

Notice of Public Meeting
UNITED STATES HIGHWAY (US) 377
From SH 114 to south of FM 1171
CSJ: 0081-03-049
DENTON County, Texas

The Texas Department of Transportation (TxDOT) and Denton County are proposing the reconstruction and widening of US 377 from SH 114 in Roanoke to just south of FM 1171 in Flower Mound within Denton County. This notice advises the public that TxDOT will be conducting an in-person and online virtual public meeting on the proposed project.

In-Person Meeting (Open House)

Thursday, May 11, 2023
6:00 p.m. to 8:00 p.m.
Byron Nelson High School Cafeteria
2775 Bobcat Boulevard, Trophy Club, TX 76262

Virtual Meeting*

Thursday, May 11, 2023, at 6:00 p.m. through
Friday, May 26, 2023, at 11:59 p.m.
www.keepitmovingdallas.com/US377Roanoke
*Not a live event

The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The materials can be viewed at your convenience. To log onto the virtual public meeting, go to the project website any time during the dates and times indicated. If you do not have internet access, you may call (214) 320-6628 between the hours of 8 a.m. and 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process. Additionally, TxDOT is providing an in-person public meeting option for individuals who would like to participate in person. In-person attendees will be able to view the same presentation delivered in the online public meeting which will be playing on a screen, review project materials, ask questions of TxDOT staff and/or consultants, and leave written comments.

The purpose of the project is to provide capacity and safety enhancements along the corridor in the form of a standard 4-lane divided urban section with raised medians, curbs, sidewalks, and shared-use paths for approximately 3.4 miles. A major component of this corridor upgrade will be the addition of lanes and pedestrian facilities within the United States Army Corps of Engineers (USACE) floodplain limits where US 377 bridges cross the Denton Creek area north of Roanoke in two locations. This will be the final project to provide these uniform enhancements to the US 377 corridor as the highway limits to the north and south of this project have already been completed or will soon go to construction.

The US 377 proposed improvements include roadway improvements from SH 114 to south of FM 1171 including widening of a 2-lane arterial roadway to a 4-lane divided arterial roadway for 3.4 miles. The roadway passes through the City of Roanoke and the Town of Flower Mound. The existing and proposed US 377 right-of-way (ROW) width varies between 140-feet to 487-feet.

The proposed project would, subject to final design consideration, require approximately 6 acres of additional ROW. Relocation assistance is available for displaced persons and businesses. Information about the TxDOT Relocation Assistance Program and services and benefits for those displaced and other affected property owners, as well as information about the tentative schedule for ROW acquisition and construction, can be obtained from the TxDOT Dallas District office by calling (214) 320-6675 or online at the project website.

Any environmental documentation or studies, any maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at the TxDOT

Dallas District office at 4777 East Highway 80 Mesquite, Texas 75150. Project materials will also be available online at www.keepitmovingdallas.com/US377Roanoke or in hard copy form for review at the in-person meeting.

The virtual public meeting and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the public meeting, please contact the Dallas District Public Information Office at (214) 320-4480 no later than 4 p.m., Wednesday, May 3, 2023. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

Comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Dallas District Office, Attention: Nelson Underwood, P.E., 4777 East Highway 80 Mesquite, Texas 75150 or by email to Nelson.Underwood@txdot.gov. Verbal comments may be submitted by leaving a voicemail at (972) 646-1366. **All comments must be received on or before Friday, May 26, 2023.** Responses to comments received will be available online at the project website once they have been prepared.

If you have any general questions or concerns regarding the proposed project or the meeting, please contact the TxDOT project manager, Nelson Underwood, P.E., by phone at (214) 320-6628, or by email at Nelson.Underwood@TxDOT.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.
