

NOTICE OF PUBLIC MEETING

State Highway 190 - The East Branch From Interstate Highway 30 to Interstate Highway 20 Dallas and Kaufman Counties CSJs: 2964-06-011,012

The Texas Department of Transportation (TxDOT) in conjunction with Dallas and Kaufman Counties will conduct a Public Meeting for the purpose of soliciting public comment on the proposed State Highway (SH) 190 (The East Branch) from Interstate Highway 30 (I-30) to I-20 within southeast Dallas County. A new location six-lane roadway within an approximate 280-foot right-of-way is proposed. Viable alternative alignments and potential transportation modes, including the No-Build Alternative and the potential for toll-application to the build alternatives have been examined. The corridor is approximately 11 miles in length. Refined alternatives alignments (based on previous public meetings) and evaluations of these refined alternatives will be on display. It is the intent of TxDOT to determine which alternative should be identified as the preferred development alternative in the Draft Environmental Impact Statement following this Public Meeting. The meeting will be held at the Sunnyvale Middle School, 216 North Collins Road, Sunnyvale, Texas 75182 on Tuesday, December 16, 2014. The Public Meeting will be an Open House format between the hours of 5 pm and 7 pm with no formal presentation.

Maps, drawings, and other information about the project will be on display to allow interested persons to learn more about the proposed project, environmental study process, and environmental analysis. Project personnel will also be available to assist in orientation and explanation of the drawings and other material on hand and provide the opportunity to ask questions in a one-on-one setting. Additional project information may be obtained by visiting the project's website at www.theeastbranch.org.
