The Texas Department of Transportation (TxDOT) will conduct a Public Meeting for the purpose of soliciting public comment on the proposed widening of US Highway (US) 67 from Belt Line Road to Interstate 20 (I-20), in Dallas County, Texas.

The US 67 project proposes the widening of the existing US 67 from a four-lane roadway to a six-lane roadway within the limits extending from Belt Line Road to I-20 in Dallas County, Texas. The proposed roadway for this section would consist of constructing one additional 12-foot travel lane (three 12-foot lanes in each direction) with a 10-foot outside shoulder and four-foot inside shoulder within the existing 300- to 400-foot right of way. Improvements would also include the addition of U-Turn bridges at Belt Line Road and Farm-to-Market (FM) 1382. The total project length of US 67 from Belt Line Road to I-20 is six miles. The proposed improvements would not require additional right-of-way or drainage easements. No residential or commercial property displacements or relocations would be required.

The Public Meeting will be held at **the Cedar Hill Recreation Center, 310 E Parkerville Road, Cedar Hill, Texas 75104 on Thursday April 21, 2016**. The meeting will be an Open House format between the hours of 5:00 pm and 7:00 pm with no formal presentation. Maps showing the proposed project's location and geometric design will be available for viewing during the Open House. This and other public information is also on file and available for public inspection at the TxDOT Dallas District Office located at 4777 East Highway 80, Mesquite, TX 75150.
