Virtual Public Meeting

Jan. 25, 2022

Jan. 25, 2022

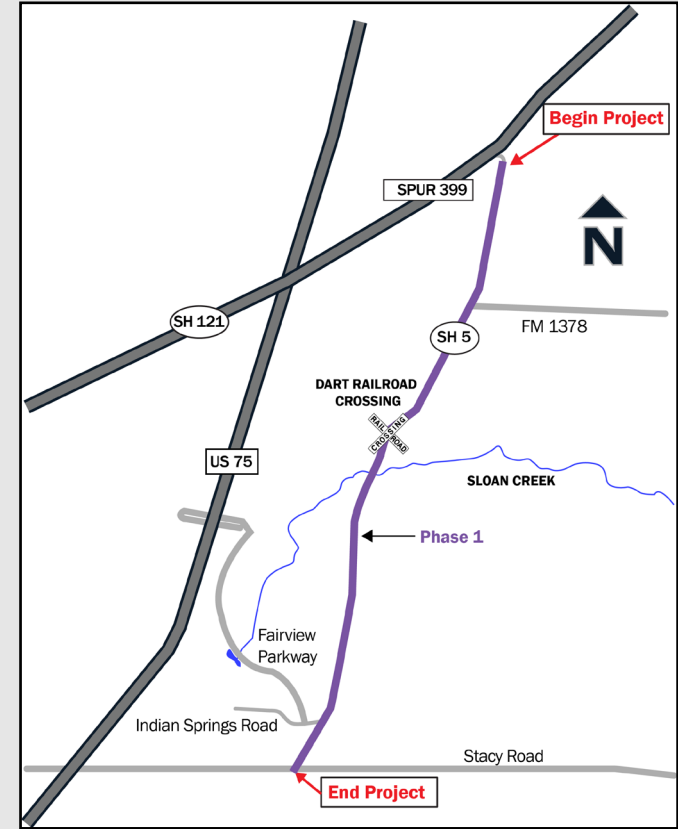

- Inform the public of project status and present recommendations.
- Describe the project so the public can determine how they may be affected.
- Provide the public an opportunity to provide input.
- Develop a record of public participation.

Project Description – Phase 1

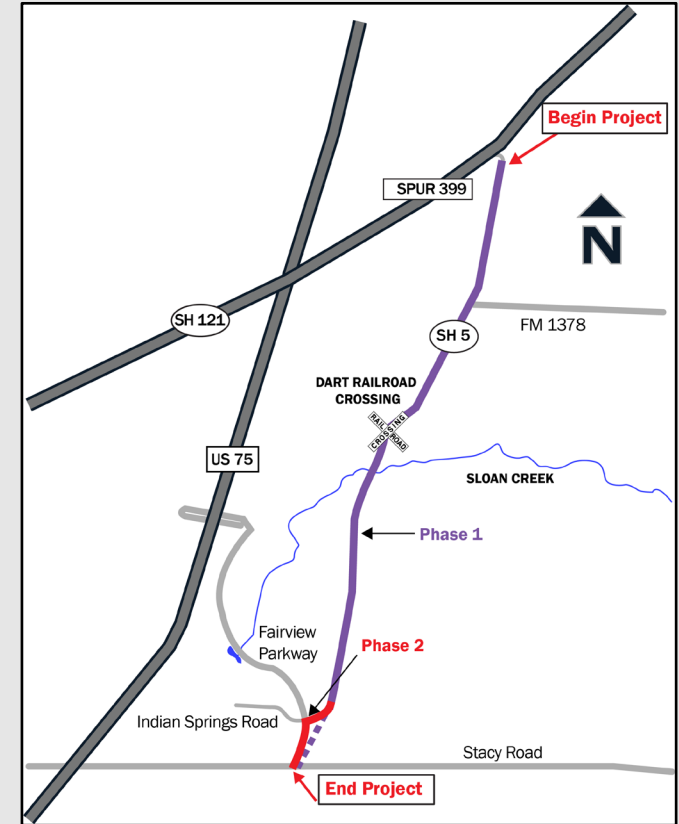

- **Project Description:** The SH 5 project limits extend 2.67 miles from FM 2786 (Stacy Road) to Spur 399 in Collin County, TX.
- This project will be constructed in two phases.
 - **Phase 1** would include:
 - Widening SH 5 from Stacy Road to Spur 399 from a two-lane undivided rural roadway to a four-lane divided urban roadway.
 - Adding a shared-use path on both sides.

Project Description – Phase 2

— Phase 2 would include:

- Realigning SH 5 to intersect at Fairview Parkway and Indian Springs Road.
- Extending Fairview Parkway south to Stacy Road and widening to six lanes.
- Improving the intersection at Stacy Road by adding dual left turn lanes and a right turn lane.
- Demolishing the four-lane roadway from Stacy Road to Indian Springs Road that was built during Phase 1.

