

Documentation of Public Meeting

Project Location

Rockwall County

FM 551

CSJ: 1016-01-032

Project Limits

From SH 276 to SH 66

Meeting Location

Fate City Hall

1900 CD Boren Parkway, Fate, TX 75087

Meeting Date and Time

In Person: Monday, Dec. 11, 2023 at 5:30 p.m. to 7:30 p.m.

Virtual: Monday, Dec. 11, 2023 at 5:30 p.m. through Thursday, Dec. 19, 2023 at 11:59 p.m.

Translation Services

Spanish

Presenters

Pre-recorded Video Presentation

Elected Officials in Attendance

John Stacy, Rockwall County Commissioner, Precinct 4

David Billings, Mayor, City of Fate

Heather Beuegeler, City of Fate Council Member, Place 1

Mark Harper, City of Fate Council Member, Place 2

Scott Kelley, City of Fate Council Member, Place 3

Allen Robbins, City of Fate Council Member, Place 4

Lance Megyesi, City of Fate Council Member, Place 6

Lyle Lombard, Director, Public Safety

Total Number of Attendees (approx.)

In Person Attendees: 48

Virtual Public Meeting Video Views: 42

Total Number of Commenters

Public Meeting: FM 551, Rockwall County, Texas
CSJ: 1016-01-032

Comment Number	Commenter Name	Date Received	Source	Comment Topic	Response
1	Daniel Ledford	12/11/2023	Public Meeting Comment Box	At 24 and 25, you have a church on the west side. It would be a good idea to put a turning lane in the median. The church seats 300. When it is full and all the cars come out around the same time, you will have major traffic problems with 150 cars making U-turns. Thank you. Also, you might provide better pens next time.	Comment noted. The final location of median openings and turn lanes are determined during final design.
2	Javier Serna	12/11/2023	Public Meeting Comment Box	<p>Cuantos pies van a tomar yuanto van a pagar por los pies kusen?</p> <p><i>Translation: How many feet are they going to take and how much are they going to pay for the feet they take?</i></p>	<p>Según el esquema mostrado en la reunión pública, se adquirirían aproximadamente de 60 a 70 pies de esta propiedad; sin embargo, el esquema aún se encuentra en la fase de diseño y está sujeto a cambios hasta que se apruebe el diseño final. Después de la autorización ambiental y una vez finalizados los diseños, su propiedad será evaluada para determinar una compensación justa. Se realizará una investigación exhaustiva de su propiedad para determinar su valor de acuerdo con la ley estatal. Su cooperación y aportes serán de gran ayuda para garantizar que no se pase por alto nada que deba incluirse en la evaluación de su propiedad. Tan pronto como se complete la evaluación, se le proporcionará una oferta por escrito por el monto del valor total aprobado. Puede encontrar un folleto en español sobre la adquisición de derecho de vía (ROW) aquí.</p> <p>https://www.keepitmovingdallas.com/sites/default/files/docs/State%20Purchase%20of%20ROW%20-%20Spanish_7.pdf</p> <p><i>Translation: Based on the schematic shown at the public meeting, approximately 60 to 70 feet would be acquired from this property; however, the schematic is still in design phase and is subject to change until final design is approved. After environmental clearance and once designs have been finalized, your property will be appraised to determine just compensation. A thorough investigation of your property will be made to determine its value in accordance with state law. Your cooperation and input will aid greatly in ensuring that nothing is overlooked which ought to</i></p>

Public Meeting: FM 551, Rockwall County, Texas

					<p>be included in the appraisal of your property. As soon as the appraisal is completed, you will be provided a written offer in the amount of the total approved value. A Spanish language brochure on ROW acquisition can be found here: https://www.keepitmovingdallas.com/sites/default/files/docs/State%20Purchase%20of%20ROW%20-%20Spanish_7.pdf</p>
3	Javier Serna Zuniga	12/11/2023	Public Meeting Comment Box	<p>Tege la propiedad 166 Burkett ya reylene de tierra hice puente para el canal. Y pienso hacer una taller de negocio en la horilla y se me quitan 60 pies me va quedar muy chico el sorar porque no ponen el drenaje de sanitario si van ampliar y porque no entuban el canal qe afecta.</p> <p><i>Translation: I have the property at 166 Burkett and I filled in with dirt and made a bridge for the canal. I plan on putting a business shop on the corner and if you take 60 feet it's going to leave it small. Why don't you install sanitary sewer if you're going to widen and why don't you pipe the canal that it affects.</i></p>	<p>Como resultado de la ampliación de la carretera, será necesario modificar el sistema de drenaje existente para la carretera FM 551 actual para acomodar la carretera FM 551 propuesta. Como resultado, será necesario reconstruir todas las intersecciones y accesos; las alcantarillas de acceso y las alcantarillas existentes se modificarán o reconstruirán para adaptarse al perfil de la carretera propuesta. La alcantarilla debajo de la intersección Burkett de FM 551 será reemplazada ya que se reconstruirá ese camino de entrada. El ancho del derecho de vía (ROW) en esa área está determinado por la nivelación necesaria para proporcionar un drenaje adecuado de la carretera. Durante la fase de diseño detallado, la nivelación del área de drenaje podría ser menor que la propuesta en el esquema. Puede encontrar un folleto en español sobre la adquisición de derecho de via (ROW) aquí. https://www.keepitmovingdallas.com/sites/default/files/docs/State%20Purchase%20of%20ROW%20-%20Spanish_7.pdf</p> <p><i>Translation: As a result of widening of the roadway, the existing drainage system for the current FM 551 roadway will need to be modified to accommodate the proposed FM 551 road. All intersections and driveways will need to be reconstructed as a result, driveway culverts and existing culverts will be modified or reconstructed to fit the proposed roadway profile. The culvert under the Burkett intersection of FM 551 will be replaced since that driveway will be reconstructed. The ROW width in that is area is determined by the grading needed to provide adequate drainage of the roadway. During</i></p>

					<p>the detailed design phase, the grading for drainage area could be less than what is proposed on the schematic. A Spanish language brochure on ROW acquisition can be found here: https://www.keepitmovingdallas.com/sites/default/files/docs/State%20Purchase%20of%20ROW%20-%20Spanish_7.pdf</p>
4	Beverly G Bouknight	12/11/2023	Public Meeting Comment Box	Me and I did do not want this to happen and I like it better with only us!!! This is a [full] no!! Ryder [said] do not let them do this!!! We like it better with [it as normal]. Thank you. We do not like dis.	Comment noted.
5	Beverly Rager Bouknight	12/11/2023	Public Meeting Comment Box	<p>My husband and I have lived in our home since 2003. We own 3 sets of property that is affected by the widening of 551. Below are concerns.</p> <ol style="list-style-type: none"> 1. Our driveway is already at an unbearable pitch. Some delivery trucks cannot deliver due to the steep pitch. Every time the road has been repaired they add asphalt which furthers the pitch. 2. The right of way will come too far on to our property and take out our mature trees but most of all it will come too close to our front door. We have a 7 yr old! 	<p>Comment noted.</p> <ol style="list-style-type: none"> 1. The proposed project would include reconstructing this driveway to meet the current TxDOT design standards. 2. As the design is progressed, the proposed ROW needed for project construction, as well as impacts to trees, will be minimized to the greatest extent possible. <p>Additional details about the ROW acquisition process can be found here: https://www.keepitmovingdallas.com/sites/default/files/docs/State%20Purchase%20of%20ROW%20-%20English.pdf</p>
6	Susan Gamet	12/11/2023	Public Meeting Comment Box	Please find a solution for 66/ S. Crawford	Comment noted. The intersection of SH 66 and S. Crawford Aveue (FM 551) is outside of the proposed project limits.
7	Paul Kirk Bouknight	12/11/2023	Public Meeting Comment Box	The proposed finished elevation of the road is higher than the existing road. Due to numerous resurfacing projects the pitch of my driveway has greatly increased since we bought the property. The project as designed will shorten the approach and increase elevation which will make my driveway almost unusable. The proposed R.O.W. is way too close to my house.	The proposed project would include reconstructing this driveway to meet the current TxDOT design standards. As the design is progressed, the proposed ROW needed for project construction will be minimized to the greatest extent possible.
8	Mark Rose	12/11/2023	Public Meeting Comment Box	Will someone please consider moving the county garage buildings further back into their current property? The 3 homes across the street are losing over 1/2 their current front yards!! I pray someone will reconsider the proposed R.O.W. in front of 16230 and 16232 to lessen the immense loss of front yards. I'm	Comment noted. As the design is progressed, the proposed ROW needed for project construction will be minimized to the greatest extent possible.

Public Meeting: FM 551, Rockwall County, Texas
CSJ: 1016-01-032

Comment Number	Commenter Name	Date Received	Source	Comment Topic	Response
				sure the County can sustain a move of their buildings deeper into their land.	
9	Allen Robbins	12/11/2023	Public Meeting Comment Box	Start Chamberlain to I-30 first Add on later	Comment noted. The proposed project includes widening FM 551 from State Highway (SH) 276 to SH 66 including Chamberlain Drive north to I-30.
10	Mrs. Roxanne Shenefield	12/11/2023	Online	This is a terrible project!! You are suggesting to basically build roads into peoples driveways. There is NO ROOM for this expansion. New home buyers who bought paid PREMIUM PRICES to be far enough from the roads to avoid the noise will now have cars basically driving in our backyards!! And again THERE IS NO ROOM TO EXPAND the roads!! This is awful!!	Comment noted. As the design is progressed, the proposed ROW needed for project construction will be minimized to the greatest extent possible. A noise analysis will be conducted since this project adds capacity. If a noise wall is warranted, a noise wall workshop will be conducted for adjacent property owners to vote on a noise wall. The right of way is widened because the grading for the drainage of the roadway will need to be done in order to accommodate the proposed roadway. Additional details about the ROW acquisition process can be found here: https://www.keepitmovingdallas.com/sites/default/files/docs/State%20Purchase%20of%20ROW%20-%20English.pdf
11	Mark Rose	12/12/2023	Online	Regarding the FM551 expansion as it relates to the three homes immediately south of Eastridge Drive and the 3-4 homes immediately north of Eastridge Drive: Based on the currently proposed ROW, it appears that the state's ROW will land about 25-40' from our front doors! Not only are we facing a loss of land, we will eventually have front yards which are no longer suitable for child-play due to the close proximity of a 4-lane roadway, not to mention the incredible increase in road noise! Why on earth are those responsible for this plan not considering moving the entire ROW further west into county owned and empty land rather than destroying the front yards of 6-8 homes along the east side of FM551 near Eastridge Drive? This seems very suspicious. I pray it's an oversight. The logical priority for TXDOT as it expands roadways should be for land loss to be sustained by land-owners without an established house as much as humanly possible.	Comment noted. As the design is progressed, the proposed ROW needed for project construction will be minimized to the greatest extent possible. A traffic noise analysis will be conducted in accordance with TxDOT's Guidelines for Analysis and Abatement of Roadway Traffic Noise to determine noise impacts due to the roadway widening and the need for sound barriers as part of the environmental analysis. Additional details about the ROW acquisition process can be found here: https://www.keepitmovingdallas.com/sites/default/files/docs/State%20Purchase%20of%20ROW%20-%20English.pdf

Public Meeting: FM 551, Rockwall County, Texas
CSJ: 1016-01-032

Comment Number	Commenter Name	Date Received	Source	Comment Topic	Response
				Please reconsider the currently proposed ROW in this area and refrain from destroying the front yards of many home-owners!	
12	Jackson Hurst	12/12/2023	Online	I approve and support TxDOT's FM 551 from SH 276 to SH 66 Project. The aspect that I love about TxDOT's FM 551 from SH 276 to SH 66 Project is that FM-551 will be widened from 2 lanes to 4 lanes in each direction from TX-276 to TX-66, which will improve safety and reduce congestion in Rockwell County, TX.	Comment noted. Thanks for your support.
13	Karen Kiser	12/20/2023	Mail	<p>Thank you Rockwall County and TxDOT for this informative public meeting regarding FM 551. This state highway is vital to the City of Fate as it runs right through the heart of everything from SH 276 to SH 66. To go to and from most any location in Fate, we all end up traveling on FM 551, similar to the “farm to market” days. Just 27,000 of us now and growing. Traffic delays are common. We will try to be patient, but the issue of FM 551 comes up with every development proposal as an area of residents’ concern.</p> <p>This meeting was well staffed with knowledgeable professionals. I arrived with questions about timing and those questions were answered. I left with only one concern: will FM 551 be adequately funded in a timely manner. It must be! I have confidence that our excellent leadership at Rockwall County Commissioner’s Court, County Commissioner John Stacy, Judge Frank New, will accomplish that for Fate. Again, Thank you.</p>	Comment noted. This project is not currently funded and cannot let until funding is identified. The project is currently in the planning phase and is planned to be ready to let by 2028.
14	Virginia Harris	12/28/2023	Mail	I would like to ask that you not take any property on 138 Balfour Dr. It took us 50 years to buy the house and property. I have an oval rock flower bed in the backyard and I stay a lot in the backyard, not even a corner of it, please.	<p>Comment noted. Based on the current design, the oval rock flower bed in your backyard would not be impacted by the proposed project. As the design is progressed, the proposed ROW needed for project construction will be minimized to the greatest extent possible.</p> <p>Additional details about the ROW acquisition process can be found here: https://www.keepitmovingdallas.com/sites/default/files/docs/State%20Purchase%20of%20ROW%20-%20English.pdf</p>

B. Notices

Notice of Public Meeting
FM 551
From SH 276 to SH 66
CSJ: 1016-01-032
Rockwall County, Texas

Texas Department of Transportation (TxDOT) in partnership with Rockwall County is proposing widen and reconstruct Farm-to-Market (FM) 551 from State Highway (SH) 276 to SH 66 in Rockwall County, Texas. This notice advises the public that Rockwall County and TxDOT will be conducting an online virtual public meeting on the proposed project with an in-person option. **The same information will be available at both the in-person and virtual meetings.**

In-Person Meeting (Open House)

Monday, December 11, 2023
5:30 p.m. – 7:30 p.m.
Fate City Hall
1900 CD Boren Parkway, Fate, TX 75087

Virtual Meeting*

Monday, December 11, 2023 at 5:30 p.m. through
Thursday, December 28, 2023 at 11:59 p.m.
<https://www.keepitmovingdallas.com/projects/fm-roads/fm551>

*This is not a live event

The in-person meeting will begin at 5:30 p.m. and will be an open house format where the public may come and go at their convenience. Staff will be available to answer questions and take comments. The virtual meeting can be viewed Monday, December 11, 2023, starting at 5:30 p.m. through Thursday, December 28, 2023, at 11:59 p.m. Materials will be posted to the project website listed above and will consist of a pre-recorded video presentation that includes both audio and video components, along with other exhibits. The virtual public meeting is not a live event and the materials can be viewed at your convenience. If you do not have internet access, you may call (214) 320-6624 between the hours of 8 a.m. and 5 p.m. Monday through Friday, to ask questions and access project materials. Please note the materials will not be available until Monday, December 11, 2023, at 5:30 p.m.

