

Notice of Virtual Public Meeting with In-Person Option

FM 3286 (East Lucas Rd)/FM 546

From FM 1378 to FM 982

CSJ: 3476-02-014, 1013-01-042

Collin County, Texas

Texas Department of Transportation (TxDOT) is proposing to widen and reconstruct Farm-to-Market Road (FM) 3286/FM 546 from FM 1378 to FM 982 in Collin County, Texas. This notice advises the public that TxDOT will be conducting an online virtual public meeting on the proposed project with an in-person option. **The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online by Tuesday, Aug. 25, 2026, at 5 p.m. and will remain online for at least 15 days.** To view the virtual public meeting, go to the following web address at the date and time indicated above: <https://www.keepitmovingdallas.com/projects/fm-roads/fm3286>

If you do not have internet access, you may call 214-320-6244 between the hours of 8 a.m. and 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process.

Additionally, TxDOT is providing an in-person option for individuals who would like to participate in person instead of online. The in-person option will be held in an open house format. In-person attendees will be able to view the same presentation delivered in the online public meeting, which will be playing on a screen; review hard copies of project materials; ask questions of TxDOT staff and or consultants; and leave written comments. **The in-person option will be held on Tuesday, Aug. 25, 2026, from 5 p.m. to 7 p.m. at Southfork Ranch, 3700 Hogge Drive, Parker, Texas, 75002.**

The proposed project includes the reconstructing of and widening of FM 3286/East Lucas Road from FM 1378 to FM 546/County Road (CR) 437 approximately 3.9 miles long and FM 546 from FM 546/CR 437 to FM 982 approximately 0.8 miles long. The proposed project would reconstruct the existing two-lane roadway to a four (ultimate six) lane divided roadway with curb and gutter and raised median. A continuous 10-foot-wide shared-use path would be constructed on both sides of the roadway.

The proposed project would, subject to final design considerations, require additional right-of-way (ROW) and potentially displace two residences and one commercial building. Relocation assistance is available for displaced persons and businesses. Information about the TxDOT Relocation Assistance Program and services and benefits for those displaced and other affected property owners, as well as information about the tentative schedule for ROW acquisition and construction, can be obtained from the TxDOT ROW office by calling 214-320-6675.

The proposed project would involve construction in wetlands and an action in a floodplain.

Any environmental documentation or studies, any maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection by appointment Monday through Friday between the hours of 8 a.m. and 5 p.m. at the TxDOT Dallas District Office located at 4777 E. Highway 80, Mesquite, Texas 75150.

The virtual public meeting and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting or in-person option, please contact the TxDOT Public Information Office at 214-320-4480 no later than 4 p.m. CT, Aug. 21, 2026. Please be aware that advance notice is required as some services and accommodations may require time for the Texas Department of Transportation to arrange.

La reunión pública se llevará a cabo en inglés. Si usted necesita un intérprete o un traductor de documentos porque su idioma principal no es el inglés o tiene alguna dificultad para comunicarse eficazmente en inglés, se le proporcionará uno. Si usted tiene alguna discapacidad y necesita ayuda, se pueden hacer arreglos especiales para atender la mayoría de las necesidades. Si usted necesita servicios de interpretación o traducción o usted es una persona con alguna discapacidad que requiera una adaptación

para asistir a y participar en La reunión pública, por favor póngase en contacto con la Oficina de Información al Público del Distrito de Dallas de TxDOT al número 214-320-4480 a más tardar a las 4 p.m. hora central, 21 de agosto de 2026. Por favor sepa que es necesario dar aviso con anticipación, ya que algunos servicios y adaptaciones pueden requerir tiempo para que TxDOT los organice.

Written comments from the public regarding the feasibility study are requested and may be submitted by mail to the TxDOT Dallas District Office, 4777 E. Highway 80, Mesquite, Texas 75150. Written comments may also be submitted by email to Kibru.Andargie@txdot.gov. **All comments must be received on or before Sept. 10, 2026.** Responses to comments received will be available online at the study website once they have been prepared.

If you have any general questions regarding the proposed project or virtual meeting or in-person option, please contact Kibru Andargie, P.E., by phone at 214-320-6244, or by email at Kibru.Andargie@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated July 17, 2025, and executed by FHWA and TxDOT.
