

## Notice of Virtual Public Meeting with In-Person Option

### Farm-to-Market Road (FM) 455 FEASIBILITY STUDY

#### From Shady Brook Lane to US 75

**Project ID: A00210773**

#### **Collin County, Texas**

Texas Department of Transportation (TxDOT) is conducting a feasibility study for a new location 6-lane arterial from Shady Brook Lane to US 75 in Collin County, Texas. This notice advises the public that TxDOT will be conducting an online virtual public meeting on the proposed project with an in-person option. **The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online by Tuesday, April 21, 2026 at 5:00 p.m. and will remain online for at least 15 days.** To view the virtual public meeting, go to the following web address at the date and time indicated above:

<https://www.keepitmovingdallas.com/projects/fm-roads/fm455>

If you do not have internet access, you may call (214) 320-4469 between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, to ask questions and access project materials during the project development process.

Additionally, TxDOT is providing an in-person option for individuals who would like to participate in person instead of online. The in-person option will be held in an open house format. In-person attendees will be able to view the same presentation delivered in the online public meeting which will be playing on a screen, review hard copies of project materials, ask questions of TxDOT staff and or consultants, and leave written comments. **The in-person option will be held on Tuesday, April 21, 2026, from 5:00 p.m. to 7:00 p.m. at The Springs (Stone Hall) 2600 Hitching Post Trail, Anna, TX 75409.**

The purpose of the feasibility study is to analyze potential roadway alternatives to FM 455 between Shady Brook Lane and US 75 including improving an existing alignment or developing new alignments. The proposed study could potentially result in projects that require additional right of way and include construction in wetlands and an action in a floodplain. The study area is within the city of Weston and the City of Anna.

Any environmental documentation or studies, any maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection by appointment Monday through Friday between the hours of 8 a.m. and 5 p.m. at the TxDOT Dallas District Office located at 4777 E. Highway 80, Mesquite, Texas 75150.

The virtual public meeting and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact the TxDOT Public Information Office at (214) 320-4480 no later than 4 p.m. CT, April 15, 2026. Please be aware that advance notice is required as some services and accommodations may require time for the Texas Department of Transportation to arrange.

*La reunión pública se llevará a cabo en inglés. Si usted necesita un intérprete o un traductor de documentos porque su idioma principal no es el inglés o tiene alguna dificultad para comunicarse eficazmente en inglés, se le proporcionará uno. Si usted tiene alguna discapacidad y necesita ayuda, se pueden hacer arreglos especiales para atender la mayoría de las necesidades. Si usted necesita servicios de interpretación o traducción o usted es una persona con alguna discapacidad que requiera una adaptación para asistir a y participar en La reunión pública, por favor póngase en contacto con la Oficina de Información al Público del Distrito de Dallas de TxDOT al número (214) 320-4480 a más tardar a las 4:00 p.m. hora central, 15 de abril de 2026. Por favor sepa que es necesario dar aviso con anticipación, ya que algunos servicios y adaptaciones pueden requerir tiempo para que TxDOT los organice.*

Written comments from the public regarding the feasibility study are requested and may be submitted by mail to the TxDOT Dallas District Office, 4777 E. Highway 80, Mesquite, Texas 75150. Written comments may also be submitted by email to [Stephen.Endres@txdot.gov](mailto:Stephen.Endres@txdot.gov). All comments must be received on or before May 6, 2026.

Responses to comments received will be available online at the study website once they have been prepared.

If you have any general questions regarding the feasibility study or virtual meeting or in-person option, please contact Stephen Endres, P.E. (214) 320-4469, and [Stephen.Endres@txdot.gov](mailto:Stephen.Endres@txdot.gov).

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated July 17, 2025, and executed by FHWA and TxDOT.
