transportation (hereinafter referred to as “TxDOT”) or a political subdivision of the state including but not limited to cities and counties.

Displaced Person - Any person (individual, family, corporation, partnership, or association) who moves from real property or moves personal property from real property as the result of the acquisition of the real property, in whole or in part, or as the result of a written notice from TxDOT to vacate the real property needed for a state highway or transportation project. In the case of partial acquisition, TxDOT shall determine if a person is displaced as a direct result of the acquisition. Relocation benefits will vary, depending upon the type and length of occupancy of the acquired property. Displaced persons are classified as:

- An owner occupant of a residential property. (Includes mobile homes.)
- A tenant occupant of a residential property. (Includes mobile homes and sleeping rooms.)
- A business, farm or nonprofit organization.
- An individual with only displaced personal property.

Business - Any lawful activity conducted primarily for the purchase, sale, lease, and/or rental of either personal or real property, or for the manufacture, processing, and/or marketing of products, commodities, or any other personal property; or for the sale of services to the public; or solely for the purpose of relocation benefits, an outdoor advertising display(s) that must be moved as a result of a state highway or transportation project.

Family - The term “family” means two or more individuals living together in a single family dwelling unit who are: related by blood, adoption, marriage, or legal guardianship, who live together as a family unit, plus all other individuals regardless of blood or legal ties who live with and are considered a part of the family unit, or are not related by blood or legal ties but live together by mutual consent.

Farm - Any activity conducted solely or primarily for the production of agricultural products or commodities, including timber, for sale and home use, and customarily producing such products or commodities in sufficient quantity to contribute materially to the operator's support.

Initiation of Negotiations - The date the acquiring agency makes its first written offer to an owner of real property, or the owner's representative, to purchase the real property for a state highway or transportation project.

Nonprofit Organization - An organization that is incorporated under the applicable laws of a state as a nonprofit organization, and exempt from paying federal income taxes under Section 501 of the Internal Revenue Code.

Small Business - A business having no more than 500 employees working at the site being acquired.

Section I: Residential Displacees

Moving Cost Reimbursement

If you qualify as a displaced person, you are entitled to reimbursement of your moving costs and certain related expenses incurred in moving. The methods of moving and the various types of moving cost payments are explained below.

Individuals and Families

Displaced individuals and families may choose to be paid on the basis of actual, reasonable and necessary moving costs and related expenses, or according to a fixed moving cost schedule. However, **to assure your eligibility and prompt payment of moving expenses, you must contact the relocation assistance counselor from TxDOT before you move.**

You Can Choose Either:

<p>Actual Reasonable Moving Costs</p> <p>Including:</p> <ul style="list-style-type: none">• Packing and unpacking• Temporary storage• Transportation• Moving insurance• Other related costs	<p>-OR-</p>	<p>Fixed Moving Cost Schedule</p> <p>Based on Room count</p>
---	--------------------	--

Actual Reasonable Moving Costs

You may be paid for your actual reasonable moving and related expenses when the work is performed by a commercial mover. Reimbursement will be limited to a 50-mile distance. Related expenses may include:

- Packing and unpacking personal property.
- Disconnecting and reconnecting household personal property.
- Utility and telephone connection charges.
- Temporary storage of personal property.
- Insurance while property is in storage or transit.
- Mobile home park entrance fees.

Caution

Expenses must be necessary and reasonable as determined by TxDOT and supported by receipts. Prior to taking action or incurring any moving expenses verify eligibility for reimbursement with your relocation assistance counselor.

Fixed Moving Cost Schedule

Or you may choose to be paid on the basis of a fixed moving cost schedule. This payment is based on the number of rooms in your dwelling. Receipts are not necessary. Under this option you will not be eligible for reimbursement of related expenses.

Replacement Housing Payments

Replacement Housing Payments can be better understood if you become familiar with the definition of the following terms . .

- Comparable
- Decent, Safe and Sanitary (DSS)

These terms are explained on the following pages.

A Comparable Replacement means that your...

This is regarding:

- Number of rooms
- Living space
- Location
- Square footage

A comparable replacement dwelling must be decent, safe, and sanitary, and should be functionally equivalent to your present dwelling. While it may not necessarily be identical to your present dwelling, the replacement should have certain attributes:

- Similar number of rooms and living space.
- Located in an area not subject to unreasonable adverse environmental conditions.
- Generally not be less desirable than your present location with respect to public utilities and commercial and public facilities.
- Located on a site that is typical size for residential development with normal site improvements.
- Currently available to you and within your financial means.

Decent, Safe, and Sanitary (DSS) ...