The proposed improvements would widen 3.25 miles of FM 551 from SH 276 to SH 66. From SH 276 to I-30, FM 551 would be widened from two 11-foot-wide travel lanes to four 12-foot-wide travel lanes, separated by a grass median. From I-30 north to SH 66, FM 551 would be widened from two 11-foot-wide travel lanes to two 12-foot-wide travel lanes with a 14-foot-wide center turn lane. A 10-foot-wide shared use path for bicyclists and pedestrians would be constructed along both sides of the roadway.

The proposed project would, subject to final design considerations, require additional right of way (ROW) and potentially displace eight residences and three non-residential structures. Relocation assistance is available for displaced persons and businesses. Information about the TxDOT Relocation Assistance Program and services and benefits for those displaced and other affected property owners, as well as information about the tentative schedule for right-of-way acquisition and construction, can be obtained from the TxDOT ROW office by calling (214) 320-6675.

The proposed project would involve construction in wetlands and an action in a floodplain.

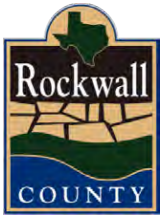

Any environmental documentation or studies, any maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at TxDOT Dallas District Office, 4777 East U.S. Highway 80, Mesquite, TX 75150. Project materials will also be available online at the project website. These materials will also be available in hard copy form for review at the in-person option.

The virtual public meeting and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact the TxDOT Dallas District Public Information Office at (214) 320-4480, no later than 4 p.m., Monday, December 4, 2023. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Dallas District Office, Attn: Kibru Andargie P.E., 4777 East U.S. Highway 80, Mesquite, TX 75150 or by email to Kibru.Andargie@txdot.gov. Verbal comments can be submitted by calling (469) 250-9063. All comments must be received on or before Thursday, December 28, 2023. Responses to comments received will be available online at the project website once they have been prepared.

If you have any general questions or concerns regarding the proposed project, virtual meeting or in-person option, please contact Kibru Andargie, Project Manager, by phone at (214) 320-6244 or email at Kibru.Andargie@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

Aviso de reunión pública
FM 551
De SH 276 a SH 66
CSJ: 1016-01-032
Condado de Rockwall, Texas

El Departamento de Transporte de Texas (TxDOT), en colaboración con el condado de Rockwall, está proponiendo ampliar y reconstruir la carretera Farm-to-Market (FM) 551 desde la carretera estatal (SH) 276 hasta la SH 66 en el condado de Rockwall, Texas. Este aviso informa al público que el Condado de Rockwall y TxDOT llevarán a cabo una reunión pública virtual en línea sobre el proyecto propuesto con una opción en persona. **La misma información estará disponible tanto en las reuniones presenciales como en las virtuales.**

Reunión en persona (Open House)

Lunes, 11 de diciembre del 2023
5:30 p.m. – 7:30 p.m.
Ayuntamiento de Fate
1900 CD Boren Parkway, Fate, TX 75087

Reunión virtual*

Lunes, 11 de diciembre del 2023 de 5:30 p.m. hasta
Jueves, 28 de diciembre del 2023 a las 11:59 p.m.
<https://www.keepitmovingdallas.com/projects/roads/fm551>

*Este no es un evento en vivo

La reunión en persona comenzará a las 5:30 p.m. y tendrá un formato de puertas abiertas donde el público podrá entrar y salir a su conveniencia. El personal del proyecto estará disponible para responder preguntas y recibir comentarios. La reunión virtual se podrá ver desde el lunes 11 de diciembre del 2023 a partir de las 5:30 p.m. hasta el jueves 28 de diciembre del 2023 a las 11:59 p.m. Los materiales se publicarán en el sitio web del proyecto mencionado anteriormente y consistirán en una presentación de video pregrabada que incluye componentes de audio y video, junto con otras exposiciones. La reunión pública virtual no es un evento en vivo y los materiales se pueden ver a su conveniencia. Si no tiene acceso a Internet, puede llamar al (214) 320-6624 entre las 8 a.m. y las 5 p.m. de lunes a viernes, para hacer preguntas y acceder a los materiales del proyecto. Tenga en cuenta que los materiales no estarán disponibles hasta el lunes 11 de diciembre del 2023, a las 5:30 p.m.

Las mejoras propuestas ampliarían 3.25 millas de FM 551 de SH 276 a SH 66. Desde la SH 276 hasta la I-30, la FM 551 se ampliaría de dos carriles principales de 11 pies de ancho a cuatro carriles principales de 12 pies de ancho, separados por una mediana de zacate. Desde la I-30 norte hasta la SH 66, la FM 551 se ampliaría de dos carriles principales de 11 pies de ancho a dos carriles principales de 12 pies de ancho con un carril central para dar vuelta de 14 pies de ancho. Se construiría un camino de uso compartido de 10 pies de ancho para ciclistas y peatones a lo largo de ambos lados de la carretera.

El proyecto propuesto, con sujeción a las consideraciones finales de diseño, requeriría un derecho de vía adicional (ROW) y podría desplazar a ocho residencias y tres estructuras que no son residenciales. La asistencia para la reubicación está disponible para las personas desplazadas y las empresas. La información sobre el Programa de Asistencia para la Reubicación de TxDOT y los servicios y beneficios para los desplazados y otros propietarios afectados, así como información sobre el calendario provisional para la adquisición y construcción del derecho de vía, se puede obtener en la oficina de TxDOT ROW llamando al (214) 320-6675.

El proyecto propuesto requeriría la construcción en humedales y en una llanura aluvial.

Cualquier documentación o estudios ambientales, mapas y dibujos que muestren la ubicación y el diseño del proyecto, los horarios de construcción provisionales y otra información relacionada con el proyecto propuesto están archivados y disponibles para inspección de lunes a viernes entre las 8 a.m. y las 5 p.m. en la Oficina del Distrito de Dallas de TxDOT, 4777 East U.S. Highway 80, Mesquite, TX 75150. Los materiales del proyecto también estarán disponibles en línea en el sitio web del proyecto. Estos materiales también estarán disponibles en forma impresa para su revisión en persona.

La reunión pública virtual y la opción presencial se llevarán a cabo en inglés. Si necesita un intérprete o traductor de documentos porque el inglés no es su idioma principal o tiene dificultades para comunicarse de manera efectiva en inglés, se le proporcionará uno. Si tiene una discapacidad y necesita ayuda, se pueden hacer arreglos especiales para satisfacer a la mayoría de las necesidades. Si necesita servicios de interpretación o traducción o es una persona con una discapacidad que requiere un acomodo para asistir y participar en la reunión pública virtual o en persona, comuníquese con la Oficina de Información Pública del Distrito de Dallas de TxDOT al (214) 320-4480, a más tardar a las 4 p.m., el lunes 4 de diciembre del 2023. Tenga en cuenta que se requiere aviso anticipado ya que algunos servicios pueden requerir tiempo para que TxDOT los organice.

Se solicitan comentarios del público sobre el proyecto propuesto y pueden enviarse por correo a la Oficina del Distrito de Dallas de TxDOT, Attn: Kibru Andargie P.E., 4777 East U.S. Highway 80, Mesquite, TX 75150 o por correo electrónico a Kibru.Andargie@txdot.gov. Los comentarios verbales pueden enviarse llamando a (469) 250-9063. Todos los comentarios deben recibirse a más tardar el jueves 28 de diciembre del 2023. Las respuestas a los comentarios recibidos estarán disponibles en línea en el sitio web del proyecto una vez que se hayan preparado.

Si tiene alguna pregunta o inquietud general con respecto al proyecto propuesto, la reunión virtual o la opción en persona, comuníquese con Kibru Andargie, Gerente de Proyectos, por teléfono al (214) 320-6244 o por correo electrónico al Kibru.Andargie@txdot.gov.

La revisión ambiental, la consulta y otras acciones requeridas por las leyes ambientales federales aplicables para este proyecto están siendo, o han sido, llevadas a cabo por TxDOT de conformidad con 23 U.S.C. 327 y un Memorando de Entendimiento con fecha del 9 de diciembre de 2019, y ejecutadas por FHWA y TxDOT.

Toys for Tots places donation drop-off sites throughout Roysse City

BY TRAVIS HAIRGROVE
HERALD-BANNER STAFF

Toys for Tots Hunt County has already been working hard for several weeks in its quest to help make Christmas a little brighter for area children in need.

Two weeks ago, the group received a pleasant surprise in the form of a generous donation of more than 800 toys from a single donor who wished to remain anonymous. However, Toys for Tots volunteers still have a long way to go to meet their goal of providing toys for about 4,000 children this year.

For this reason, Toys for Tots Hunt County has been planning multiple toy drives and other events.

Last weekend, with the help of the Grinch, Toys for Tots volunteers were at the Walmart in Roysse City for a "Fill the Trailer" event,

where they collected donations of new, unwrapped toys and bicycles.

Other events coming up for the charity are "Fill the Jeep" and a poker run.

Fill the Jeep is planned for Saturday, Dec 2 from noon to 5 p.m. at the Greenville Promenade (formerly the Crossroads Mall). The event will be hosted by the Hunt County Jeep Club, and in addition to collecting donations, live music will be performed by Jessica Teague.

The following week, on Saturday, Dec. 9, Toys for Tots Hunt County will have its poker run and toy drive at Hartline's Top

Tracer Golf and Sports Club at 3769 Interstate 30 Frontage Road in Campbell.

A poker run is a game in which motorcyclists ride to five different locations, where they collect a playing card at each stop. At the end of the game, the player with the best hand wins.

In the case of this poker run, half of the money raised through the registration fees will go to the winner and the other half will go to Toys for Tots Hunt County.

Registration for the poker run is to begin at 9 a.m. with the ride start-

ing at 10 a.m. The fee to play the poker game will be \$20.

In addition to the events, Toys for Tots Hunt County also has drop-off boxes for donations at several locations throughout Hunt County and Roysse City. Below, is a list of drop-off box locations in Roysse City:

- Rustic Royal Salon
- Luigi's Italian Cafe
- Arboledas Mexican Grill

- Beauty and the Beard Y'all
- Thymeless Home Boutique
- Anvil Brewing No. 2
- Southern Grace Boutique
- Main Street Emporium Ice Cream & Coffee
- Texas Farm Bureau
- Pappy's Express Car Wash
- Hair Junkie Salon/Boutique
- State Farm Insurance
- Roysse City Tri-County

Chamber of Commerce
• ELM's Dog Grooming
For more information about how to donate to Toys for Tots Hunt County or about getting a drop-off donation box at your business or office, call (469) 360-6300 or send an email to huntcountytexas.toysfortots.org.

NOTICE OF PUBLIC MEETING TO DISCUSS 2023 SCHOOL FIRST RATING

The Roysse City Independent School District will hold a public meeting at 7:00 pm, December 11, 2023, at the Ernest Epps Education Service Center, 810 Old Greenville Road, Roysse City, Texas 75189. **The purpose of this meeting is to discuss the school district's performance under the School FIRST (Financial Integrity Rating System of Texas).** A financial management report will be distributed and public participation in the discussion is invited.

GRANT

From Page A1

congregate center and offices. The new Senior Life Center will benefit active and homebound seniors and people with disabilities, as well as their caregivers.

Plans are underway for a 20,000-square foot facility at 1780 Airport Road near John King Boulevard that will provide easy access for active seniors, caregivers and volunteers. A commercial kitchen will not only provide daily hot meals for homebound seniors, it will also offer daily lunch service in the congregate center for active seniors and their families and caregivers.

The congregate center concept would include seating for large capacities and be available as a venue rental when not servicing clients.

Offices will be onsite for the MOWSS staff and dedicated spaces for area support agencies as needed for counseling and support services. The Senior Life Center will be a central hub for senior services and will be poised to support the expanding aging population in Rockwall County.

