Study Area

FM 1378 STUDY LIMITS:

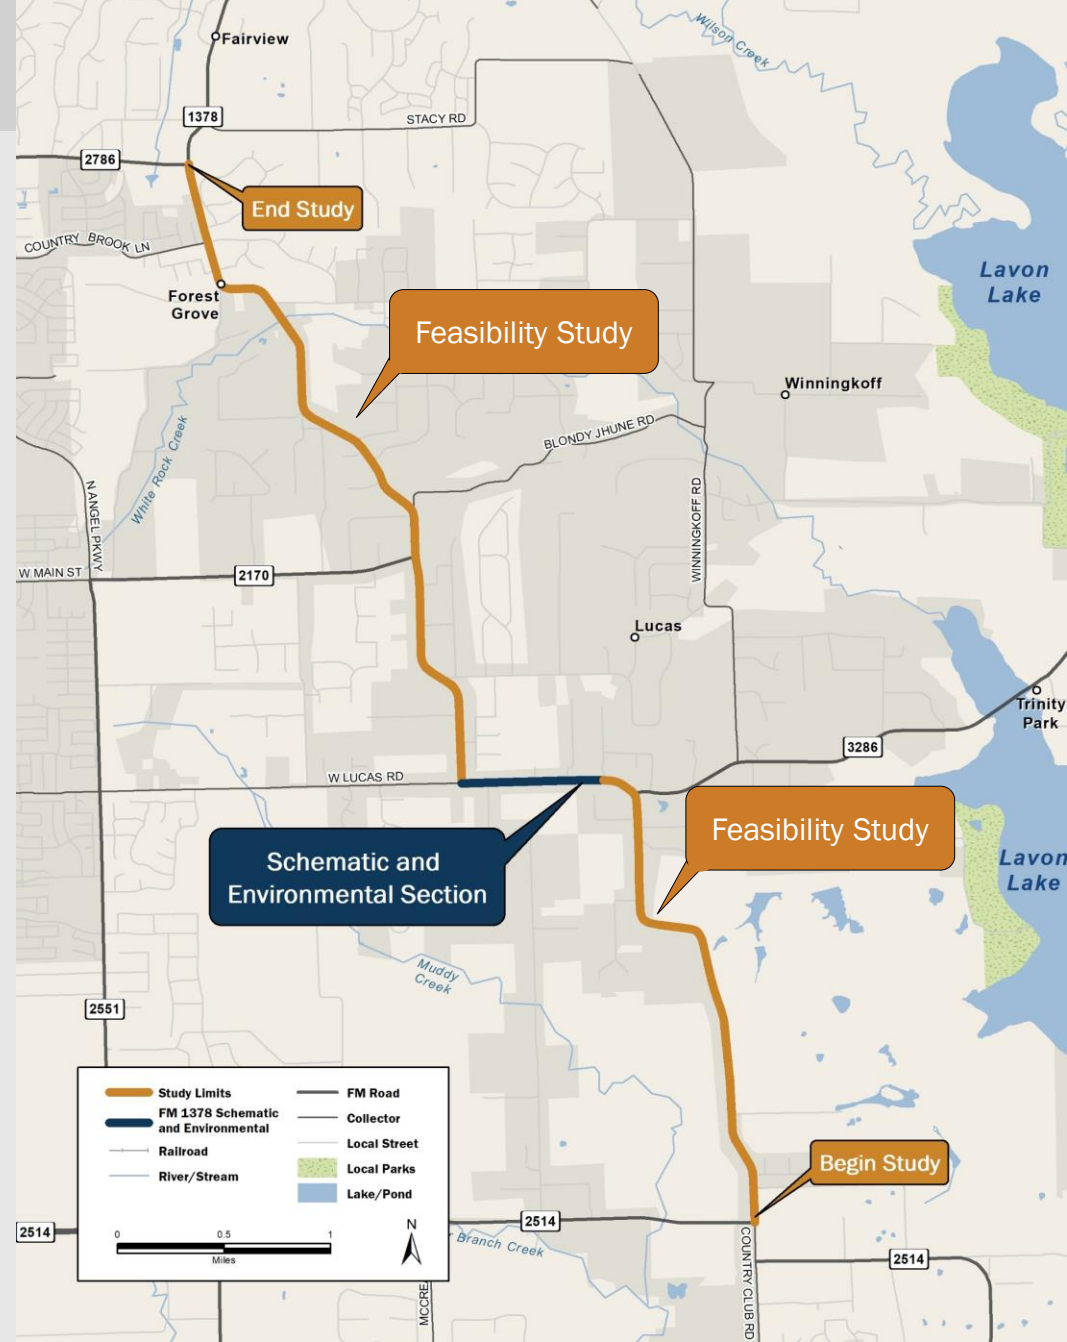

From FM 2514 (Parker Road)
to
FM 2786 (East Stacy Road)

STUDY LENGTH:

Approximately 6.4 miles

COUNTY:

Collin

Study Details

This public meeting will cover TxDOT's current efforts regarding FM 1378 that include:

1

Preparing a Feasibility Study to evaluate possibilities for widening and realigning FM 1378 from FM 2514 (Parker Road) north to FM 2786 (East Stacy Road) for a distance of approximately 6.4 miles.

Study Details Cont.

This public meeting will cover TxDOT's current efforts regarding FM 1378 that include:

2

After Feasibility Study, Schematic/Environmental will further progress the project from FM 3286 to West Lucas Road (0.8 miles).

Any widening done on this section of roadway will align with future plans for West Lucas Road and FM 3286.

Address roadway capacity and geometry for existing and future traffic

Address increased crashes along the corridor due to continued population growth

Provide safer access to adjacent properties

Balance regional and local needs (mobility vs. access)

Project Need:

The proposed project is needed to improve safety and meet future travel demands from projected population growth and traffic volumes.

Project Purpose:

The proposed project's purpose is to improve safety and mobility to accommodate for future traffic volumes.

Existing and Proposed Typical Section

Proposed Right-of-Way (ROW)

- Approximately 6.46 acres of new ROW would be required for the Schematic and Environmental section.
- Potential displacements include four residences and one non-residential structure.
- All ROW acquisition would be completed in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended.

Estimated Project Cost

Feasibility Study (north section) - \$57 million

Feasibility Study (south section) - \$31 million

**Schematic & Environmental –
Approximately \$15.3 million**

*Funding has not yet been identified. Costs are subject to change.