Replacement housing must be decent, safe, and sanitary. This means it meets all of the minimum requirements established by the state and conforms to applicable housing and occupancy codes. The dwelling shall:

- Be structurally sound, weather tight and in good repair.
- Contain a safe electrical wiring system adequate for lighting and electrical appliances.
- Contain a heating system capable of sustaining a healthful temperature (approximately 70 degrees) except in those areas where local climatic conditions do not require such a system.
- Be adequate in size with respect to the number of rooms and area of living space needed to accommodate the displaced person(s).
- Contain a well-lighted and ventilated bathroom providing privacy and containing a sink, bathtub or shower stall, and a toilet, all in good working order and properly connected to appropriate sources of water and sewage drainage system.
- Contain a kitchen area with a fully usable sink, properly connected to potable hot and cold water and to a sewage drainage system, with adequate space and utility connections for a stove and refrigerator.
- Have unobstructed egress to safe, open space at ground level.
- Be free of any barriers that prevent reasonable ingress, egress, or use of the dwelling in the case of a displaced person that is disabled.

Replacement Housing Payments Are Separated Into Three Basic Types:

- Purchase Supplement (page 12)
- Rental Assistance (page 13)
- Down Payment Assistance (page 13)

The type of payment depends on whether you are an owner or a tenant, and how long you have lived in the property being acquired prior to negotiations.

Occupancy Time Periods and What You Are Entitled To

There is one basic length-of-occupancy requirement that determines the type of replacement housing payment to which you are entitled. Length-of-occupancy simply means the number of days that you occupied a dwelling immediately before the date of initiation of negotiations by the acquiring agency.

Owners who were in occupancy 90 days or more immediately prior to the initiation of negotiations may be eligible for a purchase supplement.

If you are a tenant who has been in occupancy 90 days or more immediately prior to the initiation of negotiations, you may be eligible either for rental or down-payment assistance.

If you have been in occupancy less than 90 days before the initiation of negotiations and the property is subsequently acquired, or if you move onto the property after the initiation of negotiations and you are still in occupancy on the date of acquisition, you may be eligible for rental or down-payment assistance. Check with the relocation assistance counselor for more details.

Purchase Supplement (Owner-Occupants of 90 Days or More)

If you are an owner and have occupied your home for 90 days or more immediately prior to the initiation of negotiations you may be eligible, in addition to the just compensation for your property, for a purchase supplemental as well as assistance with incidental costs necessary to purchase a comparable decent, safe, and sanitary replacement dwelling. The department will compute the maximum payment you are eligible to receive. **You must purchase and occupy a DSS replacement dwelling within one (1) year.**

The Purchase Supplement Includes:

Price Differential

The price differential payment is the amount that a replacement dwelling exceeds the acquisition cost of the displacement dwelling. The price differential payment and the following payments are in addition to the acquisition price paid for your property.

Increased Mortgage Interest Costs

You may be reimbursed for increased mortgage interest costs if market interest rates for a new mortgage exceed that of your present mortgage. To be eligible, your acquired dwelling must have been encumbered by a bona fide mortgage, which was a valid lien for at least 180 days immediately preceding the initiation of negotiations.

Incidental Expenses for Replacement Housing

You may also be reimbursed for other expenses such as reasonable costs incurred for loan applications, recording fees and certain other closing costs. This does not include prepaid expenses such as real estate taxes and property insurance or costs for services normally paid by sellers of residential properties or provided by title companies and closing agents as part of other services.

The Rental Assistance Supplement (Owner-Occupants of Less Than 90 Days and Tenants)

The rental assistance supplement is designed to assist you when renting a decent, safe and sanitary (DSS) replacement dwelling. If you choose to rent a replacement dwelling and the rental payments are higher than you have been paying, you may be eligible for a rental assistance payment. TxDOT will determine the maximum payment you may be eligible to receive in accordance with established procedures. The rental assistance payment will be paid in a lump sum unless TxDOT determines that the payment should be paid in installments. You must rent and occupy a DSS replacement dwelling within one (1) year to be eligible.

All eligible displacees have a freedom of choice in the selection of replacement housing. If a person displaced decides not to accept the replacement housing offered by TxDOT, he or she may choose a replacement dwelling of their choice, providing it meets DSS housing standards.

Down Payment Assistance

Owner-occupants of less than 90 days and tenants may be eligible for down-payment assistance and related incidental expenses, not to exceed the amount of the approved rental assistance supplement. Incidental expenses for replacement housing include the reasonable costs of loan applications, recording fees and certain other closing costs. These do not include prepaid expenses such as real estate taxes and property insurance. You may also be eligible for the reimbursement of loan origination or assumption fees, if such fees are normal to real estate transactions in your area and do not represent prepaid interest. Remember, you must purchase and occupy a DSS replacement dwelling within one (1) year of your moving date (for owners) or one (1) year of the date of the 90-day notice to vacate (for tenants).