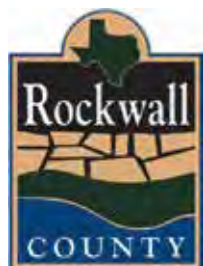

According to Margie VerHagen, the organization's executive director, recent challenges have resulted in five fresh-to-frozen meals delivered to clients one time per week from an outside contractor. "It will be a blessing for all for MOWSS to have our own kitchen where preparation of hot meals will occur and will also provide control of dietary needs and food costs," VerHagen said. "The senior

population is on an upward trajectory as neighborhoods in Rockwall County continue to grow. Our focus is support for our clients through nutritious hot meals, community and opportunities to thrive."

For more information about the capital project or to donate to the Welcome to the Table campaign, email VerHagen at mverhagen@rockwallmealsonwheels.org.

org, call (214) 405-8522 or visit www.rockwallmealsonwheels.org/capitalcampaign

Meals on Wheels Senior Services is a nonprofit organization based in Rockwall. Established in 1978, Meals on Wheels Senior Services serves more than 700 unduplicated clients – providing more than 95,000 meals annually.

**Notice of Public Meeting
FM 551
From SH 276 to SH 66
CSJ: 1016-01-032
Rockwall County, Texas**

Texas Department of Transportation (TxDOT) in partnership with Rockwall County is proposing widen and reconstruct Farm-to-Market (FM) 551 from State Highway (SH) 276 to SH 66 in Rockwall County, Texas. This notice advises the public that Rockwall County and TxDOT will be conducting an online virtual public meeting on the proposed project with an in-person option.

The same information will be available at both the in-person and virtual meetings.

In-Person Meeting (Open House)

Monday, December 11, 2023

5:30 p.m. – 7:30 p.m.

Fate City Hall

1900 CD Boren Parkway, Fate, TX 75087

Virtual Meeting*

Monday, December 11, 2023 at 5:30 p.m. through

Thursday, December 28, 2023 at 11:59 p.m.

<https://www.keepitmovingdallas.com/projects/fm-roads/fm551>

*This is not a live event

The in-person meeting will begin at 5:30 p.m. and will be an open house format where the public may come and go at their convenience. Staff will be available to answer questions and take comments. The virtual meeting can be viewed Monday, December 11, 2023, starting at 5:30 p.m. through Thursday, December 28, 2023, at 11:59 p.m. Materials will be posted to the project website listed above and will consist of a pre-recorded video presentation that includes both audio and video components, along with other exhibits. The virtual public meeting is not a live event and the materials can be viewed at your convenience. If you do not have internet access, you may call (214) 320-6624 between the hours of 8 a.m. and 5 p.m. Monday through Friday, to ask questions and access project materials. Please note the materials will not be available until Monday, December 11, 2023, at 5:30 p.m.

The proposed improvements would widen 3.25 miles of FM 551 from SH 276 to SH 66. From SH 276 to I-30, FM 551 would be widened from two 11-foot-wide travel lanes to four 12-foot-wide travel lanes, separated by a grass median. From I-30 north to SH 66, FM 551 would be widened from two 11-foot-wide travel lanes to two 12-foot-wide travel lanes with a 14-foot-wide center turn lane. A 10-foot-wide shared use path for bicyclists and pedestrians would be constructed along both sides of the roadway.

The proposed project would, subject to final design considerations, require additional right of way (ROW) and potentially displace eight residences and three non-residential structures. Relocation assistance is available for displaced persons and businesses. Information about the TxDOT Relocation Assistance Program and services and benefits for those displaced and other affected property owners, as well as information about the tentative schedule for right-of-way acquisition and construction, can be obtained from the TxDOT ROW office by calling (214) 320-6675.

The proposed project would involve construction in wetlands and an action in a floodplain.

Any environmental documentation or studies, any maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at TxDOT Dallas District Office, 4777 East U.S. Highway 80, Mesquite, TX 75150. Project materials will also be available online at the project website. These materials will also be available in hard copy form for review at the in-person option.

The virtual public meeting and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact the TxDOT Dallas District Public Information Office at (214) 320-4480, no later than 4 p.m., Monday, December 4, 2023. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Dallas District Office, Attn: Kibru Andargie P.E., 4777 East U.S. Highway 80, Mesquite, TX 75150 or by email to Kibru.Andargie@txdot.gov. Verbal comments can be submitted by calling (469) 250-9063. All comments must be received on or before Thursday, December 28, 2023. Responses to comments received will be available online at the project website once they have been prepared.

If you have any general questions or concerns regarding the proposed project, virtual meeting or in-person option, please contact Kibru Andargie, Project Manager, by phone at (214) 320-6244 or email at Kibru.Andargie@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

NOVA

yellow or gold (ribbon color for childhood cancer awareness) or pink or purple (Nova's favorite colors).

The dance video shoot is planned for this Sunday at 1 p.m. but Baggerly-Frazier is still in the process of securing a location for the event as interest has continued to grow.

Updates on the project will be posted on various social media pages created in Nova's honor, including "Super Nova Against Pineoblastoma" on Facebook and "super-novamay" on TikTok.

LOCAL NEWS

WATER

From Page A1

cure.”

In addition to the dissatisfaction and unease caused by RCH and its recent mismanagement, meter holders also overwhelmingly disapproved of selling the water system to a for-profit operator such as Aqua Texas – a plan that was in the process of being executed but has since been terminated by the RCH board.

Conversely, when asked if they would support or oppose transferring the water operation to the City of McLendon-Chisholm, 72.5% said they would support selling to the City. In a statement following the release of the survey, McLendon-Chisholm Mayor Keith Short called the results crystal clear, saying residents are tired of mismanagement and extreme water restrictions and want a secure water future.

“It’s time for the RCH board to listen to the people they serve and do the right thing – transfer the management of our water system to the City,” Short said. “Their plan was wildly unpopular and an unserious route to take for the future of McLendon-Chisholm.”

When asked if they would vote in an election regarding the sale of RCH Water Supply, 98% of survey respondents said they would vote and 85.9% saying they would “definitely vote,” indicating high motivation among informed meter holders.

Customers continue to voice displeasure with RCH and support a transfer of the RCH Water Supply operations to the City of McLendon-Chisholm at public meetings and in neighborhoods across the city.

Following a RCH Water Supply Corporation board meeting last month, leaders of the not-for-profit formally announced the termination of the Aqua Texas purchase agreement. Control of the water supply operations would return to RCH within 60 days of that action.

The termination came after it was revealed that Aqua Texas identified a significant error in their invoice calculations resulting in customer invoices being incorrect by a factor of 10. The error and subsequent decision to terminate was what customers say was “yet another damaging misstep in the ongoing water saga” – highlighting why customers are calling for RCH to transfer the water system to the City of McLendon-Chisholm.

“While I’m glad the Aqua Texas deal is off the table, the fact remains that the City of McLendon-Chisholm managing our water delivery system is the best option for the future water security,” said RCH customer Michael Easter. “These factors include not only an increased supply of water as a direct customer of North Texas Municipal Water District but more direct accountability as compared to RCH, which has been neither transparent nor responsive.”

Easter also said the City of McLendon-Chisholm managing the water delivery system would mean greater control of growth and development.

Paul Day, another RCH customer, explained that what began as a stop-gap fix is no longer sustainable.

“From the time it was founded in the 1960s, RCH was intended to serve as a temporary water solution

for people in this area,” Day said. “Unfortunately, the temporary solution has elected to try and become a permanent one and it just isn’t working.”

Day said he believes RCH lacks the capital, accountability and credibility to meet the current – let alone future – demands of the community.

“That’s why it’s hard to argue against the City’s intention to acquire the system,” said. “Between the boil notices and chronically low water pressure, it’s become a major public safety concern and everyone is suffering.”

Restrictions McLendon-Chisholm customers have endured since late spring have included no landscape or lawn watering, no car washing, no recreational use of water and no non-essential water use (uses other than drinking, cooking and bathing).

Residents have, however, been allowed to water the foundations of their homes, as long as they followed the water supply company’s schedule.

If a transfer to the City is approved, officials have said they would make operational improvements to the pumping station, provide a meter reader solution and implement billing administration with quality consumer service.

Community events around Rockwall dot the holiday calendar

There are plenty of community events and attractions all around Rockwall County over the next few weeks that can surely put even the grinchiest of Grinches in a festive holiday mood.

- Rockwall County Helping Hands Toy Drive is accepting donations through Dec. 4 at Rockwall, Heath, Fate and McLendon-Chisholm city halls and also at the Roysse City Police Department, Rockwall County Library, Helping Hands Food Pantry and Helping Hands Thrift Store.

- Roysse City Tree Lighting is next Tuesday from 6 p.m. to 7 p.m. at Cookston Court in downtown.

- Carols & Cocoa for Kids is next Thursday from 6 p.m. to 7:30 p.m. at Linda Lyon Elementary and will feature the school choir, the Rockwall-Heath High School Jazz Band. Bring a new, unwrapped toy for Helping Hands.

- Fate Tree Lighting is next Friday beginning at 6 p.m. at City Hall. Enjoy children’s performance groups, do crafts, sip cocoa, eat s’mores and take a ride on the Polar Express.

- Christmas in Heath’s next Friday from 5 p.m. to 8:30 p.m. at Towne Center Park featuring the tree lighting, choir performances, RHHS Jazz Band, miniature train rides, live reindeer, photos with Santa and Santa’s Souvenir Shoppe.

- Rockwall Kiwanis Christmas Parade is next Saturday and begins at 9 a.m. with “A Magical Christmas”-themed parade through downtown Rockwall.

- Rockwall’s Hometown Christmas is next Saturday following the parade from 10 a.m. to 5 p.m. featuring, train rides, snow hill and play area, puppet show, the Grinch and the tree lighting at 6 p.m. at City Hall.

- Holiday Choral Concert will be on Dec. 7 presented by St. Benedict’s Anglican Church and Greater Rockwall Youth Orchestra at 7 p.m.

- Chanuka at The Harbors is Dec. 7 at 2059 Summer Lee Drive with a

grand menorah lighting, live music, donuts, latkes and dreidels.

- “Evening in Bethlehem” is Dec. 8-9 at Ridgeview Church. It is a free drive-through nativity tour of the life of Jesus. Times are 6 p.m. to 8:30 p.m.

- Roysse City Parade of Lights is Dec. 9 leaving Ouida Bailey Middle School at 6:15 p.m., heading west on State Highway and arriving in downtown by 6:30 p.m.

- Fate’s Live Nativity Scene is Dec. 16 at 6 p.m. at First Fate Church.

- Santa Cops 4 Kids is Dec. 16 and features a 5K Santa Chase and 1-mile fun run. It is presented by the Rockwall PD and the Rockwall Police Officers Association. Starts at 8 p.m. and benefits Children’s Advocacy Center for Rockwall County and Women in Need.

- Living Nativity at First Christian Church Rockwall is Dec. 17 with performances at 5 p.m. and 6 p.m.

- Music of Christmas with the Rockwall Community band is Dec. 18 at 7 p.m. at First United Methodist Church.

- Christmas Eve at Ridgeview is Dec. 24 with services at 10 a.m. 11:30 a.m., 2:30 p.m. and 4 p.m.

NUNEZ

From Page A1

new techniques reassured me I was on the right path and only made me want to learn more.”

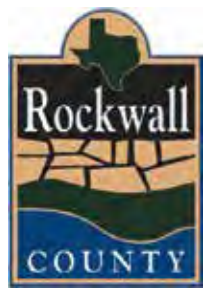

Nuñez has taken her skills into her own baking business where she has

been creating custom cakes for five years.

Nuñez’s achievement not only showcases her talent but serves as an inspiration for aspiring young chefs within the RISD culinary program. Her journey from the school’s program to becoming a Food Net-

work Champion exemplifies the possibilities that come with passion, determination and a supportive community.

“I would love for any kid who may have a passion like I did to see that it’s not just a dream,” Nuñez said. “It can be done if you just go for it.”

Notice of Public Meeting
FM 551
From SH 276 to SH 66
CSJ: 1016-01-032
Rockwall County, Texas

Texas Department of Transportation (TxDOT) in partnership with Rockwall County is proposing widen and reconstruct Farm-to-Market (FM) 551 from State Highway (SH) 276 to SH 66 in Rockwall County, Texas. This notice advises the public that Rockwall County and TxDOT will be conducting an online virtual public meeting on the proposed project with an in-person option.

The same information will be available at both the in-person and virtual meetings.

In-Person Meeting (Open House)

Monday, December 11, 2023

5:30 p.m. – 7:30 p.m.

Fate City Hall

1900 CD Boren Parkway, Fate, TX 75087

Virtual Meeting*

Monday, December 11, 2023 at 5:30 p.m. through

Thursday, December 28, 2023 at 11:59 p.m.

<https://www.keepitmovingdallas.com/projects/fm-roads/fm551>

*This is not a live event

The in-person meeting will begin at 5:30 p.m. and will be an open house format where the public may come and go at their convenience. Staff will be available to answer questions and take comments. The virtual meeting can be viewed Monday, December 11, 2023, starting at 5:30 p.m. through Thursday, December 28, 2023, at 11:59 p.m. Materials will be posted to the project website listed above and will consist of a pre-recorded video presentation that includes both audio and video components, along with other exhibits. The virtual public meeting is not a live event and the materials can be viewed at your convenience. If you do not have internet access, you may call (214) 320-6624 between the hours of 8 a.m. and 5 p.m. Monday through Friday, to ask questions and access project materials. Please note the materials will not be available until Monday, December 11, 2023, at 5:30 p.m.