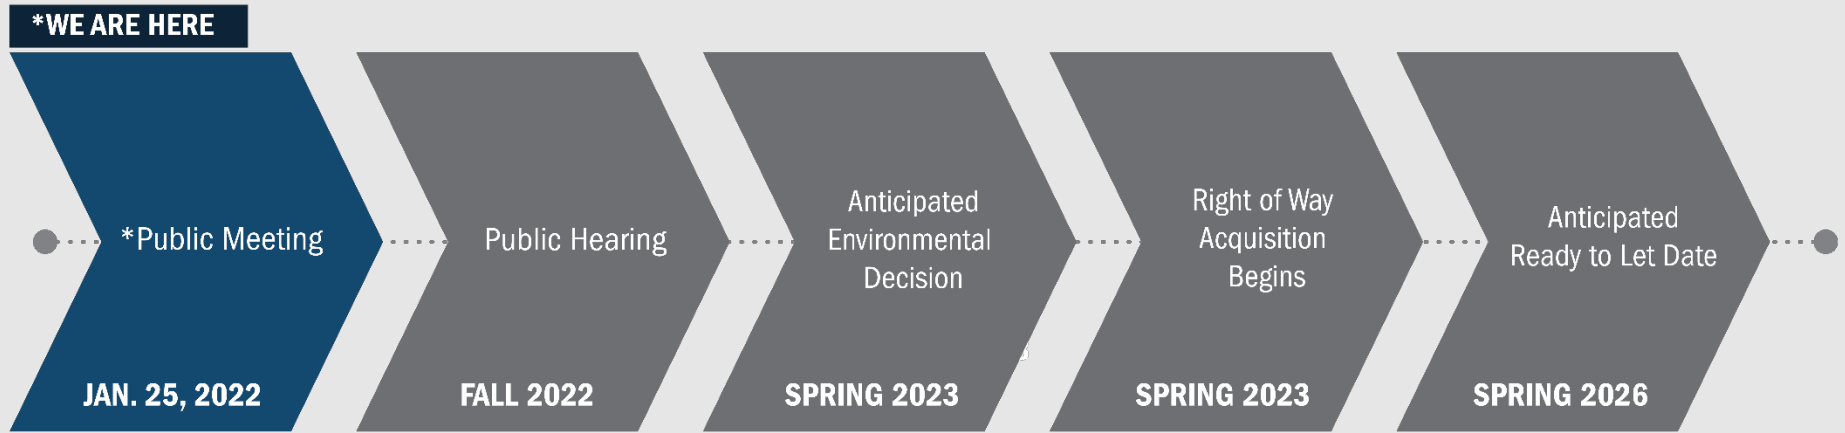

- **Right of Way:**

- Existing right of way width varies from 66 to 172 feet.
- Proposed right of way width for the project varies from 116 to 172 feet.

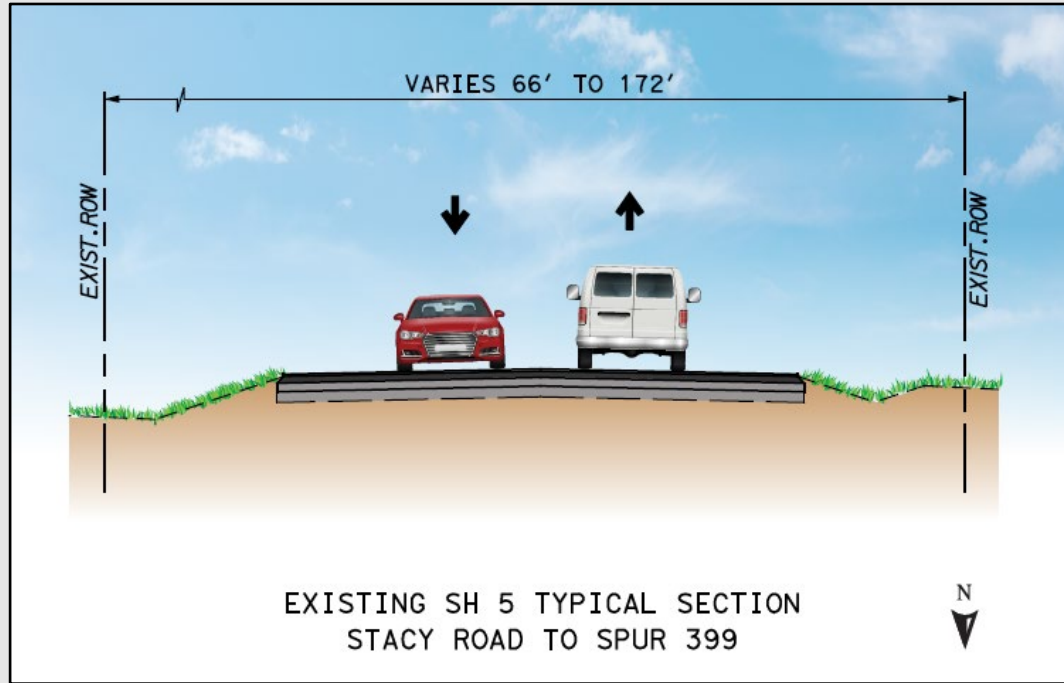

- **Displacements:**

- The proposed project would potentially displace one residential structure and two non-residential structures.