Fair Housing Law

The Fair Housing Law (Title VIII of the Civil Rights Act of 1968) sets forth the policy of the United States to provide, within constitutional limitations, for fair housing. This act and later acts and amendments make discriminatory practices in the purchase and rental of most residential units illegal if based on race, color, religion, sex or national origin. Whenever possible, minority persons shall be given reasonable opportunities to relocate to decent, safe and sanitary replacement dwellings, not necessarily located in an area of minority concentration, that are within their financial means.

This policy, however, does not require an acquiring agency to provide a person a larger payment than is necessary to enable a person to relocate to a comparable replacement dwelling.

To All Residential Displacees

The most important thing to remember is that the replacement dwelling you select must meet the basic “decent, safe and sanitary” standards to receive any benefits.

Do not:

- Execute a sales contract or a lease agreement until a representative from TxDOT has inspected and certified in writing that the dwelling you propose to purchase or rent does meet the basic standards.
- Jeopardize your right to receive a replacement housing payment by moving into a substandard dwelling.

Section II: Businesses, Farms and Nonprofit Organizations

Moving Cost Reimbursement

Owners or tenants may be reimbursed on the basis of actual reasonable moving costs and related expenses or, under certain circumstances, a fixed payment.

A. Actual reasonable moving expenses may be paid when the move is performed by a professional mover or if you move yourself (page 16). Related expenses, such as personal property losses (page 18), and expenses in finding a replacement site (page 18) may also be reimbursable. You may also be reimbursed for expenses incurred in the reestablishment of your business (page 18).

or,

B. You may be eligible to receive a fixed payment. This payment is based on the annual net earnings of the business or farm, not to exceed \$40,000. For a nonprofit organization the fixed payment is the average of two (2) year's annual gross revenues less administrative costs. To qualify for a fixed payment, certain conditions must be met. See page 19.

Actual Reasonable Moving Costs

Including

Personal Property Losses

Plus

Expenses in Finding a Replacement

Plus

Expenses In Reestablishing Your Business

Reimbursements for moving expenses are limited to reasonable and necessary expenses incurred for a move not more than a 50-mile distance from the original location.

Caution

Expenses must be necessary and reasonable as determined by TxDOT and supported by receipts. Prior to taking action or incurring any moving expenses verify eligibility for reimbursement with your relocation assistance counselor.

Two Ways to Move Your Enterprise

- *Professional Mover.* You may be reimbursed the actual reasonable costs of your move carried out by a professional mover. All of your expenses must be supported by paid receipts or invoices to ensure prompt payment of your moving cost claim. Certain other expenses are also reimbursable, such as packing, crating, unpacking, uncrating, disconnecting, dismantling, removing, reassembling, and reinstalling relocated machinery, equipment and other personal property. Other expenses such as temporary storage costs, insurance while in transit or storage, and the cost of new licenses and permits may also be reimbursable.
- *Self-Move.* If you elect to take full responsibility for all or part of the move, TxDOT may approve a negotiated reimbursement payment not to exceed the lowest acceptable bid or estimate prepared by qualified moving firms, moving consultants or a qualified department employee. If two acceptable bids or estimates cannot be obtained, or you decide to move yourself on an actual cost basis, your moving payment may be based on actual, reasonable moving expenses supported by receipted bills or other evidence of the actual expenses. Cost estimates or bids for negotiated self-move payments shall be obtained by TxDOT. Moreover, self-move payments must be approved by TxDOT before the start of the proposed move.

Notification and Inspection

To assure eligibility and prompt payment for moving expenses, you must provide TxDOT with advance written notice of the approximate date of the planned move and a list of items to be moved so that TxDOT may inspect the personal property at the displacement and replacement sites and monitor the move.

Direct Losses of Tangible Personal Property/ Purchase of Substitute Personal Property

Displaced businesses, farms and nonprofit organizations may be eligible for a payment for the actual direct loss of tangible personal property or the purchase of substitute personal property that is incurred as a result of the move or discontinuance of the operation. This payment will vary depending upon whether the item is replaced or not; however, it may never exceed the estimated cost of moving and reinstallation.

Your relocation assistance counselor will explain this procedure in detail if you are faced with this situation.

Reestablishment Expenses for Replacement Site

A small business (not more than 500 employees), farm or nonprofit organization may be eligible to receive a payment, not to exceed \$25,000 for expenses actually incurred in relocating and reestablishing at a replacement site. These reestablishment expenses must be reasonable and necessary as determined by TxDOT. Your relocation assistance counselor will explain the eligible expenses included under this category of relocation assistance.

Searching Expenses for Replacement Property

Displaced businesses, farms and nonprofit organizations are entitled to reimbursement for actual reasonable expenses incurred in searching for a replacement property, not to exceed \$2,500. Expenses may include transportation, meals and lodging when away from home; the reasonable value of the time spent during the search; fees paid to real estate agents, brokers, or consultants (excluding commissions); and other expenses determined as reasonable and necessary by TxDOT.