The proposed improvements would widen 3.25 miles of FM 551 from SH 276 to SH 66. From SH 276 to I-30, FM 551 would be widened from two 11-foot-wide travel lanes to four 12-foot-wide travel lanes, separated by a grass median. From I-30 north to SH 66, FM 551 would be widened from two 11-foot-wide travel lanes to two 12-foot-wide travel lanes with a 14-foot-wide center turn lane. A 10-foot-wide shared use path for bicyclists and pedestrians would be constructed along both sides of the roadway.

The proposed project would, subject to final design considerations, require additional right of way (ROW) and potentially displace eight residences and three non-residential structures. Relocation assistance is available for displaced persons and businesses. Information about the TxDOT Relocation Assistance Program and services and benefits for those displaced and other affected property owners, as well as information about the tentative schedule for right-of-way acquisition and construction, can be obtained from the TxDOT ROW office by calling (214) 320-6675.

The proposed project would involve construction in wetlands and an action in a floodplain.

Any environmental documentation or studies, any maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at TxDOT Dallas District Office, 4777 East U.S. Highway 80, Mesquite, TX 75150. Project materials will also be available online at the project website. These materials will also be available in hard copy form for review at the in-person option.

The virtual public meeting and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact the TxDOT Dallas District Public Information Office at (214) 320-4480, no later than 4 p.m., Monday, December 4, 2023. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Dallas District Office, Attn: Kibru Andargie P.E., 4777 East U.S. Highway 80, Mesquite, TX 75150 or by email to Kibru.Andargie@txdot.gov. Verbal comments can be submitted by calling (469) 250-9063. All comments must be received on or before Thursday, December 28, 2023. Responses to comments received will be available online at the project website once they have been prepared.

If you have any general questions or concerns regarding the proposed project, virtual meeting or in-person option, please contact Kibru Andargie, Project Manager, by phone at (214) 320-6244 or email at Kibru.Andargie@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

Notice of Public Meeting for FM 551 from SH 276 to SH 66 in Rockwall County

Monday, December 11, 2023

CSJ: 1016-01-032

Where and When:

A virtual public meeting will be held at www.keepitmovingdallas.com/projects/fm-roads/fm551. The virtual meeting is not a live event and can be viewed at any time beginning at 5:30 p.m. on Monday, December 11, 2023 and will remain available online through 11:59 p.m. on Thursday, December 28, 2023.

An in-person public meeting will be held in an open house format where the public may come and go at their convenience. The in-person meeting will be held on Monday, December 11, 2023 from 5:30 to 7:30 p.m. at Fate City Hall, 1900 CD Boren Parkway, Fate, TX 75087.

Materials presented at the virtual public meeting and in-person public meetings will be identical.

All comments must be received on or before December 28, 2023.

Description:

The proposed improvements would widen 3.25 miles of FM 551 from SH 276 to SH 66. From SH 276 to I-30, FM 551 would be widened from two 11-foot-wide travel lanes to four 12-foot-wide travel lanes, separated by a grass median. From I-30 north to SH 66, FM 551 would be widened from two 11-foot-wide travel lanes to two 12-foot-wide travel lanes with a 14-foot-wide center turn lane. A 10-foot-wide shared use path for bicyclists and pedestrians would be constructed along both sides of the roadway.

Special Accommodations:

The virtual public meeting and in-person options will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact the TxDOT Dallas District Public Information Officer at (214) 320-4480 no later than 4 p.m., December 4, 2023. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Memorandum of Understanding:

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

NEWS RELEASE

DALLAS DISTRICT

Madison Schein
(214) 320-4403

Madison.Schein@txdot.gov

PUBLIC INPUT IS NEEDED FOR FM 551 BETWEEN SH 276 AND SH 66 IN ROCKWALL COUNTY STARTING DEC. 11

Dec. 4, 2023

ROCKWALL COUNTY – The Texas Department of Transportation will host both in-person and virtual public meetings on the proposed project of Farm to Market 551 from SH 276 to SH 66 in Rockwall County. TxDOT will hold in-person and virtual public meetings to seek public input on the project.

- The **in-person public meeting** will be from 5:30 to 7:30 p.m. Monday, Dec. 11 at Fate City Hall, 1900 CD Boren Parkway, Fate, Texas 75087. The meeting will be an open house format where the public can come and go at their convenience.
- The **virtual public meeting** will launch at 5:30 p.m. Monday, Dec. 11 at <https://www.keepitmovingdallas.com/projects/fm-roads/fm551>. The virtual meeting is not a live event.

The same information will be available at both the in-person and virtual meetings.

The purpose of this project includes reconstruction and widening of FM 551 from a two-lane rural roadway to a four-lane divided roadway with raised medians, curb and gutter and a shared-use path on both sides of the road.

In-person and virtual guests have the following options for submitting feedback:

- **Mail:** TxDOT Dallas District Office, Attn: Kibru Andargie, P.E., 4777 E. U.S. Highway 80, Mesquite, TX 75150
- **Email:** Kibru.Andargie@txdot.gov
- **Voicemail:** (469) 250-9063
- **Online:** <https://www.keepitmovingdallas.com/projects/fm-roads/fm551>

All comments must be received on or before Thursday, Dec. 28, 2023. Responses to comments received will be available online at <https://www.keepitmovingdallas.com/projects/fm-roads/fm551> once they have been prepared.

Those without internet access may call 214-320-4480 between the hours of 8 a.m. and 5 p.m. Monday through Friday, to ask questions and access study materials. **Please note the materials will not be available until 6 p.m. Dec. 6, 2023.** The virtual public meeting and in-person option will be conducted in English. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate, please contact the TxDOT Public Information Office at (214) 320-4403 no later than 4 p.m. Tuesday, Nov. 14, 2023. Please be aware that advance notice is required as some services and accommodations may require time for the TxDOT to arrange.

For media inquiries, contact TxDOT Public Information Officer Madison Schein at Madison.Schein@txdot.gov or (214) 320-4403.

Notice of Public Meeting
FM 551
From SH 276 to SH 66
CSJ: 1016-01-032
Rockwall County, Texas

Texas Department of Transportation (TxDOT) in partnership with Rockwall County is proposing widen and reconstruct Farm-to-Market (FM) 551 from State Highway (SH) 276 to SH 66 in Rockwall County, Texas. This notice advises the public that Rockwall County and TxDOT will be conducting an online virtual public meeting on the proposed project with an in-person option. The same information will be available at both the in-person and virtual meetings.

In-Person Meeting (Open House)

Monday, December 11, 2023

5:30 p.m. – 7:30 p.m.

Fate City Hall

1900 CD Boren Parkway, Fate, TX 75087

Virtual Meeting*

Monday, December 11, 2023 at 5:30 p.m. through

Thursday, December 28, 2023 at 11:59 p.m.

<https://www.keepitmovingdallas.com/projects/fm-roads/fm551>

*This is not a live event

The in-person meeting will begin at 5:30 p.m. and will be an open house format where the public may come and go at their convenience. Staff will be available to answer questions and take comments. The virtual meeting can be viewed Monday, December 11, 2023, starting at 5:30 p.m. through Thursday, December 28, 2023, at 11:59 p.m. Materials will be posted to the project website listed above and will consist of a pre-recorded video presentation that includes both audio and video components, along with other exhibits. The virtual public meeting is not a live event and the materials can be viewed at your convenience. If you do not have internet access, you may call (214) 320-6624 between the hours of 8 a.m. and 5 p.m. Monday through Friday, to ask questions and access project materials. Please note the materials will not be available until Monday, December 11, 2023, at 5:30 p.m.

The proposed improvements would widen 3.25 miles of FM 551 from SH 276 to SH 66. From SH 276 to I-30, FM 551 would be widened from two 11-foot-wide travel lanes to four 12-foot-wide travel lanes, separated by a grass median. From I-30 north to SH 66, FM 551 would be widened from two 11-foot-wide travel lanes to two 12-foot-wide travel lanes with a 14-foot-wide center turn lane. A 10-foot-wide shared use path for bicyclists and pedestrians would be constructed along both sides of the roadway.

The proposed project would, subject to final design considerations, require additional right of way (ROW) and potentially displace eight residences and three non-residential structures. Relocation assistance is available for displaced persons and businesses. Information about the TxDOT Relocation Assistance Program and services and benefits for those displaced and other affected property owners, as well as information about the tentative schedule for right-of-way acquisition and construction, can be obtained from the TxDOT ROW office by calling (214) 320-6675.

The proposed project would involve construction in wetlands and an action in a floodplain.

Any environmental documentation or studies, any maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at TxDOT Dallas District Office, 4777 East U.S. Highway 80, Mesquite, TX 75150. Project materials will also be available online at the project website. These materials will also be available in hard copy form for review at the in-person option.

The virtual public meeting and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact the TxDOT Dallas District Public Information Office at (214) 320-4480, no later than 4 p.m., Monday, December 4, 2023. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Dallas District Office, Attn: Kibru Andargie P.E., 4777 East U.S. Highway 80, Mesquite, TX 75150 or by email to Kibru.Andargie@txdot.gov. Verbal comments can be submitted by calling (469) 250-9063. All comments must be received on or before Thursday, December 28, 2023. Responses to comments received will be available online at the project website once they have been prepared.

If you have any general questions or concerns regarding the proposed project, virtual meeting or in-person option, please contact Kibru Andargie, Project Manager, by phone at (214) 320-6244 or email at Kibru.Andargie@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

Sincerely,

Kibru Andargie, P.E.

Notice of Public Meeting
FM 551
From SH 276 to SH 66
CSJ: 1016-01-032
Rockwall County, Texas

Texas Department of Transportation (TxDOT) in partnership with Rockwall County is proposing widen and reconstruct Farm-to-Market (FM) 551 from State Highway (SH) 276 to SH 66 in Rockwall County, Texas. This notice advises the public that Rockwall County and TxDOT will be conducting an online virtual public meeting on the proposed project with an in-person option. **The same information will be available at both the in-person and virtual meetings.**

In-Person Meeting (Open House)

Monday, December 11, 2023
5:30 p.m. – 7:30 p.m.
Fate City Hall
1900 CD Boren Parkway, Fate, TX 75087

Virtual Meeting*

Monday, December 11, 2023 at 5:30 p.m. through
Thursday, December 28, 2023 at 11:59 p.m.
<https://www.keepitmovingdallas.com/projects/fm-roads/fm551>

*This is not a live event

The in-person meeting will begin at 5:30 p.m. and will be an open house format where the public may come and go at their convenience. Staff will be available to answer questions and take comments. The virtual meeting can be viewed Monday, December 11, 2023, starting at 5:30 p.m. through Thursday, December 28, 2023, at 11:59 p.m. Materials will be posted to the project website listed above and will consist of a pre-recorded video presentation that includes both audio and video components, along with other exhibits. The virtual public meeting is not a live event and the materials can be viewed at your convenience. If you do not have internet access, you may call (214) 320-6624 between the hours of 8 a.m. and 5 p.m. Monday through Friday, to ask questions and access project materials. Please note the materials will not be available until Monday, December 11, 2023, at 5:30 p.m.

The proposed improvements would widen 3.25 miles of FM 551 from SH 276 to SH 66. From SH 276 to I-30, FM 551 would be widened from two 11-foot-wide travel lanes to four 12-foot-wide travel lanes, separated by a grass median. From I-30 north to SH 66, FM 551 would be widened from two 11-foot-wide travel lanes to two 12-foot-wide travel lanes with a 14-foot-wide center turn lane. A 10-foot-wide shared use path for bicyclists and pedestrians would be constructed along both sides of the roadway.

The proposed project would, subject to final design considerations, require additional right of way (ROW) and potentially displace eight residences and three non-residential structures. Relocation assistance is available for displaced persons and businesses. Information about the TxDOT Relocation Assistance Program and services and benefits for those displaced and other affected property owners, as well as information about the tentative schedule for right-of-way acquisition and construction, can be obtained from the TxDOT ROW office by calling (214) 320-6675.

The proposed project would involve construction in wetlands and an action in a floodplain.

Any environmental documentation or studies, any maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at TxDOT Dallas District Office, 4777 East U.S. Highway 80, Mesquite, TX 75150. Project materials will also be available online at the project website. These materials will also be available in hard copy form for review at the in-person option.

The virtual public meeting and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact the TxDOT Dallas District Public Information Office at (214) 320-4480, no later than 4 p.m., Monday, December 4, 2023. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Dallas District Office, Attn: Kibru Andargie P.E., 4777 East U.S. Highway 80, Mesquite, TX 75150 or by email to Kibru.Andargie@txdot.gov. Verbal comments can be submitted by calling (469) 250-9063. All comments must be received on or before Thursday, December 28, 2023. Responses to comments received will be available online at the project website once they have been prepared.