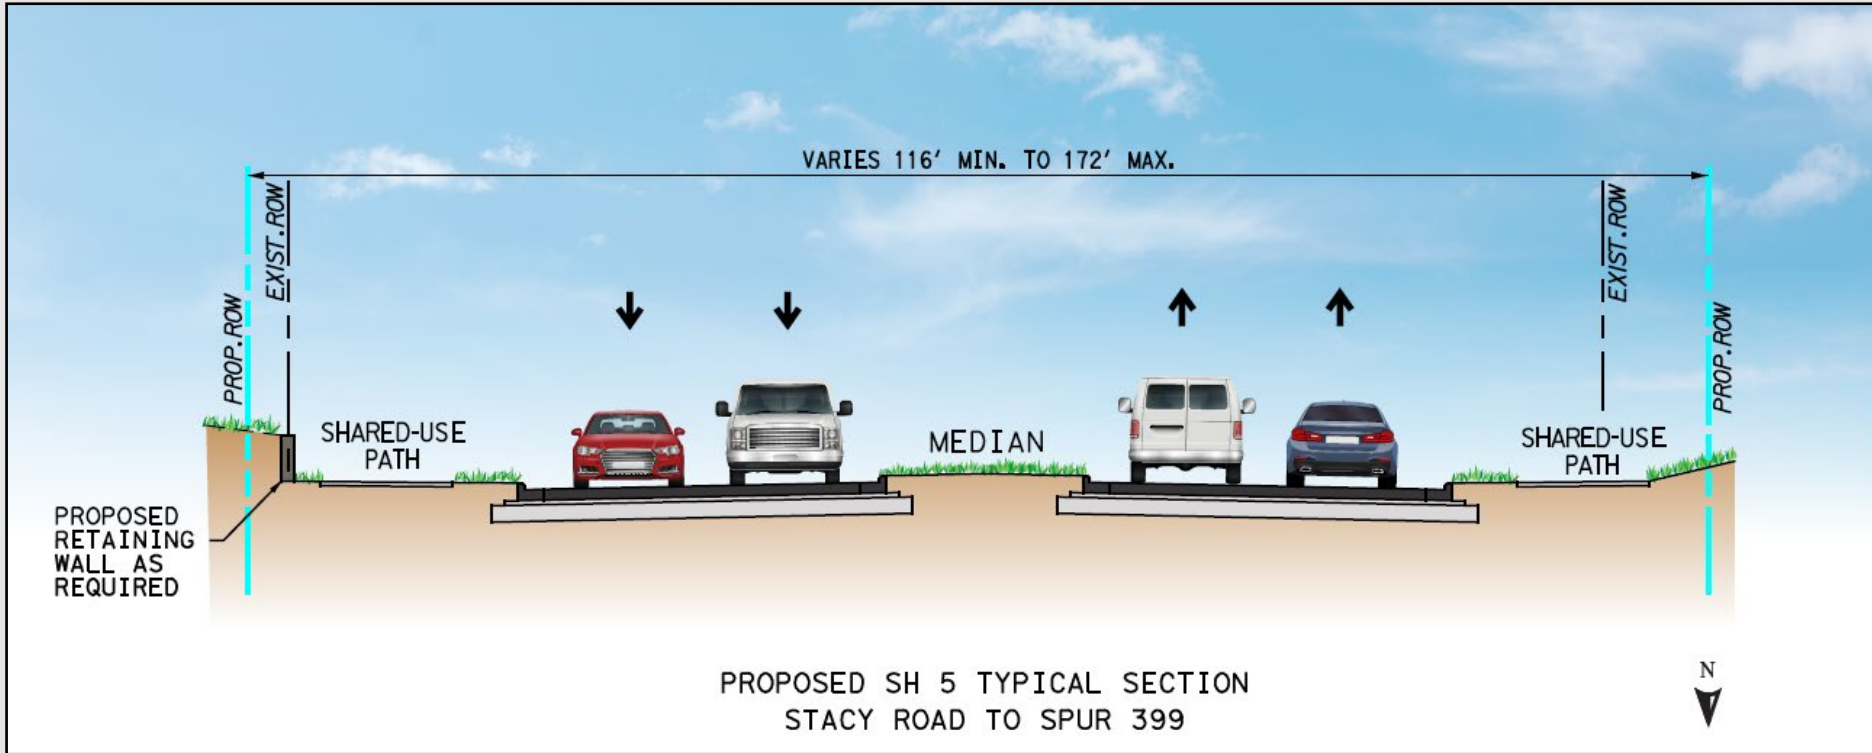

*Preliminary and subject to change based on funding.
Project cost is approximately \$50 million and is not currently funded for construction.*