Fixed Payment (in Lieu)

Displaced businesses, farms and nonprofit organizations may be eligible for a fixed payment in lieu of actual moving expenses, reestablishment expenses, personal property losses and searching expenses. The fixed payment may not be less than \$1,000 or more than \$40,000.

For a business to be eligible for a fixed payment, TxDOT must determine that all of the following apply:

1. The business owns or rents personal property that must be moved in connection with its displacement and for which expense would be incurred in its move.
2. The business cannot be relocated without a substantial loss of its existing patronage.
3. The business is not part of a commercial enterprise having more than three other entities not being acquired and are under the same ownership and engaged in the same or similar business activities.
4. The business is not operated at a displacement dwelling solely for the purpose of renting such dwelling to others.
5. The business is not operated at the displacement site solely for the purpose of renting the site to others.
6. The business contributed materially to the income of the displaced person during the two (2) taxable years prior to displacement.

For the owner of a farm to be eligible for a fixed payment, the farm operation must be displaced either by total or partial acquisition. In the case of a partial acquisition, TxDOT must determine that the acquisition caused the operator to be displaced or it caused a substantial change in the nature of the farm operation.

For a nonprofit organization to be eligible for a fixed payment, it must furnish proof of its nonprofit status under applicable federal or state law.

Applications for fixed payments in lieu of actual expenses must be filed with TxDOT prior to the planned move from the displacement property.

- When the fixed payment claim is selected, a displaced business, farm, or nonprofit organization may not claim any other type of moving expenses.
- Not all displaced businesses, farms or nonprofit organizations will qualify for this type of payment. Check with the relocation assistance counselor for more details.

Section III: Advertising

The owner of any outdoor advertising display(s) is eligible for a relocation payment for actual moving and related expenses.

Types of Payments for Advertising Signs

Actual Costs

Actual reasonable moving expenses may be paid when the move is performed by a qualified mover (page 8). Claims for such expenses must be supported with itemized receipts or other verifiable evidence of the expense(s) incurred.

Self-Move

If you elect to take full responsibility for all or part of the move, TxDOT may approve a negotiated payment as described on page 17. Negotiated self-move payments must be approved by TxDOT prior to the start of the planned move.

- **Direct Loss of Personal Property Expenses**

This payment is based on the depreciated value of the sign in place as determined by TxDOT less the proceeds from its sale, or the estimated cost of moving the sign, but with no allowance for storage, whichever is the lesser amount.

or

- **Purchase of Substitute Personal Property**

This payment is based on the replacement cost of like-type sign less the sale/trade-in of current signs, or the estimated cost of moving the existing sign, but with no allowance for storage, whichever is the lesser amount.

Searching Expenses

Owners of displaced advertising signs are entitled to reimbursement for actual reasonable expenses incurred in searching for a replacement sign site (page 18), not to exceed \$2,500.

Caution

To assure eligibility and prompt payment for all moving expenses, you must provide TxDOT with advance written notice of the approximate date of the planned move and a sketch of the displaced sign showing its size (dimensions), number of poles, type of materials, lighting and advertisement.

Also, advertising signs that are moved to locations that do not conform with the highway beautification provisions of the Texas Litter Abatement Act will not be eligible for a relocation reimbursement.

Section IV: Relocation Services

Relocation Assistance Services

Any individual, family, business or farm displaced by a state highway or transportation program shall be offered relocation assistance services for the purpose of locating a suitable replacement property. Relocation services are provided by qualified personnel employed by TxDOT. These services are to help you successfully relocate. Relocation assistance agents are there to help and advise you; be sure to make full use of their services. Do not hesitate to ask questions to ensure you understand fully all of your rights and relocation benefits.

Personal Contact

A relocation assistance counselor will contact you personally. Relocation services and payments will be explained in accordance with your eligibility. During the initial interview, your housing needs and desires will be determined as well as your need for assistance. You cannot be required to move unless at least one comparable replacement dwelling is made available to you. When possible, comparable housing will be inspected prior to being made available to you to assure that it meets decent, safe and sanitary standards.

In addition, the relocation assistance counselor will give you current listings of other available replacement housing. Transportation will be provided to inspect available housing, especially if you are elderly or disabled. The department will also provide counseling or help you get assistance from other available sources to minimize hardships in adjusting to your new location. Information concerning other federal, state and local housing programs offering assistance is also available.

Business and Farm Assistance

The relocation assistance counselor will assist in locating commercial properties and farms. Steps will be taken to minimize economic harm and to increase the likelihood of relocating into the affected community. The counselor will also explore and provide advice about possible sources of funding and assistance from other local, state and federal agencies.

