

Proposed FM 1171- Urbanized Section

- Six 12-foot-wide lanes with a median with curbs
- 10-foot-wide shared-use path
- Turn lanes would be constructed at various locations
- There are two urban sections. One section would connect to the existing FM 1171 and continue west and stop shortly after the Quail Creek Shooting Range. The other section begins approximately 1,100 feet east of FM 156