If you have any general questions or concerns regarding the proposed project, virtual meeting or in-person option, please contact Kibru Andargie, Project Manager, by phone at (214) 320-6244 or email at Kibru.Andargie@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

Aviso de reunión pública
FM 551
De SH 276 a SH 66
CSJ: 1016-01-032
Condado de Rockwall, Texas

El Departamento de Transporte de Texas (TxDOT), en colaboración con el condado de Rockwall, está proponiendo ampliar y reconstruir la carretera Farm-to-Market (FM) 551 desde la carretera estatal (SH) 276 hasta la SH 66 en el condado de Rockwall, Texas. Este aviso informa al público que el Condado de Rockwall y TxDOT llevarán a cabo una reunión pública virtual en línea sobre el proyecto propuesto con una opción en persona. **La misma información estará disponible tanto en las reuniones presenciales como en las virtuales.**

Reunión en persona (Open House)

Lunes, 11 de diciembre del 2023
5:30 p.m. – 7:30 p.m.
Ayuntamiento de Fate
1900 CD Boren Parkway, Fate, TX 75087

Reunión virtual*

Lunes, 11 de diciembre del 2023 de 5:30 p.m. hasta
Jueves, 28 de diciembre del 2023 a las 11:59 p.m.
<https://www.keepitmovingdallas.com/projects/fm-roads/fm551>

*Este no es un evento en vivo

La reunión en persona comenzará a las 5:30 p.m. y tendrá un formato de puertas abiertas donde el público podrá entrar y salir a su conveniencia. El personal del proyecto estará disponible para responder preguntas y recibir comentarios. La reunión virtual se podrá ver desde el lunes 11 de diciembre del 2023 a partir de las 5:30 p.m. hasta el jueves 28 de diciembre del 2023 a las 11:59 p.m. Los materiales se publicarán en el sitio web del proyecto mencionado anteriormente y consistirán en una presentación de video pregrabada que incluye componentes de audio y video, junto con otras exposiciones. La reunión pública virtual no es un evento en vivo y los materiales se pueden ver a su conveniencia. Si no tiene acceso a Internet, puede llamar al (214) 320-6624 entre las 8 a.m. y las 5 p.m. de lunes a viernes, para hacer preguntas y acceder a los materiales del proyecto. Tenga en cuenta que los materiales no estarán disponibles hasta el lunes 11 de diciembre del 2023, a las 5:30 p.m.

Las mejoras propuestas ampliarían 3.25 millas de FM 551 de SH 276 a SH 66. Desde la SH 276 hasta la I-30, la FM 551 se ampliaría de dos carriles principales de 11 pies de ancho a cuatro carriles principales de 12 pies de ancho, separados por una mediana de zacate. Desde la I-30 norte hasta la SH 66, la FM 551 se ampliaría de dos carriles principales de 11 pies de ancho a dos carriles principales de 12 pies de ancho con un carril central para dar vuelta de 14 pies de ancho. Se construiría un camino de uso compartido de 10 pies de ancho para ciclistas y peatones a lo largo de ambos lados de la carretera.

El proyecto propuesto, con sujeción a las consideraciones finales de diseño, requeriría un derecho de vía adicional (ROW) y podría desplazar a ocho residencias y tres estructuras que no son residenciales. La asistencia para la reubicación está disponible para las personas desplazadas y las empresas. La información sobre el Programa de Asistencia para la Reubicación de TxDOT y los servicios y beneficios para los desplazados y otros propietarios afectados, así como información sobre el calendario provisional para la adquisición y construcción del derecho de vía, se puede obtener en la oficina de TxDOT ROW llamando al (214) 320-6675.

El proyecto propuesto requeriría la construcción en humedales y en una llanura aluvial.

Cualquier documentación o estudios ambientales, mapas y dibujos que muestren la ubicación y el diseño del proyecto, los horarios de construcción provisionales y otra información relacionada con el proyecto propuesto están archivados y disponibles para inspección de lunes a viernes entre las 8 a.m. y las 5 p.m. en la Oficina del Distrito de Dallas de TxDOT, 4777 East U.S. Highway 80, Mesquite, TX 75150. Los materiales del proyecto también estarán disponibles en línea en el sitio web del proyecto. Estos materiales también estarán disponibles en forma impresa para su revisión en persona.

La reunión pública virtual y la opción presencial se llevarán a cabo en inglés. Si necesita un intérprete o traductor de documentos porque el inglés no es su idioma principal o tiene dificultades para comunicarse de manera efectiva en inglés, se le proporcionará uno. Si tiene una discapacidad y necesita ayuda, se pueden hacer arreglos especiales para satisfacer a la mayoría de las necesidades. Si necesita servicios de interpretación o traducción o es una persona con una discapacidad que requiere un acomodo para asistir y participar en la reunión pública virtual o en persona, comuníquese con la Oficina de Información Pública del Distrito de Dallas de TxDOT al (214) 320-4480, a más tardar a las 4 p.m., el lunes 4 de diciembre del 2023. Tenga en cuenta que se requiere aviso anticipado ya que algunos servicios pueden requerir tiempo para que TxDOT los organice.

Se solicitan comentarios del público sobre el proyecto propuesto y pueden enviarse por correo a la Oficina del Distrito de Dallas de TxDOT, Attn: Kibru Andargie P.E., 4777 East U.S. Highway 80, Mesquite, TX 75150 o por correo electrónico a Kibru.Andargie@txdot.gov. Los comentarios verbales pueden enviarse llamando a (469) 250-9063. Todos los comentarios deben recibirse a más tardar el jueves 28 de diciembre del 2023. Las respuestas a los comentarios recibidos estarán disponibles en línea en el sitio web del proyecto una vez que se hayan preparado.

Si tiene alguna pregunta o inquietud general con respecto al proyecto propuesto, la reunión virtual o la opción en persona, comuníquese con Kibru Andargie, Gerente de Proyectos, por teléfono al (214) 320-6244 o por correo electrónico al Kibru.Andargie@txdot.gov.

La revisión ambiental, la consulta y otras acciones requeridas por las leyes ambientales federales aplicables para este proyecto están siendo, o han sido, llevadas a cabo por TxDOT de conformidad con 23 U.S.C. 327 y un Memorando de Entendimiento con fecha del 9 de diciembre de 2019, y ejecutadas por FHWA y TxDOT.

E. Comments Received

PUBLIC MEETING COMMENT FORM

FM 551
Rockwall County, Texas
CSJ: 1016-01-032

Fate City Hall
1900 CD Boren Parkway, Fate, Texas 75087
Monday, December 11, 2023 - 5:30 p.m. to 7:30 p.m.

Texas Department of Transportation, in partnership with Rockwall County, is seeking your comments on the proposed project. All written comments are welcome. All written comments must be received by, or postmarked before, Dec. 28, 2023.

Please Print

At 24 1/2 25 you have a church on the west side. It would be a good idea to put a turning lane in the median. The church seats 300, when it is full and all the cars come out around the same time, you will have major traffic problems with 150 cars making U-Turns. Thank you.

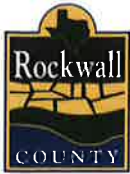

Also you might provide better pens next time

(Per Texas Transportation Code, §201.811(a)(5)): check each of the following boxes that apply to you:

- I am employed by TxDOT
- I do business with TxDOT
- I could benefit monetarily from the project or other item about which I am commenting

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.

My husband and I have lived in our home since 2003. We own 3 sets of property that is affected by the widening of 551. Below are concerns.

1. Our driveway is already at an unbearable pitch. Some delivery trucks cannot deliver due to the steep pitch. Everytime the road has been repaired they ADD asphalt which furthers the pitch.

2. The right of way will come too far on to our property and take out our mature trees but most of all it will come too close to our front door. We have a 7yr old!

The proposed finished elevation of the road is higher than the existing road.

Due to numerous resurfacing projects the pitch of my driveway has greatly increased since we bought the property.

The project as designed will shorten the approach and increase elevation which will make my driveway almost unusable.

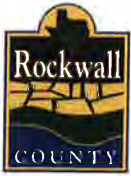

The proposed R.O.W. is way too close to my house.

WILL SOMEONE PLEASE CONSIDER MOVING THE COUNTY GARAGE BUILDINGS FURTHER BACK INTO THEIR CURRENT PROPERTY? THE 3 HOMES ACROSS THE STREET ARE LOSING OVER 1/2 THEIR CURRENT FRONT YARDS!! I PRAY SOMEONE WILL RECONSIDER THE PROPOSED R.O.W. IN FRONT OF 16230 & 16232 TO LESSEN THE IMMENSE LOSS OF FRONT YARDS. I'M SURE THE COUNTY CAN SUSTAIN A MOVE OF THEIR BUILDINGS DEEPER INTO THEIR LAND.

Q1

Comments

This is a terrible project!! You are suggesting to basically build roads into peoples driveways. There is NO ROOM for this expansion. New home buyers who bought paid PREMIUM PRICES to be far enough from the roads to avoid the noise will now have cars basically driving in our backyards!! And again THERE IS NO ROOM TO EXPAND the roads!! This is awful!!

Q1

Comments

Regarding the FM551 expansion as it relates to the three homes immediately south of Eastridge Drive and the 3-4 homes immediately north of Eastridge Drive:

Based on the currently proposed ROW, it appears that the state's ROW will land about 25-40' from our front doors! Not only are we facing a loss of land, we will eventually have front yards which are no longer suitable for child-play due to the close proximity of a 4-lane roadway, not to mention the incredible increase in road noise! Why on earth are those responsible for this plan not considering moving the entire ROW further west into county owned and empty land rather than destroying the front yards of 6-8 homes along the east side of FM551 near Eastridge Drive? This seems very suspicious. I pray it's an oversight. The logical priority for TXDOT as it expands roadways should be for land loss to be sustained by land-owners without an established house as much as humanly possible.

Please reconsider the currently proposed ROW in this area and refrain from destroying the front yards of many home-owners!

Q1

Comments

I approve and support TxDOT's FM 551 from SH 276 to SH 66 Project. The aspect that I love about TxDOT's FM 551 from SH 276 to SH 66 Project is that FM-551 will be widened from 2 lanes to 4 lanes in each direction from TX-276 to TX-66, which will improve safety and reduce congestion in Rockwell County, TX.

highway

thank you Rockwall County and TX DOT for this informative public meeting regarding FM 551. This state is vital to the City of Fate as it runs right through the heart of everything from SH 276 to SH 66. To go to and from most any location in Fate we all end up traveling on FM 551, similar to the "farm to market" days just 27,000 of us now and growing. Traffic delays are common. We will try to be patient, but the issue of FM 551 comes up with every development proposal as an area of residents' concern.

This meeting was well staffed with knowledgeable professionals. I arrived with questions about timing and those questions were answered. I left with only one concern: will FM 551 be adequately funded in a timely manner. It must be! I have confidence that our excellent leadership @ Rockwall County Commissioners Court, County Commissioner John Stacy, Judge Frank New, will accomplish that for Fate. Again, thank you.

CSJ: 1016-01-032

From SH 276 to SH 66

Rockwall County, Texas

December 11, 2023

HELP

#EndTheStreakTX

End the streak of daily deaths on Texas roadways.

[TxDOT.gov](https://www.txdot.gov) (Keyword: #EndTheStreakTX)

#EndTheStreakTX Toolkit

Purpose

- ✓ Inform the public of project status and present recommendations
- ✓ Describe the project so the public can determine how they may be affected
- ✓ Provide the public the opportunity to see information and express views at this stage in the planning process when flexibility still exists and before decisions are finalized
- ✓ Develop a record of public participation

Project Location

- FM 551 Project Limits:
 - From SH 276 to SH 66 in Rockwall County
- Project Length:
 - 3.25 miles
- County:
 - Rockwall

Purpose and Need

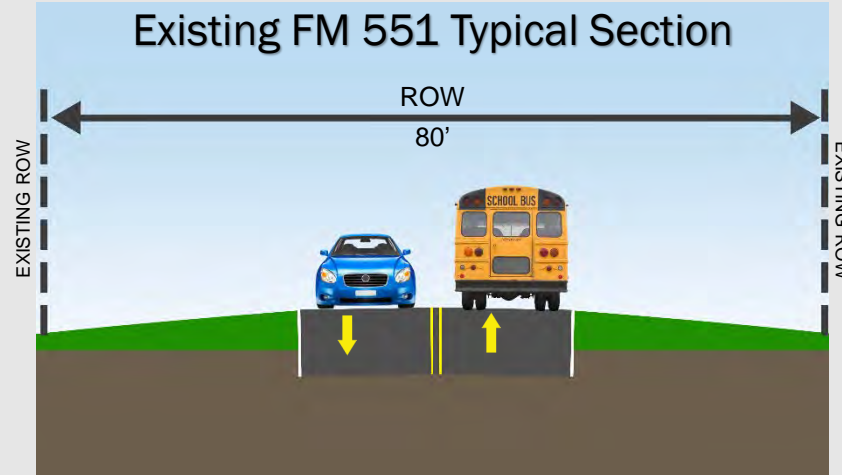

- **Project Purpose:**

Improve safety, increase mobility, and meet current design standards.

- **Project Need:**

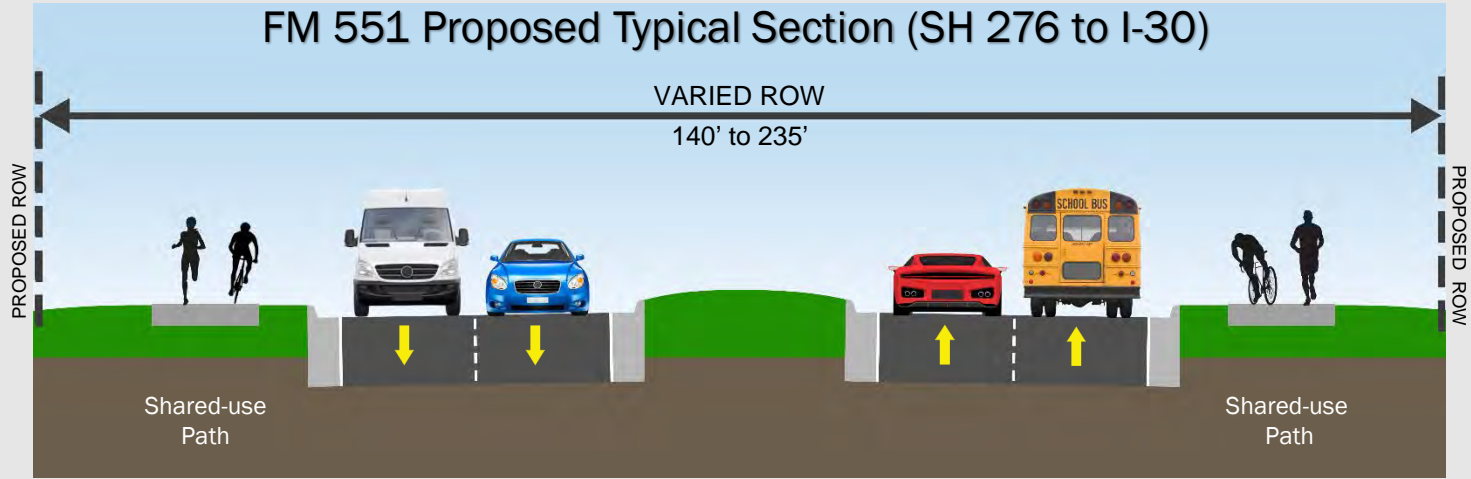

The proposed project is needed because the capacity of FM 551 is inadequate to meet current and future traffic volumes, resulting in congestion and reduced mobility.