Social Services Provided by Other Agencies

Your relocation assistance counselor will be familiar with the services provided by other public and private agencies in your community. If you have special needs, the counselor will make every effort to secure the services of those agencies with trained personnel to help you. Make your needs known so you may receive the proper assistance.

Relocation Office

In addition to personal contacts by the relocation assistance counselor, TxDOT agency may establish a relocation office on or near a project where a considerable number of people are to be relocated. Project relocation offices are open during convenient hours, including evening hours when necessary.

The office maintains a variety of information concerning:

- Listings of available replacement properties
- Local housing ordinances building codes
- Social services
- Security deposits interest rates and terms
- Typical down payments
- Veterans Affairs (VA) and Federal Housing Administration (FHA) loan requirements
- Real property taxes
- Consumer education literature on housing

Visit your relocation office if one has been established. You will be more than welcome.

Relocation Advisory Assistance

Checklist

This checklist is a summary of the relocation advisory assistance you may reasonably expect to receive if you are displaced by a state highway or transportation project. In addition, TxDOT is required to coordinate its relocation activities with other agencies causing displacements to ensure that all persons displaced receive fair and consistent relocation benefits.

The relocation assistance counselor will personally interview persons displaced to:

- Determine needs and preferences
- Explain relocation benefits
- Offer assistance
- Offer transportation if necessary
- Assure the availability of a comparable residential property in advance of displacement
- Provide current listing of comparable properties
- Provide the amount of the replacement housing payment in writing
- Inspect residential dwellings for DSS acceptability
- Supply information on other federal and state programs offering assistance
- Provide counseling to minimize hardships

Section V: Claim for Payment

How Do I Obtain My Relocation Payment?

You must file a claim for reimbursement. The department will provide required claim forms, assist you in completing them and explain the documentation to submit to receive your relocation reimbursement. If the expenses that you must meet prior to your move cause a hardship, discuss your financial needs with TxDOT.

When Should I File My Claim?

You must have all your claims submitted to TxDOT no later than 18 months from the date you move, or are required to move. However, it is to your advantage to file as soon as possible after you move. The sooner you submit your claim, the sooner it can be processed and paid. If you are unable to file your claim within 18 months, TxDOT may extend this time period for good cause. The department is required to pay you promptly after you file an acceptable claim. If there is any question regarding your right to a relocation payment or the amount of the payment, you will be notified, in writing, of the problem and the action you may take to resolve the matter.

Duplicate Payments

No payment will be made under the Relocation Program if the displaced person is eligible to receive another payment provided by law that has substantially the same purpose and effect as the relocation payment.

Another Important Benefit

No Adverse Effects on:

Social Security Eligibility

Welfare Eligibility

Income Taxes

No relocation payment received will be considered as income for the purpose of the Internal Revenue Code or for determining eligibility or the extent of eligibility of any person for assistance under the Social Security Act or any other federal law.

Section VI: Right of Appeal

If you believe that TxDOT has failed to properly determine your eligibility, or the amount of a payment, you may appeal to TxDOT's Relocation Assistance Review Committee. Applications for appeal must be submitted in writing. TxDOT will assist you in filing an appeal and explain the procedures to follow. You will be given a prompt and full opportunity to be heard by the review committee. You have the right to be represented by legal counsel or other representative at your own expense.

The review committee will consider all pertinent justification and material submitted by you and other available information needed to ensure a fair review. The committee will provide a written determination resulting from the appeal with an explanation of the basis for the decision.

Section VII: Civil Rights

In accordance with Title VI of the Civil Rights Act of 1964 and related statutes, it is the policy of the department to ensure that no person shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination under any of our programs or activities on the grounds of race, religion (where the primary objective of the financial assistance is to provide employment. 42 U.S.C. §2000d-3), color, national origin, sex, age, retaliation or disability.

If you believe you have been discriminated against or your rights have been violated under any program or activity of the department, you may file a Title VI Discrimination Complaint.

The Title VI Discrimination Complaint Form can be obtained by:

- Visiting TxDOT's website at <http://www.txdot.gov/inside-txdot/office/civil-rights/contact.html>
- Contacting the Office of Civil Rights (866) 480-2518
- Visiting the Office of Civil Rights located at
200 E. Riverside Dr., 2nd floor, Austin Tx 78704

If you have questions about completing the form, contact the Office of Civil Rights at the number listed above. Upon request, assistance will be provided if you have limited English proficiency or are disabled. Complaints also may be filed using an alternative format, such as computer disk, audio tape or in braille. If you have a speech or hearing impairment, call Texas Relay at (800) 735-2988 or 711 for assistance.

The department's Office of Civil Rights will notify you when it receives your complaint.