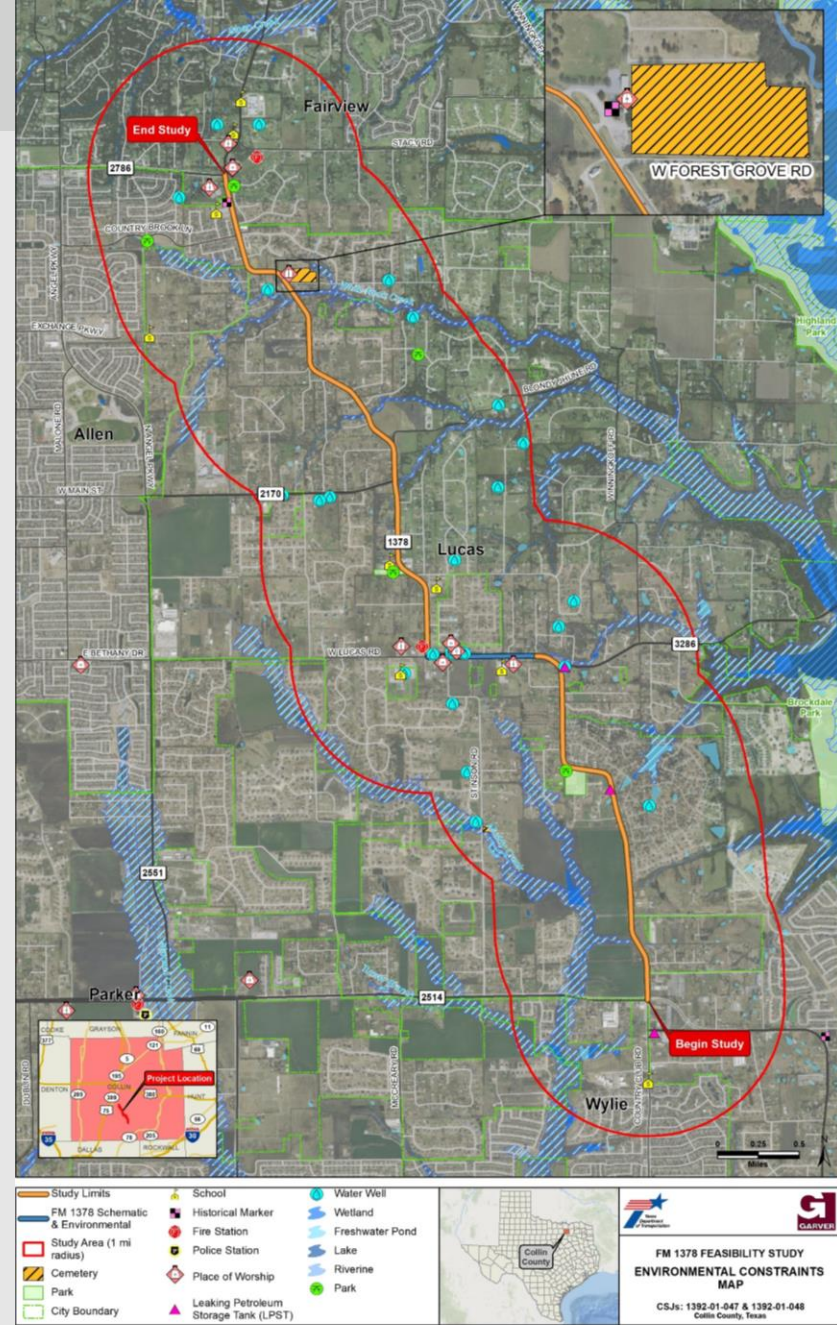

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated Dec. 9, 2019, and executed by FHWA and TxDOT.

La revisión ambiental, consultas y otras acciones requeridas por las leyes ambientales federales aplicables para este proyecto están siendo o han sido, llevado a cabo por TxDOT - en virtud de 23 U.S.C. 327 y un Memorando de Entendimiento fechado el 9 de dic. del 2019, y ejecutado por la FHWA y TxDOT.

Environmental Constraints

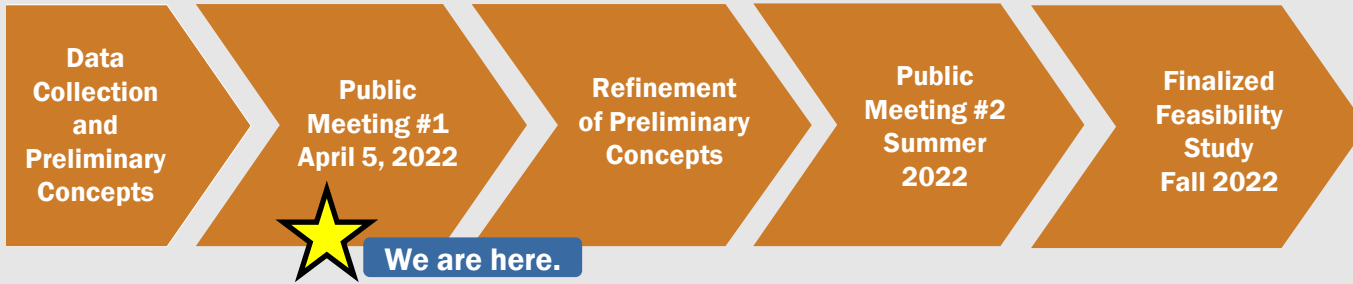

- Residents
- Businesses
- Waterways
- Schools
- Cemetery
- Faith Based Organizations
- Historical Markers
- 100-year Floodplain
- HazMat Sites
- Parks
- Fire Stations