Existing Typical Section

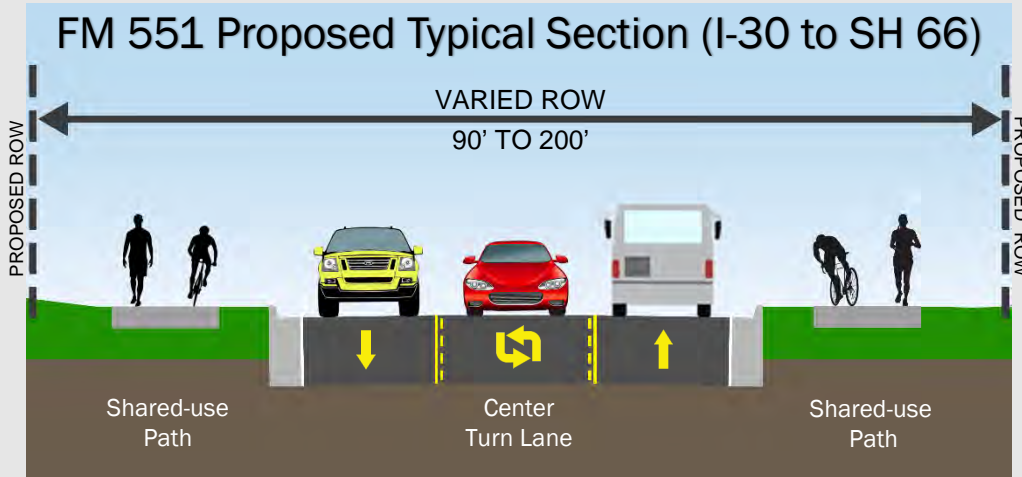

- Two 11-foot-wide travel lanes
- No shoulders in each direction
- 80-foot existing right of way
- No bicycle or pedestrian facilities

Proposed Typical Section

- Four 12-foot-wide travel lanes (2 lanes in each direction)
- Two-foot-wide curbed inside and outside shoulders (in each direction)
- Two 10-foot-wide shared-use path (1 in each direction)
- 18-foot grassy median
- 140 to 235-foot proposed right of way

Proposed Typical Section

- Two 12-foot-wide travel lanes (1 lane in each direction)
- Two-foot-wide curbed shoulders (in each direction)
- One 14-foot center turn lane
- Two 10-foot wide shared-use path (1 in each direction)
- 90 to 200-foot proposed right of way

Environmental Review

Environmental Documentation will be prepared in accordance with the National Environmental Policy Act (NEPA)

Air Quality & Traffic Noise

Social & Community Impacts

Hazardous Materials

Biological Resources

Water Resources

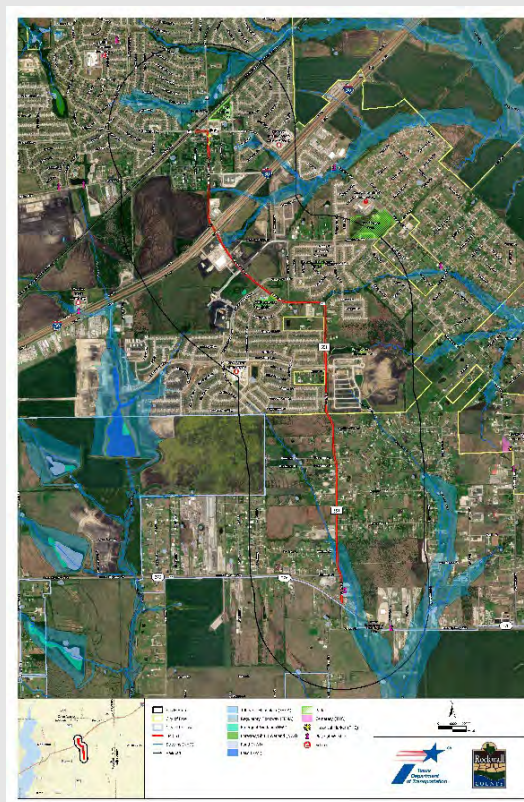

Historic & Archaeological Resources

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23. U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019 and executed by FHWA and TxDOT.

La revisión ambiental, consultas y otras acciones requeridas por las leyes ambientales federales aplicables para este proyecto, están siendo o han sido realizadas por TxDOT de conformidad con la Reglamentación 23, Sección 327 del Código de Estados Unidos y un Memorando de Entendimiento con fecha del 9 de diciembre de 2019, ejecutado por la FHWA (Administración Federal de Carreteras) y TxDOT.”

Environmental Constraints Map

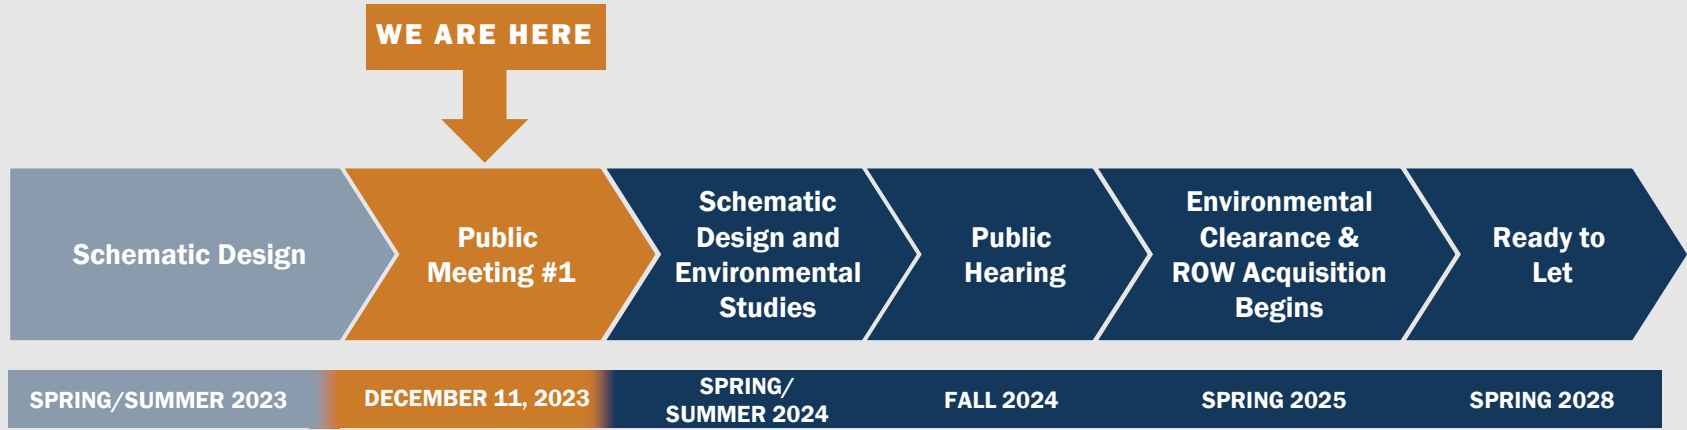

To view a full-size environmental constraints map, please visit the project page at <https://www.keepitmovingdallas.com/projects/fm-roads/fm551>

- Proposed Right of Way & Displacements
 - Acquisition of right of way would be required for the proposed project
 - Five residential and two non-residential displacements are anticipated
 - Right-of-way acquisition will be in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970

Please visit the project website for more information about the Uniform Act and TxDOT Relocation Assistance Program information.

Project Development and Timeline *

* subject to change

*Construction cost is approximately **\$60 million** based on preliminary design. Project is currently unfunded for construction and cannot let until funding is identified; however, right of way can proceed even if the project is not funded for construction.*

FM 551 Project!*

***Virtual Public Meeting
FM 551
CSJ: CSJ 1016-01-032
Rockwall County, Texas
December 11, 2023***

SLIDE 1 – Title Slide

Hello and welcome to the public meeting for the FM 551 Project in Rockwall County. This meeting has been convened by Rockwall County in partnership with the Texas Department of Transportation and is being held to receive and consider comments from the public. Please note you may pause this presentation at any point to allow more time to review the information.

SLIDE 2 – End the Streak

November 7, 2000 was the last deathless day on roadways in Texas. That means that for over 22 years, at least one person has died every single day. We all have a part to play to change that. This message is that reminder – to End the Streak of deaths on Texas highways. We need drivers and passengers to act more responsibly and help us reach our goal of zero deaths by 2050. Texans can play a major role in ending fatal crashes with a few simple driving habits: wear your seatbelt, drive the speed limit, put away the phone and other distractions, and never drive under the influence of alcohol or drugs. So please do your part to share this message with your friends and family.

SLIDE 3 – Public Meeting Purpose

A public meeting has four essential purposes: 1) inform the public of the status of planning on the project and present the recommendations based on studies performed to date; 2) Describe the project so those attending can determine the project's potential to affect their lives and property; 3) provide the public an opportunity to see information and express their views at this stage in the planning process when flexibility to respond to comments still exist and before location and design decisions are finalized; and finally, 4) to develop a record of public views and participation to accompany recommendations for subsequent decisions. This public meeting is being held in compliance with both federal and state laws.

SLIDE 4 – Project Overview/Project Location

The project includes 3.25 miles of reconstruction and widening along FM 551 from SH 276 to SH 66 in Rockwall County, Texas.

**SLIDE 5 – Project Purpose and Need**

The purpose of the proposed project is to improve safety, increase mobility, and meet current design standards. The proposed project is needed because the capacity of FM 551 is inadequate to meet current and future traffic volumes, resulting in congestion and reduced mobility.

SLIDE 6 –Existing Typical Sections

The existing FM 551 typical section includes a two-lane roadway with 11-foot-wide travel lanes with no shoulders. The existing right of way is approximately 80 feet wide. There are no bicycle or pedestrian facilities.

SLIDE 7 – FM 551 Proposed Typical Section (SH 276 to I-30)

The proposed project improvements for FM 551 from SH 276 to I-30 include a four-lane divided roadway with two 12-foot-wide travel lanes in each direction, two-foot wide curbed inside and outside shoulders, one 10-foot-wide shared-use path in each direction, and an 18-foot grassy median. The proposed right of way would be approximately 140 to 235 feet wide.

SLIDE 8 – FM 551 Proposed Typical Section (I-30 to SH 66)

The proposed project improvements for FM 551 from I-30 to SH 66 include a three-lane roadway with one 12-foot-wide travel lane in each direction, two-foot-wide curbed shoulders, one 14-foot center turn lane, and one 10-foot-wide shared-use path in each direction. The proposed right of way would be approximately 90 to 200 feet wide.

SLIDE 9 – Environmental Review

Prior to December 16, 2014, the Federal Highway Administration, or FHWA, reviewed and approved documents prepared under the National Environmental Policy Act, known as NEPA; however, on December 16, 2014 the Texas Department of Transportation assumed responsibility from FHWA to review and approve certain assigned NEPA environmental documents. This agreement was updated on December 9, 2019.

Environmental Documentation will be prepared in accordance with the National Environmental Policy Act (NEPA). This will include reviewing Air Quality, Traffic Noise, Social & Community Impacts, Hazardous Materials, Biological Resources, Water Resources, and Historic and Archaeological Resources. Alternatives are evaluated and compared based on impacts to all environmental constraints.

SLIDE 10 – Environmental Constraints Map

The Environmental Constraints Map is a visual representation of the potential environmental constraints anticipated for the proposed project. The Environmental

Constraints Map contains a legend on the bottom of the map and identifies the shading and symbols used on the map. To view a full-size environmental constraints map, please visit the project page at: <https://www.keepitmovingdallas.com/projects/fm-roads/fm551>.

SLIDE 11 – Right of Way

The proposed project would, subject to final design considerations, require additional right of way and potentially displace five residential and two non-residential structures.

All right-of-way acquisition would be completed in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended. Brochures, including two booklets titled “The Purchase of Right of Way,” and “Relocation Assistance,” are also available on the project website. These booklets contain detailed information to inform you of your rights and provide information about the TxDOT right-of-way acquisition process.

SLIDE 12 – Project Development and Timeline

The public comment period for this public meeting ends December 28th, 2023. Following this meeting, responses to public comments will be posted once they are prepared. Final environmental clearance is expected by Spring 2025. Please note that this timeline is subject to change. The construction cost is approximately \$60 million based on preliminary design and is not currently funded and cannot let until funding is identified, however right-of-way can proceed even if the project is not funded for construction.

