Opening Remarks

Chair, RHCA

CIP Overview

Connor VanSteenberg
North Texas Area Manager,
AGC of Texas

Cooperative Inclusion Plan (CIP)

WHAT IS (CIP)?

- The Cooperative Inclusion Plan (CIP) is a comprehensive approach to addressing the shortage of disadvantaged, minority, women, and small businesses and historically underutilized businesses (D/M/W/SBE and HUB) firms in heavy highway contracting.
- The CIP Team holds free workshops/trainings, open to the public for contractors and consultants who perform work in the heavy highway construction industry. The target audiences are minority contractors, consultants and providers of goods and services from the heavy highway construction industry.

SIX (5) CIP PARTNERS

- Asian American Contractors Association of Texas (AACATX)
- Associated General Contractors of Texas (AGC)
- North Texas Tollway Authority (NTTA)
- Regional Hispanic Contractors Association (RHCA)
- Texas Department of Transportation (TxDOT)

CIP GOALS

- Expand pool of qualified D/M/SBE and HUB Firms certified to perform heavy highway construction.
- Increase dollars spending with local D/M/W/SBE and HUB Firms in heavy highway construction.
- Grow bonding capacity of D/M/W/SBE and HUB Firms.
- Increase number of D/M/W/SBE and HUB Firms serving in prime roles.