INTRODUCTION

The Texas Department of Transportation is the organization that is responsible to you and millions of other Texans for planning, building and maintaining the state highway system and certain other public transportation facilities. In order to carry out these responsibilities, it is sometimes necessary for us to acquire right of way on new or existing locations. Since at least a portion of your property is required for right of way to improve the public transportation system in your community, we are providing you with this booklet to explain briefly your rights as a citizen as well as the procedure which will be followed in purchasing your property and to answer some of the questions that you probably have.

All of your questions regarding right of way matters will not likely be answered in this booklet, but perhaps the answers to a few of them will enable you to have a better understanding of the overall process. This booklet is offered for general information purposes only; it is not a document of law, rule or regulation. You will have an opportunity at a later date to discuss your individual case with a representative of our department and to ask any questions you may have. On the last page of this booklet you will find the name, telephone number and address of our representative.

This booklet applies only to those rights of way that are acquired for the state of Texas directly by the Texas Department of Transportation. Cities and counties also acquire rights of way for transportation projects.

PUBLIC NEED FOR PRIVATE PROPERTY

Perhaps the first questions that should be answered is “Why does the government have the right to acquire private property?” Our successful existence in a democracy requires the development of public services to improve our way of life. We would be handicapped greatly without lands upon which to carry out the activities of government. For example, there would be no lands for public schools, highways, public hospitals or other facilities necessary to our society. In short, a government cannot provide services to its citizens without the right to acquire land.

WHY YOUR PROPERTY IS NEEDED

More particularly, of course, you are concerned about the reasons why your property is needed. You may have attended a meeting or public hearing where the need and methods of project development were discussed. If so, you are already aware that the department uses a systematic approach to assess engineering conditions, beneficial and adverse social, economic, environmental and other effects of any project that is proposed. Projects are not selected arbitrarily. They are the result of cooperative efforts with proper local agencies, the study of alternatives and a balanced consideration of the need for safe and efficient public transportation. You may be sure that this process was followed on the particular project that involves your property.

Under our form of government, the rights of the individual are of paramount importance. Our laws guarantee these individual rights for all of us. However, our laws also recognize another principle, namely, the public good, which sometimes makes it necessary to resolve a difficult matter such as public acquisition of private property in favor of the majority for the good of all.

Every effort is made to reach a fair and equitable agreement in the purchase of all right of way needed for public transportation pur-

poses. It is hoped sincerely that when a highway project route and design have finally been determined, all citizens will agree that fair and equitable consideration has been given to the property owners involved and that the selected route is in the best interest of the general public.

CONTACT BY THE DEPARTMENT

“When will I know something definite?” This surely is one of the questions you will have. You will be contacted personally by one of our authorized representatives. However, this contact must be delayed until all preliminary requirements for highway project development have been met. In some instances, the time between that date you may have heard of a proposed project and the time you are actually contacted may seem unreasonable, but every effort is made to expedite the various planning, engineering, environmental, public hearing and approval steps so that purchase of right of way can begin at the earliest possible date.

COMPENSATION

You will, of course, want to know how much you will receive for your property. As a property owner, you have the constitutionally guaranteed right to receive just compensation for the property that will be purchased from you. Even though you have the right to receive such compensation, you may make a gift or donation of all or part of the property if you wish to do so. Where payment is to be made, the real property will be appraised to determine just compensation.

Our representative will contact you before any appraisal is made. A thorough investigation of your property will be made to determine its value in accordance with state law. You or your designated representative will be given an opportunity to accompany the appraiser who is evaluating the real estate during the inspection

of the property. Your cooperation and input will aid greatly in ensuring that nothing is overlooked which ought to be included in the appraisal of your property. All appraisals are carefully reviewed by the department to assure that proper appraisal principles and methods have been used to arrive at the value to be offered for your property.

As soon as the appraisal and appraisal review work can be completed, you will be provided a written offer in the amount of the total approved value. You will be provided a copy of the state's appraisal report and you should note that if you already have an appraisal report you are required to provide a copy of it to the state. If you decide to have a separate appraisal done, you are required to provide a copy of it to the state in accordance with the Texas Attorney General's Landowner's Bill of Rights, a copy of which will be provided to you. You will also be advised in the written offer concerning the possible option of retaining any building or other improvements located on the land needed for right of way. Where appropriate, the just compensation for the real property to be acquired and for compensable damages to remaining real property will be stated separately.

Your decision regarding the state's offer for your property needs to be made at the earliest possible time so that the completion of the acquisition process is not delayed. You can appreciate the fact that there is a definite time frame required for every aspect of the highway or transportation project that involves your property.

