Virtual Public Meeting
PROPOSED IMPROVEMENTS TO FARM-TO-MARKET ROAD (FM) 407
From west of FM 156 to FM 1830
Denton County, Texas
CSJ: 1310-01-045

The Texas Department of Transportation (TxDOT) is conducting a Feasibility Study for potential improvements to FM 407 from west of FM 156 to FM 1830 in Denton County, Texas. This notice advises the public that TxDOT will be conducting an on-line virtual public meeting on the proposed project. **The virtual meeting will be held on Thursday, July 30, 2020 at 6:00 p.m.** To log onto the virtual public meeting, go to www.keepitmovingdallas.com/FM407FS at the date and time indicated above. Project staff will give a presentation regarding the project. The presentation will be a pre-recorded video and will include both audio and visual components. **Please note that the meeting materials will not be available on the project website until the time and date listed above.** If you do not have internet access, you may call (214) 320-4469 between 8 a.m. and 5 p.m. to ask questions about the project and access project materials at any time during the project development process. Members of the public may call (469) 333-0439 to provide verbal testimony immediately following the conclusion of the virtual public meeting presentation at 6 p.m. on July 30, 2020 through 11:59 p.m. on August 14, 2020. Formal comments may be provided by mail or email as explained below. All verbally provided testimony and timely written comments will be considered by TxDOT and included as part of the official record.

The purpose of the feasibility study is to analyze potential roadway options to improve FM 407, including improving the existing alignment or utilizing new alignments. Alignment options could require additional right-of-way to accommodate the project.

Any environmental documentation or studies, maps and drawings showing the project location and design, tentative schedules, and other information regarding the proposed project are available online at www.keepitmovingdallas.com/FM407FS.

TxDOT makes every reasonable effort to accommodate the needs of the public. The virtual public meeting will be in English. If you have a special communication accommodation or need for an interpreter, a request can be made. If you have a disability and need assistance, special arrangements can also be made to accommodate most needs. Please call (214) 320-4480 no later than Tuesday, July 28, 2020. Please be aware that advance notice is requested as some accommodations may require time for TxDOT to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Dallas District Office, Attention: Stephen Endres, P.E., 477 E. Highway 80, Mesquite, TX 75150 or via email to Stephen.Endres@txdot.gov. Additionally, as stated above, members of the public may call (469) 333-0439 and verbally provide testimony. Responses to comments received will be available online at the project website once they have been prepared. **All comments must be received on or before August 14, 2020.**

If you have any general questions or concerns regarding the proposed project or the virtual meeting, please contact Stephen Endres, P.E., TxDOT Project Manager, at (214) 320-4469 or by email at Stephen.Endres@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.