SLIDE 13 – How to comment and contact information

As previously stated, one of the goals of this public meeting is to receive your thoughts, questions, and concerns about the proposed project. There are several ways to submit your comment:

1. You may comment online by navigating to <https://www.keepitmovingdallas.com/projects/fm-roads/fm551> or scan the QR code here to access the electronic comment.
2. Email your comments to: Kibru.Andargie@txdot.gov.
3. Mail your comments to TxDOT Dallas District, Attention: Kibru Andargie, P.E., 4777 East US Highway 80, Mesquite, Texas 75150.
4. Call (469) 250-9063 to leave a voicemail comment.

All comments regarding this project must be received or postmarked on or before Thursday, December 28th, 2023, to be included in the formal meeting documentation.

Virtual Public Meeting: FM 551

If you have any general questions or concerns regarding the project, please contact the TxDOT Project Manager Kibru Andargie, P.E., during regular business hours (Monday–Friday, 8 a.m. to 5 p.m.) by either calling 214-320-6624 or emailing him at Kibru.Andargie@txdot.gov.

SLIDE 14 – Thank you

We sincerely appreciate your participation and interest concerning the proposed design of the FM 551 project in Rockwall County, Texas. Your questions, comments and concerns will receive careful consideration. Thank you for attending the Virtual Public Meeting. Goodbye.

Public Meeting

FM 551

CSJ: 1016-01-032

From SH 276 to SH 66

Rockwall County, Texas

HELP

#EndTheStreakTX

End the streak of daily deaths on Texas roadways.

TxDOT.gov (Keyword: #EndTheStreakTX)

#EndTheStreakTX Toolkit

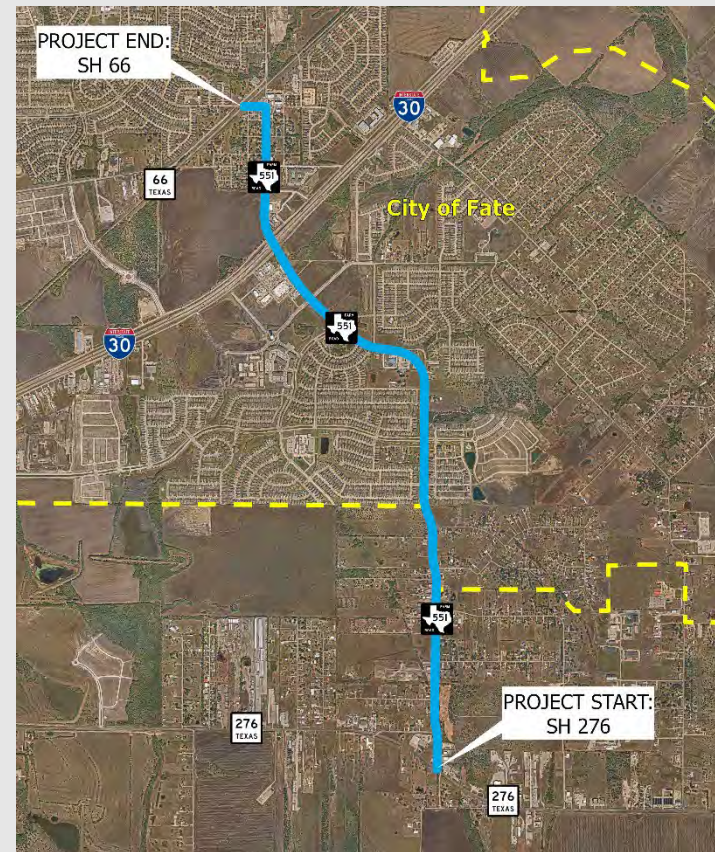

Purpose

- ✓ Inform the public of project status and present recommendations
- ✓ Describe the project so the public can determine how they may be affected
- ✓ Provide the public the opportunity to see information and express views at this stage in the planning process when flexibility still exists and before decisions are finalized
- ✓ Develop a record of public participation

Project Location

- FM 551 Project Limits:
 - From SH 276 to SH 66 in Rockwall County
- Project Length:
 - 3.25 miles
- County:
 - Rockwall

Purpose and Need

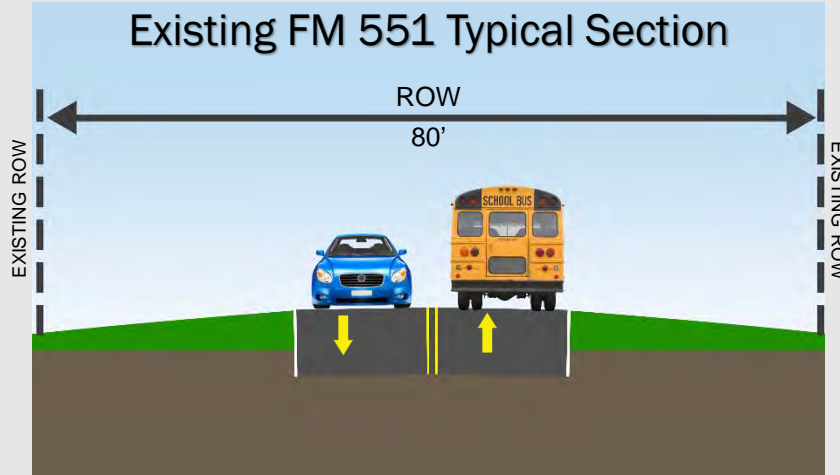

- **Project Purpose:**

Improve safety, increase mobility, and meet current design standards.

- **Project Need:**

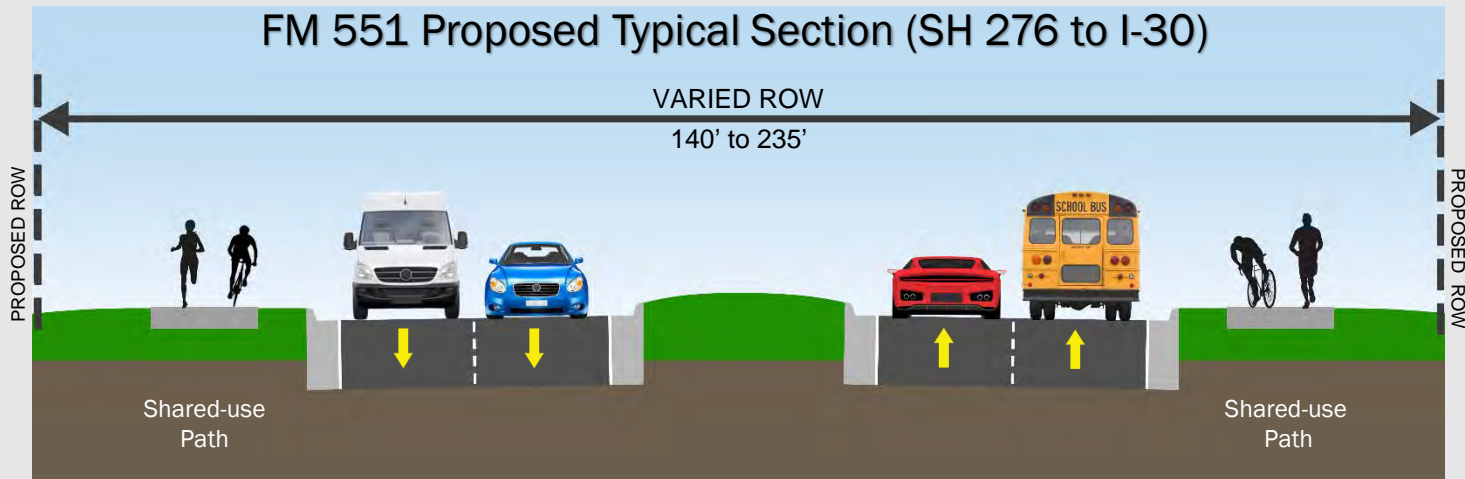

The proposed project is needed because the capacity of FM 551 is inadequate to meet current and future traffic volumes, resulting in congestion and reduced mobility.

Existing Typical Section

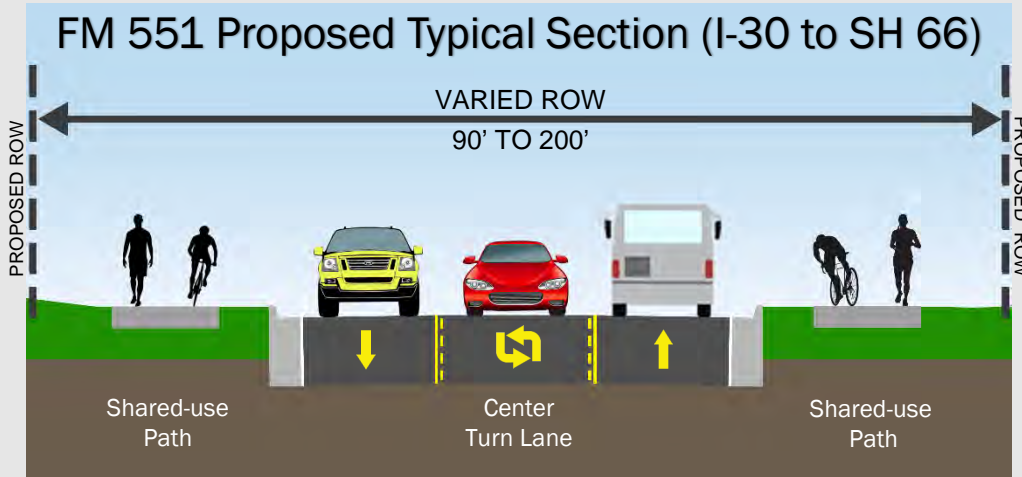

- Two 11-foot-wide travel lanes
- No shoulders in each direction
- 80-foot existing right of way
- No bicycle or pedestrian facilities

Proposed Typical Section

- Four 12-foot-wide travel lanes (2 lanes in each direction)
- Two-foot-wide curbed inside and outside shoulders (in each direction)
- Two 10-foot-wide shared-use path (1 in each direction)
- 18-foot grassy median
- 140 to 235-foot proposed right of way

Proposed Typical Section

- Two 12-foot-wide travel lanes (1 lane in each direction)
- Two-foot-wide curbed shoulders (in each direction)
- One 14-foot center turn lane
- Two 10-foot wide shared-use path (1 in each direction)
- 90 to 200-foot proposed right of way

Environmental Documentation will be prepared in accordance with the National Environmental Policy Act (NEPA)