ADMINISTRATIVE SETTLEMENTS

An administrative settlement is any settlement which is in excess of the agency's approved value. If an agreement on the approved value cannot be reached, the owner may request an administrative settlement. The administrative settlement process is:

- 1) A timely written counteroffer is required and must include a property owner's signed proposal for full settlement setting forth a specific dollar amount with information to support the proposal.
- 2) The counteroffer will be reviewed by an evaluation team.
- 3) The property owner will be notified of the team's decision.
- 4) If an administrative settlement is not approved or if the property owner decides to reject an approved administrative settlement, a final offer letter will be issued at the original approved value.

If improvements are retained, the retention value will be subtracted from the total settlement amount.

DONATION OF RIGHT OF WAY

The donation or gift of all or a portion of your property that is needed for right of way is an option that you have. Obviously, the state funds that are saved if property is donated can be utilized for construction and/or other highway purposes. Donations can also help to expedite the letting of construction contracts and lead to an earlier completion of the project.

In situations where remaining property will be increased greatly in value by the construction of the highway or other transportation facility, the donation of right of way may be to your advantage as a property owner by making your property more suitable for timely development. There are undoubtedly other good and valid reasons for consideration to be given to the possibility of donation or the acceptance of reduced compensation. If you elect to donate your property, an appraisal will be made unless you elect to waive this option.

DAMAGES TO REMAINING PROPERTY

If you have a question about damages, you should know that in many cases highway construction will enhance rather than damage

remaining property. When only a portion of your property is needed, you will be offered an amount for damages only if the appraisal process indicates that your remaining property will have a lesser value after the highway is constructed. The amount established for damages, if any, will be stated separately and will also be included in the total offer made to you by the department.

RELOCATION OF IMPROVEMENTS

Many property owners would like to know if their house or buildings can be moved. If the state's offer for your property is acceptable, arrangements usually can be made for you to keep your house or buildings and move them to another location. Removal of such improvements is the owner's responsibility. Since each case is different, it is best that you discuss this with our authorized representative when you are contacted.

TIME ALLOWED FOR RELOCATION

"Will I have time to look for another home?" is another question that often arises. If your home is purchased, you will be paid the full consideration. Before you are required to move you will be given adequate time to find and buy another home using the proceeds from our purchase. You are not required to move until you receive a written notice and a date to vacate. To the greatest extent practicable you will be given at least 90 days written notice of the date by which you must move. This applies not only to homes but also to all properties where a property owner relocates to a new property or moves retained buildings, fences or other improvements to remaining property.

PROPERTY ADJUSTMENT WORK

Some property owners ask "Will I have time to fence or do other work on my remaining property?" Every effort will be made to make the offer of purchase sufficiently in advance of construction to allow

time for necessary property adjustment work. Examples of property adjustment work are the building of fences along the right of way lines, the construction of new watering facilities for livestock, the removal of any buildings or other improvements which an owner desires to keep from the right of way area being purchased and their reestablishment elsewhere and the adjustment of water lines and similar facilities which are necessary to continued best use of the remaining property.

FARMING OF CROPS

If crops have been planted, the offer to purchase will usually be based on your retaining a right to harvest crops in the ground, with the understanding that after closing the transaction no new crops will be planted. An exception to this procedure is when construction is so imminent that it is not possible to allow time for the harvesting of existing crops. In that case our offer to you will include payment for the existing crops based on the value of such crops at the time of the offer.

MORTGAGES

ABOUT YOUR MORTGAGE

As is the case in the handling of any other real estate transaction, payments must be made to satisfy outstanding mortgages or liens. If only a portion of your property is being acquired, agreement must be reached with the mortgage or lien agency concerning payment requirements. If you were selling your property in a private real estate transaction and part or all of an outstanding mortgage had to be paid, many lending agencies would require a prepayment penalty. Since this sale is being made to the public, most lending agencies, including the Federal Housing Administration, waive this requirement. However, some do not, and you should investigate this matter to determine whether or not such a penalty will have to be paid.

THE VA LOAN

The Veterans Administration recognizes that the sale of your property is not of your choosing. Under these circumstances, your loan privileges may be restored and made available for coverage of another property. The veteran must initiate this action.

SMALL BUSINESS LOAN

The Small Business Administration administers funds for loans for small businesses. You may wish to contact one of their offices to determine how to qualify for a loan.

INCOME TAXES

If your property is worth more today than when you bought it, you may be wondering about paying income tax on the difference when you sell to the public. The sale of property for public purposes comes under a class which the Internal Revenue Service designates as “involuntary conversion.” It may not be necessary to pay income tax or capital gains tax depending on how you reinvest your profit from the sale to the state. Any payment received for damages also may not be taxable. You are, therefore, urged to contact the Internal Revenue Service Office which serves your area or seek legal advice on these matters.