Air Quality & Traffic Noise

Social & Community Impacts

Hazardous Materials

Biological Resources

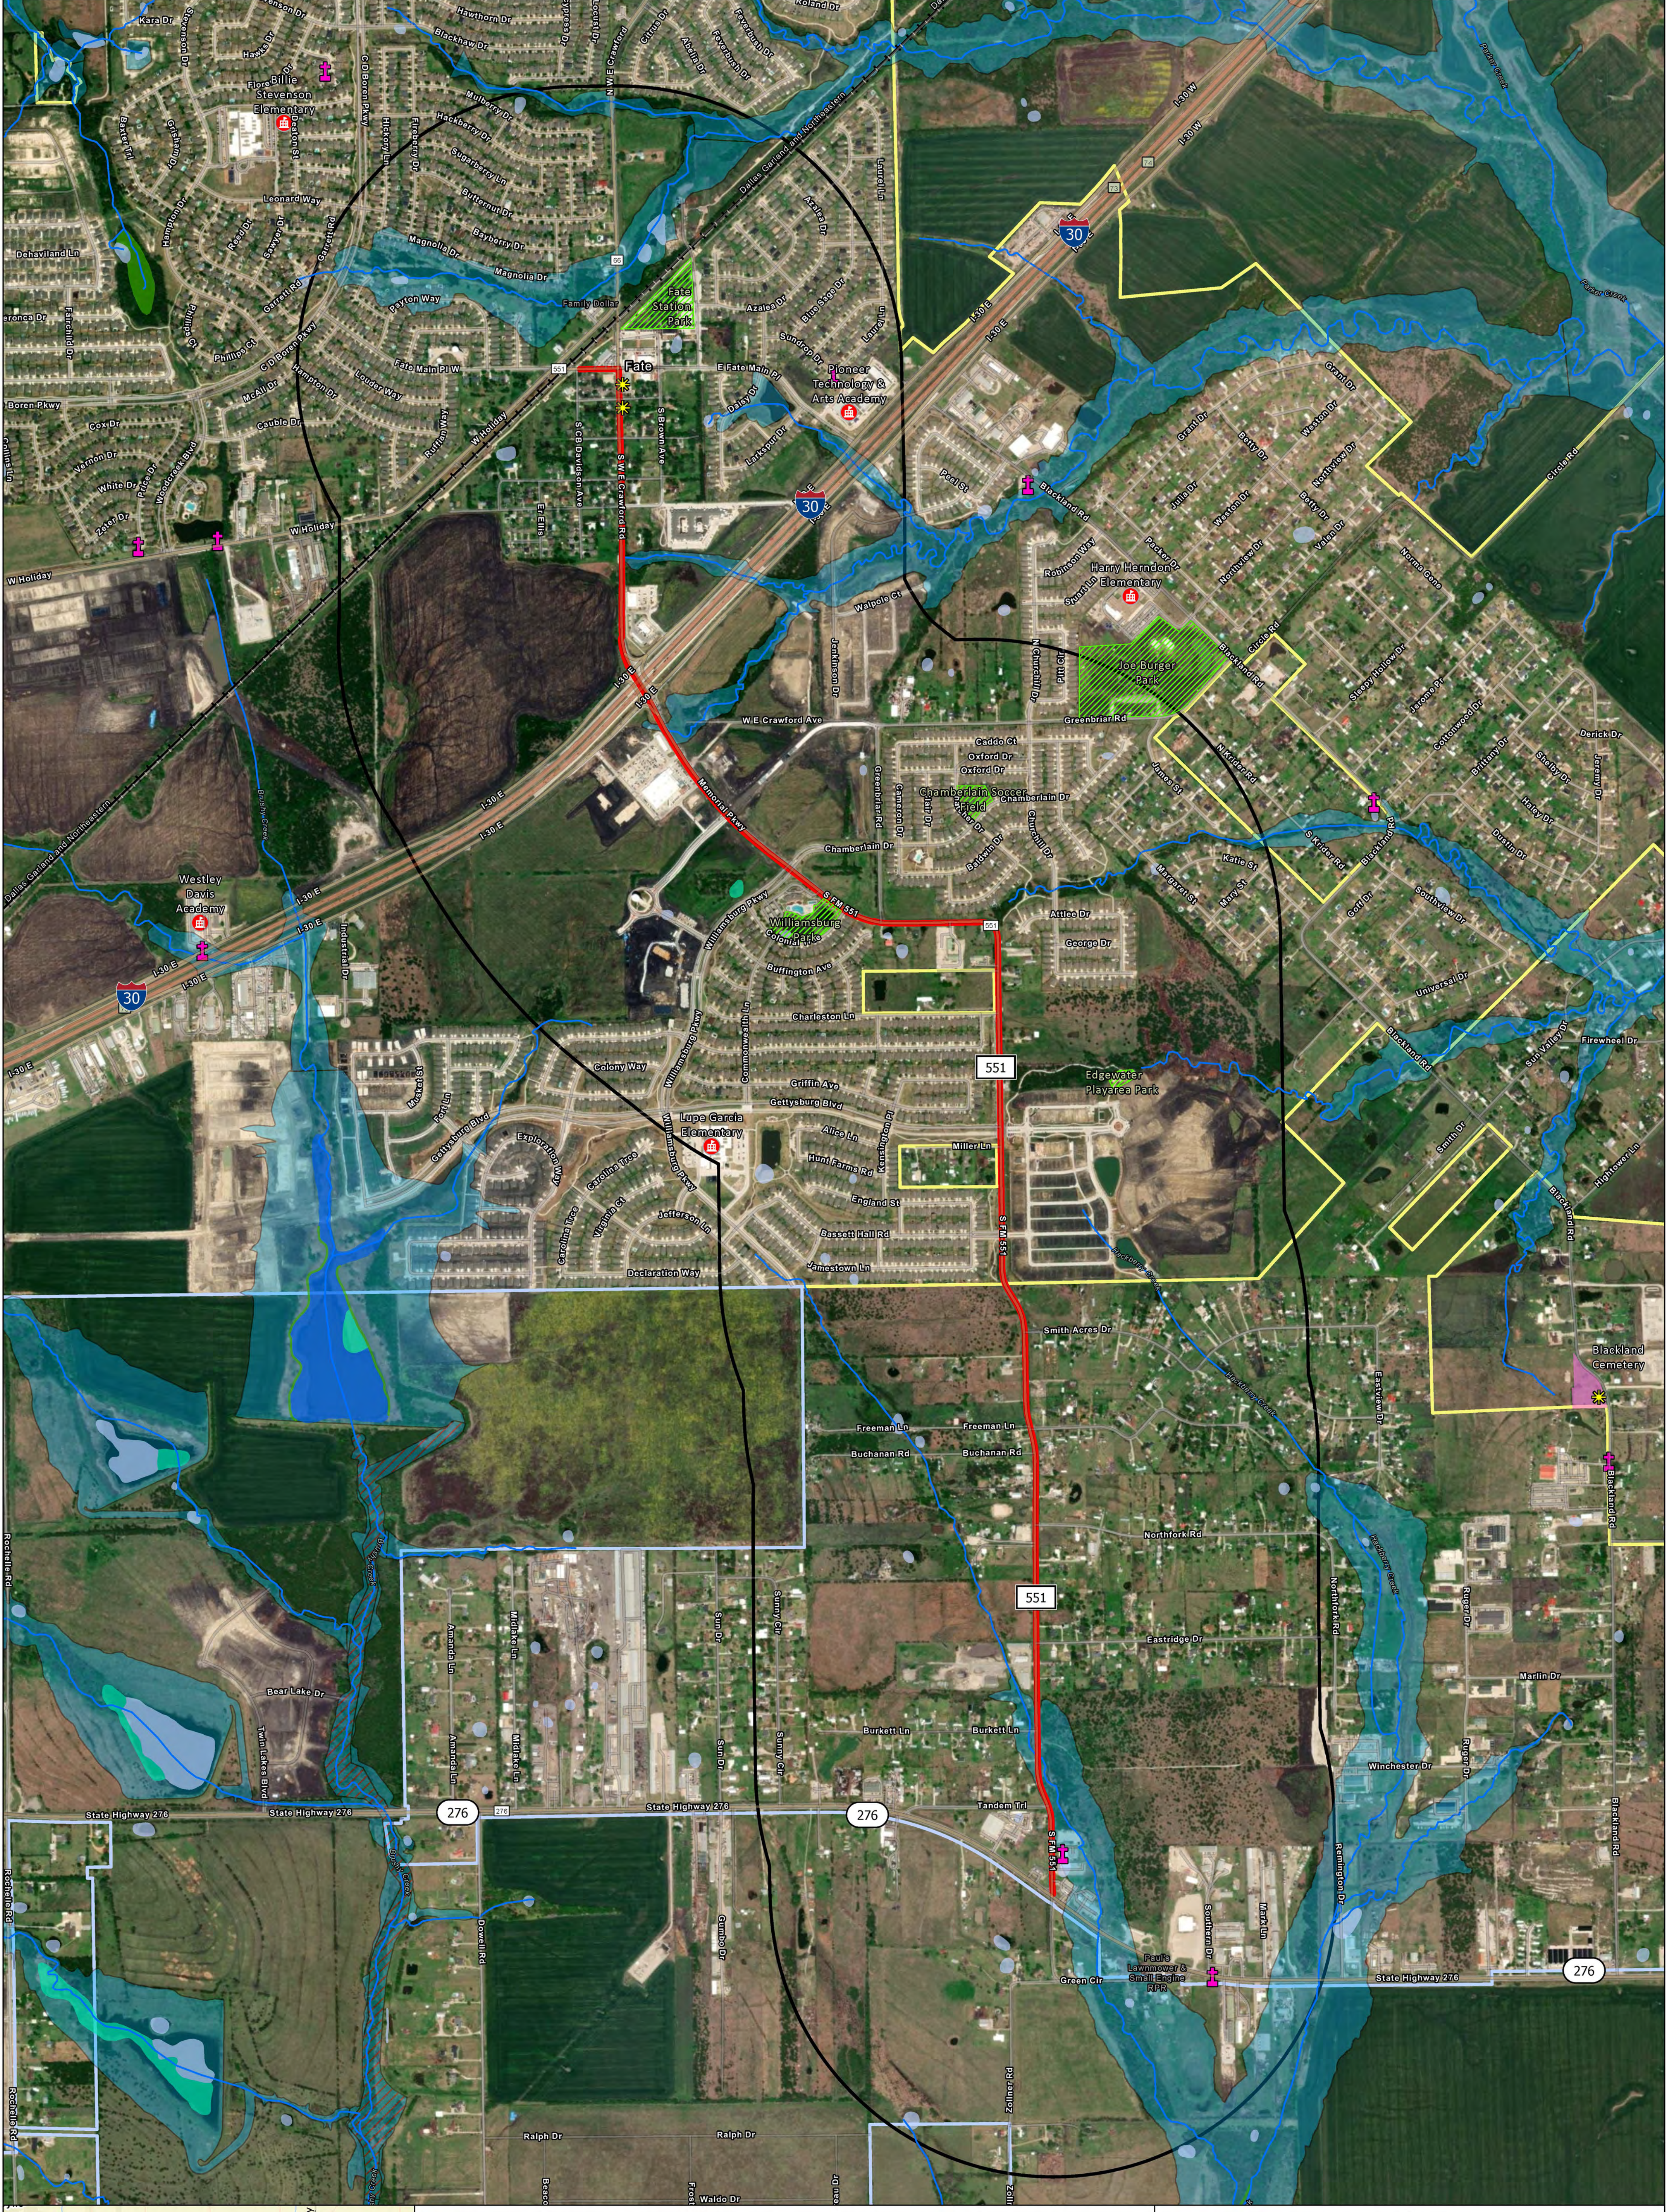

Water Resources

Historic & Archaeological Resources

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23. U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019 and executed by FHWA and TxDOT.

La revisión ambiental, consultas y otras acciones requeridas por las leyes ambientales federales aplicables para este proyecto, están siendo o han sido realizadas por TxDOT de conformidad con la Reglamentación 23, Sección 327 del Código de Estados Unidos y un Memorando de Entendimiento con fecha del 9 de diciembre de 2019, ejecutado por la FHWA (Administración Federal de Carreteras) y TxDOT.”

Railroad	Lake (NWI)	

0 10000 20000
Feet

- Proposed Right of Way & Displacements
 - Acquisition of right of way would be required for the proposed project
 - Five residential and two non-residential displacements are anticipated
 - Right-of-way acquisition will be in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970

Please visit the project website for more information about the Uniform Act and TxDOT Relocation Assistance Program information.

Project Development and Timeline *

* subject to change

*Construction cost is approximately **\$60 million** based on preliminary design. Project is currently unfunded for construction and cannot let until funding is identified; however, right of way can proceed even if the project is not funded for construction.*

Virtual Public Meeting for FM 551

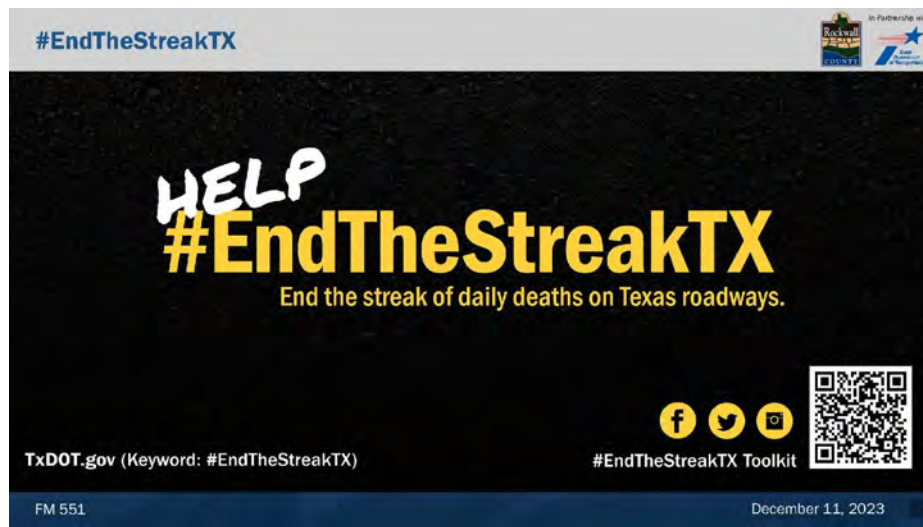

From SH 276 to SH 66

Rockwall County

CSJ 1016-01-032

Monday, December 11, 2023

The virtual meeting begins on Monday, December 11, 2023 at 5:30 PM and will remain available online through the comment period deadline of December 28, 2023. During this time, please view the project materials and other information provided on this site to learn about the project and provide your comments.

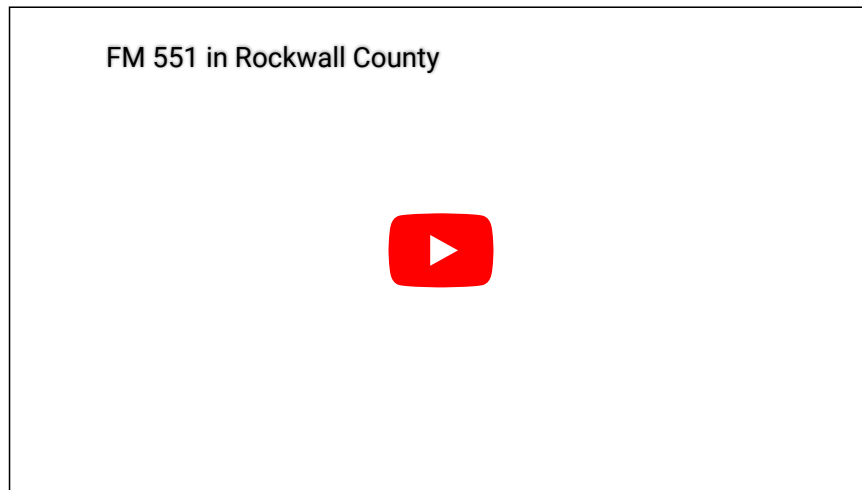

PROJECT DESCRIPTION

The proposed project would widen 3.25 miles of FM 551 from SH 276 to SH 66. From SH 276 to I-30, FM 551 would be widened from two 11-foot-wide travel lanes to four 12-foot-wide travel lanes, separated by a grass median. From I-30 north to SH 66, FM 551 would be widened from two 11-foot-wide travel lanes to two 12-foot-wide travel lanes with a 14-foot-wide center

turn lane. A 10-foot wide shared use path for bicyclists and pedestrians would be constructed along both sides of the roadway.