EMINENT DOMAIN PROCEEDINGS

Although a sincere and comprehensive effort is made to determine just compensation for the right of way required, including improvements and damages to any of your remaining property and the utilization of the administrative process, you may still not be satisfied and may refuse to sell. In other instances, the title to the land needed for right of way may be clouded to the extent that legal proceedings are necessary to effect transfer of clear title. In these and a few other cases, eminent domain proceedings have to be initiated by the state.

In eminent domain proceedings, the court will appoint three disinterested landowners to serve as Special Commissioners and a hearing will be held to determine the value of the property being acquired. The property owner will be notified of the time and place of the hearing. At this hearing, the Special Commissioners will listen to the evidence of value and arrive at an award that will be filed with the court. A deposit in the amount of the award may be made with the court at which time the state will be entitled to take possession of the property involved. After the deposit is made, the court must authorize withdrawal of the award. If either the property owner or the state is dissatisfied with the amount of the award, objections to the award may be filed within the time limits prescribed by law and the case subsequently tried in the same manner as other civil cases. The basic issue decided in eminent domain cases is the amount of just compensation for the property being acquired and, in the case of a partial acquisition, any damages to the value of your remaining property. For additional information on eminent domain procedures consult the Texas Attorney General's Landowner's Bill of Rights.

If any improvements are included in the property being acquired, they may not be retained by the property owner in eminent domain proceedings.

RELOCATION ASSISTANCE AND BENEFITS

In addition to payment for your property, you may be entitled to additional benefits. If you must move, you may be entitled to assistance in locating another home or business and financial assistance in the form of moving and related expenses. Such benefits, if any, are in addition to the state's offer for your property and are handled separately from the purchase of your real property. It is beyond the scope of this booklet to detail specific benefits; however, if you are eligible, your rights and benefits will be fully explained in detail. A separate relocation assistance booklet is available and you will be furnished with one if you have to move and/or your personal property has to be moved. If the needed right of way is occupied

by a home, business or any personal property, DO NOT MOVE UNTIL YOU HAVE BEEN CONTACTED BY A RELOCATION ASSISTANCE COUNSELOR AND HAVE ESTABLISHED ELIGIBILITY FOR POSSIBLE RELOCATION BENEFITS. MOVING PREMATURELY MAY RESULT IN FORFEITURE OF THESE BENEFITS.

INCIDENTAL EXPENSES

After the date of payment of the purchase price, or the date of deposit in court of funds to satisfy the award of compensation as determined through eminent domain proceedings to acquire real property, you will be reimbursed for any fair and reasonable expenses necessarily incurred in transferring title to the property for use by the Texas Department of Transportation. Expenses eligible for reimbursement may include (1) recording fees, transfer taxes and similar expenses incidental to conveying the real property to the department and (2) penalty costs for prepayment of any preexisting recorded mortgage entered into in good faith encumbering the real property. Voluntary unnecessary expenses or expenses incurred in clearing questionable title will not be eligible for reimbursement. The Texas Department of Transportation will reimburse eligible incidental expenses upon submission of a claim supported by receipted bills or other evidence of actual expenses incurred. You may file a written request for review if you believe that the department failed to properly determine the eligibility for or the amount of incidental expenses to be reimbursed. There is no standard form on which to request review of a claim; however, it must be filed with the department's district office for your area within three months after you are notified of the department's determination on any claim for reimbursement.

YOUR CIVIL RIGHTS

In accordance with Title VI of the Civil Rights Act of 1964 and related statutes, it is the policy of the department to ensure that no person in the United States of America shall, on the grounds of race, religion (where the primary objective of the financial assistance is to provide employment. 42 U.S.C. §2000d-3), color, national origin, sex, age, retaliation or disability be excluded from participation in, be denied the benefits of or be otherwise subjected to discrimination under any of our programs or activities.

If you believe you have been discriminated against or your rights have been violated under any program or activity of the department, you may file a Title VI Discrimination Complaint.

The Title VI Discrimination Complaint Form can be obtained by:

- Visiting TxDOT's website at <http://www.txdot.gov> and entering keywords "civil rights."
- Contacting the Office of Civil Rights 1-866-480-2518.
- Visiting, in person, the Office of Civil Rights located at 125 E. 11th Street, Austin, TX 78701.

If you have any questions regarding the completion of the form, you may contact the Office of Civil Rights at the number listed above. Upon request, assistance will be provided if you are limited English proficient or disabled. Complaints may be filed using an alternative format, e.g., computer disk, audio tape or in Braille. If you have a speech or hearing impairment, dial Texas Relay at 1-800/735-2988 or 711 for assistance.

The department's Office of Civil Rights will notify you when it receives your complaint.

CONCLUSION

Your Texas Department of Transportation sincerely hopes that the purchase of your property can be accomplished to your satisfaction with an absolute minimum of inconvenience to you. We will be more than happy to assist you in any way we can.
